(b) Any Tax that would not have been imposed but for the delay or failure by the holder (following a written request by the Company) in the filing with the relevant Taxing Jurisdiction of Forms (as defined below) that are required to be filed by such holder to avoid or reduce such Taxes (including for such purpose any refilings or renewals of filings that may from time to time be required by the relevant Taxing Jurisdiction), provided that such holder shall be deemed to have satisfied the requirements of this clause (b) upon the good faith completion and submission of such Forms (including refilings or renewals of filings) as may be specified in a written request of the Company no later than 60 days after receipt by such holder of such written request;

(c) Any Taxes imposed under FATCA;

(d) U.S. federal withholding Taxes imposed on amounts payable to or for the account of such holder under this Agreement or the Notes pursuant to a law in effect on the date on which such holder becomes a party to this Agreement; or

(e) Any combination of clauses (a), (b), (c) or (d) above.

22.2. Tax Forms.

By acceptance of any Note, the holder of such Note agrees, subject to the limitations of clause (b) above, that it will from time to time with reasonable promptness, duly complete and deliver to or as reasonably directed by the such properly completed and executed documentation reasonably requested by the Company and the Agent (including, without limitation, any applicable IRS Form W-8 or W-9) as will permit such payments to be made without withholding or at a reduced rate of withholding (collectively, "Forms").

22.3. Tax Receipts.

The Company will furnish the holders, promptly and in any event within 60 days after the date of any payment by the Company of any Tax in respect of any amounts paid under or in respect of this Agreement or the Notes the original tax receipt issued by the relevant taxation or other authorities involved for all amounts paid as aforesaid (or if such original tax receipt is not available or must legally be kept in the possession of the Company a duly certified copy of the original tax receipt or any other reasonably satisfactory evidence of payment), together with such other documentary evidence with respect to such payments as may be reasonably requested from time to time by any holder.

22.4. Tax Indemnification.

If the Company is required by any applicable law, as modified by the practice of the taxation or other authority of any relevant Taxing Jurisdiction, to make any deduction or withholding of any Tax in respect of which the Company would be required to pay any additional amount under this Section 22, but for any reason does not make such deduction or withholding with the result that a liability in respect of such Tax assessed directly against a holder and such holder pays such liability then the Company will promptly reimburse such holder for such payment (including any related interest or penalties to the extent such interest or penalties arise by virtue of a default or delay by the Company) upon demand by such holder accompanied by an official receipt (or duly certified copy thereof) issued by the taxation or other authority of the relevant Taxing Jurisdiction.

To the extent required by any applicable law, Agent may withhold from any payment to any holder under a Note Document an amount equal to any applicable withholding tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that Agent did not properly withhold tax from amounts paid to or for the account of any holder (because the appropriate certification form was not delivered, was not properly executed, or fails to establish an exemption from, or reduction of, withholding tax with respect to a particular type of payment, or because such holder failed to notify Agent or any other Person of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), or Agent reasonably determines that it was required to withhold taxes from a prior payment but failed to do so, such holder shall promptly indemnify Agent fully for all amounts paid, directly or indirectly, by such Agent as tax or otherwise, including penalties and interest, and together with all expenses incurred by Agent, including legal expenses, allocated internal costs and out-of-pocket expenses. Agent may offset against any payment to any holder under a Note Document, any applicable withholding tax that was required to be withheld from any prior payment to such holder but which was not so withheld, as well as any other amounts for which Agent is entitled to indemnification from such holder under this Section.

22.5. Mitigation.

(a) If any holder of a Note requests indemnification pursuant to Section 22.4, or the Company is required to pay any additional amount to any holder of a Note or any Taxing Jurisdiction for the account of any holder of a Note pursuant to Section 22.1, then such holder shall use reasonable efforts to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such holder, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 22.4 or 22.1, as applicable, in the future, and (ii) would not subject such holder to any material unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such holder in any material respect.

(b) If any holder of a Note requests indemnification pursuant to Section 22.4, or the Company is required to pay any additional amount to any holder of a Note or any Taxing Jurisdiction for the account of any holder of a Note pursuant to Section 22.1, then the Company may, at its sole expense and effort, upon notice to such holder, (x) prepay any part of the Notes held by such holder, at a prepayment price equal to 100% of the principal amount so prepaid plus accrued and unpaid interest thereon as of the date of prepayment, without regard to any Make-Whole Amount or Breakage Amount, or (y) replace such holder by requiring such holder to transfer, assign and delegate (and such holder shall be obligated to transfer, assign and delegate), without recourse, all of its interests, rights and obligations under this Agreement to an Eligible

Assignee that shall assume such obligations (which Eligible Assignee may be another holder, if any holder accepts such transfer, assignment and delegation); provided that (A) such holder shall have received payment of an amount equal to accrued and unpaid interest and all other amounts payable to such holder hereunder as of the date of transfer, (B) such transfer, assignment and delegation will result in a reduction in the indemnification obligation pursuant to Section 22.4 or the additional amounts payable pursuant to Section 22.1, as applicable, and (C) such transfer, assignment and delegation does not conflict with applicable law. No holder of a Note shall be required to make any such transfer, assignment and delegation, and the Company may not prepay the Notes held by such holder pursuant to this clause, if, prior thereto, as a result of a waiver by such holder or otherwise, the circumstances entitling the Company to require such transfer, assignment and delegation or make such prepayment cease to apply.

22.6. Survival.

The obligations of the Company under this Section 22 shall survive the making of any payment under this Agreement or a Note and the transfer of any Note. The provisions of this Section 22 shall also apply to successive transferees of the Notes.

23. MISCELLANEOUS.

23.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

23.2. Jurisdiction and Process; Waiver of Jury Trial.

(a) Each party hereto irrevocably submits to the exclusive jurisdiction of any New York or federal court sitting in New York City, over any suit, action or proceeding arising out of or relating solely to this Agreement or the Notes. To the fullest extent permitted by applicable law, each party hereto irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each party hereto agrees, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 23.2(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) Each party hereto irrevocably consents to process being served in any suit, action or proceeding solely of the nature referred to in Section 23.2(a) by mailing a copy thereof by registered or certified or priority mail, postage prepaid, return receipt requested, or delivering a copy thereof in the manner for delivery of notices specified in Section 18, to it. Each party hereto

agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 23.2 shall affect the right of any holder of a Note or the Agent to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes or the Agent, as applicable, may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) THE PARTIES HERETO WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

23.3. Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding, any payment of principal of or Make-Whole Amount, other premium or Breakage Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

23.4. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

23.5. Construction.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

23.6. Effectiveness; Counterparts.

This Agreement shall become effective on the date hereof following execution hereof by the Company, the Agent and each Purchaser. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

23.7. Governing Law; Submission to Jurisdiction.

This Agreement and the Notes shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York, excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

23.8. Indemnification.

The Company shall indemnify the Agent, each holder and each Related Party of any of the foregoing persons (each such person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of any counsel to the Indemnitees (excluding allocated costs of internal counsel) (limited to one primary outside counsel for the Agent and its Related Parties and one primary outside counsel for all other Indemnitees plus, in each case, any special or local counsel in each relevant jurisdiction and, in the case of an actual or reasonably perceived conflict of interest where the Indemnitees affected by such conflict inform the Company of such conflict and, thereafter, retains their own counsel, of another firm of counsel for all such affected Indemnitees) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Company or any of its Affiliates arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Note Document, or any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Note or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Company or any of its Affiliates, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee (except that clauses (x), (y) and (z) below shall not apply to the Agent or any Related Party of the Agent), be available to the extent that such losses, claims, damages, liabilities or related expenses (w) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee (or such Indemnitee's Related Parties), (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to be attributable to a material breach of such Indemnitee (or such Indemnitee's Related Parties) of its obligations under the Note Documents, (y) relate to disputes solely among or between holders or (z) relate to any alleged breach of this Agreement by the holders or Purchasers, whether brought by a third party, the Company or its Affiliates; provided, further, that, for the avoidance of doubt, losses, claims, damages, liabilities or related expenses subject to indemnification or reimbursement under this Section 23.8 shall not include Taxes. The Company may, in its sole discretion, assume the defense of any claims brought against the Agent, subject to Agent's determination of any actual or potential conflict of interest.

For the purpose of this Section 23.8, "Related Parties" shall mean, with respect to any person, such person's Affiliates and the partners, directors, officers, employees, trustees, administrators, managers, agents, advisors and subadvisors of such person and of such person's Affiliates.

To the fullest extent permitted by applicable Requirements of Law, (i) neither the Company nor any Guarantor shall assert, and the Company and each Guarantor hereby waives, any claim against any Indemnitee, and (ii) no Indemnitee shall assert, and each Indemnitee hereby waives, any claim against any the Company or any Guarantor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Note Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Note or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby. The obligations of the Company under this Section 23.8 will survive the termination of this Agreement and the resignation or removal of the Agent.

24. NOTEHOLDER AGENT.

24.1. Appointment.

(a) Each holder hereby irrevocably designates and appoints Wilmington Trust, National Association to act as the Agent for the holders under this Agreement and the other Note Documents to which the Agent is a party and each holder irrevocably authorizes the Agent, in such capacity, to enter into and to take such action on its behalf under the provisions of this Agreement and each other Note Document to which it is a party, on behalf of such holder, binding such holder to the terms and conditions thereof.

(b) Notwithstanding any provision to the contrary elsewhere in this Agreement or any other Note Document, the Agent shall not have any duties or responsibilities, except those expressly set forth herein or therein, or any fiduciary relationship with any holder or any other Person, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Note Document or otherwise exist against the Agent.

(c) In performing its functions and duties solely under this Agreement, the Agent shall act solely as the agent of the holders and does not assume, nor shall be deemed to have assumed, any obligation or relationship of trust with or for the holders. Without limiting the generality of the foregoing, the Agent shall not be required to take any action with respect to any Event of Default, except at the direction of the Required Holders. The provisions of this Article 24 are solely for the benefit of the Agent and the holders of Notes, and neither the Company nor any of its Subsidiaries or Affiliates shall have any rights as a third-party beneficiary of any of

such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Note Documents (or any other similar term) with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

24.2. Delegation of Duties.

The Agent may execute any of its duties under this Agreement and the other Note Documents by or through agents orattorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

24.3. Exculpatory Provisions.

(a) Neither the Agent nor any of its respective officers, directors, employees, agents, advisors,attorneys-in-fact or affiliates shall be (i) liable for any action taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Note Document believed to be in its powers (except to the extent that any of the foregoing are found by a final decision of a court of competent jurisdiction that is not subject to appeal to have resulted from its or such Person's own gross negligence or willful misconduct), (ii) responsible in any manner to any of the holders for any recitals, statements, representations or warranties made by the Company or any Guarantor or any officer thereof contained in this Agreement or any other Note Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Note Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Note Document or for any failure of the Company or any Guarantor to perform its obligations hereunder or thereunder, (iii) liable to any Person for any action taken pursuant to direction from Required Holders, (iv) liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if such Agent has been advised of the likelihood of such loss or damage or (v) responsible for the satisfaction of any condition set forth in Article 4. The Agent shall not be under any obligation to any holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Note Document, or to inspect the properties, books or records of the Company or any Guarantor.

(b) The Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing. The Agent shall not be required to take any action at the direction of holders of Notes that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Note Document or Applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law. The Agent shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

(c) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Holders or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment.

24.4. Notice of Default.

The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received notice from a holder or the Company referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default".

24.5. Non-Reliance on the Agent and Other Holders.

Each holder expressly acknowledges that neither the Agent nor any of its respective officers, directors, employees, agents, advisors,attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by the Agent hereafter taken, including any review of the affairs of the Company or any Guarantor or any of their Affiliates, shall be deemed to constitute any representation or warranty by the Agent to any holder. Each holder represents to the Agent that it has, independently and without reliance upon any other holder, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Company and the Guarantors and their Affiliates and made its own decision to purchase the Notes hereunder and enter into this Agreement. Each holder also represents that it will, independently and without reliance upon the Agent or any other holder, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Note Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Company and the Guarantors and their Affiliates. The Agent shall not have any duty or responsibility to provide any holder with any notice, credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Company or any Guarantor or any of their Affiliates that may come into the possession of the Agent or any of their officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

24.6. Indemnification.

The holders agree to indemnify the Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Company and without limiting the obligation of the Company to do so), ratably according to their respective pro rata share in effect on the date on which indemnification is sought under this Section (with such pro rata share calculated as such holder's pro rata share of the aggregate outstanding Notes), from and against any and all liabilities, obligations, losses,

damages, penalties, actions, judgments, suits, costs, claims, including Environmental Claims, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Notes) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, this Agreement, the Notes or any of the other Note Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing and whether brought by a third party, the Company or any holders; *provided* that no holder shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final decision of a court of competent jurisdiction not subject to appeal to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Notes and all other amounts payable hereunder, and the resignation or removal of the Agent hereunder.

24.7. The Agent in its Individual Capacity.

The Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Company and the Guarantors as though such Agent were not an Agent.

24.8. Successor Agent.

The Agent (i) may resign as Agent upon thirty (30) Business Days' notice to the holders and Company or (ii) may be removed at the direction of the Required Holders. If the Agent shall resign or be removed under this Agreement and the other Note Documents, then the Required Holders may appoint a successor agent, which successor agent shall (unless an Event of Default shall have occurred and be continuing) be subject to approval by the Company (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Agent, and the term "Agent" shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders. If no successor Agent shall have been appointed by the Required Holders and shall have accepted such appointment within 30 days after the retiring Agent's giving of notice of resignation, then the retiring Agent's resignation or removal shall be effective at the expiration of such 30 days. After any retiring Agent's resignation as Agent, the provisions of this Section 24 and of Sections 23.8 and 14.2 shall continue to inure to its benefit.

Any Person into which the Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust assets as a whole or substantially as a whole, or any Person resulting from any such conversion, merger, consolidation, sale or transfer to which the Agent is a party, shall (provided it is otherwise qualified to serve as the Agent hereunder) be and become a successor Agent hereunder and be vested with all of the rights, duties and obligations as was its predecessor without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto or any other Person, anything herein to the contrary notwithstanding.

24.9. Agent's Duties.

Whenever reference is made in this Agreement or any Note Document to any action by consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Agent or to any amendment, waiver or other modification of this Agreement to be executed (or not to be executed) by the Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion or rights or remedies to be made (or not to be made) by the Agent, it is understood that in all cases such Agent shall be acting, giving, withholding, suffering, omitting, making or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) as directed in accordance with this Agreement and the Note Documents. Notwithstanding anything in this Agreement or any Note Document to the contrary, the Agent will not in any event be required to take any action which exposes such Agent to personal liability, which is contrary to this Agreement, the Note Documents or law or with respect to which such Agent does not receive instructions or full indemnification satisfactory to it. In determining whether the requisite holders have directed any action or granted any approval requiring the direction or consent of the holders, the Agent may request and rely on written statements from each of the holders setting forth the outstanding principal amount of its Notes. The Agent shall not be required to take any such action or give any such approval prior to receiving such written statements. Notwithstanding anything else to the contrary herein, it is understood that in all cases the Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence from the Required Holders (or such other number or percentage of the holders of notes as shall be expressly provided for herein or in any other Note Document) in respect of such action. The Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the Required Holders to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of the Agent and its permitted successors and assigns and is not intended to, and will not, entitle the other parties hereto to any defense, claim or counterclaims under or in relation to any Note Documents, or confer any rights or benefits on any party hereto.

24.10. Financial Liability.

No provision of this Agreement or any other Note Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby shall require the Agent to (i) expend or risk its own funds or provide indemnities in the performance of any of its duties hereunder or the exercise of any of its rights or power or (ii) otherwise incur any financial liability in the performance of its duties or the exercise of any of its rights or powers if it shall have reasonable grounds for believing repayment of such funds or adequate indemnity against such risk or liability (including an advance of moneys necessary to take the action requested) is not reasonably assured to it except for such liability, if any, arising out of the gross negligence or willful misconduct in the performance of its duties hereunder as determined by a final judgment of a court of competent jurisdiction that is not subject to appeal.

If you are in agreement with the foregoing, please sign the form of agreement on the accompanying counterpart of this Agreement and return it to the Company, whereupon the foregoing shall become a binding agreement between you and the Company.

SECTION 6. Subrogation, Contribution, Reimbursement or Indemnity. Until all Obligations have been indefeasibly paid in full, each Guarantor agrees not to take any action pursuant to any rights which may have arisen in connection with this Guarantee to be subrogated to any of the rights (whether contractual, under the United States Bankruptcy Code, as amended, including Section 509 thereof, under common law or otherwise) of any of the Holders or the Agent against the Company or against any collateral security or guarantee or right of offset held by the Holders or the Agent for the payment of the Obligations. Until all Obligations have been indefeasibly paid in full, each Guarantor agrees not to take any action pursuant to any contractual, common law, statutory or other rights of reimbursement, contribution, exoneration or indemnity (or any similar right) from or against the Company which may have arisen in

connection with this Guarantee. If an event permitting the acceleration of the maturity of the principal amount of the Notes shall at any time have occurred and be continuing, and such acceleration shall at such time be prevented by reason of the pendency against the Company or any other person of a case or proceeding under a bankruptcy or insolvency law, each Guarantor agrees that, for purposes of this Guarantee and its obligations hereunder, the maturity of the principal amount of the Notes and all other Obligations shall be deemed to have been accelerated with the same effect as if the Agent had accelerated the same in accordance with the terms of the Note Purchase Agreement or other Applicable Note Document, and such Guarantor shall forthwith pay such principal amount, Make-Whole Amount, if any, Breakage Amount, if any, other premium, if any, and interest thereon and any other amounts guaranteed hereunder without further notice or demand, at the price calculated as of the acceleration date in accordance with Section 8.2(c) of the Note Purchase Agreement.

(d) the execution, delivery and performance of this Guarantee will not violate any provision of any requirement of law or material contractual obligation of such Guarantor and will not result in or require the creation or imposition of any Lien on any of the properties, revenues or assets of such Guarantor pursuant to the provisions of any material contractual obligation of such Guarantor or any requirement of law;

(h) after giving effect to the issuance and sale of the Notes and the application of the proceeds thereof and due consideration to any rights of contribution and reimbursement, such Guarantor has received fair consideration and reasonably equivalent value for the incurrence of its obligations hereunder or as contemplated hereunder.

All warranties, representations and covenants made by each Guarantor herein or in any certificate or other instrument delivered by it or on its behalf hereunder shall be considered to have been relied upon by the Holders and the Agent and shall survive the execution and delivery of this Guarantee, regardless of any investigation made by any of the Holders or the Agent. All statements in any such certificate or other instrument shall constitute warranties and representations by such Guarantor hereunder.

Each Guarantor agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 12 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company or any Guarantor in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) EACH GUARANTOR WAIVES TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

SECTION 13. Miscellaneous. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, each Guarantor hereby waives any provision of law that renders any provisions hereof prohibited or unenforceable in any respect. The terms of this Guarantee shall be binding upon, and inure to the benefit of, each Guarantor, the Holders and the Agent and their respective successors and assigns. into and will be deemed outstanding thereafter for purposes of calculating any ratios under this Indenture after the date of such agreement and before consummation of the acquisition. For the avoidance of doubt, for purposes of determining the amount available for Restricted Payments under clause (2) or (3)(A) of Section 4.04(a) or clause (ii), (vi) and (xviii) of Section 4.04(b), Consolidated Net Income shall not include any Consolidated Net Income of or attributable to the target company or assets acquired unless and until the closing of such acquisition shall have occurred.

If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, amalgamation, merger, consolidation, discontinued operation or operational change that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever *pro forma* effect is to be given to an Investment, acquisition (including the Transactions), disposition, amalgamation, merger, consolidation, discontinued operation or operational change, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company (and may include (to the extent not already included in EBITDA), (a) cost savings (including sourcing), operating expense reductions and other operating improvements or synergies resulting from such Investment, acquisition, disposition, amalgamation, merger, consolidation (including the Transactions), discontinued operation or operational change, which is being given *pro forma* effect that have been or are expected to be realized and reasonably identifiable and factually supportable and are reasonably anticipated to be realized within 24 months after the change, acquisition or disposition that is expected to result in such cost savings, expense reductions, or operating improvements and other synergies and (b) adjustments of the nature used in connection with the calculation of "*Adjusted EBITDA*" as set forth in footnote 2 (including, with respect to any period ending prior to, or including, the Effective Date, the adjustments set forth in the line items captioned "estimated standalone costs," "Aroma contract adjustment" and "Silica contract adjustment," which adjustments shall reflect the amounts set forth in such line items in the Offering Circular) to "*Offering Circular Summary—Summary Historical and Unaudited Pro Forma Condensed Financial Information*" in the Offering Circular). If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness

shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate. Interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such indebtedness during the applicable period.

A Security shall not be entitled to any benefit under this Indenture or valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuers to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04 Registrar and Paying Agent.

(a) The Issuers shall maintain (i) an office or agency where Securities may be presented for registration of transfer or for exchange (the "*Registrar*") and (ii) a Paying Agent. The Registrar shall keep a register of the Securities and of their transfer and exchange. The Issuers may have one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrars. The term "*Paying Agent*" includes the Paying Agent and any additional paying agents. The Issuers initially appoint the Trustee as Registrar, Paying Agent and the Securities Custodian with respect to the Global Securities. The Issuers initially appoint DTC to act as Depositary with respect to the Global Securities.

(b) The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture, which shall incorporate the terms of the Trust Indenture Act. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Trustee in writing of the name and address of any such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuers or any of their domestically organized Wholly-Owned Subsidiaries may act as Paying Agent or Registrar.

(c) The Issuers may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee and without prior notice to any Holder; *provided*, *however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Trustee; *provided*, *however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05 Paying Agent to Hold Money in Trust. One Business Day prior to or on each due date of the principal of and interest on any Security, the Issuers shall deposit with a Paying Agent a sum sufficient to pay such principal and interest when so becoming due. The Issuers shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee in writing of any default by the Issuers in making any such payment. If any Issuer or a Wholly-Owned Subsidiary of any Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuers at

any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section, a Paying Agent shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee shall serve as Paying Agent for the Securities.

SECTION 2.06 Holder Lists. The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuers shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07 Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor of this Indenture are met. When Securities are presented to the Registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Securities at the Registrar's request. The Issuers may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section. The Issuers shall not be required to make, and the Registrar need not register, transfers or exchanges of any Securities (i) selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) (ii) for a period of 15 days before the mailing of a notice of redemption of Securities to be redeemed or (iii) between a regular record date and the next succeeding interest payment date.

Prior to the due presentation for registration of transfer of any Security, the Issuers, the Guarantors, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuers, any Guarantor, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.08 Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the New York UCC are met, such that the Holder (a) satisfies the Issuers or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the New York UCC (a "*protected purchaser*") and (c) satisfies any other reasonable requirements of the Trustee. Such Holder shall furnish an indemnity bond sufficient in the judgment of (i) the Trustee to protect the Trustee or (ii) the Issuers to protect the Issuers, the Trustee, a Paying Agent and the Registrar from any loss that any of them may suffer if a Security is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Security (including without limitation, attorneys' fees and disbursements in replacing such Security). In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuers in their discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.09 Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.08 and those described in this Section as not outstanding. Subject to Section 11.06, a Security does not cease to be outstanding because the Issuers or an Affiliate of the Issuers holds the Security.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Security is held by a protected purchaser.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date or any date of purchase pursuant to an offer to purchase money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed, maturing or purchased, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuers may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuers consider appropriate for temporary Securities. Without unreasonable delay, the

Issuers shall prepare and the Trustee shall authenticate Definitive Securities and make them available for delivery in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuers, without charge to the Holder. Until such exchange, temporary Securities shall be entitled to the same rights, benefits and privileges as Definitive Securities.

SECTION 2.11 Cancellation. The Issuers at any time may deliver Securities to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee, or at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Securities surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of cancelled Securities in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act and the Trustee). The Issuers may not issue new Securities to replace Securities they have redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of cancelled Securities other than pursuant to the terms of this Indenture.

SECTION 2.12 Defaulted Interest. If the Issuers default in a payment of interest on the Securities, the Issuers shall pay the defaulted interest then borne by the Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuers may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuers shall fix or cause to be fixed any such special record date and payment and shall promptly send or cause to be sent to each affected Holder and the Trustee a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13 CUSIP Numbers, ISINs, etc. The Issuers in issuing the Securities may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to Holders; *provided*, *however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Securities or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Securities and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers shall promptly advise the Trustee in writing of any change in the CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.14 Calculation of Principal Amount of Securities. The aggregate principal amount of the Securities, at any date of determination, shall be the principal amount of the Securities outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Securities, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Securities, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Securities then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 11.06 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuers and delivered to the Trustee pursuant to an Officer's Certificate of the Issuers.

ARTICLE 3

REDEMPTION

SECTION 3.01 Redemption. The Securities may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the Securities, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest to, but excluding, the redemption date.

SECTION 3.02 Applicability of Article. Redemption of Securities at the election of the Issuers or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article.

SECTION 3.03 Notices to Trustee. If the Issuers elect to redeem Securities pursuant to the optional redemption provisions of Paragraph 5 of the Security, they shall notify the Trustee in writing of (i) the paragraph or subparagraph of such Security and the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Securities to be redeemed and (iv) the redemption price. The Issuers shall give notice to the Trustee provided for in this Section 3.03 at least 30 days but not more than 60 days before a redemption date, unless (i) a shorter period is acceptable to the Trustee or (ii) the redemption is occurring pursuant to the Special Mandatory Redemption provision of Paragraph 5 of the Securities, in which case, notice shall be provided not less than five (5) Business Days prior to the redemption date, *provided*, notice may be given more than 60 days prior to a redemption date if the notice is issued in connection with Section 8.01. Such notice shall be accompanied by an Officer's Certificate from the Issuers to the effect that such redemption will comply with the conditions herein. Any such notice may be cancelled at any time by written notice to the Trustee prior to notice of such redemption being sent to any Holder and shall thereby be void and of no effect.

SECTION 3.04 Selection of Securities to Be Redeemed. In the case of any partial redemption, the Trustee shall select the Securities to be redeemed by lot and otherwise in accordance with the customary procedures of the relevant Depositary; *provided* that the required denominations are maintained and Securities of $2,000 or less shall not be redeemed in part. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than $2,000. Securities and portions of them that the Trustee selects shall be in principal amounts of $2,000 or any integral multiple of $1,000 in excess thereof. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Trustee shall notify the Issuers as soon as practicable of the Securities or portions of Securities to be redeemed.

After the redemption date, upon surrender of the Security to be redeemed in part only, a new Security or Securities in principal amount equal to the unredeemed portion of the original Security representing the same Indebtedness to the extent not redeemed shall be issued in the name of the Holder of the Securities upon cancellation of the original Security (or appropriate book entries shall be made to reflect such partial redemption).

SECTION 3.05 Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date pursuant to the optional redemption provisions of Paragraph 5 of the Security, the Issuers shall mail or cause to be mailed by first-class mail (or otherwise delivered in accordance with the procedures of DTC) a notice of redemption to each Holder whose Securities are to be redeemed (except that such notice of redemption may be mailed (or otherwise delivered in accordance with the procedures of DTC) (i) more than 60 days prior to a redemption date if the notice is issued in connection with Section 8.01 or (ii) at least five (5) Business Days prior to the redemption date if the redemption is occurring pursuant to the Special Mandatory Redemption provision set forth in Paragraph 5 of the Securities).

Any such notice shall identify the Securities to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued and unpaid interest to the redemption date; *provided* that in connection with a redemption under Paragraph 5(a) of the Security, the initial notice need not set forth the redemption price but only the manner of calculation thereof;

(iii) the paragraph or subparagraph of the Securities and/or Section of this Indenture pursuant to which the Securities called for redemption are being redeemed;

(iv) the name and address of the Paying Agent;

(v) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price, plus accrued interest;

(vi) if fewer than all the outstanding Securities are to be redeemed, the certificate numbers and principal amounts of the particular Securities to be redeemed, the aggregate principal amount of Securities to be redeemed and the aggregate principal amount of Securities to be outstanding after such partial redemption;

(vii) that, unless the Issuers default in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(viii) the CUSIP number, ISIN and/or "Common Code" number, if any, printed on the Securities being redeemed; and

(ix) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or "Common Code" number, if any, listed in such notice or printed on the Securities.

(b) At the Issuers' written request, the Trustee shall give the notice of redemption in the Issuers' names and at the Issuers' expense. In such event, the Issuers shall provide the Trustee with the information required by this Section at least 15 days (or such shorter period as shall be acceptable to the Trustee, which in the case of a redemption related to a Special Mandatory Redemption set forth in Paragraph 5 of the Securities, shall be at least one Business Day prior to the date the notice of redemption is required to be delivered to the Holders) prior to the date such notice is to be provided to Holders.

SECTION 3.06 Effect of Notice of Redemption. Once notice of redemption is mailed or sent in accordance with Section 3.05, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in Paragraph 5(d) of the "Optional Redemption" provisions of the Security. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest, to, but not including, the redemption date. The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07 Deposit of Redemption Price. With respect to any Securities, one Business Day prior to the redemption date, the Issuers shall deposit with the Paying Agent (or, if any Issuer or a Wholly-Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Issuers to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Issuers have deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture or applicable law.

SECTION 3.08 Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Issuers shall execute and the Trustee shall authenticate for the Holder (at the Issuers' expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered; *provided* that each new Security shall be in a principal amount of $2,000 or an integral multiple of $1,000 in excess thereof.

ARTICLE 4

COVENANTS

SECTION 4.01 Payment of Securities. The Issuers shall promptly pay the principal of and interest on the Securities on the dates and in the manner provided in the Securities and in this Indenture. An installment of principal or interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds as of 11:00 a.m., New York City time, money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest at the same rate borne by the Securities to the extent lawful.

SECTION 4.02 Reports and Other Information.

(a) Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as any Securities are outstanding, from and after the Effective Date the Company shall furnish to the Holders and the Trustee: (i)(x) all annual and quarterly financial statements that would be required to be contained in a filing with the SEC on Forms 10-K and 10-Q of the Company, if the Company were required to file such forms, plus a "*Management's Discussion and Analysis of Financial Condition and Results of Operations*"; (y) with respect to the annual and quarterly information, a presentation of Adjusted EBITDA of the Company (the foregoing financial information to be prepared on a basis substantially consistent with the presentation of non¬GAAP financial measures included in the Offering Circular); and (z) with respect to the annual financial statements only, a report on the annual financial statements by the Company's independent registered public accounting firm; it being understood that the Company shall not be required to include, except as otherwise provided in this Section 4.02(a), any other adjustment that would be required by any SEC rule, regulation or interpretation, including but not limited to any "push down" accounting adjustment; and (ii) all information that would be required to be contained in filings with the SEC on Form 8-K under Items 1.0 1, 1.02, 1.03, 2.01, 2.03, 2.04, 2.05, 2.06, 4.01, 4.02, 5.01 and 5.02(b) and (c)(1) (other than with respect to information otherwise required or contemplated by Item 402 of Regulation S-K) (but excluding, for the avoidance of doubt, financial statements and exhibits that would be required pursuant to Item 9.01 of Form 8-K other than financial statements and *pro forma* financial information required pursuant to clauses (a) and (b) of Item 9.01 of Form8-K (in each case relating to transactions required to be reported pursuant to Item 2.01 of Form 8-K) to the extent available (as determined by the Company in good faith, which determination shall be conclusive)) if the Company had been a reporting company under the Exchange Act; *provided*, *however*, that no such current report will be required to be furnished if the Company determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial position or prospects of the Company and its Restricted Subsidiaries, taken as a whole, and the Company may omit from such disclosure any terms of such event if the Company determines in its good faith judgment that disclosure of such terms would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Company and its Restricted Subsidiaries, taken as a whole; *provided*, that such non-disclosure shall be limited only to those specific provisions that would cause material competitive harm and not the occurrence of the event itself; *provided*, *further*, that no such current report will be required to include a summary of the terms of any employment or compensatory arrangement agreement, plan or understanding between the Company (or any of its Subsidiaries) and any director, manager or executive officer of the Company (or any of its Subsidiaries).

(b) All such annual reports shall be furnished within 90 days after the end of the fiscal year to which they relate, and all such quarterly reports shall be furnished within 45 days after the end of the fiscal quarter to which they relate; *provided* that the annual report for the fiscal year ending December 31, 2014 shall be furnished within 135 days after the end of the

fiscal year to which it relates and the quarterly report for the first fiscal quarter ending after the Effective Date (commencing with the quarter ended March 31, 2015) shall be furnished within 75 days after the end of the fiscal quarter to which it relates. All such current reports shall be furnished within the time periods specified in the SEC's rules and regulations for reporting companies under the Exchange Act. The Company agrees to use its commercially reasonable efforts to obtain internal financial accounting data for the Eco Services business for the quarter ended September 30, 2014 from Solvay in whatever format Solvay is able to provide no later than 75 days after the end of such quarter. If, and only if, Solvay provides such information to the Company, such data shall be provided to the Holders.

(c) Notwithstanding the foregoing, (a) the Company will not be required to furnish any information, certificates or reports required by (i) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K, (ii) Regulation G or Item 10(e) of RegulationS-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein or (iii) Rule3-05, 3-09 and 3-10 of Regulation S-X, (b) such reports shall not be required to present compensation or beneficial ownership information and (c) such reports shall not be required to include any exhibits that would have been required to be filed pursuant to Item 601 of Regulation S-K (except this clause (c) shall not apply to any annual, quarterly or*pro forma* financial statements otherwise expressly required to be provided under this Section 4.02).

(d) The Company shall (x) deliver such information and such reports (as well as the details regarding the conference call described below) to any Holder and, upon request, to any beneficial owner of the Securities, in each case by posting such information on Intralinks or any comparable password-protected online data system which will require a confidentiality acknowledgment, and will make such information readily available to any prospective investor in the Securities that certifies to the reasonable satisfaction of the Company that it is an eligible purchaser of the Securities, any securities analyst (to the extent providing analysis of investment in the Securities) or any market maker in the Securities, in each case (i) who agrees to treat such information as confidential or (ii) accesses such information on Intralinks or any comparable password protected online data system which will require a confidentiality acknowledgment; *provided* that the Company shall post such information thereon and make readily available any password or other login information to any such prospective investor in the Securities, any such securities analyst (to the extent providing analysis of investment in the Securities) or any such market maker in the Securities or (y) otherwise provide substantially comparable availability of such reports (as determined by the Company in good faith) (it being understood that, without limitation, making such reports available on Bloomberg or another private electronic information service shall constitute substantially comparable availability). The Company will hold a quarterly conference call for all Holders and securities analysts (to the extent providing analysis of investment in the Securities) to discuss such financial information promptly after distribution of such financial information.

(e) To the extent not satisfied by the foregoing, the Company will also furnish to Holders, securities analysts (to the extent providing analysis of investment in the Securities) and prospective investors in the Securities upon request the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act, so long as the Securities are not freely transferable under the Securities Act.

(f) If the Company has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required by clause (i) of Section 4.02(a) shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(g) Notwithstanding the foregoing, the financial statements, information and other documents required to be provided as described above, may be those of (i) Holdings or Intermediate Holdings or (ii) any other direct or indirect parent of the Company; *provided* that, if the financial information so furnished relates to such direct or indirect parent of the Company, the same is accompanied by consolidating information that summarizes in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Company on a standalone basis, on the other hand.

(h) The Company will be deemed to have furnished the reports referred to in Section 4.02(a) if the Company, Holdings or any direct or indirect parent has filed reports containing such information with the SEC.

(i) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate of the Company with respect thereto). The Trustee will have no responsibility whatsoever to monitor whether such filing or posting has occurred or the timeliness of such filing or posting.

SECTION 4.03 Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "*incur*" and collectively, an "*incurrence*") with respect to any Indebtedness (including Acquired Indebtedness) and the Company shall not issue any shares of Disqualified Stock and shall not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; *provided*, *however*, that the Company may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, if the Fixed Charge Coverage Ratio for the Company and its Restricted Subsidiaries' most recently ended four fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional

Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of the proceeds therefrom had occurred at the beginning of such four quarter period; *provided* that the amount of Indebtedness (including Acquired Indebtedness), Disqualified Stock and Preferred Stock that may be incurred or issued, as applicable, pursuant to the foregoing by Restricted Subsidiaries that are not Guarantors under this Section 4.03(a) shall not exceed, in the aggregate, the greater of (x) $50.0 million and (y) 5.0% of Consolidated Total Assets at any one time outstanding.

(b) Section 4.03(a) shall not apply to:

(i) Indebtedness incurred pursuant to Credit Facilities by the Company or any Restricted Subsidiary;*provided* that immediately after giving effect to any such incurrence, the aggregate principal amount of all Indebtedness incurred under this clause (i) and then outstanding does not exceed $680.0 million plus (ii) an additional amount of Secured Indebtedness if, after giving *pro forma* effect to the incurrence of such additional amount of Secured Indebtedness (calculated as if any additional amount were fully drawn on the effective date thereof and any additional amount incurred under this clause (i) being deemed Secured Indebtedness for purposes of making the determination hereunder) the Consolidated Secured Debt Ratio of the Company and its Restricted Subsidiaries is equal to or less than 4.75:1.00;

(ii) the incurrence by the Issuers and any Guarantor of Indebtedness represented by the Securities (including any Guarantee) (other than any Additional Securities);

(iii) Indebtedness of the Company and its Restricted Subsidiaries in existence, or pursuant to commitments existing, on the Effective Date (other than Indebtedness described in clauses (i) and (ii) of this Section 4.03(b));

(iv) (x) Indebtedness (including Capitalized Lease Obligations) incurred or Disqualified Stock issued by the Company or any Restricted Subsidiary and Preferred Stock issued by any Restricted Subsidiary, to finance the purchase, lease, replacement or improvement of property (real or personal) or equipment, whether through the direct purchase of assets or the Capital Stock of any Person owning such assets and (y) any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refund, refinance or replace any other Indebtedness incurred or Disqualified Stock or Preferred Stock issued pursuant to this clause (iv); *provided* that the aggregate amount of Indebtedness incurred and Disqualified Stock and Preferred Stock issued pursuant to clauses (x) and (y) of this clause (iv) does not exceed the greater of (A) $50.0 million and (B) 5.0% of Consolidated Total Assets at any one time outstanding;

(xxv) Indebtedness in an aggregate principal or face amount at any time outstanding not to exceed $10.0 million in respect of letters of credit, bank guaranties, surety bonds, performance bonds and similar instruments issued for general corporate purposes and denominated in currencies other than dollars, euros or pounds sterling; and

(xxvi) Indebtedness arising in respect of Sale and Lease-Back Transactions not to exceed $30.0 million.

For purposes of determining compliance with this Section 4.03, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxvi) above or is entitled to be incurred pursuant to Section 4.03(a), then the Company shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 4.03; *provided* that all Indebtedness outstanding under the Senior Credit Facilities on the Effective Date shall be treated as incurred on the Effective Date under Section 4.03(b)(i).

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class, accretion or amortization of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or Preferred Stock for purposes of this Section 4.03. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower U.S. dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness (plus premium (including tender premiums), fees, defeasance costs, accrued interest and expenses including original issue discount, upfront fees or similar fees) does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing. The Company shall not, and shall not permit any Subsidiary Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is contractually subordinated or junior in right of payment to any Indebtedness of the Company or such Subsidiary Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Securities or such Subsidiary Guarantor's Guarantee within 90 days of the incurrence of such Indebtedness to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Company or such Subsidiary Guarantor, as the case may be.

For purposes of this Indenture, Indebtedness that is unsecured shall not be deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, and senior indebtedness shall not be deemed to be subordinated or junior to any other senior indebtedness merely because it has a junior priority with respect to the same collateral.

provided that, in the case of clauses (ii) and (iii) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Company or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an "*Acceptable Commitment*") and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a "*Second Commitment*") within 180 days of such cancellation or termination (or, if later, 365 days after the receipt of such Net Proceeds); *provided further* that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds (as defined below).

Any Net Proceeds from any Asset Sale that are not invested or applied as provided and within the time period set forth in this Section 4.06(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Securities, as described in clause (i) of this Section 4.06(b), shall be deemed to have been invested whether or not such offer is accepted) will be deemed to constitute "*Excess Proceeds.*" When the aggregate amount of Excess Proceeds exceeds $25.0 million, the Issuers shall make an offer to all Holders and, at the option of the Issuers, to any holders of any Indebtedness that is pari passu with the Securities ("*Pari Passu Indebtedness*") (an "*Asset Sale Offer*"), to purchase the maximum aggregate principal amount of the Securities and such Pari Passu Indebtedness that is at least $2,000 and an integral

The Issuers will commence an Asset Sale Offer with respect to Excess Proceeds within thirty Business Days after the date that Excess Proceeds exceed $25.0 million by sending the notice required pursuant to the terms of this Indenture, with a copy to the Trustee, or otherwise in accordance with the procedures of DTC.

To the extent that the aggregate amount of Securities and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to compliance with other covenants contained in this Indenture. If the aggregate principal amount of Securities and the Pari Passu Indebtedness surrendered in an Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Securities to be purchased in the manner described in Section 3.04. Selection of such Pari Passu Indebtedness will be made pursuant to the terms of such Pari Passu Indebtedness. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset to zero (regardless of whether there are any remaining Excess Proceeds upon such completion).

Pending the final application of any Net Proceeds pursuant to this Section 4.06, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Securities pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations described in this Indenture by virtue thereof.

(vi) any agreement as in effect as of the Effective Date, or any amendment, modification or extension thereof (so long as any such amendment is not disadvantageous in any material respect to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Effective Date as determined in good faith by the Company) or any transaction contemplated thereby;

(vii) the existence of, or the performance by the Company, any of its Restricted Subsidiaries or any direct or indirect parent of the Company of its obligations under the terms of, any stockholders or principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Effective Date and any transaction, agreement or arrangement described in the Offering Circular and, in each case, any amendment thereto or similar transactions, agreements or arrangements which it may enter into thereafter; *provided*, *however*, that the existence of, or the performance by the Company or any of its Restricted Subsidiaries of obligations under, any future amendment to any such existing transaction, agreement or arrangement or any similar transaction, agreement or arrangement entered into after the Effective Date shall only be permitted by this clause (vii) to the extent that the terms of any such existing transaction, agreement or arrangement together with all amendments thereto, taken as a whole, or new transaction, agreement or arrangement are not otherwise disadvantageous in any material respect to the Holders when taken as a whole as compared to the original agreement in effect on the Effective Date as determined in good faith by the Company;

(viii) (A) transactions with customers, clients, suppliers, joint ventures, contractors, or purchasers or sellers of goods or services or providers of employees or other labor, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and its Restricted Subsidiaries, in the good faith determination of the board of directors (or similar governing body) of the Company or the senior management thereof, or are on terms at least as favorable as would reasonably have been obtained at such time from an unaffiliated party on an arm's-length basis or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice;

(ix) the issuance of Equity Interests (other than Disqualified Stock or Preferred Stock) of the Company or a Restricted Subsidiary to any person and the granting and performance of customary registration rights;

(xii) the Transactions and the payment of all fees and expenses related to the Transactions, including the Transaction Expenses, payment or reimbursement of fees and expenses related to the Escrow Letter of Credit and payments made to satisfy any payment obligations under the Transaction Agreement after the Effective Date;

(xiii) any transaction effected as part of a Receivables Facility;

(xiv) any contribution to the capital of the Company or any Restricted Subsidiary;

(xv) transactions permitted by, and complying with, the provisions of Section 5.01 solely for the purpose of (A) reorganizing to facilitate any initial public offering of securities of the Company or any direct or indirect parent company of the Company, (B) forming a holding company, or (C) reincorporating the Company in a new jurisdiction;

(xvi) between the Company or any Restricted Subsidiary and any Person, a director of which is also a director of the Company or any direct or indirect parent of the Company; *provided*, *however*, that such director abstains from voting as a director of the Company or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xvii) the issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the board of directors (or similar governing body) of the Company or any direct or indirect parent company of the Company or a Subsidiary of the Company, as appropriate, in good faith;

(xviii) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Company in an Officer's Certificate) for the purposes of improving the consolidated tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture;

SECTION 4.08 Change of Control.

(a) Upon the occurrence of a Change of Control after the Effective Date, unless the Issuers have previously or concurrently sent a redemption notice with respect to all the outstanding Securities as described under paragraph 5 of the Security, the Issuers will make an offer to purchase all of the Securities pursuant to the offer described below (the "*Change of Control Offer*") at a price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase, subject to the right of Holders of record of the Securities at the close of business on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the redemption date.

(b) Within 30 days following any Change of Control occurring after the Effective Date, the Issuers will send notice of such Change of Control Offer by first-class mail, with a copy to the Trustee, to each Holder of Securities to the registered address of such Holder or otherwise electronically in accordance with the procedures of DTC, with the following information:

(i) that a Change of Control Offer is being made pursuant to this Section 4.08, and that all Securities properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuers at a repurchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the date of repurchase, subject to the right of Holders of record of the Securities at the close of business on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the purchase date;

(ii) the purchase price and the purchase date, which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed or otherwise delivered (the "*Change of Control Payment Date*");

(iii) that any Security not properly tendered will remain outstanding and continue to accrue interest;

(iv) that unless the Issuers default in the payment of the Change of Control Payment, all Securities accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(v) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control;

(vi) that Holders electing to have any Securities purchased pursuant to a Change of Control Offer will be required to surrender such Securities, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Securities completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(vii) that Holders will be entitled to withdraw their tendered Securities and their election to require the Issuers to purchase such Securities*provided* that the Paying Agent receives, not later than the close of business on the second Business Day prior to the Change of Control Payment Date, facsimile transmission or letter setting forth the name of the Holder of the Securities, the principal amount of Securities tendered for purchase, and a statement that such Securities is withdrawing its tendered Securities and its election to have such Securities purchased; and

(viii) the other instructions, as determined by the Issuers, consistent with this Section 4.08, that a Holder must follow.

Securities repurchased by the Issuers pursuant to a Change of Control Offer will have the status of Securities issued but not outstanding or will be retired and cancelled at the option of the Issuers. Securities purchased by a third party pursuant to the preceding paragraph will have the status of Securities issued and outstanding.

The notice, if sent in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is sent in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Securities as to all other Holders that properly received such notice without defect.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase by the Issuers of Securities pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations described in this Indenture by virtue thereof.

(c) On the Change of Control Payment Date, the Issuers shall, to the extent permitted by law,

(1) accept for payment all Securities or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Securities or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Securities so accepted together with an Officer's Certificate of the Issuers to the Trustee stating that such Securities or portions thereof have been tendered to and purchased by the Issuers.

(d) The Issuers shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) If Holders of not less than 90% in aggregate principal amount of the outstanding Securities validly tender and do not withdraw such Securities in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers as described in Section 4.08(d), purchase all of the Securities validly tendered and not withdrawn by such Holders, the Issuers or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Securities that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the applicable Redemption Date.

(f) Other than as specifically provided in this Section 4.08, any purchase pursuant to this Section 4.08 shall be made pursuant to the provisions of Sections 3.04, 3.07 and 3.08 hereof.

SECTION 4.09 Compliance Certificate. The Issuers shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company, beginning with the fiscal year ending on or about December 31, 2014, a certificate (the signer of which shall be the principal executive officer, the principal financial officer or the principal accounting officer of the Issuers) stating that in the course of the performance by the signer of the signer's duties as an Officer of the Issuers the signer would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period. If the signer knows of any such Default, the certificate shall describe such Default. The Issuers also shall comply with Section 314(a)(4) of the Trust Indenture Act.

SECTION 4.10 Further Instruments and Acts. The Issuers shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11 Future Subsidiary Guarantors. The Company shall not permit any of its Restricted Subsidiaries to guarantee or otherwise incur any Indebtedness under the Senior Credit Facilities unless such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit C hereto, providing for a Guarantee by such Restricted Subsidiary of the Securities.

Notwithstanding the foregoing, each such Guarantee may be limited as necessary to recognize certain defenses generally available to guarantors (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

Each Guarantee shall be released in accordance with Section 10.03.

SECTION 4.12 Liens. The Company shall not, and shall not permit any Subsidiary Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(i) in the case of Liens securing Subordinated Indebtedness, the Securities and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(ii) in all other cases, the Securities or the Guarantees are equally and ratably secured,

except that the foregoing shall not apply to or restrict (a) Liens securing the Securities and the related Guarantees and (b) Liens securing obligations in respect of (x) Indebtedness and other obligations permitted to be incurred under Credit Facilities, including any letter of credit facility relating thereto, that was permitted by the terms of this Indenture to be incurred pursuant to Section 4.03(b)(i) and (y) obligations of the Company or any Guarantor in respect of any Bank Products or Cash Management Services provided by any agent or lender party to any Senior Credit Facility or any affiliate of such agent or lender (or any Person that was a lender or an affiliate of an agent or lender at the time the applicable agreements pursuant to which such Bank Products or Cash Management Services are provided were entered into).

Any Lien created for the benefit of the Holders pursuant to this Section 4.12 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each of the Liens described in clauses (i) and (ii) above.

The expansion of Liens by virtue of accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, amortization of original issue discount and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness will not be deemed to be an incurrence of Liens for purposes of this Section 4.12.

SECTION 4.13 Maintenance of Office or Agency.

(a) The Issuers shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Securities may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Securities and this Indenture may be served. The Issuers shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; *provided* that no service of legal process may be made against the Issuers at any office of the Trustee.

(b) The Issuers may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided*, *however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency for such purposes. The Issuers shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuers hereby designate the Corporate Trust Office of the Trustee or its agent as such office or agency of the Issuers in accordance with Section 2.04.

SECTION 4.14 Suspension of Certain Covenants.

(a) If, on any date following the Effective Date, (i) the Securities have an Investment Grade Rating from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii)

being collectively referred to as a "*Covenant Suspension Event*") then, beginning on that day and continuing at all times thereafter until the Reversion Date, as defined below, the Company and its Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.11 and clause (iv) of Section 5.01(a) of this Indenture (collectively, the "*Suspended Covenants*" and each individually, a "*Suspended Covenant*"). In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "*Reversion Date*") (A) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Securities below an Investment Grade Rating, then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events and (B) the Company or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Securities below Investment Grade Rating, then the Company and the Restricted Subsidiaries will thereafter again be subject to Section 4.08 of this Indenture with respect to future events, including without limitation, the proposed transaction described in this clause (B). The period beginning on the day of a Covenant Suspension Event and ending on a Reversion Date is referred to herein as a "*Suspension Period.*"

On each Reversion Date, all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period shall be deemed to have been outstanding on the Effective Date, so that it is classified as permitted under Section 4.03(b)(iii). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 shall be made as though Section 4.04 had been in effect prior to, but not during, the Suspension Period. No Default or Event of Default will be deemed to have occurred on the Reversion Date (or thereafter) under any Suspended Covenant solely as a result of any actions taken by the Company or its Restricted Subsidiaries, or events occurring, during the Suspension Period. On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period (and not in contemplation of the Reversion Date) so long as such contract and such consummation would have been permitted during such Suspension Period.

(b) For purposes of Section 4.05, on the Reversion Date, any contractual encumbrances or restrictions of the type specified in clause (a), (b) or (c) of Section 4.05 entered into during the Suspension Period will be deemed to have been in effect on the Effective Date, so that they are permitted under clause (c)(1) of Section 4.05.

(c) For purposes of Section 4.06, on the Reversion Date, the unutilized Excess Proceeds amount will be reset to zero.

(d) For purposes of Section 4.07, any Affiliate Transaction entered into after the Reversion Date pursuant to a contract, agreement, loan, advance or guaranty with, or for the benefit of, any Affiliate of the Company entered into during the Suspension Period will be deemed to have been in effect as of the Effective Date for purposes of Section 4.07(b)(vi). Within 10 days following the Reversion Date, the Company must comply with the terms of Section 4.11.

(e) During a Suspension Period, the Company may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the second sentence of the definition of "Unrestricted Subsidiaries." For the avoidance of doubt, no existing Guarantors shall be released during any Suspension Period.

(f) The Company shall deliver promptly to the Trustee an Officer's Certificate notifying it of the any Suspension Period or any Reversion Date. The Trustee shall have no independent obligation to determine if a Suspension Period has commenced or terminated, to notify the Holders regarding the same or to determine the consequences thereof.

SECTION 4.15 Escrow of Proceeds; Activities Prior to Release

(a) On the date hereof the Company entered into an escrow agreement (the "Escrow Agreement") with the Trustee and Wilmington Trust, National Association, as escrow agent (in such capacity, the "Escrow Agent"). Pursuant to the Escrow Agreement, the Initial Purchasers deposited an amount in cash (collectively, with any other property from time to time held by the Escrow Agent, the "Escrowed Property") equal to the gross proceeds of the offering of the Securities sold on the Issue Date into an escrow account (the "Escrow Account") to be held by the Escrow Agent in its capacity as agent and securities intermediary. The Investors caused a letter of credit (the "Escrow Letter of Credit") to be issued for the benefit of the Trustee in an amount necessary to pay accrued and unpaid interest to, but excluding February 6, 2015 (the fifth business day after the latest termination date for release of Escrowed Property). The Company granted the Trustee, for the benefit of the Holders, a first priority security interest in the funds held in the escrow account to secure the Obligations under the Securities pending disbursement pursuant to Section 4.15(b).

(b) In order to cause the Escrow Agent to release the Escrowed Property to the Issuers (the "Release"), the Company must deliver to the Escrow Agent and the Trustee on or prior to January 30, 2015, an Officer's Certificate of the Issuers certifying that

(i) the closing contemplated by the Transaction Agreement shall be substantially consummated in connection therewith or before such time in accordance with the terms and conditions of the Transaction Agreement as in effect on the Issue Date, together with such amendments, modifications and waivers that are not, individually or in the aggregate, materially adverse to the Company and its Subsidiaries (after giving effect to the consummation of the Acquisition), taken as a whole, or to the Holders, as determined in good faith by the Company, without the consent of the holders of a majority in principal amount of the Securities; provided that any change in the purchase price under the Transaction Agreement or reduction in the equity contributed by the Investors will not be deemed to be material and adverse to the Holders;

(ii) all conditions precedent to the execution and delivery of the Senior Credit Facilities (other than the release of the Escrowed Property) have been satisfied or waived and prior to or substantially concurrently with the release of the funds from the Escrow Account, the Senior Credit Facilities will be effective and able to be drawn upon by the Company; and

(iii) no Default or Event of Default shall have occurred and be continuing under this Indenture.

If on or prior to January 30, 2015, the Escrow Agent receives the Officer's Certificate described above, the Escrow Agent shall release the Escrowed Property (including investment earnings) to or at the order of the Company (the date of such release, the "Escrow Release Date") and the Trustee shall deliver the original Escrow Letter of Credit to the Company for cancellation.

(c) Prior to the consummation of the Acquisition, each of the Company and the Co-Issuer will not perform any activities other than issuing the Securities, issuing capital stock to, and receiving capital contributions from, a direct or indirect parent company of the Company, performing its obligations in respect of the Securities under this Indenture and the Escrow Agreement, performing its obligations under the Transaction Agreement, entering into the Senior Credit Facilities, consummating the Transactions and redeeming the Securities, if applicable, and conducting such other activities as are necessary or appropriate to carry out the foregoing activities. Prior to the consummation of the Acquisition, the Company will not own, hold or otherwise have any interest in any assets other than the Escrow Account and Cash Equivalents and its rights under any agreement entered into in furtherance of completion of the Transactions.

(d) In the event that a Special Mandatory Redemption is made or required to be made by the Issuers pursuant to Paragraph 5 of the Securities, the Issuers shall deliver notice of the Special Mandatory Redemption (a "Special Redemption Notice") to the Trustee and will concurrently with the delivery of the Special Redemption Notice, instruct the Trustee to, at the Issuers' expense, deliver within one Business Day (by first-class mail to each Holder's registered address or otherwise in accordance with the procedures of the DTC) the Special Redemption Notice to the Holders.

SECTION 4.16 Restrictions on Activities of the Co-Issuer. The Co-Issuer shall not hold any material assets, become liable for any material obligations or engage in any business activities or operations; provided that the Co-Issuer may (i) be a co-obligor with respect to Indebtedness (including, for the avoidance of doubt, Securities) if the Company is a primary obligor on such Indebtedness, the net proceeds of such Indebtedness are received by the Company or one or more of the Restricted Subsidiaries and such Indebtedness is otherwise permitted to be incurred under this Indenture and (ii) guarantee any Obligations under any Credit Facility.

(vi) the Successor Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture.

(iv) each Guarantor, unless it is the other party to the transactions described above, in which case Section 5.01(c)(i)(B) shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Securities; and

(v) the Successor Co-Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture.

The Successor Co-Issuer (if other than the Co-Issuer) will succeed to, and be substituted for the Co-Issuer, as the case may be, under this Indenture and the Securities and in such event the Co-Issuer will automatically be released and discharged from its obligation under this Indenture and the Securities.

Notwithstanding clauses (iii) and (iv) of Section 5.01(a) and clause (iii) of Section 5.01(b), (A) any Restricted Subsidiary may consolidate with or merge with or into or wind up into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to the Company or any Guarantor; (B) any Issuer may consolidate with or merge with or into or wind up into an Affiliate of an Issuer solely for the purpose of reincorporating an Issuer (solely as a corporation in the case of the Co-Issuer) in a state of the United States, the District of Columbia or any territory thereof, so long as the amount of Indebtedness of the Company and its Restricted Subsidiaries is not increased thereby; (C) the Company or any of the Company's Subsidiaries (other than the Co-Issuer) may be converted into, or reorganized or reconstituted as a limited liability company, limited partnership or corporation in a state of the United States, the District of Columbia or any territory thereof and (D) the Co-Issuer may consolidate with or merge into or wind up into or sell, assign, transfer, lease, convey or otherwise dispose of all of part of its properties and assets to the Company or a Guarantor, *provided* that the Company is, at such time, a corporation.

(i) (A) such Subsidiary Guarantor is the surviving Person or the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition shall have been made is a corporation, partnership or limited liability company organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor, as the case may be, or under the laws of the United States, any state thereof, the District of Columbia or any territory thereof (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "*Successor Person*"), (B) the Successor Person (if other than such Subsidiary Guarantor) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments, (C) immediately after such transaction, no Default exists, and (D) the Successor Person shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(ii) the transaction is made in compliance with clauses (i) and (ii) of Section 4.06(a) hereof.

Except as otherwise provided in this Indenture, the Successor Person (if other than such Subsidiary Guarantor) will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor's Guarantee, and such Subsidiary Guarantor will automatically be released and discharged from its obligations under this Indenture and such Subsidiary Guarantor's Guarantee. Notwithstanding the foregoing, (1) any Subsidiary Guarantor may consolidate with or merge with or into or wind up into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to another Subsidiary Guarantor or an Issuer, (2) a Subsidiary Guarantor may consolidate or merge with or into or wind up or convert into an Affiliate incorporated solely for the purpose of reincorporating such Subsidiary Guarantor in another state of the United States or the District of Columbia so long as the amount of Indebtedness of the Subsidiary Guarantor is not increased thereby, or (3) a Subsidiary Guarantor may convert into a Person organized or existing under the laws of a jurisdiction in the United States.

Clauses (iii) and (iv) of Section 5.01(a) shall not apply to a sale, assignment, transfer, conveyance or other disposition of assets between or among the Company and the Restricted Subsidiaries.

SECTION 5.02 Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of an Issuer in accordance with Section 5.01 hereof, the successor corporation formed by such consolidation or into or with which such Issuer is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to such Issuer shall

refer instead to the successor corporation and not to such Issuer), and may exercise every right and power of such Issuer under this Indenture with the same effect as if such successor Person had been named as an Issuer herein; *provided* that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest, if any, on the Securities except in the case of a sale, assignment, transfer, lease, conveyance or other disposition of all of such Issuer's assets that meets the requirements of Section 5.01 hereof.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default. An "*Event of Default*" with respect to the Securities occurs if:

(a) there is a default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Securities;

(b) there is a default for 30 days or more in the payment when due of interest on or with respect to the Securities;

(c) the Company fails for 90 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in principal amount of the Securities to comply with any of its obligations, covenants or agreements described in Section 4.02;

(d) the Issuers or any Guarantor fails for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in principal amount of the Securities to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (a), (b) and (c) above) contained in this Indenture or the Securities;

(e) there is a default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Securities, if both:

(a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(b) the principal amount of such Indebtedness, together with the principal amount of any other such indebtedness in default for failure to pay any principal at its stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate $35.0 million or more at any one time outstanding;

(f) the Company or any Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, fails to pay final judgments aggregating in excess of $35.0 million, which final judgments remain unpaid, undischarged, unwaived and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(g) an Issuer or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a custodian of it or for all or substantially all of its property; or

(iv) makes a general assignment for the benefit of its creditors;

(h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against an Issuer or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, in a proceeding in which an Issuer or any such Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of an Issuer or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, or for all or substantially all of the property of an Issuer or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary; or

(iii) orders the liquidation of an Issuer or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(i) the Guarantee of any Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, shall for any reason cease to be in full force and effect or any responsible officer of any Guarantor that is a Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, as the case may be, denies that it has any further liability under its or their Guarantee(s) or gives notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

In the event of any Event of Default specified in clause (e) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Securities) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or

(2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(3) the default that is the basis for such Event of Default has been cured.

SECTION 6.02 Acceleration. If any Event of Default (other than an Event of Default specified in clause (g) or (h) of Section 6.01 hereof with respect to the Company) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 30% in principal amount of the then total outstanding Securities by notice to the Issuers may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Securities to be due and payable immediately. Upon the effectiveness of such declaration, such principal, premium, if any, and interest shall be due and payable immediately.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (g) or (h) of Section 6.01 hereof with respect to the Company, all outstanding Securities shall be due and payable immediately without further action or notice.

The Holders of a majority in aggregate principal amount of the then outstanding Securities by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured, waived, annulled or rescinded except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and

(4) if the Issuers have paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances.

SECTION 6.03 Other Remedies. If an Event of Default with respect to the Securities occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent permitted by law, all available remedies are cumulative.

SECTION 6.04 Waiver of Past Defaults. Provided the Securities are not then due and payable by reason of a declaration of acceleration, the Holders of not less than a majority in principal amount of the then outstanding Securities by written notice to the Trustee may on the behalf of all Holders waive an existing Default or Event of Default and its consequences except (a) a continuing Default or Event of Default in the payment of the principal of or interest on a Security, (b) a continuing Default or Event of Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured and the Issuers, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05 Control by Majority. The Holders of a majority in principal amount of the then outstanding Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06 Limitation on Suits.

(a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

(i) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(ii) the Holders of at least 30% in principal amount of the total outstanding Securities have requested the Trustee, in writing, to pursue the remedy;

(iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense;

(iv) the Trustee has not complied with such request within 60 days after receipt thereof and the offer of security or indemnity; and

(v) Holders of a majority in principal amount of the total outstanding Securities have not given the Trustee a written direction inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07 Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing with respect to Securities, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers or any Guarantor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in such Securities) and the amounts provided for in Section 7.07.

SECTION 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for compensation and reasonable expenses, disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders of Securities then outstanding allowed in any judicial proceedings relative to the Issuers or any Guarantor, its creditors or its property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, and reasonable expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10 Priorities. If the Trustee collects any money or property pursuant to this Article 6 or, after an Event of Default, any money or other property distributable in respect of the Issuers' obligations under this Indenture, it shall pay out the money or property shall be paid out in the following order:

FIRST: to the Trustee (including any predecessor trustee) for amounts due under Section 7.07;

SECOND: to the Holders for amounts due and unpaid on the Securities for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest, respectively; and

THIRD: to the Issuers.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall send to each Holder and the Issuers a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Issuers nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each Issuer and each Guarantor (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

TRUSTEE

SECTION 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty); and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. The Trustee shall be under no duty to make any investigation as to any statement contained in any such instance, but may accept the same as conclusive evidence of the truth and accuracy of such statement or the correctness of such opinions. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.01(c) does not limit the effect of Sections 7.01(b) and 7.01(i);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to Sections 7.01(a), (b) and (c).

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01 and to the provisions of the Trust Indenture Act.

(h) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from an Issuer will be sufficient if signed by an Officer of such Issuer.

(i) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

SECTION 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes, suffers or omits to take in good faith which it believes to be authorized or within its discretion, rights or powers conferred upon it by this Indenture; *provided*, *however*, that the Trustee's conduct does not constitute negligence or willful misconduct.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney, at the expense of the Issuers and shall incur no liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the Holders of not less than a majority in principal amount of the outstanding Securities as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

(j) Any action taken, or omitted to be taken, by the Trustee in good faith pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request or giving such authority or consent, is the Holder of any Security shall be conclusive and binding upon future Holders of Securities and upon Securities executed and delivered in exchange therefor or in place thereof.

(k) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04 Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Guarantee or the Securities, it shall not be accountable for the Issuers' use of the proceeds from the Securities, and it shall not be responsible for any statement of the Issuers or any Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default unless a Trust Officer of the Trustee shall have received written notice thereof in accordance with Section 11.02 hereof from the Issuers, any Guarantor or any Holder at the Corporate Trust Office of the Trustee. In accepting the trust hereby created, the Trustee acts solely as Trustee for the Holders and not in its individual capacity and all persons,

including without limitation the Holders of Securities and the Issuer having any claim against the Trustee arising from this Indenture shall look only to the funds and accounts held by the Trustee hereunder for payment. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. The Trustee shall have no duty to monitor or investigate the Issuers' compliance with or the breach of, or cause to be performed or observed, any representation, warranty, covenant or agreement of any Person, other than the Trustee, made in this Indenture.

SECTION 7.05 Notice of Defaults. If a Default occurs and is continuing and if it is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder notice of the Default within the earlier of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee, or promptly after discovery or obtaining notice if such discovery is made or notice is received 90 days after the Default occurs. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Security, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06 Reports by Trustee to the Holders. As promptly as practicable after each October 15 beginning with the October 15 following the date of this Indenture, and in any event prior to October 15 in each year, for so long as Securities remain outstanding, the Trustee shall send to each Holder a brief report dated as of such reporting date that complies with Section 313(a) of the Trust Indenture Act if and to the extent required thereby. The Trustee shall also comply with Section 313(b) of the Trust Indenture Act.

A copy of each report at the time of its delivery to the Holders will be sent by the Trustee to the Issuer and shall be filed by the Trustee with the SEC and each stock exchange (if any) on which the Securities are listed in accordance with Section 313(d) of the Trust Indenture Act. The Issuers agree to notify promptly the Trustee in writing whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07 Compensation and Indemnity. The Issuers shall pay to the Trustee from time to time such compensation for its services as shall be agreed in writing between the Issuers and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services, except any such disbursements, advances or expenses as may be attributable to its negligence or willful misconduct as determined by a court of competent jurisdiction. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuers and each Guarantor, jointly and severally, shall indemnify the Trustee and its officers, directors, employees and agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by it arising out of or in connection with the acceptance or administration of this trust and the performance of its duties under this Indenture, including the costs and expenses of enforcing this Indenture or Guarantee against the Issuers or a Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuers, any Guarantor, any Holder or any other Person). The obligation to pay such amounts shall survive the payment in full or defeasance of

the Securities or the removal or resignation of the Trustee. The Trustee shall notify the Issuers of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided*, *however*, that any failure so to notify the Issuers shall not relieve the Issuers or any Guarantor of its indemnity obligations hereunder. The Issuers shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuers' expense in the defense. Such indemnified parties may have separate counsel and the Issuers and the Guarantors, as applicable, shall pay the fees and expenses of such counsel; *provided*, *however*, that the Issuers shall not be required to pay such fees and expenses if they assume such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Issuers and the Guarantors, as applicable, and such parties in connection with such defense. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, negligence or bad faith as determined by a court of competent jurisdiction.

To secure the Issuers' and the Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities pursuant to Article 8 hereof or otherwise.

The Issuers' and the Guarantors' payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(g) or (h) with respect to an Issuer, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if adequate indemnity against such risk or liability is not assured to its satisfaction.

"*Trustee*" for purposes of this Section shall include any predecessor Trustee; *provided*, *however*, that the negligence or willful misconduct of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

SECTION 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Securities may remove the Trustee by so notifying the Trustee and the Issuers in writing, and may appoint a successor Trustee. The Issuers shall remove the Trustee if:

(i) the Trustee fails to comply with Section 7.10;

(ii) the Trustee is adjudged bankrupt or insolvent, or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(iii) a receiver or other public officer takes charge of the Trustee or its property; or

(iv) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns, is removed by the Issuers or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

(d) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(e) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10% in aggregate principal amount of the then outstanding Securities may petition at the expense of the Issuers any court of competent jurisdiction for the appointment of a successor Trustee.

(f) If the Trustee fails to comply with Section 7. 10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the Trust Indenture Act, any Holder who has been a bona fide holder of a Security for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(g) Notwithstanding the replacement of the Trustee pursuant to this Section, the Issuers' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture *provided* that the certificate of the Trustee shall have.

SECTION 7.10 Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the Trust Indenture Act. The Trustee shall have a combined capital and surplus of at least $50 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the Trust Indenture Act, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; *provided*, *however*, that there shall be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuers are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met.

SECTION 7.11 Preferential Collection of Claims Against the Issuers. The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent indicated.

SECTION 7.12 Tax Payment and Tax Withholding Obligations. In order to comply with applicable tax laws, rules and regulations a foreign financial institution, issuer, trustee, paying agent, holder or other institution is or has agreed to be subject to ("*Applicable Law*") related to this Indenture, the Issuers agree, upon written request by the Trustee, to provide to the Trustee such requested information about such parties and/or transactions (including any modification to the terms of such transactions) so it can determine whether it has any tax related obligations under Applicable Law that the Issuers have in their possession.

ARTICLE 8

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01 Discharge of Liability on Securities; Defeasance. This Indenture shall be discharged and shall cease to be of further effect as to all outstanding Securities when:

(a) either (i) all Securities theretofore authenticated and delivered, except lost, stolen or destroyed Securities which have been replaced or paid and Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from trust, have been delivered to the Trustee for cancellation; or (ii) all Securities not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers and the Issuers or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Securities not theretofore delivered to the Trustee for

cancellation for principal, premium, if any, and accrued interest to, but not including, the date of maturity or redemption together with irrevocable instructions from the Issuers to the Trustee to apply the deposited money toward the payment of the Securities at maturity or the redemption date, as the case may be;

(b) the Issuers and/or the Guarantors have paid or caused to be paid all sums payable by it under this Indenture; and

(c) the Company has delivered an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to the satisfaction and discharge have been satisfied.

Subject to Section 8.02, the Issuers may, at their option and at any time, elect to discharge (i) all of their obligations under the Securities and this Indenture ("*legal defeasance option*") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.11, 4.12 and 4.16 for the benefit of the Holders and the operation of Section 5.01 and Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f), 6.01(g) (with respect to Significant Subsidiaries of the Company only), 6.01(h) (with respect to Significant Subsidiaries of the Company only) and 6.01(i) ("*covenant defeasance option*") for the benefit of the Holders. The Issuers may exercise their legal defeasance option notwithstanding their prior exercise of their covenant defeasance option. In the event that the Issuers terminate all of their obligations under the Securities and this Indenture by exercising their legal defeasance option or their covenant defeasance option, the obligations of each Guarantor under its Guarantee of the Securities shall be terminated simultaneously with the termination of such obligations so long as no Securities are then outstanding.

If the Issuers exercise their legal defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default. If the Issuers exercise their covenant defeasance option, payment of the Securities so defeased may not be accelerated because of an Event of Default specified in Section 6.01(c), 6.01(d), 6.01(e), 6.01(f), 6.01(g) (with respect to Significant Subsidiaries of the Company only), 6.01(h) (with respect to Significant Subsidiaries of the Company only), 6.01(i) or because of the failure of the Issuers to comply with subclause (a)(iv) of Section 5.01.

Upon satisfaction of the conditions set forth herein and upon request of the Issuers, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuers terminate.

Notwithstanding Section 8.01(a) above, the Issuers' obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Issuers' obligations in Sections 7.07, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02 Conditions to Defeasance.

(a) The Issuers may exercise their legal defeasance option or their covenant defeasance option, in each case, with respect to the Securities only if:

(i) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, in the opinion of a nationally recognized firm of independent public accountants, investment bank or appraisal firm, to pay the principal of, premium, if any, and interest due on the Securities on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on such Securities (*provided* that if such redemption is made as provided under paragraph 5 of the Security, (x) the amount of cash in U.S. dollars, Government Securities, or a combination thereof, that the Issuers must irrevocably deposit or cause to be deposited will be determined using an assumed Applicable Premium calculated as of the date of such deposit and (y) the Issuers must irrevocably deposit or cause to be deposited additional money in trust on the redemption date as necessary to pay the Applicable Premium as determined on such date) and the Issuers must specify whether such Securities are being defeased to maturity or to a particular redemption date;

(ii) in the case of legal defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, (a) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling, or (b) since the issuance of the Securities, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such legal defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(iii) in the case of covenant defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(iv) no Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(v) such legal defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities or any other material agreement or instrument (other than this Indenture) to which the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor is bound;

(vi) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(vii) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the legal defeasance or the covenant defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, an Opinion of Counsel required by Section 8.02(a)(ii) with respect to legal defeasance need not be delivered if all of the Securities not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable at their stated maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

(b) Before or after a deposit, the Issuers may make arrangements satisfactory to the Trustee for the redemption of such Securities at a future date in accordance with Article 3.

SECTION 8.03 Application of Trust Money. The Trustee shall hold in trust money or Government Securities (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from Government Securities through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities so discharged or defeased.

SECTION 8.04 Repayment to Issuers. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuers upon written request any money or Government Securities held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if Government Securities have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article 8.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuers upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuers for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05 Indemnity for Government Securities. The Issuers shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal and interest received on such Government Securities.

SECTION 8.06 Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or Government Securities in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' obligations under

this Indenture and the Securities so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article 8; *provided*, *however*, that, if the Issuers have made any payment of principal of or interest on, any such Securities because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or Government Securities held by the Trustee or any Paying Agent.

ARTICLE 9

AMENDMENTS AND WAIVERS

SECTION 9.01 Without Consent of the Holders. The Issuers, the Guarantors (with respect to a Guarantee or this Indenture to which it is a party) and the Trustee may amend or supplement this Indenture and any Guarantee or the Securities without the consent of any Holder:

(i) to cure any ambiguity, omission, mistake, defect or inconsistency as certified by the Issuers;

(ii) to provide for uncertificated Securities of such series in addition to or in place of certificated Securities;

(iii) to comply with the covenant relating to mergers, consolidations and sales of assets;

(iv) to provide for the assumption of the Issuers' or any Guarantor's obligations to the Holders in a transaction that complies with this Indenture;

(v) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder;

(vi) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor;

(vii) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;

(viii) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof;

(ix) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;

(x) to add a Guarantor under this Indenture or to release a Guarantor in accordance with the terms of this Indenture and to provide for any local law restrictions required by the jurisdiction of organization of such Guarantor;

(xi) to conform the text of this Indenture, the Guarantees or the Securities to any provision of the Offering Circular under the caption "*Description of Notes*" to the extent that such provision in the "*Description of Notes*" was intended to be a verbatim recitation of a provision of this Indenture, the Guarantees or the Securities as certified by the Issuers;

(xii) to make certain changes to this Indenture to provide for the issuance of Additional Securities; or

(xiii) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Securities as permitted by this Indenture, including, without limitation to facilitate the issuance of the Securities and administration of this Indenture; *provided*, *however*, that (i) compliance with this Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Securities.

After an amendment under this Section 9.01 becomes effective, the Issuers shall send to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02 With Consent of the Holders. Notwithstanding Section 9.01 of this Indenture, the Issuers, the Guarantors and the Trustee may amend or supplement this Indenture, the Securities or the Guarantees with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding voting as a single class (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities), and, subject to Sections 6.04 and 6.07, any past or existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Securities, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Securities or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Securities (including Additional Securities, if any) voting as a single class (including consents obtained in connection with the purchase of, or tender offer or exchange offer for, the Securities). Section 2.09 and Section 11.06 shall determine which Securities are considered to be "outstanding" for the purposes of this Section 9.02. However, without the consent of each Holder of an outstanding Security affected, an amendment or waiver may not, with respect to any Securities held by a non-consenting Holder:

(i) reduce the principal amount of such Securities whose Holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed final maturity of any such Security or alter or waive the provisions with respect to the redemption of such Securities (other than provisions relating to Sections 4.06 and 4.08);

(iii) reduce the rate of or change the time for payment of interest on any Security;

(iv) waive a Default in the payment of principal of or premium, if any, or interest on the Securities, except a rescission of acceleration of the Securities by the Holders of at least a majority in aggregate principal amount of the Securities and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of all affected Holders;

(v) make any Security payable in money other than that stated in such Security;

(vi) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Securities;

(vii) make any change to this Section 9.02;

(viii) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;

(ix) make any change to or modify the ranking of the Securities that would materially adversely affect the Holders; or

(x) except as expressly permitted by this Indenture, modify the Guarantee of any Significant Subsidiary, or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company), would constitute a Significant Subsidiary, in any manner adverse to the Holders.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Issuers shall promptly send to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03 Compliance with Trust Indenture Act. From the date on which this Indenture is qualified under the Trust Indenture Act, every amendment, waiver or supplement to this Indenture or the Securities shall comply with the Trust Indenture Act as then in effect.

SECTION 9.04 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives written notice of revocation delivered in accordance with Section 11.02 before the date on which the Trustee receives an Officer's Certificate from the Issuers certifying that the requisite principal amount of Securities have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuers or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuers and the Trustee.

(b) The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.04(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05 Notation on or Exchange of Securities. If an amendment, supplement or waiver changes the terms of a Security, the Issuers may require the Holder to deliver it to the Trustee. The Trustee, at the direction of the Issuers, may place a notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Issuers so determine, the Issuers in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make a notation or to issue a new Security shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.06 Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, supplement or waiver the Trustee shall receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in conclusively relying upon, an Officer's Certificate of the Issuers and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and the Guarantors, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03).

SECTION 9.07 [Reserved].

SECTION 9.08 Additional Voting Terms; Calculation of Principal Amount. Except as otherwise set forth herein, all Securities issued under this Indenture shall vote and consent separately on all matters as to which any of such Securities may vote. Determinations as to whether Holders of the requisite aggregate principal amount of Securities have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

ARTICLE 10

GUARANTEES

SECTION 10.01 Guarantees.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees on an unsecured basis, as a primary obligor and not merely as a surety, to each Holder and the Trustee and their successors and assigns (i) the full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuers under this Indenture (including obligations to the Trustee) and the Securities, whether for payment of principal of, premium, if any, or interest on, if any, the Securities and all other monetary obligations of the Issuers under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuers whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities, on the terms set forth in this Indenture by executing this Indenture (all the foregoing being hereinafter collectively called the "*Guaranteed Obligations*").

Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Securities or the Guaranteed Obligations.

(c) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(d) Except as expressly set forth in Sections 8.01(b), 10.02 and 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise.

(e) Subject to Section 10.02 hereof, each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuers or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of an Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuers to the Trustee.

(g) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Trustee in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 10.01.

(h) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

Each Guarantor shall promptly execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 10.02 Limitation on Liability. Each Subsidiary Guarantor, and by its acceptance of Securities, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that, any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally. Each Subsidiary Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 10.03 Releases.

(a) A Guarantee as to any Subsidiary Guarantor shall be automatically and unconditionally released and discharged upon:

(i) (a) any sale, exchange, disposition or transfer (including through consolidation, merger or otherwise) of (x) the Capital Stock of such Subsidiary Guarantor, after which such Subsidiary Guarantor is no longer a Restricted Subsidiary, or (y) all or substantially all the assets of such Subsidiary Guarantor, which sale, exchange, disposition or transfer in each case is made in compliance with Section 4.06(a)(i) and (ii); (b) the release, discharge or termination of the guarantee by such Subsidiary Guarantor of the Senior Credit Facilities, except a release, discharge or termination by or as a result of payment under such guarantee; (c) the permitted designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary; (d) upon the consolidation or merger of any Subsidiary Guarantor with and into an Issuer or another Subsidiary Guarantor that is the surviving Person in such consolidation or merger, or upon the liquidation of such Subsidiary Guarantor following the transfer of all of its assets to an Issuer or another Subsidiary Guarantor; or (e) the Issuers exercising their legal defeasance option or covenant defeasance option as described under Article 8 or the Issuers' obligations under this Indenture being discharged in accordance with the terms of this Indenture; and

(ii) the Issuers delivering to the Trustee an Officer's Certificate of such Guarantor or the Issuers and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

SECTION 10.04 Successors and Assigns. This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.05 No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.06 Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.07 Execution of Supplemental Indenture for Future Guarantors. Each Restricted Subsidiary which is required to become a Guarantor pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit C pursuant to which such Subsidiary or other Person shall become a Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. (ii) Upon any sale or transfer of a Transfer Restricted Security that is a Definitive Security, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Security for a Definitive Security that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Security if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 (such certification to be in the form set forth on the reverse of the Security).

(iii) Prior to the due presentation for registration of transfer of any Security, the Issuers, the Trustee, a Paying Agent or the Registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuers, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

ECO SERVICES OPERATIONS LLC, a Delaware limited liability company (the "Company") and ECO FINANCE CORP., a Delaware corporation (the "Co-Issuer" and together with the Company, the "Issuers"), promise to pay interest on the principal amount of this Security at the rate per annum shown above. The Issuers shall pay interest semiannually in arrears on May 1 and November 1 of each year, commencing May 1, 2015.[2] Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, October 24, 2014[3] until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuers shall pay interest on overdue principal at the rate borne by the Securities, and they shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Issuers shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 15 and October 15 next preceding the interest payment date (whether or not a Business Day). Holders must surrender Securities to the Paying Agent to collect principal payments. The Issuers shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depositary. The Issuers shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Issuers, payment of interest may be made through the Paying Agent by mailing a check to the registered address of each Holder thereof; *provided*, *however*, that payments on the Securities may also be made, in the case of a Holder of at least $1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

2 Note: With respect to the Original Securities.

3 Note: With respect to the Original Securities.

3. Paying Agent and Registrar

Initially, Wilmington Trust, National Association (the "Trustee"), will act as Paying Agent and Registrar. The Issuers may appoint and change any Paying Agent or Registrar without notice. The Issuers or any of their domestically incorporated Wholly-Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Issuers issued the Securities under an Indenture dated as of October 24, 2014 (the "Indenture"), among the Company, the Co-Issuer, the Guarantors party thereto from time to time and the Trustee. The terms of the Securities include those stated in the Indenture and those expressly made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbbb) as in effect on the date of the Indenture (the "Trust Indenture Act"). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and the Holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms and provisions.

The Securities are senior unsecured obligations of the Issuers. This Security is one of the Original Securities referred to in the Indenture. The Securities include the Original Securities and any Additional Securities. The Original Securities and any Additional Securities are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, pay dividends and other distributions, incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of capital stock of the Company and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or incur Liens and make Asset Sales. The Indenture also imposes limitations on the ability of the Company and each Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Securities and all other amounts payable by the Issuers under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Guarantors party to the Indenture from time to time will, jointly and severally, irrevocably and unconditionally guarantee the Guaranteed Obligations on a senior unsecured basis pursuant to the terms of the Indenture.

5. Redemption

Optional Redemption

Except as set forth in the following paragraphs, the Securities shall not be redeemable at the option of the Issuers prior to November 1, 2017.

(a) At any time prior to November 1, 2017, the Issuers may redeem all or a part of the Securities, at their option, at any time or from time to time, upon not less than 30 nor more than 60 days' prior notice mailed by first class mail to each Holder's registered address or otherwise delivered in accordance with the procedures of the Depositary, at a redemption price equal to 100% of the principal amount of the Securities redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the rights of Holders of record at the close of business on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the redemption date).

(b) On and after November 1, 2017, the Issuers may redeem the Securities, at their option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice, mailed by first class mail to each Holder's registered address or otherwise delivered in accordance with the procedures of the Depositary, at the redemption prices (expressed as percentages of principal amount of the Securities to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but not including, the applicable redemption date, subject to the right of Holders of record at the close of business on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the redemption date, if redeemed during the twelve-month period beginning on November 1 of each of the years indicated below:

Year	Redemption Price
2017	104.250%
2018	102.125%
2019 and thereafter	100.000%

(c) In addition, until November 1, 2017, the Issuers may, at their option, on one or more occasions redeem up to 40% of the aggregate principal amount of the Securities (including any Additional Securities) at a redemption price equal to 108.500% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the applicable redemption date, subject to the right of Holders of record at the close of business on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the redemption date, with the net cash proceeds of one or more Equity Offerings; *provided*, that at least 50% of the sum of the aggregate principal amount of the Securities originally issued under the Indenture and any Additional Securities must remain outstanding immediately after the occurrence of each such redemption; *provided further*, that each such redemption shall occur within 90 days of the date of closing of each such Equity Offering upon not less than 30 nor more than 60 days' notice sent to each Holder of Securities being redeemed and otherwise in accordance with the procedures set forth in the Indenture.

(d) Notice of any redemption described above may be given prior to the completion of such Equity Offering, and any such redemption or notice may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the relevant Equity Offering, other offering or other transaction or event. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that, in the Issuers' discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed.

Special Mandatory Redemption

If the Escrow Agent shall not have received the Officer's Certificate described in Section 4.15(b) of the Indenture, on or prior to January 30, 2015, or if the Company notifies the Escrow Agent in writing that it will not pursue the consummation of the Acquisition, or that the Transaction Agreement shall have been amended, modified or waived in a manner that would be materially adverse to the Company and its Subsidiaries (after giving effect to the Acquisition), taken as a whole, or to the Holders, as determined in good faith by the Company, the Escrow Agent shall, without the requirement of notice to or action by the Company, the Trustee or any other Person, release the Escrowed Property (including investment earnings) to the Trustee (the date of such termination, the "Escrow Termination Date") and the Trustee shall draw on the full amount of the Escrow Letter of Credit. On the day falling five (5) Business Days after the Escrow Termination Date (the "Special Mandatory Redemption Date"), the Securities will be redeemed (the "Special Mandatory Redemption") at a redemption price equal to 100% of the initial issue price plus accrued and unpaid interest to, but not including, the Special Mandatory Redemption Date. The Issuers shall deliver to the Trustee and DTC, no later than the date that is five (5) Business Days prior to the Special Mandatory Redemption Date, a redemption notice setting forth the Special Mandatory Redemption Date. Promptly after the Special Mandatory Redemption Date, the Trustee will pay to the Company any amount held in excess of the amount necessary to effect the Special Mandatory Redemption.

6. Sinking Fund

The Securities are not subject to any sinking fund.

7. Notice of Redemption

Notice of redemption pursuant to Paragraph 5 above will be mailed by first-class mail or otherwise delivered in accordance with the procedures of the Depositary, at least 30 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his, her or its registered address except that such notice of redemption may be mailed or otherwise delivered in accordance with the procedures of the Depositary at least five (5) Business Days prior to the redemption date if the redemption is occurring pursuant to the Special Mandatory Redemption provision set forth in Paragraph 5 above. Securities in denominations larger than $2,000 may be redeemed in part but only in whole multiples of $1,000. If money sufficient to pay the redemption price of and accrued and unpaid interest on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

8. Repurchase of Securities at the Option of the Holders upon Change of Control and Asset Sales

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to cause the Issuers to repurchase all or any part of such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of the Holders of record of the Securities at the close of business on the relevant record date to receive interest due on the relevant interest payment date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuers will be required to offer to purchase Securities upon the occurrence of certain events.

9. Denominations; Transfer; Exchange

The Securities are in registered form, without coupons, in denominations of $2,000 and any integral multiple of $1,000. A Holder shall register the transfer of or exchange of Securities in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to the mailing of a notice of redemption of Securities to be redeemed.

10. Persons Deemed Owners

The registered Holder of this Security shall be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and a Paying Agent shall pay the money back to the Issuers at their written request unless an abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Issuers for payment as general creditors and the Trustee and a Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance

Subject to certain conditions and as set forth in the Indenture, the Issuers at any time may terminate some of or all of their obligations under the Securities and the Indenture if the Issuers deposit with the Trustee money or Government Securities for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

13. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, or the Securities may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities (voting as a single class) and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Issuers and the Trustee may amend the Indenture or the Securities (i) to cure any ambiguity, omission, mistake, defect or inconsistency as certified by the Issuers; (ii) to provide for uncertificated Securities of such series

in addition to or in place of certificated Securities; (iii) to comply with the covenant relating to mergers, consolidations and sales of assets; (iv) to provide for the assumption of the Issuers' or any Guarantor's obligations to the Holders in a transaction that complies with the Indenture; (v) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder; (vi) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor; (vii) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act; (viii) to evidence and provide for the acceptance and appointment under the Indenture of a successor Trustee thereunder pursuant to the requirements thereof; (ix) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable; (x) to add a Guarantor under the Indenture or to release a Guarantor in accordance with the terms of the Indenture and to provide for any local law restrictions required by the jurisdiction of organization of such Guarantor; (xi) to conform the text of the Indenture, the Guarantees or the Securities to any provision of the Offering Circular under the caption "*Description of Notes*" to the extent that such provision in the "*Description of Notes*" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees or the Securities as certified by the Issuers; (xii) to make certain changes to the Indenture to provide for the issuance of Additional Securities; or (xiii) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Securities as permitted by the Indenture, including, without limitation to facilitate the issuance of the Securities and administration of the Indenture; *provided*, *however*, that (i) compliance with the Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Securities.

14. Defaults and Remedies

If an Event of Default (other than a Default relating to certain events of bankruptcy, insolvency or reorganization of the Company) occurs and is continuing, the Trustee or the Holders of at least 30% in principal amount of outstanding Securities by notice to the Issuers, may declare the principal of, premium, if any, interest and any other monetary obligations on all the Securities to be due and payable immediately. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs, the principal of, premium, if any, and interest on all the Securities shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of outstanding Securities may rescind any such acceleration with respect to the Securities and its consequences.

If an Event of Default occurs and is continuing, the Trustee shall be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to the Indenture or the Securities unless (i) such Holder has previously given the Trustee written notice that an Event of Default is continuing, (ii) the Holders of at least 30% in principal amount

of the outstanding Securities have requested the Trustee, in writing, to pursue the remedy, (iii) such Holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense, (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity and (v) the Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a written direction inconsistent with such request within such 60-day period. Subject to certain restrictions, the Holders of a majority in principal amount of the outstanding Securities are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses that may be caused by taking or not taking such action.

The Issuers are required to deliver to the Trustee, annually, a certificate indicating whether the signer thereof knows of any Default that occurred during the previous year.

15. Trustee Dealings with the Issuers

Subject to certain limitations imposed by the Trust Indenture Act, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Issuers or their Affiliates and may otherwise deal with the Issuers or their Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No past, present or future director, officer, employee, manager, incorporator, member, partner or stockholder of an Issuer or any Guarantor or any of their Subsidiaries or direct or indirect parent companies shall have any liability for any obligations of the Issuers or the Guarantors under the Securities, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities. The waiver may not be effective to waive liabilities under the federal securities laws.

17. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW.

20. CUSIP Numbers; ISINs

The Issuers have caused CUSIP numbers and ISINs to be printed on the Securities and has directed the Trustee to use CUSIP numbers and ISINs in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.

For purposes of the calculation of compliance with any financial ratio for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at

the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b), as applicable, for the relevant Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of any Hedge Agreement permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar equivalent amount of such Indebtedness.

If the Borrower has made a LCT Election for any Limited Condition Transaction, then in connection with any subsequent determination of compliance with any financial ratio or test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments or Restricted Debt Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition

Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, compliance with any such financial ratio or test and/or amount of Consolidated Adjusted EBITDA or Consolidated Total Assets shall be tested by calculating the availability under such financial ratio or test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets, as applicable, on a pro forma basis assuming such Limited Condition Transaction and any other transactions in connection therewith have been consummated (including any incurrence of Indebtedness and the use of proceeds thereof).

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to clause (a) above), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Senior Leverage Ratio test and/or any Total Leverage Ratio test and/or any Fixed Charge Coverage Ratio test) (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Senior Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the "**Incurrence-Based Amounts**"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts; however, for the avoidance of doubt, substantially concurrent incurrence of Indebtedness and Liens in reliance upon Fixed Amounts shall not be disregarded for purposes of testing compliance with the Total Leverage Ratio or the Fixed Charge Coverage Ratio under Section 6.04 and Section 6.06.

Section 1.11 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up for five).

THE CREDITS

Section 2.01 Commitments.

(a) Subject to the terms and conditions set forth herein, each Term Lender severally, and not jointly, agrees (i) to make a loan in Dollars (each, an "**Tranche B-1 Term Loan**" and collectively, the "**Tranche B-1 Term Loans**") to the Borrower on the Closing Date in a principal amount not to exceed its Initial TrancheB-1 Commitment and (ii) to make a loan in Euros (each, an "**Tranche B-2 Term Loan**" and collectively, the "**Tranche B-2 Term Loans**") to the Borrower on the Closing Date in a principal amount not to exceed its Initial Tranche B-2 Commitment (each loan made under this Section 2.01(a), an "Initial Term Loan" and collectively, the "Initial Term Loans").

(b) Subject to the terms and conditions of this Agreement and any applicable Refinancing Amendment, Extension Amendment or Incremental Facility Agreement, each Lender and each Additional Lender with any Additional Revolving Commitment or Additional Term Commitment, as the case may be, for a given Class severally, and not jointly, agrees to make Additional Revolving Loans and/or Additional Term Loans, as the case may be, of such Class to the Borrower, which Loans shall not exceed for any such Lender or Additional Lender at the time of any incurrence thereof, the Additional Revolving Commitment or Additional Term Commitment, as the case may be, of such Class of such Lender or Additional Lender on the respective Incremental Term Loan Borrowing Date. Notwithstanding the foregoing, if the applicable Additional Term Commitment in respect of any Incremental Term Loan Borrowing Date is not drawn on such Incremental Term Loan Borrowing Date, the undrawn amount shall automatically be cancelled. Amounts repaid or prepaid in respect of such Incremental Term Loans may not be reborrowed.

Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class.

(b) Subject to Section 2.01 and Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or LIBO Rate Loans as the Borrower may request in accordance herewith; provided that Tranche B-2 Term Loans shall be made and maintained as LIBO Rate Loans at all time. Each Lender at its option may make any LIBO Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement, (ii) such LIBO Rate Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrower to repay such LIBO Rate Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided further that any such domestic or foreign branch or Affiliate of such Lender shall not be entitled to any greater indemnification under Section 2.17 with respect to such LIBO Rate Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of a Change in Law after the date on which such Loan was made).

(c) Borrowings of more than one Type and Class may be outstanding at the same time;provided that there shall not at any time be more than a total of 10 different Interest Periods in effect for LIBO Rate Borrowings at any time outstanding (or such greater number of different Interest Periods as the Administrative Agent may agree from time to time).

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not, nor shall it be entitled to, request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date applicable to such Loans.

Section 2.03 Requests for Borrowings. Each Borrowing in respect of the Term Facility, each Borrowing in respect of any Additional Revolving Facility, each conversion of Term Loans or Revolving Loans from one Type to the other, and each continuation of LIBO Rate Loans shall be made upon irrevocable notice by the Borrower to the Administrative Agent. Each such notice must be in writing or by telephone (and promptly confirmed in writing) and must be received by the Administrative Agent not later than 12:00 p.m. (i) three Business Days prior to the requested day of any Borrowing, conversion or continuation of LIBO Rate Loans (or one Business Day in the case of any Borrowing of LIBO Rate Loans to be made on the Closing Date) or (ii) on the requested date of any Borrowing of ABR Loans (or, in each case, such later time as shall be acceptable to the Administrative Agent); provided, however, that if the Borrower wishes to request LIBO Rate Loans having an Interest Period of other than one, two, three or six months in duration as provided in the definition of "Interest Period," (A) the applicable notice from the Borrower must be received by the Administrative Agent not later than 12:00 p.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the relevant Lenders of such request and determine whether the requested Interest Period is available to by all the relevant Lenders. Each written notice (or confirmation of telephonic notice) with respect to a Borrowing by the Borrower pursuant to this Section 2.03 shall be delivered to the Administrative Agent in the form of a written Borrowing Request, appropriately completed and signed by a Responsible Officer of the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) the Class of such Borrowing;

(b) the aggregate amount of the requested Borrowing;

(c) the date of such Borrowing, which shall be a Business Day;

(d) whether such Borrowing is to be an ABR Borrowing or a LIBO Rate Borrowing;

(e) in the case of a LIBO Rate Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(f) the location and number of the Borrower's account or any other designated account(s) to which funds are to be disbursed (the "**Funding Account**").

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing (except that Tranche B-2 Term Loans shall be comprised of LIBO Rate Loans). If no Interest Period is specified with respect to any requested LIBO Rate Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall advise each Lender of the details thereof and of the amount of the Loan to be made as part of the requested Borrowing (x) in the case of any ABR Borrowing, on the same Business Day of receipt of a Borrowing Request in accordance with this Section 2.03 or (y) in the case of any LIBO Rate Borrowing, no later than one Business Day following receipt of a Borrowing Request in accordance with this Section 2.03.

Section 2.04 Reserved.

Section 2.05 Reserved.

Section 2.06 Reserved.

Section 2.07 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m. to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's respective Applicable Percentage. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the Funding Account or as otherwise directed by the Borrower.

(b) Unless the Administrative Agent has received notice from any Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.07 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate (or, with respect to any amount denominated in Euros, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by the Administrative Agent in the applicable offshore interbank market for such currency) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.07(b) shall cease. If the Borrower pays such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

Section 2.08 Type; Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a LIBO Rate Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a LIBO Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.08; provided that Tranche B-2 Term Loans shall be LIBO Rate Borrowings at all times. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders based upon their Applicable Percentages and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to thisSection 2.08, the Borrower shall notify the Administrative Agent of such election either in writing or by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly in writing to the Administrative Agent of a written Interest Election Request signed by a Responsible Officer of the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a LIBO Rate Borrowing; and

(iv) if the resulting Borrowing is a LIBO Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a LIBO Rate Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBO Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be converted at the end of such Interest Period to a LIBO Rate Borrowing with an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as a LIBO Rate Borrowing and (ii) unless repaid, each LIBO Rate Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period applicable thereto (except, in either case, that Tranche B-2 Term Loans shall be comprised of LIBO Rate Loans).

Section 2.09 Termination and Reduction of Commitments. Unless previously terminated, the Initial Term Loan Commitments shall automatically terminate upon the making of the Initial Term Loans on the Closing Date.

Section 2.10 Repayment of Loans; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to repay Tranche B-1 Term Loans, in Dollars, to the Administrative Agent for the account of each applicable Term Lender (i) commencing September 30, 2016, on the last Business Day of each March, June, September and December prior to the Initial Term Loan Maturity Date (each such date being referred to as a "**Loan Installment Date**"), in each case in an amount equal to 0.25% of the original principal amount of the Tranche B-1 Term Loans (as such payments may be reduced from time to time as a result of the

application of prepayments in accordance with Section 2.11 and repurchases in accordance with Section 9.05(g) or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.22(a)), and (ii) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Tranche B-1 Term Loans, outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(b) The Borrower hereby unconditionally promises to repay Tranche B-2 Term Loans, in Euros, to the Administrative Agent for the account of each applicable Term Lender (i) commencing September 30, 2016, on the last Business Day of each Loan Installment Date, in each case in an amount equal to 0.25% of the original principal amount of the Tranche B-2 Term Loans (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 and repurchases in accordance with Section 9.05(g) or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.22(a)), and (ii) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Tranche B-2 Term Loans, outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to paragraph (c) or (d) of this Section 2.10 shall be prima facie evidence of the existence and amounts of the obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any manifest error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (d) of this Section 2.10 and any Lender's records, the accounts of the Administrative Agent shall govern.

(f) Any Lender may request that Loans made by it be evidenced by a Promissory Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender and its registered assigns; it being understood and agreed that such Lender (and/or its applicable assign) shall be required to return such Promissory Note to the Borrower in accordance with Section 9.05(b)(iii) and upon the occurrence of the Termination Date (or as promptly thereafter as practicable).

Section 2.11 Prepayment of Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of Term Loans in whole or in part without premium or penalty (but subject to Sections 2.12(c) and 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the Applicable Class of Term Loans being prepaid.

(ii) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrower shall have the right at any time and from time to time to prepay any Borrowing of Additional Revolving Loans, in whole or in part without premium or penalty (but subject to Section 2.16). Prepayments made pursuant to this Section 2.11(a)(ii), shall be applied ratably to the outstanding Additional Revolving Loans.

(iii) The Borrower shall notify the Administrative Agent by telephone (promptly confirmed in writing) of any prepayment under this Section 2.11(a) (A) in the case of a prepayment of a LIBO Rate Borrowing, not later than 12:00 p.m. three Business Days before the date of prepayment, or (B) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m. one Business Day before the date of prepayment (or such later date to which the Administrative Agent may agree). Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to any Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount at least equal to the amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02(c). Each prepayment of Term Loans made pursuant to this Section 2.11(a) shall be applied (x) to the Tranche B-1 Term Loans or Tranche B-2 Term Loans, as specified by the Borrower, provided that, any prepayment of the Tranche B-1 Term Loans shall be made in Dollars and prepayment of the Tranche B-2 Term Loans shall be made in Euros and (y) against the remaining scheduled installments of principal due in respect of the Term Loans of such Class in the manner specified by the Borrower or, if not so specified on or prior to the date of such optional prepayment, in direct order of maturity.

(b) Mandatory Prepayments.

(i) No later than the fifth Business Day after the date on which the financial statements with respect to each Fiscal Year of the Borrower are required to be delivered pursuant to Section 5.01(b), commencing with the Fiscal Year ending December 31, 2017, the Borrower shall prepay the outstanding principal amount of Initial Term Loans and Additional Term Loans in accordance with clause (vi) of this Section 2.11(b) below in an aggregate principal amount equal to (A) 50% of Excess Cash Flow of the Borrower and its Restricted Subsidiaries for the Fiscal Year then ended, *minus* (B) at the option of the Borrower, the aggregate principal amount of (x) any Initial Term Loans, Additional Term Loans, Additional Revolving Loans prepaid pursuant to Section 2.11(a) or ABL Loans prior to such date and (y) the amount of any reduction in the outstanding amount of any Initial Term Loans or Additional Term Loans resulting from any assignment made in accordance with Section 9.05(g) of this Agreement (including in connection with any Dutch Auction) prior to such date and based upon the actual amount of cash paid in connection with the relevant assignment, in each case, excluding any such optional prepayments made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 2.11(b)(i) in the prior Fiscal Year (in the case of any prepayment of Additional Revolving Loans or ABL Loans, to the extent accompanied by a permanent reduction in the relevant commitment, and in the case of all such prepayments, to the extent that such prepayments were not financed with the proceeds of other Indebtedness (other than revolving Indebtedness) of the Borrower or its Restricted Subsidiaries); provided that (I) such percentage of Excess Cash Flow shall be reduced to 25% of Excess Cash Flow if the Senior Secured Leverage Ratio calculated on a Pro Forma Basis as of the last day of the relevant Fiscal Year (but without giving effect to the payment required hereby) is less than or equal to

3.50 to 1.00, but greater than 3.00 to 1.00 and (II) such prepayment shall not be required if the Senior Secured Leverage Ratio calculated on a Pro Forma Basis as of the last day of the relevant Fiscal Year (but without giving effect to the payment required hereby) is less than or equal to 3.00 to 1.00.

(ii) No later than the fifth Business Day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds, in each case, in excess of $20,000,000 in any Fiscal Year, the Borrower shall apply an amount equal to 100% of the Net Proceeds or Net Insurance/Condemnation Proceeds received with respect thereto in excess of such thresholds (the "**Subject Proceeds**") to prepay the outstanding principal amount of Initial Term Loans and Additional Term Loans in accordance with clause (vi) below; provided that if, prior to the date any such prepayment is required to be made, the Borrower notifies the Administrative Agent of its intention to reinvest the Subject Proceeds in assets used or useful in the business (other than Cash or Cash Equivalents) of the Borrower or any of its subsidiaries, then so long as no Event of Default then exists, the Borrower shall not be required to make a mandatory prepayment under this clause (ii) in respect of the Subject Proceeds to the extent (A) the Subject Proceeds are so reinvested within 12 months following receipt thereof, (B) the Borrower or any of its subsidiaries has committed to so reinvest the Subject Proceeds during such 12-month period and the Subject Proceeds are so reinvested within six months after the expiration of such12-month period; provided, however, that if the Subject Proceeds have not been so reinvested prior to the expiration of the applicable period, the Borrower shall promptly prepay the outstanding principal amount of Initial Term Loans and Additional Term Loans with the Subject Proceeds not so reinvested as set forth above (without regard to the immediately preceding proviso); provided further that if, at the time that any such prepayment would be required hereunder, the Borrower or any of its Restricted Subsidiaries is required to offer to repay or repurchase any other Indebtedness secured on a *pari passu* basis with the Obligations pursuant to the terms of the documentation governing such Indebtedness with the Subject Proceeds (such Indebtedness required to be offered to be so repaid or repurchased, the "**Other Applicable Indebtedness**"), then the relevant Person may apply the Subject Proceeds on a*pro rata* basis to the prepayment of the Initial Term Loans and Additional Term Loans and to the repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Initial Term Loans, Additional Term Loans and Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time; provided that the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Initial Term Loans and Additional Term Loans in accordance with the terms hereof), and the amount of the prepayment of the Initial Term Loans and Additional Term Loans that would have otherwise been required pursuant to this Section 2.11(b)(ii) shall be reduced accordingly; provided further that to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Initial Term Loans and Additional Term Loans in accordance with the terms hereof and (C) if at any time such prepayment would be required hereunder with respect to any ABL Collateral at any time when any ABL Facility is in effect, the Net Proceeds of any such Prepayment Asset Sale or Net Insurance/Condemnation Proceeds that relate or are attributable to any such ABL Collateral shall not be required to be applied to the prepayment of the Initial Term Loans hereunder to the extent such Net Proceeds or Net Insurance/Condemnation Proceeds are required to repay the ABL Loans in order to remain in compliance with the "Borrowing Base" (as defined in the ABL Credit Agreement (or any equivalent term in any documentation governing any ABL Facility)) under the ABL Credit Agreement (or any documentation governing any ABL Facility).

(iii) In the event that the Borrower or any of its Restricted Subsidiaries receives Net Proceeds from the issuance or incurrence of Indebtedness by the Borrower or any of its Restricted Subsidiaries (other than with respect to Indebtedness permitted under Section 6.01, except to the extent the relevant

Indebtedness constitutes Refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p), Replacement Term Loans incurred to refinance Initial Term Loans or Additional Term Loans in accordance with the requirements of Section 9.02(c) or other refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans), the Borrower shall, substantially simultaneously with (and in any event not later than the next succeeding Business Day) the receipt of such Net Proceeds by the Borrower or its applicable Restricted Subsidiary, apply an amount equal to 100% of such Net Proceeds to prepay the outstanding principal amount of Initial Term Loans and Additional Term Loans in accordance with clause (vi) below.

(iv) Notwithstanding anything in this Section 2.11(b) to the contrary, (A) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Section 2.11(b)(i) or (ii) above to the extent that the relevant Excess Cash Flow is generated by any Foreign Subsidiary, the relevant Prepayment Asset Sale is consummated by any Foreign Subsidiary, or the relevant Net Insurance/Condemnation Proceeds are received by any Foreign Subsidiary, as the case may be, for so long as the repatriation to the Borrower of any such amount would be prohibited under any Requirements of Law or conflict with the fiduciary duties of such Foreign Subsidiary's directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all commercially reasonable actions required by applicable Requirements of Law to permit such repatriation); it being understood that once the repatriation of the relevant affected Subject Proceeds or Excess Cash Flow, as the case may be, is permitted under the applicable Requirements of Law and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for the Persons described above the relevant Foreign Subsidiary will promptly repatriate the relevant Subject Proceeds or Excess Cash Flow, as the case may be, and the repatriated Subject Proceeds or Excess Cash Flow, as the case may be, will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the repayment of the Initial Term Loans and Additional Term Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)), (B) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (ii) to the extent that the relevant Excess Cash Flow is generated by any joint venture or the relevant Subject Proceeds are received by any joint venture, in each case, for so long as the distribution to the Borrower of such Excess Cash Flow or Subject Proceeds would be prohibited under the Organizational Documents governing such joint venture; it being understood that if the relevant prohibition ceases to exist the relevant joint venture will promptly distribute the relevant Excess Cash Flow or the relevant Subject Proceeds, as the case may be, and the distributed Excess Cash Flow or Subject Proceeds, as the case may be, will be promptly (and in any event not later than two Business Days after such distribution) applied to the repayment of the Term Loans pursuant to this Section 2.11(b) to the extent required herein, and (C) if the Borrower determines in good faith that the repatriation to the Borrower of any amounts required to mandatorily prepay the Initial Term Loans and Additional Term Loans pursuant to Section 2.11(b)(i) or (ii) above would result in material and adverse tax consequences, taking into account any foreign tax credit or benefit actually realized in connection with such repatriation (such amount, a "**Restricted Amount**"), as reasonably determined by the Borrower, the amount the Borrower shall be required to mandatorily prepay pursuant to Section 2.11(b)(i) or (ii) above, as applicable, shall be reduced by the Restricted Amount until such time as it may repatriate to the Borrower the Restricted Amount without incurring such material and adverse tax liability; provided that to the extent that the repatriation of any Subject Proceeds or Excess Cash Flow from the relevant Foreign Subsidiary would no longer have an adverse tax consequence, an amount equal to the Subject Proceeds or Excess Cash Flow, as applicable, not previously applied pursuant to preceding clause (B), shall be promptly applied to the repayment of the Initial Term Loans and Additional Term Loans pursuant to Section 2.11(b) as otherwise required above (without regard to this clause (iv));

(v) Each Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Initial Term Loans and Additional Term Loans required to be made by the Borrower pursuant to this Section 2.11(b), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the "**Declined Proceeds**"), in which case such Declined Proceeds may be retained by the Borrower; provided that, for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(b)(iii) above to the extent that such prepayment is made with the Net Proceeds of Refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p), Replacement Term Loans incurred to refinance Initial Term Loans or Additional Term Loans in accordance with the requirements of Section 9.02(c) or other refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans. If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender's Applicable Percentage of the total amount of such mandatory prepayment of Initial Term Loans and Additional Term Loans.

(vi) Except as may otherwise be set forth in any amendment to this Agreement or provided in, any Refinancing Amendment, any Incremental Facility Agreement or any Extension Amendment in connection with any Additional Term Loan, (A) each prepayment of Initial Term Loans and Additional Term Loans pursuant to this Section 2.11(b) shall be applied ratably to each Class of Term Loans (based upon the then outstanding principal amounts of the respective Classes of Term Loans) (provided that any prepayment of Initial Term Loans or Additional Term Loans constituting Refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p) or Replacement Term Loans incurred to refinance Initial Term Loans or Additional Term Loans in accordance with the requirements of Section 9.02(c) or other refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans shall be applied solely to each applicable Class of refinanced or replaced Term Loans), (B) with respect to each Class of Initial Term Loans and Additional Term Loans, all accepted prepayments under Section 2.11(b)(i), (ii) or (iii) shall be applied against the remaining scheduled installments of principal due in respect of the Initial Term Loans and Additional Term Loans as directed by the Borrower (or, in the absence of direction from the Borrower, to the remaining scheduled amortization payments in respect of the Initial Term Loans and Additional Term Loans in direct order of maturity), and (C) each such prepayment shall be paid to the Term Lenders in accordance with their respective Applicable Percentages of the applicable Class of Term Loans being repaid. If no Lenders exercise the right to waive a given mandatory prepayment of the Initial Term Loans or Additional Term Loans pursuant to Section 2.11(b)(v), then, with respect to such mandatory prepayment, the amount of such mandatory prepayments shall be applied on a *pro rata* basis to the then outstanding Initial Term Loans and Additional Term Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or LIBO Rate Loans; provided that the amount thereof shall be applied first to ABR Loans to the full extent thereof before application to the LIBO Rate Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16. Any prepayment of Initial Term Loans made on or prior to the date that is six months after the Closing Date pursuant to Section 2.11(b)(iii) as part of a Repricing Transaction shall be accompanied by the fee set forth in Section 2.12(c).

(vii) Reserved.

(viii) At the time of each prepayment required under Section 2.11(b)(i), (ii) or (iii), the Borrower shall deliver to the Administrative Agent a certificate signed by a Responsible Officer of the Borrower setting forth in reasonable detail the calculation of the amount of such prepayment. Each such certificate shall specify the Borrowings being prepaid and the principal amount of each Borrowing (or portion thereof) to be prepaid. Prepayments shall be accompanied by accrued interest as required by Section 2.13. All prepayments of Borrowings under this Section 2.11(b) shall be subject to Section 2.16 and, in the case of prepayments under clause (iii) above as part of a Repricing Transaction, Section 2.12(c), but shall otherwise be without premium or penalty.

Section 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent, for its own account, the fees in the amounts and at the times separately agreed upon by the Borrower and the Administrative Agent in writing.

(b) All fees payable hereunder shall be paid on the dates due, in Dollars and in immediately available funds, to the Administrative Agent. Fees paid shall not be refundable under any circumstances except as otherwise provided in the Fee Letter.

(c) In the event that, on or prior to the date that is six months after the Closing Date, the Borrower (x) prepays, repays, refinances, substitutes or replaces any Initial Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.11(b)(iii) that constitutes a Repricing Transaction), or (y) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Lenders, (I) in the case of clause (x), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six months after the Closing Date, all or any portion of the Initial Term Loans held by any Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19(b)(iv) as a result of, or in connection with, such Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment referred to in clause (y) above (or otherwise in connection with a Repricing Transaction), such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

(d) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a 360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of a fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13 Interest.

(a) The Term Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate *plus* the Applicable Rate.

(b) The Term Loans comprising each LIBO Rate Borrowing shall bear interest at the LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Rate.

(c) [Reserved].

(d) Notwithstanding the foregoing and subject to Section 2.21, if any principal of or interest on any Initial Term Loan or Additional Loan or any fee payable by Borrower hereunder is not, in each case, paid or reimbursed when due, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal or interest of any Initial Term Loan, or, Additional Loan, 2.00% *plus* the rate otherwise applicable to such Initial Term Loan or Additional Loan as provided in the preceding paragraphs of this Section 2.13 or in the amendment to this Agreement relating thereto or (ii) in the case of any other amount, 2.00% *plus* the rate applicable to Tranche B-1 Term Loans that are ABR Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall accrue pursuant to this Section 2.13(d) on any overdue amount, or other amount payable to a Defaulting Lender so long as such Lender is a Defaulting Lender.

(e) Accrued interest on each Initial Term Loan or Additional Loan shall be payable in arrears on each Interest Payment Date for such Initial Term Loan or Additional Loan and on the Maturity Date or upon the termination of any Additional Commitments, as applicable; provided that (i) interest accrued pursuant to paragraph (d) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Initial Term Loan or Additional Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any LIBO Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Initial Term Loan or Additional Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed for ABR Loans shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall bear interest for one day.

Section 2.14 Alternate Rate of Interest. If at least two Business Days prior to the commencement of any Interest Period for a LIBO Rate Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall promptly give notice thereof to the Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, which the Administrative Agent agrees promptly to do, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing shall be ineffective and such Borrowing shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto, and (ii) if any Borrowing Request requests a LIBO Rate Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 2.15 Increased Costs.

(a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the LIBO Rate),

(ii) subjects any Lender to any Taxes (other than Indemnified Taxes, Other Taxes and Excluded Taxes) on its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or

(iii) imposes on any Lender or the London interbank market any other condition affecting this Agreement or LIBO Rate Loans made by any Lender,

and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any LIBO Rate Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) in respect of any LIBO Rate Loan in an amount deemed by such Lender to be material, then, within 30 days after the Borrower's receipt of the certificate contemplated by paragraph (c) of this Section 2.15, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; provided that the Borrower shall not be liable for such compensation if (x) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of requests for reimbursement under clause (ii) above resulting from a market disruption, (A) the relevant circumstances are not generally affecting the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by held by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (other than due to Taxes) (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then within 30 days of receipt by the Borrower of the certificate contemplated by paragraph (c) of this Section 2.15 the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.15 and setting forth in reasonable detail the manner in which such amount or amounts were determined and certifying that such Lender is generally charging such amounts to similarly situated borrowers shall be delivered to the Borrower and shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any LIBO Rate Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any LIBO Rate Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any LIBO Rate Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). In the case of a LIBO Rate Loan, the loss, cost or expense of any Lender shall be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurodollar market; it being understood that such loss, cost or expense shall in any case exclude any interest rate floor and all administrative, processing or similar fees. A certificate of any Lender (i) setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (ii) certifying that such Lender is generally charging the relevant amounts to similarly situated borrowers shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirements of Law require the deduction or withholding of any Tax from any such payment, then (i) if such Tax is an Indemnified Tax and/or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions and withholdings applicable to additional sums payable under this Section 2.17), each Lender or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall be entitled to and shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Each Loan Party shall jointly and severally indemnify the Administrative Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable

under this Section 2.17) (other than any penalties attributable to the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender as determined by a court of competent jurisdiction), and, in each case, any reasonable expenses arising therefrom or with respect thereto; provided that if such Loan Party reasonably believes that such Taxes (or any Taxes with respect to which the Loan Party has paid additional amounts pursuant to Section 2.17(a)) were not correctly or legally asserted, the Administrative Agent or such Lender, as applicable, will use reasonable efforts to cooperate with such Loan Party to obtain a refund of such Taxes (which shall be repaid to such Loan Party in accordance with Section 2.17(h)) so long as such efforts would not, in the sole determination of the Administrative Agent or such Lender, result in any additional out-of-pocket costs or expenses not reimbursed by such Loan Party or be otherwise materially disadvantageous to the Administrative Agent or such Lender, as applicable. In connection with any request for reimbursement under this Section 2.17(c), the relevant Lender or the Administrative Agent, as applicable, shall deliver a certificate to the Borrower setting forth, in reasonable detail, the basis and calculation of the amount of the relevant payment or liability, which certificate shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 2.17(c), the Loan Parties shall not be required to indemnify the Administrative Agent or any Lender pursuant to this Section 2.17 for any Indemnified Taxes or Other Taxes, to the extent the Administrative Agent or such Lender fails to notify the Borrower of such possible indemnification claim within 180 days after the Administrative Agent or such Lender receives written notice from the applicable taxing authority of the tax assessment giving rise to such indemnification claim.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes or Other Taxes imposed on or with respect to any payment under any Loan Document that is attributable to such Lender (but only to the extent that no Loan Party has already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to any Lender under any Loan Document or otherwise payable by the Administrative Agent to any Lender from any other source against any amount due to the Administrative Agent under this clause (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation as the Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the

Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) each Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), two executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the U.S. is a party, two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such tax treaty;

(2) two executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent any Foreign Lender is not the beneficial owner, two executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership and one or more partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such partner;

(C) each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the

Administrative Agent), two executed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to any Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA, or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f)(ii)(D), FATCA shall include all amendments made after the date hereof.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so. Notwithstanding anything to the contrary in this Section 2.17(f), no Lender shall be required to provide any documentation that such Lender is not legally eligible to deliver.

(g) On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), the Administrative Agent will deliver to the Borrower either (i) an executed copy of IRS Form W-9, or (ii) (x) with respect to any amounts received on its own account, an executed copy of an applicable IRS Form W-8, and (y) with respect to any amounts received for or on account of any Lender, an executed copy of IRS Form W-8 IMY certifying on Part I, Part II and Part VI thereof that it is a U.S. branch that has agreed to be treated as a U.S. person for U.S. federal tax purposes with respect to payments received by it from the Borrower in its capacity as Administrative Agent, as applicable. The Administrative Agent shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(h) If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender agrees to repay the amount paid over to such Loan Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event shall the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this

paragraph (h) to the extent that the payment thereof would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the position that the Administrative Agent or such Lender would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the relevant Loan Party or any other Person.

(i) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.18 Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, or fees or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressed hereunder or under such Loan Document (or, if no time is expressly required, by 2:00 p.m.). Each such payment shall be made on the date when due, in immediately available funds, without set-off (except as otherwise provided in Section 2.17) or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16 or 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round such Lender's percentage of such Borrowing to the next higher or lower whole dollar amount. All payments (including accrued interest) hereunder shall be made in Dollars (other than payment of principal and interest with respect to Tranche B-2 Term Loans, which shall be made in Euros). Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) All proceeds of Collateral received by the Administrative Agent at any time when an Event of Default exists and all or any portion of the Loans have been accelerated hereunder pursuant to Section 7.01 shall, upon election by the Administrative Agent or at the direction of the Required Lenders, be appliedfirst, to the payment of all costs and expenses then due incurred by the Administrative Agent in connection with any collection, sale or realization on Collateral or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the fees and expenses of agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document, second, on a *pro rata* basis, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent (other than those covered in clause first above) from the Borrower constituting Secured Obligations, third, on a *pro rata* basis in accordance with the amounts of the Secured Obligations (other than contingent indemnification obligations for which no claim has yet been made) owed to the Secured Parties on the date of any such distribution, to the payment in full of the Secured Obligations, and fourth, to, or at the direction of, the Borrower or as a court of competent jurisdiction may otherwise direct.

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right ofset-off or otherwise) in respect of any principal of or interest on any of its Loans of any Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and accrued interest thereon than the proportion received by any other Lender with Loans of such Class, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Loans of such Class at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22, 2.23 and 9.02(c). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(d) Unless the Administrative Agent has received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender the amount due. In such event, if the Borrower has not in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate (or, with respect to any amount denominated in Euros, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by the Administrative Agent in the applicable offshore interbank market for such currency) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant toSection 2.07(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Loans pursuant to Section 2.20, or any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any material unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Loans pursuant to Section 2.20, (ii) if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) if any Lender is a Defaulting Lender or (iv) if in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby" (or any other Class or group of Lenders other than the Required Lenders) with respect to which Required Lender consent (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender described in this clause (iv), a "**Non-Consenting Lender**"), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments and/or Additional Commitments of such Lender, and repay all Obligations of the Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date or (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that (A) such Lender shall have received payment of an amount equal to the outstanding principal amount of its Loans, in each case of such Class of Loans, Commitments and/or Additional Commitments, accrued interest thereon, accrued fees and all other amounts payable to it under any Loan Document with respect to such Class of Loans, Commitments and/or Additional Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (C) such assignment does not conflict with applicable law. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrower may not repay the Obligations of such Lender or terminate its Commitments or Additional Commitments, if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender's Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (and the corresponding assignment) invalid), such assignment shall be recorded in the Register, any such Promissory Note shall be deemed cancelled. Each

Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent's discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (b). To the extent that any Lender is replaced pursuant to Section 2.19(b)(iv) in connection with a Repricing Transaction requiring payment of a fee pursuant to Section 2.12(f), the Borrower shall pay to each Lender being replaced as a result of such Repricing Transaction the fee set forth in Section 2.12(c).

Section 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to the Published LIBO Rate, or to determine or charge interest rates based upon the Published LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue LIBO Rate Loans in Dollars, Euros, or to convert ABR Loans to LIBO Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Published LIBO Rate component of the Alternate Base Rate, the interest rate on which ABR Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly). Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), if applicable and such Loans are denominated in Dollars, prepay or convert all of such Lender's LIBO Rate Loans to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate) or (2) if applicable and such Loans are denominated in Euros, convert such Loans to Loans bearing interest at an alternative rate mutually acceptable to the Borrower and such Lender, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBO Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Loans (in which case the Borrower shall not be required to make payments pursuant to Section 2.16 in connection with such payment) and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Published LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Published LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Published LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitments of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders, or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article 7, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Borrower as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;second, so long as no Default or Event of Default exists as the Borrower may request, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; third, as the Administrative Agent or the Borrower may elect, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to thenon-Defaulting Lenders as a result of any judgment of a court of competent jurisdiction obtained by any non-Defaulting Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

Section 2.22 Incremental Facilities.

(a) The Borrower may, at any time, on one or more occasions pursuant to an Incremental Facility Agreement (i) add one or more new tranches of term facilities and/or increase the principal amount of the Tranche B-1 Term Loans, the Tranche B-2 Term Loans or any Additional Term Loans by requesting new term loan commitments to be added to such Loans (any such new tranche or increase, an "**Incremental Term Facility**" and any loans made pursuant to an Incremental Term Facility, "**Incremental Term Loans**") and/or (ii) add one or more new tranches of incremental revolving "cash-flow" facilities and/or increase the aggregate amount of Commitments of any existing Class of Incremental Revolving Commitments (any such new tranche or increase, an "**Incremental Revolving Facility**" and, together with any Incremental Term Facility, "**Incremental Facilities**"; and the loans thereunder, "**Incremental Revolving Loans**" and, together with any Incremental Term Loans, "**Incremental Loans**") in an aggregate principal amount not to exceed the Incremental Cap; provided that:

(i) no Incremental Commitment may be less than $5,000,000,

(ii) except as separately agreed from time to time between the Borrower and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender,

(iii) no Incremental Facility or Incremental Loan (or the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a Lender providing all or part of any Incremental Commitment or Incremental Loan,

(iv) no Incremental Revolving Facility will mature earlier than any then-applicable Latest Revolving Loan Maturity Date or require any scheduled amortization or mandatory commitment reduction prior to such Maturity Date,

(v) the Effective Yield applicable to any Incremental Facility or Incremental Loans will be determined by the Borrower and the lenders providing such Incremental Facility or Incremental Loans; provided that in the case of any Incremental Term Facility which are *pari passu* with the Initial Term Loans in right of payment and with respect to security, such Effective Yield applicable thereto will not be more than 0.50% higher than the Effective Yield applicable to the Class of Initial Term Loans denominated in the same currency as such Incremental Term Facility unless the Applicable Rate with respect to such Initial Term Loans is adjusted to be equal to the Effective Yield with respect to the relevant Incremental Term Facility, *minus* 0.50%,

(vi) the final maturity date with respect to any Incremental Term Loans shall be no earlier than the Latest Term Loan Maturity Date at the time of the incurrence thereof,

(vii) the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of the then-existing tranche of Term Loans (without giving effect to any prepayments thereof),

(viii) (A) any Incremental Term Facility may rank *pari passu* with or junior to any then-existing tranche of Term Loans in right of payment and *pari passu* with or junior to any then-existing tranche of Term Loans with respect to security or may be unsecured (and to the extent the relevant Incremental Facility is *pari passu* with or subordinated to the Term Loans in right of payment or security and documented in a separate agreement, it shall be subject to an Acceptable Intercreditor Agreement) and (B) no Incremental Facility may be (x) guaranteed by any Person which is not a Loan Party or (y) secured by any assets other than the Collateral,

(ix) (A) any prepayment (other than any scheduled amortization payment) of Incremental Term Loans that are *pari passu* with any then-existing Term Loans in right of payment and security shall be made on a *pro rata* basis with such existing Term Loans and (B) any prepayment (other than any scheduled amortization payment) of Incremental Term Loans that are subordinated to any then-existing Term Loans in right of payment or security shall be made on a junior basis with respect to such existing Term Loans (and all other then-existing Additional Term Loans requiring ratable prepayment), except, in each case, that the Borrower and the lenders providing the relevant Incremental Term Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any prepayments on a less than *pro rata* basis (but not on a greater than *pro rata* basis),

(x) except as otherwise agreed by the lenders providing the relevant Incremental Facility in connection with a Permitted Acquisition or other Investment permitted by the terms of this Agreement, no Event of Default shall exist immediately prior to or after giving effect to such Incremental Facility,

(xi) except as otherwise required or permitted in clauses (v) through (ix) above, all other terms of any Incremental Term Facility, if not consistent with the terms of the Initial Term Loans, shall be reasonably satisfactory to the Borrower and the Administrative Agent (it being understood that (x) any terms which are not consistent with the terms of the Initial Term Loans and are applicable only after the then-existing Latest Term Loan Maturity Date shall be deemed satisfactory to the Administrative Agent and (y) terms contained in such Incremental Term Facility that are more favorable to the lenders or the agent of such Incremental Term Facility than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents for the benefit of the Term Lenders or, as applicable, the Administrative Agent (i.e., by conforming or adding a term to the then-outstanding Term Loans pursuant to the applicable Incremental Facility Agreement) shall be deemed satisfactory to the Administrative Agent),

(xii) the proceeds of any Incremental Facility may be used for working capital and other general corporate purposes and any other use not prohibited by this Agreement,

(xiii) on the date of the making of any Incremental Term Loans that will be added to any Class of Initial Term Loans or Additional Term Loans, and notwithstanding anything to the contrary set forth in Section 2.08 or 2.13, such Incremental Term Loans shall be added to (and constitute a part of) each borrowing of outstanding Initial Term Loans or Additional Term Loans, as applicable, of the same type with the same Interest Period of the respective Class on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then outstanding borrowing of Initial Term Loans or Additional Term Loans, as applicable, of the same type with the same Interest Period of the respective Class; and

(xiv) at no time shall there be more than three separate Maturity Dates in effect with respect to any existing Additional Revolving Facility at any time.

(b) Incremental Commitments may be provided by any existing Lender, or by any other lender (other than any Disqualified Institution) (any such other lender being called an "**Additional Lender**"); provided that the Administrative Agent shall have consented (such consent not to be unreasonably withheld) to the relevant Additional Lender's provision of Incremental Commitments if such consent would be required under Section 9.05(b) for an assignment of Loans to such Additional Lender;provided further that any Additional Lender that is an Affiliated Lender shall be subject to the provisions ofSection 9.05(g), *mutatis mutandis*, to the same extent as if Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Borrower all such documentation (including the relevant Incremental Facility Agreement) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its reasonable request, the Administrative Agent shall have received customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an Administrative Questionnaire and such other documents as it shall reasonably require from such Additional Lender, (iii) the Administrative Agent and Lenders shall have received all fees required to be paid in respect of such Incremental Facility or Incremental Loans and (iv) the Administrative Agent shall have received a certificate of the Borrower signed by a Responsible Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(x) above has been satisfied.

(e) To the extent the Borrower elects to implement any Incremental Revolving Facility, then notwithstanding any other provision of this Agreement to the contrary, the Borrower shall be permitted (without the consent of any Term Lender) to amend the terms of this Agreement pursuant to an amendment hereto (or an amendment and restatement hereof), in form and substance reasonably satisfactory to the Administrative Agent, in order to appropriately incorporate revolving facility provisions, including those relating to (i) conditions to borrowing, payments, prepayments, purchases of participations and reallocation mechanisms, letter of credit, swingline and/or other subfacilities, (ii) mechanisms to allow for additional Incremental Revolving Facilities (e.g. pro rata treatment and exceptions to such pro rata treatment upon the maturity of any such Incremental Revolving Facility), (iii) tranche voting by revolving lenders with respect to conditions precedent to the making of revolving loans, any financial covenant required in connection with any Incremental Revolving Facility and definitions relating to the foregoing and (iv) consent by any issuing bank or swingline lender to matters affecting its rights or obligations in such capacity. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Agreement and any other amendments to this Agreement and the other Loan Documents with the Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Loans or commitments increased or extended pursuant to this Section 2.22 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.22.

(f) To the extent the provisions of clause (a)(xiii) above require that Term Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding borrowings of LIBO Rate Loans of the respective Class of Initial Term Loans or Additional Term Loans, as applicable, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Loans of the respective Class and which will end on the last day of such Interest Period).

(g) Notwithstanding anything to the contrary in this Section 2.22 or in any other provision of any Loan Document, if the proceeds of any Incremental Facility are intended to be applied to finance an acquisition and the Lenders or Additional Lenders providing such Incremental Facility so agree, the availability thereof shall be subject to customary "SunGard" or "certain funds" conditionality.

(h) This Section 2.22 shall supersede any provision in Section 2.18 or 9.02 to the contrary.

Section 2.23 Extensions of Loans and Additional Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans of any Class with a like Maturity Date or commitments with a like Maturity Date, in each case on a

pro rata basis (based on the aggregate outstanding principal amount of the respective Loans or commitments with a like Maturity Date) and on the same terms to each such Lender, the Borrower is hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in any such Extension Offer to extend the Maturity Date of such Lender's Loans and/or commitments and otherwise modify the terms of such Loans and/or commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Loans) (each, an "**Extension**", and each group of Loans or commitments, as applicable, in each case as so extended, as well as the original Loans and the original commitments (in each case not so extended), being a "**tranche**"; any Extended Term Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted and any Extended Revolving Credit Commitments shall constitute a separate tranche of revolving commitments from the tranche of revolving commitments from which they were converted), so long as the following terms are satisfied:

(i) except as to (x) interest rates, fees and final maturity (which shall, subject to immediately succeeding clause (iii)(y), be determined by the Borrower and any Lender who agrees to an Extension and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Revolving Credit Commitments or Extended Revolving Loans (each as defined below) that are more favorable to the lenders or the agent of such Extended Revolving Credit Commitments or Extended Revolving Loans than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents for the benefit of the Revolving Lenders or, as applicable, the Administrative Agent (*i.e*., by conforming or adding a term to the then-outstanding Revolving Loans pursuant to the applicable Extension Amendment), and (z) any covenants or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of such Extension), the commitment of any Revolving Lender that agrees to an Extension (an "**Extended Revolving Credit Commitment**"; and the Loans thereunder, "**Extended Revolving Loans**"), and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with the same terms (or terms not less favorable to existing Revolving Lenders) as the original revolving commitments (and related outstandings) provided hereunder; provided that (x) to the extent any non-extended portion of any Additional Revolving Facility then exists, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on such revolving facilities (and related outstandings), (B) repayments required upon the Maturity Date of such revolving facilities and (C) repayments made in connection with any permanent repayment and termination of commitments (subject to clause (3) below)) of Extended Revolving Loans after the effective date of such Extended Revolving Credit Commitments shall be made on a *pro rata* basis with such portion of the relevant Additional Revolving Facility, (2) all letters of credit made or issued, as applicable, under any Extended Revolving Credit Commitment shall be participated on a *pro rata* basis by all Revolving Lenders and (3) the permanent repayment of Loans with respect to, and termination of commitments under, any such Extended Revolving Credit Commitment after the effective date of such Extended Revolving Credit Commitments shall be made on a *pro rata* basis with such portion of any Additional Revolving Facility, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such revolving facility on a greater than *pro rata* basis as compared with any other revolving facility with a later Maturity Date than such revolving facility and (y) at no time shall there be more than three separate Classes of revolving commitments hereunder (including Incremental Revolving Commitments, Extended Revolving Credit Commitments and Replacement Revolving Facilities);

(ii) except as to (x) interest rates, fees, amortization, final maturity date, premiums, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii)(x), (iv) and (v), be determined by the Borrower and any

Lender who agrees to an Extension and set forth in the relevant Extension Offer) and (y) any covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of such Extension), the Term Loans of any Lender extended pursuant to any Extension (any such extended term Loans, the "**Extended Term Loans**") shall have the same terms as the tranche of Term Loans subject to the relevant Extension Offer; provided, however, that with respect to representations and warranties, affirmative and negative covenants (including financial covenants) and events of default that are applicable to any such tranche of Extended Term Loans, such provisions may be more favorable to the lenders of the applicable tranche of Extended Term Loans than those originally applicable to the tranche of Term Loans subject to the relevant Extension Offer, so long as (and only so long as) such provisions also expressly apply to (and for the benefit of) the tranche of Term Loans subject to the relevant Extension Offer and each other Class of Term Loans hereunder;

(iii) (x) the final maturity date of any Extended Term Loans shall be no earlier than the then applicable Latest Term Loan Maturity Date at the time of extension and (y) no Extended Revolving Credit Commitments or Extended Revolving Loans shall have a final maturity date earlier than (or require commitment reductions prior to) the then applicable Latest Revolving Loan Maturity Date;

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans or any other Extended Term Loans extended thereby;

(v) any Extended Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any voluntary or mandatory repayments or prepayments (but, for purposes of clarity, not scheduled amortization payments) in respect of the Initial Term Loans (and any Additional Term Loans then subject to ratable repayment requirements), in each case as specified in the respective Extension Offer;

(vi) if the aggregate principal amount of Loans or commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Loans or commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans or commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer;

(vii) each Extension shall be in a minimum amount of $5,000,000;

(viii) any applicable Minimum Extension Condition shall be satisfied or waived by the Borrower; and

(ix) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to any Extension consummated pursuant to this Section 2.23, (i) no such Extension shall constitute a voluntary or mandatory prepayment for purposes of Section 2.11, (ii) the scheduled amortization payments (in so far as such schedule affects payments due to Lenders participating in the relevant Class) set forth in Section 2.10 shall be adjusted to give effect to such Extension of the relevant Class and (iii) except as set forth in clause (a)(vii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may, at

its election, specify as a condition (a "**Minimum Extension Condition**") to consummating such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and which may be waived by the Borrower) of Loans or commitments (as applicable) of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, any payment of any interest, fees or premium in respect of any tranche of Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Section 2.10, 2.11 or 2.18) or any other Loan Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.23.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Loans and/or commitments under any Class (or a portion thereof). All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a *pari passu* basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendments and any other Loan Documents with the Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Loans or commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.23.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.23.

For the avoidance of doubt, it is understood, agreed and intended by the parties hereto that, notwithstanding anything to the contrary herein or in any other Loan Document, (i) under no circumstance shall the Administrative Agent, any Lender or any Participant have recourse to more than 65% of the voting Capital Stock of any CFC and (ii) under no circumstance shall any CFC or any direct or indirect subsidiary of a CFC be a Guarantor hereunder or under any Loan Document or in any other way be required to comply with the requirements set forth in clause (a) of the definition of "Collateral and Guarantee Requirement"; provided that thisclause (ii) shall not apply to any direct or indirect subsidiary of Potters LP or Potters GP that is a Guarantor as of the date hereof to the extent this clause would otherwise apply solely by reason of Potters LP or Potters GP becoming a CFC after the date hereof.

Section 5.13 Maintenance of Ratings. then, and in every such event (other than an event with respect to the Borrower described in clause (f) or (g) of this Article)) and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any of the following actions, at the same or different times: (i) terminate any Additional Commitments, and thereupon such Commitments and/or Additional Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided that upon the occurrence of an event with respect to the Borrower described in clause (f) or (g) of this Article, any such Commitments and/or Additional Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC.

ARTICLE 8

THE ADMINISTRATIVE AGENT

Each of the Lenders hereby irrevocably appoints Credit Suisse (or any successor appointed pursuant hereto) as Administrative Agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default exists, and the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers that are expressly contemplated by the Loan Documents and which the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable laws, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Restricted Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any covenant, agreement or other term or condition set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral, (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) any property, book or record of any Loan Party or any Affiliate thereof.

If any Lender acquires knowledge of a Default or Event of Default, it shall promptly notify the Administrative Agent and the other Lenders thereof in writing. Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at any foreclosure sale, UCC sale, any sale under Section 363 of the Bankruptcy Code or other similar Dispositions of Collateral. Notwithstanding the foregoing, however, a Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the Borrower, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Guaranty; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by, the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the other Loan Documents may be exercised solely by, the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to Section 363 of the Bankruptcy Code), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such Disposition.

No holder of any Secured Hedging Obligation or Banking Services Obligation in its respective capacity as such shall have any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement.

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties to take any of the following actions upon the instruction of the Required Lenders:

(a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including under Section 363 thereof;

(c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clause (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clause (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis.

With respect to each contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clause (b), (c) or (d) of the third preceding paragraph shall be entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition, by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable

compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent has received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or moresub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

The Administrative Agent may resign or be removed at any time by delivery of ten days' prior written notice to the Lenders and the Borrower or the Administrative Agent, as applicable. If the Administrative Agent becomes subject to an insolvency proceeding, either the Required Lenders or the Borrower may, upon ten days' notice, remove the Administrative Agent. Upon receipt of any such notice of resignation or delivery of any such notice of removal, the Required Lenders shall have the right, with the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a commercial bank or trust company with offices in the U.S. having combined capital and surplus in excess of $1,000,000,000; provided that during the existence and continuation of an Event of Default under Section 7.01(a) or, with respect to Holdings or the Borrower,

Section 7.01(f) or (g), no consent of the Borrower shall be required. If no successor shall have been appointed as provided above and accepted such appointment within ten days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, consent of the Borrower) or (b) in the case of a removal, the Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Borrower, the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Borrower notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with and on the 30th day following delivery of such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for perfection purposes, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (and each Lender will cooperate with the Borrower to enable the Borrower to take such actions), until such time as the Required Lenders or the Borrower, as applicable, appoint a successor Administrative Agent, as provided for above in this Article 8. Upon the acceptance of its appointment as Administrative Agent hereunder as a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor Administrative Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, itssub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution (nor any Affiliate thereof) may be appointed as a successor Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement, except in their respective capacities as the Administrative Agent or a Lender hereunder, as applicable.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent shall,

(a) release any Lien on any property granted to or held by Administrative Agent under any Loan Document (i) upon the occurrence of the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) that does not constitute (or ceases to constitute) Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Loan Guaranty otherwise in accordance with the Loan Documents, (v) as required under clause (d) below or (vi) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.02;

(b) subject to Section 9.22, release any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder; provided that the release of any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Subsidiary Guarantor becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof shall only be permitted if at the time such Guarantor becomes an Excluded Subsidiary of such type (1) no Event of Default exists, (2) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be an Excluded Subsidiary of such type, the Borrower is deemed to have made a new Investment in such Person for purposes of Section 6.06 (as if such Person were then newly acquired) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Borrower's equity interest therein as reasonably estimated by the Borrower and such Investment is permitted pursuant to Section 6.06 (other than Section 6.06(f)) at such time and (3) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clauses (1) and (2));

(c) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(d), 6.02(e), 6.02(g), 6.02(m), 6.02(n), 6.02(o), 6.02(q), 6.02(r), 6.02(x), 6.02(y), 6.02(z)(i), 6.02(bb), 6.02(cc), 6.02(ee), 6.02(ff) and 6.02(ll) (and any Liens securing Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k)); provided, that the subordination of any Lien on any property granted to or held by the Administrative Agent shall only be required to the extent that the Lien of the Administrative Agent with respect to such property is required to be subordinated to the relevant Permitted Lien in accordance with applicable law or the documentation governing the Indebtedness that is secured by such Permitted Lien; and

(d) enter into subordination, intercreditor and/or similar agreements with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens, and with respect to which Indebtedness, this Agreement contemplates an intercreditor, subordination or collateral trust agreement.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Guarantee or its

Lien on any Collateral pursuant to this Article 8. In each case as specified in this Article 8, the Administrative Agent will (and each Lender hereby authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article 8; provided that upon the request of the Administrative Agent, the Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement.

The Administrative Agent is authorized to enter into any intercreditor agreement contemplated hereby with respect to Indebtedness (A) that is (i) required or permitted to be subordinated hereunder, (ii) secured by Liens and/or (iii) otherwise required to be subject to an Acceptable Intercreditor Agreement and (B) which contemplates an intercreditor, subordination or collateral trust agreement (any such intercreditor agreement, an "**Additional Agreement**"), and the parties hereto acknowledge that any such Additional Agreement is binding upon them. Each Lender (a) hereby agrees that it will be bound by, and will not take any action contrary to any Additional Agreement and (b) hereby authorizes and instructs the Administrative Agent to enter into any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any Additional Agreement.

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If the forms or other documentation required by Section 2.17 are not delivered to the Administrative Agent, then the Administrative Agent may withhold from any payment to any Lender not providing such forms or other documentation, an amount equivalent to the applicable withholding tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section. The provisions of this Article 8 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(iii) if to any Lender, to it at its address or facsimile number set forth in its Administrative Questionnaire.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01 or (B) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; provided that received notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail and Internet or Intranet websites) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent. The Administrative Agent or the Borrower (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto.

(d) The Borrower hereby acknowledges that (A) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "**Borrower Materials**") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "**Platform**") and (B) certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The Borrower

hereby agrees that (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) provided, however, that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 9.13); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information"; and (z) the Administrative Agent shall treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information"; provided that, for purposes of the foregoing, all information and materials provided pursuant to Section 5.01(a) or (b) shall be deemed to be suitable for posting to Public Lenders.

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "*Private Side Information*" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the "*Public Side Information*" portion of the Platform and that may contain material nonpublic information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

THE PLATFORM IS PROVIDED "*AS IS*" AND "*AS AVAILABLE*." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR MATERIAL BREACH OF ANY LOAN DOCUMENT.

Section 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same is permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for

the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by law, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C) and (D) of this Section 9.02(b) and Sections 9.02(c) and (d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Documents), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) except with the consent of each Lender directly and adversely affected thereby (but without the consent of the Required Lenders), no such waiver, amendment or modification shall:

(1) increase the Commitment or Additional Commitment of such Lender (other than with respect to any Incremental Revolving Facility pursuant to Section 2.22 in respect of which such Lender has agreed to be an Additional Lender); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Commitments shall constitute an increase of any Commitment or Additional Commitment of such Lender;

(2) reduce or forgive the principal amount of any Loan or any amount due on any Loan Installment Date;

(3) (x) extend the scheduled final maturity of any Loan or (y) postpone any Loan Installment Date, any Interest Payment Date or the date of any scheduled payment of any fee payable hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent);

(4) reduce the rate of interest (other than to waive any Default or Event of Default or obligation of the Borrower to pay interest at the default rate of interest under Section 2.13(d), which shall only require the consent of the Required Lenders) or the amount of any fee owed to such Lender; it being understood that no change in the definition of "Senior Secured Leverage Ratio" or any other ratio used in the calculation of the Applicable Rate, or in the calculation of any other interest or fee due hereunder (including any component definition thereof) shall constitute a reduction in any rate of interest or fee hereunder;

(5) extend the expiry date of such Lender's Commitment or Additional Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Commitments shall constitute an extension of any Commitment or Additional Commitment of any Lender; and

(6) waive, amend or modify the provisions of Section 2.11(a), 2.11(b)(vi), 2.18(b) or 2.18(c) of this Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby (except in connection with any transaction permitted under Sections 2.22, 2.23, 9.02(c) and/or 9.05(g) or as otherwise provided in this Section 9.02); and

(7) change the currency in which any Loan or Commitment of any such Lender is denominated; and

(B) no such waiver, amendment or modification shall:

(1) change any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of "Required Lenders" to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender;

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article 8 or Section 9.22), without the prior written consent of each Lender; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Section 9.22 hereof), without the prior written consent of each Lender;

(C) reserved; and

(D) reserved.

provided, further, that no agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, incurrences of Additional Commitments or Additional Loans pursuant to Section 2.22, 2.23 or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment and any Additional Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment, Additional Commitment or Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(a)). Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities permitted hereunder to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion.

(c) Notwithstanding the foregoing, this Agreement may be amended:

(i) with the written consent of the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing or replacement of all or any portion of the outstanding Initial Term Loans or any then-existing Additional Term Loans under the applicable Class (any such loans being refinanced or replaced, the "**Replaced Term Loans**") with one or more replacement term loans hereunder ("**Replacement Term Loans**") pursuant to a Refinancing Amendment; provided that:

(A) the aggregate principal amount of any Replacement Term Loans shall not exceed the aggregate principal amount of the Replaced Term Loans (*plus* (1) any additional amounts permitted to be incurred under Section 6.01(a), (q), (u), (w) and/or (z) and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02(k) (with respect to Liens securing Indebtedness permitted by Section 6.01(a), (q), (u), (w) or (z)), (o)(ii), (u) and/or (hh) and *plus* (2) the amount of accrued interest and premium (including tender premium) thereon and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B) any Replacement Term Loans must have a final maturity date that is equal to or later than the final maturity date of, and have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, the Replaced Term Loans at the time of the relevant refinancing,

(C) any Replacement Term Loans may be *pari passu* or junior in right of payment and *pari passu* or junior with respect to the Collateral with the remaining portion of the Initial Term Loans or Additional Term Loans (provided that if *pari passu* or junior as to payment or Collateral, such Replacement Term Loans shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Term Loans are secured, such Replacement Term Loans may not be secured by any assets other than the Collateral,

(E) if any Replacement Term Loans are guaranteed, such Replacement Term Loans may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Term Loans that are *pari passu* in right of payment and *pari passu* in right of security may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any voluntary or mandatory repayment or prepayment in respect of the Initial Term Loans (and any Additional Term Loans then subject to ratable repayment requirements), in each case as agreed by the Borrower and the Lenders providing the relevant Replacement Term Loans,

(G) any Replacement Term Loans shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Replacement Term Loans may agree,

(H) no Default under Section 7.01(a), 7.01(f) or 7.01(g) or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of the relevant Replacement Term Loans, and

(I) either (i) the other terms and conditions of any Replacement Term Loans (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders providing such Replacement Term Loans than those applicable to the Replaced Term Loans (other than covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of incurrence of such Replacement Term Loans)) or (ii) such Replacement Term Loans shall be provided on then-current market terms for the applicable type of Indebtedness, and

(ii) with the written consent of the Borrower and the Lenders providing the relevant Replacement Revolving Facility to permit the refinancing or replacement of all or any portion of any Additional Revolving Commitment under the applicable Class (any such Additional Revolving Commitment being refinanced or replaced, a "**Replaced Revolving Facility**") with a replacement revolving facility hereunder (a "**Replacement Revolving Facility**") pursuant to a Refinancing Amendment; provided that:

(A) the aggregate principal amount of any Replacement Revolving Facility shall not exceed the aggregate principal amount of the Replaced Revolving Facility (*plus* (x) any additional amounts permitted to be incurred under Section 6.01(a), (q), (u), (w) and/or (z) and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02(k) (with respect to Liens securing Indebtedness permitted by Section 6.01(a), (q), (u), (w) or (z)), (o)(ii), (u) and/or (hh) and *plus* (y) the amount of accrued interest and premium thereon, any committed but undrawn amounts and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B) no Replacement Revolving Facility may have a final maturity date (or require commitment reductions) prior to the final maturity date of the relevant Replaced Revolving Facility at the time of such refinancing,

(C) any Replacement Revolving Facility may be *pari passu* or junior in right of payment and *pari passu* or junior with respect to the Collateral with the remaining portion of the Additional Revolving Commitments (provided that if *pari passu* or junior as to payment or Collateral, such Replacement Revolving Facility shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Borrower, documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Revolving Facility is secured, it may not be secured by any assets other than the Collateral,

(E) if any Replacement Revolving Facility is guaranteed, it may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Revolving Facility shall be subject to the "ratability" provisions applicable to Extended Revolving Credit Commitments and Extended Revolving Loans set forth in the proviso to clause (ii) of Section 2.23(a), *mutatis mutandis*, to the same extent as if fully set forth in this Section 9.02(c)(ii),

(G) any Replacement Revolving Facility shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Replacement Revolving Facility may agree,

(H) no Default under Section 7.01(a), 7.01(f) or 7.01(g) or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of the relevant Replacement Revolving Facility, and

(I) either (i) the other terms and conditions of any Replacement Revolving Facility (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Borrower) to the lenders providing such Replacement Revolving Facility than those applicable to the Replaced Revolving Facility (other than covenants or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of incurrence of the relevant Replacement Revolving Facility)) or (ii) such Replacement Revolving Facility shall be provided on then-current market terms for the applicable type of Indebtedness, and

(J) the commitments in respect of the Replaced Revolving Facility shall be terminated, and all loans outstanding thereunder and all fees in connection therewith shall be paid in full, in each case on the date such Replacement Revolving Facility is implemented;

provided, further, that, in respect of each of clauses (i) and (ii) of this clause (c), any Non-Debt Fund Affiliate and Debt Fund Affiliate shall (x) be permitted (without Administrative Agent consent) to provide any Replacement Term Loans, it being understood that in connection with such Replacement Term Loans, the relevant Non-Debt Fund Affiliate or Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such Persons under Section 9.05 as if such Replacement Term Loans were Term Loans and (y) any Debt Fund Affiliate (but not any Non-Debt Fund Affiliate) may provide any Replacement Revolving Facility.

Each party hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be amended by the Borrower, the Administrative Agent and the lenders providing the relevant Replacement Term Loans or the Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Replacement Term Loans or Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans and commitments subject thereto as a separate "tranche" and "Class" of Loans and/or commitments hereunder). It is understood that any Lender approached to provide all or a portion of any Replacement Term Loans or any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Replacement Term Loans or Replacement Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document, (i) the Borrower and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (x) comply with Requirements of Law or the advice of counsel or (y) cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents, (ii) the Borrower and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders (including Additional Lenders) providing Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrower and the Administrative Agent to effect the provisions of Section 2.22, 2.23, 5.12, 6.13 or 9.02(c), or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and (iii) if the Administrative Agent and the Borrower have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly.

Section 9.03 Expenses; Indemnity.

(a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each Arranger, the Administrative Agent and their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the syndication and distribution (including via the Internet or through a service such as SyndTrak) of the Credit Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Borrower and except as otherwise provided in a separate writing between the Borrower, the relevant Arranger and/or the Administrative Agent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section 9.03, or in connection with the Loans made. Except to the extent required to be paid on the Closing Date (and invoiced three (3) business days prior thereto), all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) The Borrower shall indemnify each Arranger, the Administrative Agent, and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel in any relevant jurisdiction to all Indemnitees, taken as a whole and solely in the case of an actual or perceived conflict of interest, (x) one additional counsel to all affected Indemnitees, taken as a whole, and (y) one additional local counsel to all affected Indemnitees, taken as a whole), incurred by or asserted against any Indemnitee arising out of, in connection with, or as

a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby and/or the enforcement of the Loan Documents, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) the use of the proceeds of the Loans, (iii) any actual or alleged Release or presence of Hazardous Materials on, at, under or from any property currently or formerly owned or operated by the Borrower, any of its Restricted Subsidiaries or any other Loan Party or any Environmental Liability related to the Borrower, any of its Restricted Subsidiaries or any other Loan Party and/or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrower, any other Loan Party or any of their respective Affiliates); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage, or liability (i) is determined by a final and non-appealable judgment of a court of competent jurisdiction (or documented in any settlement agreement referred to below) to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or, to the extent such judgment finds (or such settlement agreement acknowledges) that any such loss, claim, damage, or liability has resulted from such Person's material breach of the Loan Documents or (ii) arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding that is brought by or against the Administrative Agent or any Arranger, acting in its capacity as the Administrative Agent or as an Arranger) that does not involve any act or omission of Holdings, the Borrower or any of its subsidiaries. Each Indemnitee shall be obligated to refund or return any and all amounts paid by the Borrower pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses, or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrower within 30 days (x) after written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt of an invoice, setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply to Taxes, except for Taxes that represent losses, claims or damages arising from anynon-Tax claim.

(c) The Borrower shall not be liable for any settlement of any proceeding effected without its consent (which consent shall not be unreasonably withheld or delayed), but if any proceeding is settled with the Borrower's written consent, or if there is a final non-appealable judgment of a court of competent jurisdiction against any Indemnitee in any such proceeding, the Borrower agrees to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrower shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii) such settlement does not include any statement as to any admission of fault or culpability.

Section 9.04 Waiver of Claim. To the extent permitted by applicable law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof, except, in the case of any claim by any Indemnitee against any of the Borrower, to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

Section 9.05 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except as provided under Section 6.07, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section 9.05 (any attempted assignment or transfer not complying with the terms of this Section 9.05 shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and permitted assigns, Participants (to the extent provided in paragraph (c) of this Section 9.05) and, to the extent expressly contemplated hereby, the Related Parties of each of the Arrangers, the Administrative Agent, and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Loan or Additional Commitment added pursuant to Section 2.22, 2.23 or 9.02(c) at the time owing to it) with the prior written consent (not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that the Borrower shall be deemed to have consented to any such assignment unless it has objected thereto by written notice to the Administrative Agent within 15 Business Days after receiving written notice thereof; provided, further, that no consent of the Borrower shall be required (x) for any assignment of (1) Additional Revolving Loans or Additional Revolving Commitments to another Revolving Lender or (2) Initial Term Loans, Additional Term Loans, Initial Term Loan Commitments or Additional Term Commitments to another Lender, an Affiliate of any Lender or an Approved Fund, or (y) if an Event of Default under Section 7.01(a) or Section 7.01(f) or (g) (solely with respect to the Borrower) exists;

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for any assignment to another Lender, any Affiliate of a Lender or any Approved Fund; and

(C) reserved.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment to another Lender, any Affiliate of any Lender or any Approved Fund or any assignment of the entire remaining amount of the relevant assigning Lender's Loans or commitments of any Class, the principal amount of Loans or commitments of the assigning Lender subject to the relevant assignment (determined as of the date on which the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent and determined on an aggregate basis in the event of concurrent assignments to Related Funds or by Related Funds) shall not be less than (x) $1,000,000, in the case of Initial Term Loans, Additional Term Loans, Initial Term Loan Commitments and Additional Term Commitments and (y) $5,000,000 in the case of Additional Revolving Loans or Additional Revolving Commitments unless the Borrower and the Administrative Agent otherwise consent;

(B) any partial assignment shall be made as an assignment of a proportionate part of all the relevant assigning Lender's rights and obligations in respect of any Facility under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); and

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent (1) an Administrative Questionnaire and (2) any forms or other documentation required under Section 2.17.

(iii) Subject to the acceptance and recording thereof pursuant toparagraph (b)(iv) of this Section 9.05, from and after the effective date specified in any Assignment and Assumption, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount of and stated interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.05, if applicable, and any written consent to the relevant assignment required byparagraph (b) of this Section 9.05, the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) By executing and delivering an Assignment and Assumption, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Loans, in each case without giving effect to any assignment thereof which has not become effective, are as set forth in such Assignment and Assumption, (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Restricted Subsidiary or the performance or observance by the Borrower or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is an Eligible Assignee, legally authorized to enter into such Assignment and Assumption; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01(c) or the most recent financial statements delivered pursuant toSection 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption; (E) such assignee will independently and without reliance upon the Administrative Agent, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution, any natural Person or, other than with respect to any participation to any Debt Fund Affiliate (any such participations to a Debt Fund Affiliate being subject to the limitation set forth in the first proviso of the penultimate paragraph set forth in Section 9.05(g), as if the limitation applied to such participations), the Borrower or any of its Affiliates) (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment, modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Loans or commitments in which such Participant has an interest and (y) clause (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section 9.05, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.05 (it being understood that the documentation required under

Section 2.17(f) shall be delivered to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(c), to the Borrower and the Administrative Agent upon reasonable written request by the Borrower). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent expressly acknowledging that such Participant's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and their respective successors and assigns, and the principal amounts and stated interest of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to any Participant's interest in any Commitment, Loan or any other obligation under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPC**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of any Loan by an SPC hereunder shall utilize the Commitment or Additional Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount under Section 2.15, 2.16 or 2.17 or any other provision of this Agreement or any other Loan Document that the Granting Lender would have been entitled to receive, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (iii)

the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the U.S. or any State thereof; provided that (i) such SPC's Granting Lender is in compliance in all material respects with its obligations to the Borrower hereunder and (ii) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (i) with notice to, but without the prior written consent of, the Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC.

(f) (i) Any assignment or participation by a Lender without the Borrower's consent, to the extent the Borrower's consent is required under thisSection 9.05, to any other Person, shall be null and void, and the Borrower shall be entitled to seek specific performance to unwind any such assignment or participation in addition to injunctive relief or any other remedies available to the Borrower at law or in equity. Upon the request of any Lender, the Borrower shall make available to such Lender the list of Disqualified Institutions at the relevant time and such Lender may provide the list to any potential assignee or participant on a confidential basis in accordance with Section 9.13 for the purpose of verifying whether such Person is a Disqualified Institution. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or participant or potential Lender or participant is a Disqualified Institution and the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Institution.

(ii) If any assignment or participation under this Section 9.05 is made to any Disqualified Institution or to any Person that cannot be reasonably identified as a Disqualified Institution pursuant to clause (a)(ii) or (b)(ii) of the definition thereof as of the date of such assignment or participation and subsequently becomes reasonably identifiable as a Disqualified Institution, then (A) the Borrower may, at the Borrower's sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees; provided that the relevant assignment shall otherwise comply with thisSection 9.05 (except that no registration and processing fee required under this Section 9.05 shall be required with respect to any assignment pursuant to this paragraph); and (B) the Loans and Commitments held by such Disqualified Institution shall be deemed not to be outstanding for purposes of any amendment, waiver or consent hereunder, and such Disqualified Institution shall not be permitted to attend meetings of the Lenders or receive information prepared by the Administrative Agent or any Lender in connection with this Agreement. Nothing in this Section 9.05(f)(ii) shall be deemed to prejudice any right or remedy that Holdings or the Borrower may otherwise have at law or equity. Each Lender acknowledges and agrees that Holdings and its subsidiaries will suffer irreparable harm if such Lender breaches any obligation under this Section 9.05 insofar as such obligation relates to any assignment, participation or pledge to any Disqualified Institution without the Borrower's prior written consent and, therefore, each Lender agrees that Holdings and/or the Borrower may seek to obtain specific performance or other equitable or injunctive relief to enforce this Section 9.05(f)(ii) against such Lender with respect to such breach without posting a bond or presenting evidence of irreparable harm.

(g) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Initial Term Loans or Additional Term Loans to an Affiliated Lender on a non-*pro rata* basis (A) through Dutch Auctions open to all Lenders holding the relevant Initial Term Loans or such Additional Term Loans, as applicable, on a *pro rata* basis or (B) through open market purchases, in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Initial Term Loans or Additional Term Loans acquired by Holdings, the Borrower or any of its subsidiaries shall be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Initial Term Loans or Additional Term Loans, as applicable, shall be deemed reduced by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so retired and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced on a *pro rata* basis by the full par value of the aggregate principal amount of Term Loans so cancelled;

(ii) any Initial Term Loans or Additional Term Loans acquired by any Non-Debt Fund Affiliate may (but shall not be required to) be contributed to the Borrower or any of its subsidiaries for purposes of cancelling such Indebtedness (it being understood that any such Initial Term Loans or Additional Term Loans shall be retired and cancelled immediately upon such contribution); provided that upon any such cancellation, the aggregate outstanding principal amount of the Initial Term Loans or Additional Term Loans, as applicable, shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Initial Term Loans pursuant to Section 2.10(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Initial Term Loans so contributed and cancelled;

(iii) the relevant Affiliated Lender and assigning Lender shall have executed an Affiliated Lender Assignment and Assumption;

(iv) after giving effect to such assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Initial Term Loans and Additional Term Loans then held by all Affiliated Lenders shall not exceed 25% of the aggregate principal amount of the Initial Term Loans and Additional Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the "**Affiliated Lender Cap**"); provided that each party hereto acknowledges and agrees that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (g)(iv) or any purported assignment exceeding the Affiliated Lender Cap (it being understood and agreed that the Affiliated Lender Cap is intended to apply to any Loans made available to Affiliated Lenders by means other than formal assignment (*e.g.*, as a result of an acquisition of another Lender (other than any Debt Fund Affiliate) by any Affiliated Lender or the provision of Additional Term Loans by any Affiliated Lender); provided, further, that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of all Initial Term Loans and Additional Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellations thereof), the assignment of the relevant excess amount shall be null and void;

(v) in connection with any assignment effected pursuant to a Dutch Auction and/or open market purchase conducted by Holdings, the Borrower or any of its subsidiaries, (A) the relevant Person may not use the proceeds of any Additional Revolving Loans to fund such assignment and (B) no Default or Event of Default exists at the time of acceptance of bids for the Dutch Auction or the confirmation of such open market purchase, as applicable; and

(vi) by its acquisition of Term Loans, each relevant Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Term Loans held by such Affiliated Lender shall be deemed to be voted *pro rata* along with the other Lenders that are not Affiliated Lenders); provided that (x) such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be, and (y) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a *pro rata* basis hereunder, in each case without the consent of such Affiliated Lender; and

(B) such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Initial Term Loans or Additional Term Loans required to be delivered to Lenders pursuant to Article 2); and

(vii) no Affiliated Lender shall be required to represent or warrant that it is not in possession of materialnon-public information with respect to Holdings, the Borrower and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.05(g).

Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Initial Term Loans, Additional Term Loans, or Additional Revolving Commitments to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Initial Term Loans, Additional Term Loans, or Additional Revolving Commitments (x) on a non-*pro rata* basis through Dutch Auctions open to all applicable Lenders or (y) on a non-*pro rata* basis through open market purchases without the consent of the Administrative Agent, in each case, notwithstanding the requirements set forth in subclauses (i) through

(vii) of this clause (g); provided that the Initial Term Loans, Additional Term Loans and unused commitments and other Loans of all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to the immediately succeeding paragraph, any plan of reorganization pursuant to the Bankruptcy Code, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document. Any Initial Term Loans or Additional Term Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to the Borrower or any of its subsidiaries for purposes of cancelling such Indebtedness (it being understood that any Initial Term Loans or Additional Term Loans so contributed shall be retired and cancelled immediately upon thereof); provided that upon any such cancellation, the aggregate outstanding principal amount of the Initial Term Loans or Additional Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Initial Term Loans pursuant to Section 2.10(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Initial Term Loans so contributed and cancelled.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law is commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Initial Term Loans or Additional Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Initial Term Loans or Additional Term Loans held by it as the Administrative Agent directs; provided that in connection with any matter that proposes to treat any Obligations held by such Affiliated Lender in a manner that is different than the proposed treatment of similar Obligations held by Lenders that are not Affiliates, (a) such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) and (b) the Administrative Agent shall not be entitled to vote on behalf of such Affiliated Lender. Each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Initial Term Loans or Additional Term Loans and participations therein and not in respect of any other claim or status that such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of (but subject to the limitations set forth in) this paragraph.

Section 9.06 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 9.03 and 9.13 and Article 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of any Additional Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement.

Section 9.07 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and the Fee Letter and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by Holdings, the Borrower and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.08 Severability. To the extent permitted by law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09 Right of Setoff. At any time when an Event of Default exists, upon the written consent of the Administrative Agent, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent, or such Lender (including by branches and agencies of the Administrative Agent, or such Lender, wherever located) to or for the credit or the account of the Borrower or any Loan Party against any of and all the Secured Obligations held by the Administrative Agent, or such Lender, irrespective of whether or not the Administrative Agent, or such Lender shall have made any demand under the Loan Documents and although such obligations may be contingent or unmatured or are owed to a branch or office of such Lender different than the branch or office holding such deposit or obligation on such Indebtedness. Any applicable Lender, shall promptly notify the Borrower and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section 9.09. The rights of each Lender, the Administrative Agent under this Section 9.09 are in addition to other rights and remedies (including other rights of setoff) which such Lender or the Administrative Agent may have.

Section 9.10 Governing Law; Jurisdiction; Consent to Service of Process.

(b) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION (SUBJECT TO THE LAST SENTENCE OF THIS CLAUSE (B)) OF ANY U.S. FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) OVER ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL (EXCEPT AS PERMITTED BELOW) BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, FEDERAL COURT. EACH PARTY HERETO AGREES THAT SERVICE OF ANY PROCESS, SUMMONS, NOTICE OR DOCUMENT BY REGISTERED MAIL ADDRESSED TO SUCH PERSON SHALL BE EFFECTIVE SERVICE OF PROCESS AGAINST SUCH PERSON FOR ANY SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT. EACH PARTY HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE ADMINISTRATIVE AGENT AND THE SECURED PARTIES RETAIN THE RIGHT TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION SOLELY IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION 9.10. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CLAIM OR DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION, SUIT OR PROCEEDING IN ANY SUCH COURT.

(d) TO THE EXTENT PERMITTED BY LAW, EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL) DIRECTED TO IT AT ITS ADDRESS FOR NOTICES AS PROVIDED FOR IN SECTION 9.01. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 9.11 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN

THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.13 Confidentiality. Each of the Administrative Agent, each Lender, and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its and its Affiliates' directors, officers, managers, employees, independent auditors, or other experts and advisors, including accountants, legal counsel and other advisors (collectively, the "**Representatives**") on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that such Person shall be responsible for its Affiliates' and their Representatives' compliance with this paragraph; provided, further, that unless the Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, any Arranger, any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Arranger, or any Lender that (i) is engaged as a principal primarily in private equity, mezzanine financing or venture capital or (ii) is a Disqualified Institution, (b) upon the demand or request of any regulatory or Governmental Authority (including any self-regulatory body or any Federal Reserve Bank or other central bank acting as pledgee pursuant to Section 9.05) purporting to have jurisdiction over such Person or its Affiliates (in which case such Person shall, except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory or self-regulatory authority exercising examination or regulatory authority, to the extent practicable and permitted by law, (i) inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment), (c) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall (i) to the extent practicable and permitted by law, inform the Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (d) to any other party to this Agreement, (e) subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Borrower and the Administrative Agent, including as set forth in the Information Memorandum) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require "click through" or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof, to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution), (ii) any pledgee referred to in Section 9.05, (iii) any actual or prospective, direct or indirect contractual counterparty (or its advisors) to any Derivative Transaction (including any credit default swap) or similar derivative product to which any Loan Party is a party and (iv) subject to the Borrower's prior approval of the information to be disclosed (not to be unreasonably withheld or delayed), to Moody's or S&P on a confidential basis in connection with obtaining or maintaining ratings as required under Section 5.13, (f) with the prior written consent of the Borrower, (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section 9.13 by such Person, its Affiliates or

their respective Representatives and (h) to insurers, any numbering administration or settlement services providers on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that any disclosure made in reliance on this clause (h) is limited to the general terms of this Credit Agreement and does not include financial or other information relating to Holdings, the Borrower and/or any of their respective subsidiaries. For purposes of this Section 9.13, "**Confidential Information**" means all information relating to the Borrower and/or any of its subsidiaries and their respective businesses, the Sponsor or the Transactions (including any information obtained by the Administrative Agent, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of the books and records relating to the Borrower and/or any of its subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger, or Lender on a non-confidential basis prior to disclosure by the Borrower or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

Section 9.14 No Fiduciary Duty. Each of the Administrative Agent, the Arrangers, each Lender, and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15 Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan, or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

Section 9.17 Disclosure. Each Loan Party, and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

Section 9.18 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent, and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. If any Lender (other than the Administrative Agent) obtains possession of any Collateral, such Lender shall notify the Administrative Agent thereof; and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 9.19 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "**Charged Amounts**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charged Amounts payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charged Amounts that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.19 shall be cumulated and the interest and Charged Amounts payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.20 Acknowledgement and Consent of Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.21 Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control.

Section 9.22 Release of Guarantors. Notwithstanding anything in Section 9.02(b) to the contrary, any Subsidiary Guarantor shall automatically be released from its obligations hereunder (and its Loan Guaranty shall be automatically released) (a) upon the consummation of any permitted transaction or series of related transactions if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder; provided, that the release of any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Subsidiary Guarantor becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof shall only be permitted if at the time such Guarantor becomes an Excluded Subsidiary of such type (i) no Event of Default exists, (ii) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be an Excluded Subsidiary of such type, the Borrower is deemed to have made a new Investment in such Person for purposes of Section 6.06 (as if such Person were then newly acquired) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Borrower's equity interest therein as reasonably estimated by the Borrower and such Investment is permitted pursuant to Section 6.06 (other than Section 6.06(f)) at such time and (iii) a Responsible Officer of the Borrower certifies to the Administrative Agent compliance with preceding clauses (i) and (ii)) and/or (b) upon the occurrence of the Termination Date. In connection with any such release, the Administrative Agent shall promptly execute and deliver to the relevant Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence termination or release; provided, that upon the request of the Administrative Agent, the Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement. Any execution and delivery of documents pursuant to the preceding sentence of this Section 9.22 shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent's authority to execute and deliver such documents).

ARTICLE 2
LOAN GUARANTY

Section 2.01. Guaranty. Except as otherwise provided for herein (including underSection 3.15), each Loan Guarantor hereby agrees that it is jointly and severally liable for, and, as primary obligor and not merely as surety, and absolutely and unconditionally and irrevocably guarantees to the Administrative Agent (acting as agent for the Secured Parties, pursuant to Article 8 of the Credit Agreement) for the ratable benefit of the Secured Parties, the full and prompt payment and performance by each other Loan Guarantor, when and as the same shall become due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations (excluding, for the avoidance of doubt, any Excluded Swap Obligations), together with any and all expenses which may be incurred by the Administrative Agent and the other Secured Parties in collecting any of the Guaranteed Obligations that are reimbursable in accordance with Section 9.03 of the Credit Agreement (collectively the "**Guaranteed Obligations**"). Each Loan Guarantor further agrees that the Guaranteed Obligations may be increased, extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. If any or all of the Guaranteed Obligations becomes due and payable hereunder, each Loan Guarantor, unconditionally and irrevocably, promises to pay such Guaranteed Obligations, when due, to the Administrative Agent for the benefit of the Secured Parties. Each Loan Guarantor unconditionally and irrevocably guarantees the payment of any and all of the Guaranteed Obligations whether or not due or payable by the Borrower upon the occurrence of any of the Events of Default specified in Sections 7.01(f) or 7.01(g) of the Credit Agreement and thereafter irrevocably and unconditionally promises to pay such Guaranteed Obligations to the Administrative Agent for the benefit of the Secured Parties. This Loan Guaranty is a continuing one and shall remain in full force and effect until the Termination Date, and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon.

Section 2.02. Guaranty of Payment. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Administrative Agent or any Lender to sue the Borrower, any Loan Guarantor, any other guarantor, or any other Person obligated for all or any part of the Guaranteed Obligations (the Borrower, each Loan Guarantor, each other guarantor or such other Person, an "**Obligated Party**"), or otherwise to enforce its rights in respect of any Collateral securing all or any part of the Guaranteed Obligations. The Administrative Agent may enforce this Loan Guaranty at any time when an Event of Default exists.

Section 2.03. No Discharge or Diminishment of Loan Guaranty.

(a) Except as otherwise provided for herein (including underSection 3.15), the obligations of each Loan Guarantor hereunder are unconditional, irrevocable and absolute and not subject to any reduction, limitation, impairment or termination for any reason, including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Obligated Party; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any other Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Administrative Agent, any Lender or any other Person, whether in connection herewith or in any unrelated transactions; (v) any direction as to application of payments by the Borrower or by any other party; (vi) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Guaranteed Obligations; (vii) any payment on or in reduction of any such other guaranty or undertaking; (viii)

any dissolution, termination or increase, decrease or change in personnel by the Borrower; or (ix) any payment made to any Secured Party on the Guaranteed Obligations which any such Secured Party repays to the Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Loan Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding.

(b) Except for termination of a Loan Guarantor's obligations hereunder or as expressly permitted by Section 3.15, the obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations or otherwise, or any Requirements of Law purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any Loan Document or other agreement relating to the Guaranteed Obligations, or any increase in the amount thereof; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of the Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent with respect to any Collateral securing any part of the Guaranteed Obligations; (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than as set forth in Section 3.15); or (vi) the validity or enforceability of the Credit Agreement or any other Loan Document or any Secured Hedge Agreement or Banking Services Agreement, any of the Secured Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party.

Section 2.04. Defenses Waived. To the fullest extent permitted by applicable Requirements of Law, and except for termination of a Loan Guarantor's obligations hereunder or as otherwise provided for herein (including under Section 3.15), each Loan Guarantor hereby waives any defense based on or arising out of any defense of the Borrower or any other Loan Guarantor or arising out of the disability of the Borrower or any other Loan Guarantor or any other party or the unenforceability of all or any part of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Loan Guarantor. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein or in any other Loan Document, including notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Loan Guaranty and notices of the existence, creation or incurring of new or additional Guaranteed Obligations, as well as any requirement that at any time any action be taken by any Person against any Obligated Party, or any other Person, including any right (except as may be required by applicable Requirements of Law and to the extent the relevant requirement cannot be waived) to require the Administrative Agent to (i) proceed against the Borrower, any other Loan Guarantor or any other party, (ii) proceed against or exhaust any security held from the Borrower, any other Loan Guarantor or any other party or (iii) pursue any other remedy in the Administrative Agent's power whatsoever. The Administrative Agent may, at its election and in accordance with the terms of the applicable Loan Documents, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, whether or

not every aspect of any such sale is commercially reasonable (to the extent permitted by applicable Requirements of Law), accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any Collateral securing all or a part of the Guaranteed Obligations, and the Administrative Agent may, at its election, compromise or adjust any part of the Guaranteed Obligations or any security thereof, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party or with respect to any security, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty, except as otherwise provided in Section 3.15. To the fullest extent permitted by applicable Requirements of Law, each Loan Guarantor waives any defense arising out of any such election even though such election may operate, pursuant to applicable Requirements of Law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

Section 2.05. Authorization. Each Loan Guarantor authorizes the Administrative Agent without notice or demand (except as may be required by applicable Requirements of Law and to the extent the relevant requirement cannot be waived), and without affecting or impairing its liability hereunder (except as set forth in Section 3.15), from time to time, subject to the terms of the referenced Loan Documents, to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Loan Guaranty shall apply to the Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against the Borrower, any other Loan Party or others or otherwise act or refrain from acting;

(d) release or substitute any endorser, any guarantor, the Borrower, any other Loan Party and/or any other obligor;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of the Borrower to its creditors other than the Secured Parties;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Borrower to the Secured Parties regardless of what liability or liabilities of the Borrower remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Loan Guaranty, the Credit Agreement, any other Loan Document, any Hedge Agreement with respect to any Secured Hedging Obligation or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Loan Guaranty, the Credit Agreement, any other Loan Document, any Hedge Agreement with respect to any Secured Hedging Obligation or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of the Loan Guarantors from their respective liabilities under this Loan Guaranty.

Section 2.06. Rights of Subrogation. No Loan Guarantor will assert, and each Loan Guarantor fully subordinates, any right, claim or cause of action, including a claim of subrogation, contribution or indemnification that it has against any Loan Party in respect of this Loan Guaranty until the occurrence of the Termination Date; provided that if any amount shall be paid to such Loan Guarantor on account of such subrogation rights at any time prior to the Termination Date, then unless such Loan Guarantor has already discharged its liabilities under this Loan Guaranty in an amount equal to such Loan Guarantor's Maximum Liability as of such date, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (for the benefit of the Secured Parties) to be credited and applied to the Guaranteed Obligations, whether matured or unmatured, in accordance with Section 2.18(b) of the Credit Agreement.

Section 2.07. Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of the Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the other Loan Guarantors forthwith on demand by the Administrative Agent.

Section 2.08. Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that none of the Administrative Agent, any Lender or any other Secured Party shall have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

Section 2.09. Contribution; Subordination; Maximum Liability.

(a) In the event any Loan Guarantor (a "**Paying Guarantor**") makes any payment or payments under this Loan Guaranty or suffers any loss as a result of any realization upon any Collateral granted by it to secure its obligations under this Loan Guaranty (each such payment or loss, an "**Accommodation Payment**"), each other Loan Guarantor (each a "**Non-Paying Guarantor**") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's Guarantor Percentage of such Accommodation Payments by such Paying Guarantor. For purposes of this Section 2.09, each Non-Paying Guarantor's "**Guarantor Percentage**" with respect to any such Accommodation Payments by a Paying Guarantor shall be determined as of the date on which such Accommodation Payment was made by reference to the ratio of (a) such Non-Paying Guarantor's Maximum Liability as of such date to (b) the aggregate Maximum Liability of all Loan Guarantors hereunder (including such Paying Guarantor) as of such date. As of any date of determination, the "**Maximum Liability**" of each Loan Guarantor shall be equal to the maximum amount of liability which could be asserted against such Loan Guarantor hereunder and under the Credit Agreement without (i) rendering such Loan Guarantor "insolvent" within the meaning of Section 101(32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent

Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraud Conveyance Act ("**UFCA**"), (ii) leaving such Loan Guarantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA or Section 5 of the UFCA, or (iii) leaving such Loan Guarantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA or Section 5 of the UFCA. Nothing in this provision shall affect any Loan Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such Loan Guarantor's Maximum Liability). Each of the Loan Guarantors covenants and agrees that its right to receive any contribution under this Loan Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the Secured Obligations until the Termination Date. If, prior to the Termination Date, any such contribution payments are received by a Paying Guarantor at any time when an Event of Default exists, such contribution payments shall be collected, enforced and received by such Loan Guarantor as trustee for the Secured Parties and be paid over to the Administrative Agent on account of the Secured Obligations, but without affecting or impairing in any manner the liability of such Loan Guarantor under the other provisions of this Loan Guaranty. This provision is for the benefit of the Administrative Agent, the Lenders and the other Secured Parties.

(b) It is the desire and intent of the Loan Guarantors and the Secured Parties that this Loan Guaranty shall be enforced against the Loan Guarantors to the fullest extent permissible under the Requirements of Law and public policies applied in each jurisdiction in which enforcement is sought. The provisions of this Loan Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, Federal or foreign bankruptcy, insolvency, reorganization or other Requirements of Law affecting the rights of creditors generally, if the obligations of any Loan Guarantor under this Loan Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Loan Guarantor's liability under this Loan Guaranty, then, notwithstanding any other provision of this Loan Guaranty to the contrary, the amount of such liability shall, without any further action by the Loan Guarantors or the Secured Parties, be automatically limited and reduced to such Loan Guarantor's Maximum Liability. Each Loan Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Loan Guarantor without impairing this Loan Guaranty or affecting the rights and remedies of the Administrative Agent hereunder; provided that nothing in this sentence shall be construed to increase any Loan Guarantor's obligations hereunder beyond its Maximum Liability.

Section 2.10. Representations and Warranties. As and when required in accordance with the terms of the Credit Agreement, each Loan Guarantor hereby makes each representation and warranty made in the Loan Documents by Holdings and the Borrower with respect to such Loan Guarantor, as applicable, and each Loan Guarantor hereby further acknowledges and agrees with respect to itself that such Loan Guarantor has, independently and without reliance upon any Secured Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Loan Guaranty and each other Loan Document to which it is or is to be a party, and such Loan Guarantor has established adequate means of obtaining from each other Loan Guarantor on a continuing basis information pertaining to the business, condition (financial or otherwise), operations, performance, properties and prospects of each other Loan Guarantor.

Section 2.11. Covenants. Each Loan Guarantor covenants and agrees that until the Termination Date, such Loan Guarantor will perform and observe, and cause each of its Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents that the Borrower has agreed to cause such Loan Guarantor or such Restricted Subsidiary to perform or observe. Until the Termination Date, no Loan Guarantor shall, without the prior written consent of the Administrative Agent, commence or join with any other Person in commencing any

bankruptcy, reorganization or insolvency case or proceeding against the Borrower or any Loan Guarantor (it being understood and agreed, for the avoidance of doubt, that nothing in this Section 2.11 shall prohibit any Loan Guarantor from commencing or joining with the Borrower or Loan Guarantor as a co-debtor in any bankruptcy, reorganization or insolvency case or proceeding).

ARTICLE 3
GENERAL PROVISIONS

Section 3.01. Liability Cumulative. The liability of each Loan Guarantor under this Loan Guaranty is in addition to and shall be cumulative with all liabilities of such Loan Guarantor to the Administrative Agent and the Lenders under the Credit Agreement and the other Loan Documents to which such Loan Guarantor is a party or in respect of any obligations or liabilities of the other Loan Guarantors, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

Section 3.02. No Waiver; Amendments. No delay or omission of the Administrative Agent in exercising any right or remedy granted under this Loan Guaranty shall impair such right or remedy or be construed to be a waiver of any Default or Event of Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Loan Guaranty whatsoever shall be valid unless in writing signed by the Loan Guarantors and the Administrative Agent with the concurrence or at the direction of the Lenders to the extent required under and otherwise in accordance with Section 9.02 of the Credit Agreement and then only to the extent specifically set forth in such writing.

Section 3.03. Severability of Provisions. To the extent permitted by applicable Requirements of Law, any provision of this Loan Guaranty held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions of this Loan Guaranty; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Each Grantor shall pay any applicable filing fees, recordation fees and related expenses relating to its Collateral in accordance with Section 9.03(a) of the Credit Agreement. Any financing statement filed by the Agent may be filed in any filing office in any applicable UCC jurisdiction and may (i) indicate the Collateral (A) as all assets of the applicable Grantor or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC of such jurisdiction, or (B) by any other description which reasonably approximates the description contained in this Security Agreement and (ii) contain any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (A) in each case to the extent applicable, whether the Grantor is an organization, the type of organization and any organization identification number issued to the Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the relevant real property to which the Collateral relates. Each Grantor agrees to furnish any such information to the Agent promptly upon request.

(b) *Further Assurances.* Each Grantor agrees, at its own expense, to take any and all actions reasonably necessary to defend title to the Collateral against all Persons (other than Persons holding Permitted Liens on such Collateral that have priority over the Agent's Lien) and to defend the security interest of the Agent in the Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) *Change of Name, Etc.* Following delivery of any notice required by Section 5.01(i) of the Credit Agreement, the relevant Grantor shall promptly prepare (and authorize the Agent to make) all filings required under the UCC or other applicable Requirements of Law and take all other actions reasonably requested by the Agent and deemed by the Agent to be necessary or reasonable and appropriate to ensure that the Agent shall continue at all times following such change to have a valid, legal, enforceable (subject to the Legal Reservations) and perfected first priority Lien in such Collateral (subject to Permitted Liens) for its benefit and the benefit of the other Secured Parties.

Section 4.02. *Pledged Collateral.*

(a) *Delivery of Certificated Securities, Tangible Chattel Paper, Instruments and Documents* Each Grantor will (i) on the Closing Date, deliver to the Agent for the benefit of the Secured Parties, the originals of all (x) certificated Securities and (y) Tangible Chattel Paper and Instruments, in each case under this clause (y), having a face amount in excess of $15,000,000, in each case underclauses (x) and (y), constituting Collateral owned by such Grantor as of the Closing Date, accompanied by undated instruments of transfer or assignment duly executed in blank, (ii) after the Closing Date, hold in trust for the Agent upon receipt and (x) if the event giving rise to the obligation under this Section 4.02(a) occurs during the first three Fiscal Quarters of any Fiscal Year, on or before the date on which financial statements are required to be delivered pursuant to Section 5.01(a) of the Credit Agreement for the Fiscal Quarter in which the relevant event occurred or (y) if the event giving rise to the obligation under this Section 4.02(a) occurs during the fourth Fiscal Quarter of any Fiscal Year, on or before the date that is 60 days after the end of such Fiscal Quarter (or, in each of the cases of clauses (x) and (y), such longer period as the Agent may reasonably agree), deliver to the Agent for the benefit of the Secured Parties any (1) certificated Securities representing or evidencing Pledged Collateral and (2) Tangible Chattel Paper and Instruments (A) in each case under this clause (2), having an outstanding balance in excess of $15,000,000 and (B) in each case underclauses (1) and (2), constituting Collateral received after the date hereof, accompanied by undated instruments of transfer or assignment duly executed in blank and (iii) upon the occurrence and during the continuance of an Event of Default and upon the Agent's request, deliver to the Agent, and thereafter hold in trust for the Agent upon receipt and promptly deliver to the Agent any other Chattel Paper, Instrument or Document evidencing or constituting Collateral; provided that, notwithstanding anything to the contrary contained herein, no Grantor will be required to deliver to the Agent the original of any Instrument executed in connection with a NMTC Transaction.

(b) *Uncertificated Securities and Pledged Collateral.* With respect to any partnership interest or limited liability company interest owned by any Grantor required to be pledged to the Agent pursuant to the terms hereof (other than a partnership interest or limited liability company interest held by a Clearing Corporation, Securities Intermediary or other financial intermediary of any kind) which is not represented by a certificate and which is not a Security for purposes of the UCC, such Grantor shall not permit any issuer of such partnership

interest or limited liability company interest to (i) enter into any agreement with any Person, other than the Agent or any holder of a Permitted Lien, whereby such issuer effectively delivers "control" of such partnership interests or limited liability company interests (as applicable) under the UCC to such Person, or (ii) allow such partnership interests or limited liability company interests (as applicable) to become Securities unless such Grantor complies with the procedures set forth in Section 4.02(a) within the time period prescribed therein. Each Grantor which is an issuer of any uncertificated Pledged Collateral hereby agrees to comply with all instructions from the Agent without such Grantor's further consent, in each case subject to the notice requirements set forth in Section 5.01(a)(iv) hereof.

(c) *Registration in Nominee Name; Denominations.* The Agent, on behalf of the Secured Parties, shall hold certificated Pledged Collateral required to be delivered to the Agent under clause (a) above in the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Agent, but at any time when an Event of Default exists and upon one Business Day notice to the Borrower, the Agent shall have the right (in its sole and absolute discretion) to hold the Pledged Collateral in its own name as pledgee, or in the name of its nominee (as pledgee or as sub-agent). At any time when an Event of Default exists, the Agent shall have the right to exchange the certificates representing Pledged Collateral for certificates of smaller or larger denominations for any purpose consistent with this Security Agreement.

(d) Exercise of Rights in Pledged Collateral. It is agreed that,

(i) without in any way limiting the foregoing and subject to clause (ii) below, each Grantor shall have the right to exercise all voting rights or other rights relating to the Pledged Collateral for any purpose that does not violate this Security Agreement, the Credit Agreement or any other Loan Document;

(ii) each Grantor will permit the Agent or its nominee at any time at any time when an Event of Default exists to exercise the rights and remedies provided under Section 5.01(a)(iv) (subject to the notice requirements set forth therein); and

(iii) subject to Section 5.01(a)(iv), each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral; *provided* that any non-cash dividends or other distributions that would constitute Pledged Collateral, whether resulting from a subdivision, combination or reclassification of the outstanding Capital Stock of the issuer of any Pledged Collateral or received in exchange for Pledged Collateral or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall, to the extent constituting Collateral, be and become part of the Pledged Collateral, and, if received by any Grantor, shall be delivered to the Agent as and to the extent required by clause (a) above. So long as no Event of Default then exists, the Agent shall promptly deliver to the applicable Grantor (without recourse and without any representation or warranty) any Pledged Collateral in its possession if requested to be delivered to the issuer thereof in connection with any redemption or exchange of such Pledged Collateral permitted by the Credit Agreement in accordance with Article 8 of the Credit Agreement.

Section 4.03. *Intellectual Property.* (a) At any time when an Event of Default exists and upon the written request of the Agent, each Grantor will (i) use its commercially reasonable efforts to obtain all consents and approvals necessary or appropriate for the assignment to or for the benefit of the Agent of any License held by such Grantor in the U.S. to enable the Agent to enforce the security interests granted

hereunder and (ii) to the extent required pursuant to any material License in the U.S. under which such Grantor is the licensee, deliver to the licensor thereunder any notice of the grant of security interest hereunder or such other notices required to be delivered thereunder in order to permit the security interest created or permitted to be created hereunder pursuant to the terms of such License.

(b) Each Grantor shall notify the Agent promptly if it knows or reasonably expects that any application for or registration of any Patent, Trademark, Domain Name, or Copyright (now or hereafter existing) may become abandoned or dedicated to the public, or of any determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) abandoning such Grantor's ownership of any such Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same, except, in each case, for Dispositions permitted under the Credit Agreement or where such occurrences individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(c) After the Closing Date, in the event that any Grantor (i) files an application for the registration or issuance of any Patent, Trademark or Copyright with the United States Patent and Trademark Office or the United States Copyright Office, (ii) acquires any such application, registration or issuance by purchase or assignment, or (iii) files a "Statement of Use" or an "Amendment to Allege Use" with respect to any intent-to-use trademark or service mark application owned by such Grantor, in each case that is not then subject to an Intellectual Property Security Agreement or Intellectual Property Security Agreement Supplement or, with respect to clause (ii), other than as a result of an application that is then subject to an Intellectual Property Security Agreement or Intellectual Property Security Agreement supplement becoming registered, it shall, (i) if the event giving rise to the obligation under this Section 4.03(c) occurs during the first three Fiscal Quarters of any Fiscal Year, on or before the date on which financial statements are required to be delivered pursuant to Section 5.01(a) of the Credit Agreement for the Fiscal Quarter in which the relevant event occurred or (ii) if the event giving rise to the obligation under this Section 4.03(c) occurs during the fourth Fiscal Quarter of any Fiscal Year, on or before the date that is 60 days after the end of such Fiscal Quarter (or, in the case of each of clauses (i) and (ii), such longer period as the Agent may reasonably agree), execute and deliver to the Agent, at such Grantor's sole cost and expense, any Intellectual Property Security Agreement or Intellectual Property Security Agreement Supplement, as applicable, or any other instrument as the Agent may reasonably request required to evidence the Agent's security interest in such registered Patent, Trademark or Copyright (or application therefor), and the General Intangibles of such Grantor relating thereto or represented thereby.

(d) Each Grantor shall take all actions necessary or reasonably requested by the Agent to maintain and pursue each application and to obtain and maintain the registration of each Patent, Trademark, Domain Name and Copyright that constitutes Collateral (now or hereafter existing), including by filing applications for renewal, affidavits of use, affidavits of noncontestability and, if consistent with good business judgment, by initiating opposition and interference and cancellation proceedings against third parties, maintain and protect the secrecy or confidentiality of its Trade Secrets and otherwise protect and preserve such Grantor's rights in, and the validity or enforceability of, its Intellectual Property Collateral, in each case except where failure to do so (i) could not reasonably be expected to result in a Material Adverse Effect, or (ii) is otherwise permitted under the Credit Agreement.

(e) Each Grantor shall promptly notify the Agent of any material infringement or misappropriation of such Grantor's Patents, Trademarks, Copyrights or Trade Secrets of which it becomes aware and shall take such actions as are reasonable and appropriate under the circumstances to protect such Patent, Trademark, Copyright or Trade Secret, except where such infringement, misappropriation or dilution could not reasonably be expected to cause a Material Adverse Effect.

Section 4.04. *Commercial Tort Claims.* After the Closing Date, (i) if the event giving rise to the obligation under thisSection 4.04 occurs during the first three Fiscal Quarters of any Fiscal Year, on or before the date on which financial statements are required to be delivered pursuant to Section 5.01(a) of the Credit Agreement for the Fiscal Quarter in which the relevant event occurred or (ii) if the event giving rise to the obligation under this Section 4.04 occurs during the fourth Fiscal Quarter of any Fiscal Year, on or before the date that is 60 days after the end of such Fiscal Quarter (or, in each of the cases of clauses (i) and (ii), such longer period as the Agent may reasonably agree), each relevant Grantor shall notify the Agent of any Commercial Tort Claim with an individual value (as reasonably estimated by the Borrower) in excess of $15,000,000 acquired by it, together with an update to Schedule 6 to the Perfection Certificate describing the details thereof, and such Commercial Tort Claim (and the Proceeds thereof) shall automatically constitute Collateral, all upon the terms of this Security Agreement.

Section 4.05. *Insurance*. Except to the extent otherwise permitted to be retained by any Grantor or applied by any Grantor pursuant to the terms of the Loan Documents, the Agent shall, at the time any proceeds of any insurance are distributed to the Secured Parties, apply such proceeds in accordance with Section 5.04 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it, and the liability of such Grantor to pay the Secured Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.

Section 4.06. *Grantors Remain Liable Under Contracts.* Each Grantor (rather than the Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under any Contract relating to the Collateral, all in accordance with the terms and conditions thereof. Neither the Agent nor any other Secured Party shall have any obligation or liability under any Contract by reason of or arising out of this Security Agreement or the receipt by the Agent or any other Secured Party of any payment relating to such Contract pursuant hereto, nor shall the Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or sufficiency of any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

Section 4.07. *Grantors Remain Liable Under Accounts.* Notwithstanding anything herein to the contrary, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Agent nor any other Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Security Agreement or the receipt by the Agent or any other Secured Party of any payment relating to such Account pursuant hereto, nor shall the Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

ARTICLE 5
REMEDIES

Section 5.01. *Remedies*. (a) Each Grantor agrees that, at any time when an Event of Default exists, the Agent may exercise any or all of the following rights and remedies (in addition to the rights and remedies existing under applicable Requirements of Law or in equity):

(i) the rights and remedies provided in this Security Agreement, the Credit Agreement, or any other Loan Document;*provided* that this Section 5.01(a) shall not limit any rights available to the Agent prior to an Event of Default;

(ii) the rights and remedies available to a secured party under the UCC of each relevant jurisdiction (whether or not the UCC applies to the affected Collateral) or under any other applicable Requirements of Law (including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' Lien) when a debtor is in default under a security agreement;

(iii) without notice (except as required by law), demand or advertisement of any kind to any Grantor or any other Person, personally, or by agents or attorneys, enter the premises of any Grantor where any Collateral is located (through self-help and without judicial process) to collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at one or more public or private sales (which sales may be adjourned or continued from time to time with or without notice and may take place at such Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Agent may deem commercially reasonable;

(iv) upon one Business Day written notice to any Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, to exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Agent was the outright owner thereof; and

(v) to take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Agent at any reasonable place or places designated by the Agent, in which event such Grantor shall at its own expense:

(1) forthwith cause the same to be moved to the place or places so designated by the Agent and there delivered to the Agent;

(2) store and keep any Collateral so delivered to the Agent at such place or places pending further action by the Agent; and

(3) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition.

(b) Each Grantor acknowledges and agrees that compliance by the Agent, on behalf of the Secured Parties, with any applicable state or federal law requirements in connection with a disposition of the Collateral will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Agent shall have the right in any public sale and, to the extent permitted by law, in any private sale, to purchase for the benefit of the Agent and the Secured Parties, all or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption each Grantor hereby expressly releases.

(d) Until the Agent is able to effect a sale, lease, transfer or other disposition of any particular Collateral under this Section 5.01, the Agent shall have the right to hold or use such Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving such Collateral or the value of such Collateral, or for any other purpose deemed reasonably appropriate by the Agent. At any time when an Event of Default exists, the Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of any Collateral and to enforce any of the Agent's remedies (for the benefit of the Agent and Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(e) Notwithstanding the foregoing, the Agent shall not be required to (i) make any demand upon, or pursue or exhaust any of their rights or remedies against, the Grantors, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any Collateral therefor or any direct or indirect Guarantee thereof, (ii) marshal the Collateral or any Guarantee of the Secured Obligations or to resort to the Collateral or any such Guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(f) Each Grantor recognizes that the Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that no such private sale shall be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of any Pledged Collateral to register such securities for public sale under the Securities Act of 1933, as amended, or under applicable state securities laws, even if any Grantor and the issuer would agree to do so.

Section 5.02. *Grantors' Obligations Upon Default.* Upon the request of the Agent at any time when an Event of Default exists, each Grantor will:

(a) at its own cost and expense (i) assemble and make available to the Agent, the Collateral and all books and records relating thereto at any place or places reasonably specified by the Agent, whether at such Grantor's premises or elsewhere, (ii) deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contracts) and such books and records to the Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor) and (iii) if the Agent so directs and in a form and in a manner reasonably satisfactory to the Agent, legend the Accounts and the Contracts, as well as books, records and documents (if any) of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Agent and that the Agent has a security interest therein; and

(b) permit the Agent and/or its representatives and/or agents, to enter, occupy and use any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral, without any obligation to pay any Grantor for such use and occupancy.

Section 5.03. *Intellectual Property Remedies*. (a) For the purpose of enabling the Agent to exercise the rights and remedies under this Article 5 at any time when an Event of Default exists and at such time as the Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Agent a power of attorney to sign any document which may be required by the United States Patent and Trademark Office, the United States Copyright Office or similar registrar or domain name registrar in order to effect an absolute assignment of all right, title and interest in each registered Patent, Trademark, Domain Name and Copyright and each application for any such registration, and record the same. At any time when an Event of Default exists, the Agent may (i) declare the entire right, title and interest of such Grantor in and to each item of Intellectual Property Collateral to be vested in the Agent for the benefit of the Secured Parties, in which event such right, title and interest shall immediately vest in the Agent for the benefit of the Secured Parties, and the Agent shall be entitled to exercise the power of attorney referred to in this Section 5.03 to execute, cause to be acknowledged and notarized and record such absolute assignment with the applicable agency or registrar; (ii) sell any Grantor's Inventory directly to any Person, including without limitation Persons who have previously purchased any Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Agent's rights under this Security Agreement and subject to any restrictions contained in applicable third party licenses entered into by such Grantor, sell Inventory which bears any Trademark owned by or licensed to any Grantor and any Inventory that is covered by any Intellectual Property Collateral owned by or licensed to any Grantor, and the Agent may finish any work in process and affix any relevant Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein; (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using any Intellectual Property Collateral in any manner whatsoever, directly or indirectly; and (iv) assign or sell any Intellectual Property Collateral, as well as the goodwill of such Grantor's business symbolized by any such Trademark and the right to carry on the business and use the assets of such Grantor in connection with which any such Trademark or Domain Name has been used.

(b) For the purpose of enabling the Agent to exercise the rights and remedies under this Article 5 at any time when an Event of Default exists and is continuing and at such time as the Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Agent, to the extent it has the right to do so, an irrevocable (until the Termination Date), nonexclusive, royalty-free, world-wide license to use, license or sublicense any Intellectual Property Collateral now owned or licensed, or hereafter acquired or licensed by such Grantor, wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and (to the extent not prohibited by any applicable license) to all computer software and programs used for compilation or printout thereof. The use of the license granted to the Agent pursuant to the preceding sentence may be exercised, at the option of the Agent, only when an Event of Default exists; provided that, any license, sublicense or other transaction entered into by the Agent in accordance with this clause (b) shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

Section 5.04. *Application of Proceeds*. (a) The Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, as well as any Collateral consisting of Cash, as set forth in Section 2.18(b) of the Credit Agreement.

(b) Except as otherwise provided herein or in any other Loan Document, the Agent shall have absolute discretion as to the time of application of any such proceeds, money or balance in accordance with this Security Agreement. Upon any sale of Collateral by the Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), a receipt by the Agent or of the officer making the sale of such proceeds, moneys or balances shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Agent or such officer or be answerable in any way for the misapplication thereof. It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE 6
ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

Section 6.01. *Account Verification*. The Agent may at any time and from time to time when an Event of Default exists, in the Agent's own name, in the name of a nominee of the Agent, or in the name of any Grantor, communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors of such Grantor, parties to Contracts with such Grantor and obligors in respect of Instruments of such Grantor to verify with such Persons, to the Agent's reasonable satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Contracts, Instruments, Chattel Paper, payment intangibles and/or other Receivables that constitute Collateral.

Section 6.02. *Receivables*. The Agent hereby authorizes each Grantor to collect such Grantor's Receivables and each Grantor hereby agrees to continue to collect all amounts due or to become due to such Grantor under the Receivables and any Supporting Obligation in respect thereof and diligently exercise each material right it may have under any Receivable and any such Supporting Obligation, in each case, at its own expense consistent with its reasonable business judgment; provided, however, that the Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required by the Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected by any Grantor, (i) shall forthwith (and, in any event, within two (2) Business Days) be deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Agent, and (ii) until so turned over, shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

Section 6.03. *Authorization for the Agent to Take Certain Action*. (a) Each Grantor hereby irrevocably authorizes the Agent and appoints the Agent (and all officers, employees or agents designated by the Agent) as its true and lawful attorney in fact (i) at any time and from time to time in its sole discretion (A) to execute (to the extent necessary under the law of the applicable jurisdiction) on behalf of such Grantor as debtor and to file financing statements necessary or desirable in the Agent's reasonable discretion to perfect and to maintain the perfection and priority of the Agent's security interest in the Collateral, (B) to file a carbon, photographic or other reproduction of this Security Agreement as a financing statement and to file any amendment of a financing statement with respect to the Collateral (which would not add new collateral or add a debtor, except as otherwise provided for herein or in any other Loan Document) in such offices as the Agent in its reasonable discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Agent's security interest in the Collateral, and (C) to contact and enter into one or more agreements with the issuers of uncertificated securities that constitute Pledged Collateral or with securities intermediaries holding Pledged Collateral as may be necessary or advisable to give the Agent Control over such Pledged Collateral in accordance with

the terms hereof; (ii) at any time when an Event of Default exists in the sole discretion of the Agent (in the name of such Grantor or otherwise), (A) to endorse and collect any cash proceeds of the Collateral and to apply the proceeds of any Collateral received by the Agent to the Secured Obligations as provided herein or in the Credit Agreement or any other Loan Document, (B) to demand payment or enforce payment of any Receivable in the name of the Agent or such Grantor and to endorse any check, draft and/or any other instrument for the payment of money relating to any such Receivable, (C) to sign such Grantor's name on any invoice or bill of lading relating to any Receivable, any draft against any Account Debtor of such Grantor, and/or any assignment and/or verification of any Receivable, (D) to exercise all of any Grantor's rights and remedies with respect to the collection of any Receivable and any other Collateral, (E) to settle, adjust, compromise, extend or renew any Receivable, (F) to settle, adjust or compromise any legal proceedings brought to collect any Receivable, (G) to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (H) to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with any Receivable, (I) to change the address for delivery of mail addressed to such Grantor to such address as the Agent may designate and to receive, open and dispose of all mail addressed to such Grantor (provided copies of such mail are provided to such Grantor), (J) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for Permitted Liens), (K) to make, settle and adjust claims in respect of Collateral under policies of insurance and endorse the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (L) to make all determinations and decisions with respect thereto and (M) to obtain or maintain the policies of insurance of the types referred to in Section 5.05 of the Credit Agreement or to pay any premium in whole or in part relating thereto; and (iii) to do all other acts and things or institute any proceedings which the Agent may reasonably deem to be necessary or advisable (pursuant to this Security Agreement and the other Loan Documents and in accordance with applicable law) to carry out the terms of this Security Agreement and to protect the interests of the Secured Parties; and, when and to the extent required pursuant to Section 9.03(a) of the Credit Agreement, such Grantor agrees to reimburse the Agent for any payment made in connection with this paragraph or any expense (including attorneys' fees, court costs and expenses) and other charges related thereto incurred by the Agent in connection with any of the foregoing (it being understood that any such sums shall constitute additional Secured Obligations); *provided* that, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under the Credit Agreement.

(b) All acts of such attorney or designee are hereby ratified and approved by each Grantor. The powers conferred on the Agent, for the benefit of the Agent and Secured Parties, under this Section 6.02 are solely to protect the Agent's interests in the Collateral and shall not impose any duty upon the Agent or any Secured Party to exercise any such powers.

Section 6.04. *PROXY.* EACH GRANTOR HEREBY IRREVOCABLY (UNTIL THE TERMINATION DATE) CONSTITUTES AND APPOINTS THE AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.02 ABOVE) WITH RESPECT TO THE PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH PLEDGED COLLATERAL, WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH PLEDGED COLLATERAL, THE APPOINTMENT OF THE AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF SUCH PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY SUCH PLEDGED COLLATERAL ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF SUCH PLEDGED COLLATERAL OR ANY OFFICER OR AGENT THEREOF), IN EACH CASE ONLY WHEN AN EVENT OF DEFAULT EXISTS AND UPON ONE BUSINESS DAY PRIOR WRITTEN NOTICE TO THE BORROWER.

Section 6.05. *NATURE OF APPOINTMENT; LIMITATION OF DUTY.* THE APPOINTMENT OF THE AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE 6 IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS SECURITY AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 7.12. NOTWITHSTANDING ANYTHING CONTAINED HEREIN, NEITHER THE AGENT, NOR ANY SECURED PARTY, NOR ANY OF THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT TO THE EXTENT SUCH DAMAGES ARE ATTRIBUTABLE TO THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH PERSON AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION IN A FINAL AND NON-APPEALABLE DECISION SUBJECT TO SECTION 7.19 HEREOF; *PROVIDED*, THAT THE FOREGOING EXCEPTION SHALL NOT BE CONSTRUED TO OBLIGATE THE AGENT TO TAKE OR REFRAIN FROM TAKING ANY ACTION WITH RESPECT TO THE COLLATERAL.

ARTICLE 7
GENERAL PROVISIONS

Section 7.01. *Waivers*. To the maximum extent permitted by applicable Requirements of Law, each Grantor hereby waives notice of the time and place of any judicial hearing in connection with the Agent's taking possession of the Collateral or of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made, including without limitation, any and all prior notice and hearing for any prejudgment remedy or remedies. To the extent such notice may not be waived under applicable Requirements of Law, any notice made shall be deemed reasonable if sent to any Grantor, addressed as set forth in Article 8, at least 10 days prior to (a) the date of any such public sale or (b) the time after which any such private Disposition may be made. To the maximum extent permitted by applicable Requirements of Law, each Grantor waives all claims, damages and demands against the Agent arising out of the repossession, retention or sale of the Collateral, except those arising out of the gross negligence or willful misconduct of the Agent as determined by a court of competent jurisdiction in a final and non-appealable judgment. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Agent, any valuation, stay (other than an automatic stay under any applicable Debtor Relief Law), appraisal, extension, moratorium, redemption or similar law and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest, any notice (to the maximum extent permitted by applicable Requirements of Law) of any kind or all other requirements as to the time, place and terms of sale in connection with this Security Agreement or any Collateral.

Section 7.02. *Limitation on the Agent's and Secured Party's Duty with Respect to the Collateral* The Agent shall not have any obligation to clean or otherwise prepare the Collateral for sale. The Agent shall use reasonable care with respect to the Collateral in its possession; provided that the Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to which it accords its own property. Neither the Agent nor any Secured Party shall have any other duty as to any Collateral in its

possession or control or in the possession or control of any agent or nominee of the Agent or of such Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable Requirements of Law imposes duties on the Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it would be commercially reasonable for the Agent (a) to fail to incur expenses to prepare Collateral for Disposition or otherwise to transform raw material or work in process into finished goods or other finished products for Disposition, (b) to fail to obtain third party consents for access to Collateral to be Disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or Disposition of Collateral to be collected or Disposed of, (c) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (d) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise Dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as any Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (g) to hire one or more professional auctioneers to assist in the Disposition of Collateral, whether or not the Collateral is of a specialized nature, (h) to Dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (i) to Dispose of assets in wholesale rather than retail markets, (j) to disclaim Disposition warranties, such as title, possession or quiet enjoyment, (k) to purchase insurance or credit enhancements to insure the Agent against risks of loss in connection with any collection or Disposition of Collateral or to provide to the Agent a guaranteed return from the collection or Disposition of Collateral or (l) to the extent deemed appropriate by the Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Agent in the collection or Disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 7.02 is to provide non-exhaustive indications of what actions or omissions by the Agent would be commercially reasonable in the Agent's exercise of remedies with respect to the Collateral and that other actions or omissions by the Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 7.02. Without limitation upon the foregoing, nothing contained in this Section 7.02 shall be construed to grant any rights to any Grantor or to impose any duties on the Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 7.02.

Section 7.03. *Compromises and Collection of Collateral.* Each Grantor and the Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to any Receivable. In view of the foregoing, each Grantor agrees that the Agent may at any time and from time to time, if an Event of Default exists, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Agent shall be commercially reasonable so long as the Agent acts in good faith based on information known to it at the time it takes any such action.

Section 7.04. *Agent Performance of Debtor Obligations.* Without having any obligation to do so, the Agent may, at any time when an Event of Default exists, perform or pay any obligation which any Grantor has agreed to perform or pay under this Security Agreement and which obligation is due and unpaid and not being contested by such Grantor in good faith, and such Grantor shall reimburse the Agent for any amounts paid by the Agent pursuant to this Section 7.04. Each Grantor's obligation to reimburse the Agent pursuant to the preceding sentence shall be a Secured Obligation payable in accordance with Section 9.03(a) of the Credit Agreement.

Section 7.05. *No Waiver; Amendments; Cumulative Remedies*. No delay or omission of the Agent (subject to the provisions of Article 8 of the Credit Agreement) to exercise any right or remedy granted under this Security Agreement shall impair such right or remedy or be construed to be a waiver of any Default or an acquiescence therein, and no single or partial exercise of any such right or remedy shall preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Security Agreement whatsoever shall be valid unless in writing signed by the Grantors and the Agent with the concurrence or at the direction of the Lenders to the extent required under Section 9.02 of the Credit Agreement and then only to the extent in such writing specifically set forth. All rights and remedies contained in this Security Agreement or afforded by law shall be cumulative and all shall be available to the Agent until the Termination Date.

Section 7.06. *Limitation by Law; Severability of Provisions.* All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all of the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that such provisions do not render this Security Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. To the extent permitted by law, any provision of this Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions of this Security Agreement; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 7.07. *Security Interest Absolute*. All rights of the Agent hereunder, the security interests granted hereunder and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument relating to the foregoing, (c) any exchange, release or nonperfection of any Lien on any Collateral, or any release or amendment or waiver of or consent under or departure from any guaranty, securing or guaranteeing all or any of the Secured Obligations, (d) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Grantor, (e) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of this Security Agreement or any other Loan Document or (f) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Security Agreement (other than a termination of any Lien contemplated by Section 7.12 or the occurrence of the Termination Date).

Section 7.08. *Benefit of Security Agreement.* The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of each Grantor, the Agent and the Secured Parties and their respective successors and permitted assigns (including all Persons who become bound as a debtor to this Security Agreement). No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Agent hereunder for the benefit of the Agent and the Secured Parties.

Section 7.09. *Survival of Representations.* All representations and warranties of each Grantor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

Section 7.10. *Additional Subsidiaries*. Each Person required to become a Loan Party pursuant to and in accordance with Section 5.12 of the Credit Agreement, shall, within the time periods specified in Sections 5.12 of the Credit Agreement, execute an instrument in the form of Exhibit A. Upon the execution and delivery by the Agent and any Restricted Subsidiary of an instrument in the form of Exhibit A in accordance with Section 5.12(a) of the Credit Agreement, such Restricted Subsidiary shall become a Subsidiary Party hereunder with the same force and effect as if such Restricted Subsidiary was originally named as a Subsidiary Party herein. The execution and delivery of any such instrument shall not require the consent of any other Loan Party hereunder. The rights and obligations of each Loan Party hereunder shall remain in full force and effect notwithstanding the addition of any new Loan Party as a party to this Security Agreement.

Section 7.11. *Headings*. The titles of and section headings in this Security Agreement are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this Security Agreement.

Section 7.12. *Termination or Release.* (a) This Security Agreement shall continue in effect until the Termination Date, and the Liens granted hereunder shall automatically be released in the circumstances described in Article 8 of the Credit Agreement.

(b) In connection with any termination or release pursuant to paragraph (a) above, the Agent shall promptly execute (if applicable) and deliver to any Grantor, at such Grantor's expense, all UCC termination statements and similar documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 7.12 shall be without recourse to or representation or warranty by the Agent or any Secured Party. The Borrower shall reimburse the Agent for all costs and expenses, including any fees and expenses of counsel, incurred by it in connection with any action contemplated by this Section 7.12 pursuant to and to the extent required by Section 9.03(a) of the Credit Agreement.

(c) At any time that a Grantor desires that the Agent take any action to acknowledge or give effect to any release pursuant to the foregoing Section 7.12(a), the Agent may require that such Grantor deliver to the Agent a certificate signed by a Responsible Officer of such Grantor stating that the release is permitted pursuant to such Section 7.12(a) and the terms of the Credit Agreement; provided that no such certificate shall be required in connection with the occurrence of the Termination Date. The Agent shall have no liability whatsoever to any other Secured Party as the result of any release of Collateral by it in accordance with (or which the Agent in good faith believes to be in accordance with) the terms of this Section 7.12.

Section 7.13. *Entire Agreement.* This Security Agreement, together with the other Loan Documents, embodies the entire agreement and understanding between each Grantor and the Agent relating to the Collateral and supersedes all prior agreements and understandings between any Grantor and the Agent relating to the Collateral.

Section 7.14. ***CHOICE OF LAW***. **THIS SECURITY AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS SECURITY AGREEMENT, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

Section 7.15. ***CONSENT TO JURISDICTION; CONSENT TO SERVICE OF PROCESS.***

(a) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF ANY U.S. FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK (OR ANY APPELLATE COURT THEREFROM) OVER ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING SHALL (EXCEPT AS PERMITTED BELOW) BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH PARTY HERETO AGREES THAT SERVICE OF ANY PROCESS, SUMMONS, NOTICE OR DOCUMENTS BY REGISTERED MAIL ADDRESSED TO SUCH PERSON SHALL BE EFFECTIVE SERVICE OF PROCESS AGAINST SUCH PERSON FOR ANY SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT. EACH PARTY HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT IN ANY SUCH COURT. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CLAIM OR DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION, SUIT OR PROCEEDING IN ANY SUCH COURT. EACH PARTY HERETO AGREES THAT THE AGENT AND LENDERS RETAIN THE RIGHT TO BRING PROCEEDINGS AGAINST ANY GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION SOLELY IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS IN RESPECT OF THE COLLATERAL UNDER THIS SECURITY AGREEMENT.

(b) TO THE EXTENT PERMITTED BY LAW, EACH PARTY TO THIS SECURITY AGREEMENT HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL) DIRECTED TO IT AT ITS ADDRESS FOR NOTICES AS PROVIDED FOR IN SECTION 9.01 OF THE CREDIT AGREEMENT. EACH PARTY TO THIS SECURITY AGREEMENT HEREBY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER THAT SERVICE OF PROCESS WAS INVALID AND INEFFECTIVE. NOTHING IN THIS SECURITY AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS SECURITY AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 7.16. *WAIVER OF JURY TRIAL.* EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION, LEGAL PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS

REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS SECURITY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 7.17. *Indemnity*. Each Grantor hereby agrees to indemnify the Indemnitees, as, and to the extent, set forth in Section 9.03 of the Credit Agreement.

Section 7.18. *Counterparts*. This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Security Agreement by facsimile or by email as a ".pdf" or ".tif" attachment or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Security Agreement.

Section 7.19. *Waiver of Consequential Damages, Etc.* To the extent permitted by applicable law, none of the Grantors or Secured Parties shall assert, and each hereby waives, any claim against each other or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Security Agreement or any agreement or instrument contemplated hereby, except, in the case of any claim by any Indemnitee against any of the Grantors, to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 7.17.

Section 7.20. *Mortgages*. In the case of a conflict between this Security Agreement and any Mortgage with respect to any Material Real Estate Asset that is also subject to a valid and enforceable Lien under the terms of such Mortgage (including Fixtures) securing the Secured Obligations, the terms of such Mortgage shall govern with respect to such Material Real Estate Asset and the terms of this Security Agreement shall control in the case of all other Collateral.

Section 7.21. *Successors and Assigns.* Whenever in this Security Agreement any party hereto is referred to, such reference shall be deemed to include the successors and permitted assigns of such party and all covenants, promises and agreements by or on behalf of any Grantor or the Agent in this Security Agreement shall bind and inure to the benefit of their respective successors and permitted assigns. Except in a transaction expressly permitted under the Credit Agreement, no Grantor may assign any of its rights or obligations hereunder without the written consent of the Agent.

Section 7.22. *Survival of Agreement.* Without limiting any provision of the Credit Agreement or Section 7.17 hereof, all covenants, agreements, indemnities, representations and warranties made by the Grantors in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Security Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such Lender or on its behalf and notwithstanding that the Agent or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect until the Termination Date, or with respect to any individual Grantor until such Grantor is otherwise released from its obligations under this Security Agreement in accordance with the terms hereof.

ARTICLE 8

Any notice required or permitted to be given under this Security Agreement shall be delivered in accordance with Section 9.01 of the Credit Agreement (it being understood and agreed that references in such Section to "herein", "hereunder" and other similar terms shall be deemed to be references to this Security Agreement).

Section 8.02. *Change in Address for Notices*. The Agent, any Grantor and any Lender may change the address or facsimile number for service of notice upon it by a notice in writing to the other parties hereto.

ARTICLE 9
THE AGENT

CS has been appointed Agent for the Lenders hereunder pursuant to Article 8 of the Credit Agreement and, by their acceptance of the benefits hereof, the other Secured Parties. It is expressly understood and agreed by the parties to this Security Agreement that any authority conferred upon the Agent hereunder is subject to the terms of the delegation of authority made by the Lenders to the Agent pursuant to the Credit Agreement, and that the Agent has agreed to act (and any successor Agent shall act) as such hereunder only on the express conditions contained in such Article 8. Any successor Agent appointed pursuant to Article 8 of the Credit Agreement shall be entitled to all the rights, interests and benefits of the Agent hereunder.

By accepting the benefits of this Security Agreement and each other Loan Document, each Secured Party expressly acknowledges and agrees that this Security Agreement and each other Loan Document may be enforced only by the action of the Agent, and that such Secured Party shall not have any right individually to seek to enforce or to enforce this Security Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Agent for the benefit of the Secured Parties upon the terms of this Security Agreement and the other Loan Documents.

The Agent may rely on advice of counsel as to whether any or all UCC financing statements of the Grantors need to be amended as a result of any of the changes described in Section 5.01(i) of the Credit Agreement. If any Grantor fails to provide information to the Agent about such changes on a timely basis, the Agent shall not be liable or responsible to any Secured Party for any failure to maintain a perfected security interest in such Grantor's property constituting Collateral, for which the Agent needed to have information relating to such changes. The Agent shall have no duty to inquire about such changes if any Grantor does not inform the Agent of such changes, the Secured Parties acknowledging and agreeing that it would not be feasible or practical for the Agent to search for information on such changes if such information is not provided by any Grantor.

ARTICLE 10
INTERCREDITOR AGREEMENTS GOVERN

Each Payee hereby acknowledges and agrees that, subject in all respects to the Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default (as defined in any Credit Document) each Administrative Agent may exercise all rights with respect to this Note in accordance with the Collateral Documents and will not be subject to any abatement, reduction, recoupment, defense, setoff or counterclaim available to such Payee. Each Payor also hereby acknowledges and agrees that this Note constitutes notice of assignment, pursuant to the relevant Collateral Documents, in respect of loans, advances and any other amounts evidenced by this Note owed to any Payee that is a Loan Party and further acknowledges the receipt of such notice of assignment.

Other than to the extent explicitly specified herein, the loans and advances evidenced by this Note owexd by any Payor that is a Loan Party to any Payee that is not a Loan Party shall be subordinated and junior in right of payment, to the extent and in the manner hereinafter set forth, to all Obligations (such term "Obligations" as used herein shall mean the "Obligations" as defined in the applicable Credit Document) of such Payor under the Credit Documents (such Obligations being hereinafter collectively referred to as "**Senior Indebtedness**") as follows:

(i) in the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, of any Payor that is a Loan Party, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Payor in connection with an insolvency or bankruptcy event referred to above, then (x) the holders of Senior Indebtedness shall be paid in full in cash in respect of all amounts constituting Senior Indebtedness before any such Payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of this Note and (y) until the holders of Senior Indebtedness are paid in full in cash in respect of all amounts constituting Senior Indebtedness, any payment or distribution to which such Payee would otherwise be entitled (other than debt securities of such Payor that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as "**Restructured Debt Securities**")) shall be made to the holders of Senior Indebtedness;

(ii) if any Event of Default (as defined under any Credit Document) occurs and is continuing and either (x) any Administrative Agent has given written notice to the Borrower that such Administrative Agent is thereby exercising its rights pursuant to this clause (ii) (provided that no such notice shall be required in the case of an Event of Default arising under Section 7.01(f) or 7.01(g) of either Credit Agreement or under Section 6.01(g) or 6.01(h) of the Indenture) or (y) the Obligations under any Credit Document have been accelerated, then in either case, (a) no payment or distribution of any kind or character shall be made by such Payor to such Payee with respect to this Note and (b) no amounts evidenced by this Note owing by any Payor to any Payee that is a Loan Party shall be forgiven or otherwise reduced in any way; and

(iii) if any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii) before all Senior Indebtedness shall have been paid in full in cash, such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the Administrative Agent on behalf of the holders of Senior Indebtedness (or their representatives), ratably according to the respective aggregate amount remaining unpaid thereon, to the extent necessary to pay all Senior Indebtedness in full in cash.

It is understood that the indebtedness evidenced by this Note by any Payor to a Loan Party shall not be subject to the subordination provisions set forth herein.

If any Payee that is not a Loan Party shall acquire by indemnification, subrogation or otherwise, any Lien, estate, right or other interest in any of the assets or properties of any Payor that is a Loan Party, such Lien, estate, right or other interest shall be subordinate in right of payment and all other respects to the Senior Indebtedness and the Lien of the Senior Indebtedness as provided herein, and each such Payee hereby waives any and all such rights it may acquire by subrogation or otherwise to any Lien of the Senior Indebtedness or any portion thereof until such time as all Senior Indebtedness has been repaid in full in cash.

If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by any other Loan Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of any other Loan Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Payee that is not a Loan Party or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Payee that is not a Loan Party and each Payor that is a Loan Party hereby agrees that the subordination of this Note is for the benefit of the Secured Parties under each of the Credit Documents and that any Administrative Agent may, on behalf of itself and its related other Secured Parties or Holdings, as applicable, proceed to enforce the subordination provisions herein.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness.

Each Payee is hereby authorized to record all loans and advances made by it to any Payor, and all repayments or prepayments thereof, in its books and records, such books and records constituting prima facie evidence of the accuracy of the information contained therein; provided, that the failure of any Payee to record such information shall not affect any Payor's obligations.

Each Payor hereby waives diligence, presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind. Each Payor hereby acknowledges and agrees that upon the occurrence and during the continuance of an Event of Default, no amount owing by any Payor to any Payee shall be reduced in any way by any outstanding obligations of such Payee to such Payor, whether such obligations are monetary or otherwise.

THIS PROMISSORY NOTE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS PROMISSORY NOTE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

This Note shall be binding upon each Payor and its successors and assigns, and the terms and provisions of this Note shall inure to the benefit of each Payee and its successors and assigns, including subsequent holders hereof. Notwithstanding anything to the contrary contained herein, in any other Loan Document or in any other promissory note or other instrument, this Note replaces and supersedes any and all promissory notes or other instruments heretofore outstanding which create or evidence any loans or advances made on, before or after the date hereof by any Payee to any Payor.

From time to time after the date hereof, additional Subsidiaries of the Borrower may become parties hereto as Payor and as Payee, in each case by executing a Global Intercompany Note Joinder substantially in the form attached hereto as Exhibit A (each additional Subsidiary, a "**New Note Party**"). Upon delivery of such Global Intercompany Note Joinder to the Payees, notice of which is hereby waived by the other Payors, each New Note Party shall be a Payor and/or a Payee, as the case may be, and shall be as fully a party hereto as if such New Note Party were an original signatory hereof. Each Payor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Payor or Payee hereunder. This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Payor or Payee hereunder.

FIRST AMENDMENT AGREEMENT dated as of November 14, 2016 (this "First Amendment") to the Term Loan Credit Agreement dated as of May 4, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and immediately prior to the First Amendment Effective Date (as defined below), the "Credit Agreement"), among PQ Corporation, a Pennsylvania corporation (the "Borrower"), CPQ Midco I Corporation, a Delaware corporation ("Holdings"), the Guarantors, JPMorgan Chase Bank, N.A. ("JPM"), as an Additional Term Lender (as defined below), and Credit Suisse AG, Cayman Islands Branch, as administrative agent (the "Administrative Agent") and as collateral agent.

A. Capitalized terms used but not defined herein shall have the meanings assigned to such terms in the Amended Credit Agreement (as defined below). JPM, Citi (as defined below), Credit Suisse Securities (USA) LLC ("Credit Suisse") and Morgan Stanley Senior Funding, Inc. are acting as joint lead arrangers and joint bookrunners (in such capacities, the "Repricing Arrangers") in connection with this First Amendment. For purposes of this First Amendment, "Citi" shall mean Citigroup Global Markets Inc., Citibank, N.A., Citicorp North America, Inc. and/or any of their affiliates as Citi shall determine to be appropriate to provide the services contemplated herein.

B. Pursuant to Section 9.02(c) of the Credit Agreement, the Borrower has requested that the Credit Agreement be amended to, among other things: (a) provide for a new tranche of Replacement Term Loans denominated in Dollars (the "First Amendment Tranche B-1 Term Loans") in an aggregate amount of $927,750,000, the proceeds of which will be used in part to refinance in full all Tranche B-1 Term Loans outstanding immediately prior to the effectiveness of this First Amendment (collectively, the "Existing Tranche B-1 Term Loans"), and which First Amendment Tranche B-1 Term Loans shall have the same terms (other than to the extent expressly provided in this First Amendment) under the Loan Documents as the Existing Tranche B-1 Term Loans, (b) provide for a new tranche of Replacement Term Loans denominated in Euros (the "First Amendment Tranche B-2 Term Loans" and, together with the First Amendment Tranche B-1 Term Loans, the "First Amendment Term Loans") in an aggregate amount of €283,337,500, the proceeds of which will be used in part to refinance in full all Tranche B-2 Term Loans outstanding immediately prior to the effectiveness of this First Amendment (collectively, the "Existing Tranche B-2 Term Loans" and, together with the Existing Tranche B-1 Term Loans, the "Existing Term Loans"), and which First Amendment Tranche B-2 Term Loans shall have the same terms (other than to the extent expressly provided in this First Amendment) under the Loan Documents as the Existing Tranche B-2 Term Loans and (c) make certain other changes as more fully set forth herein.

C. Pursuant to Section 9.02(c) of the Credit Agreement, (i) the aggregate amount of the First Amendment Tranche B-1 Term Loans exceeds the aggregate amount of the Existing Tranche B-1 Term Loans by $30 million (the "Tranche B-1 Term Loan Increase") and (ii) the aggregate amount of the First Amendment Tranche B-2 Term Loans exceeds the aggregate amount of the Existing Tranche B-2 Term Loans by €19 million (the "Tranche B-2 Term Loan Increase" and, together with the Tranche B-1 Term Loan Increase, the "Term Loan Increases"), which Term Loan Increases represent additional amounts that the Borrower would have been permitted to incur pursuant to Section 6.01(a) of the Credit Agreement in the form of Incremental Term Loans pursuant to Section 2.22 of the Credit Agreement.

the Allocated Amount (as defined in the Cashless Settlement of Existing Term Loans letter dated November 14, 2016 by and among the Borrower, JPM and the Administrative Agent) of its Existing Tranche B-1 Term Loans (all Existing Tranche B-1 Term Loans so exchanged, the "Exchanged Tranche B-1 Term Loans") on the First Amendment Effective Date for First Amendment Tranche B-1 Terms Loans in an equal principal amount, (B) to have irrevocably agreed to exchange the Allocated Amount of its Existing Tranche B-2 Term Loans (all Existing Tranche B-2 Term Loans so exchanged, the "Exchanged Tranche B-2 Term Loans" and, together with the Exchanged Tranche B-1 Term Loans, the "Exchanged Term Loans") on the First Amendment Effective Date for First Amendment Tranche B-2 Term Loans in an equal principal amount and (C) upon the First Amendment Effective Date, to have exchanged (by cashless or assignment settlement, as further described in the Lender Consent) the Allocated Amount of its Existing Tranche B-1 Term Loans and/or its Existing Tranche B-2 Term Loans with First Amendment Tranche B-1 Terms Loans and/or First Amendment Tranche B-2 Term Loans, as applicable, in an equal principal amount.

E. Each Person that executes and delivers a signature page to this First Amendment in the capacity of an "Additional Term Lender" (each, an "Additional Term Lender" and all Additional Term Lenders, together with all Exchanging Term Lenders, collectively, the "First Amendment Term Lenders") will be deemed to have irrevocably (i) agreed to the terms of this First Amendment and the Amended Credit Agreement, (ii) committed to make the First Amendment Tranche B-1 Term Loans and/or First Amendment Tranche B-2 Term Loans to the Borrower on the First Amendment Effective Date (the "Additional Term Loans") in the amount notified to such Additional Term Lender by the Administrative Agent (but in no event greater than the amount such Additional Term Lender committed to make as Additional Term Loans) and (iii) upon the First Amendment Effective Date, made such Additional Term Loans to the Borrower.

F. By executing and delivering a signature page to this First Amendment, the Administrative Agent will be deemed upon the First Amendment Effective Date to have irrevocably agreed to the terms of this First Amendment and the Amended Credit Agreement.

G. The aggregate proceeds of the Additional Term Loans will be used (i) to refinance in full all Existing Term Loans, other than Exchanged Term Loans, on the terms and subject to the conditions set forth herein, and (ii) for working capital and other general corporate purposes.

H. To accomplish the foregoing (a) the Borrower, the Administrative Agent (on behalf of itself and on behalf of Lenders that have executed Lender Consents and the Exchanging Term Lenders) and the Additional Term Lenders whose signatures appear below, are willing to amend the Credit Agreement as set forth below (the Credit Agreement as amended by this First Amendment, the "Amended Credit Agreement"), (b) the Exchanging Term Lenders are willing to exchange the Allocated Amount of their Existing Tranche B-1 Term Loans and/or Existing Tranche B-2 Term Loans with the First Amendment Tranche B-1 Term Loans and/or First Amendment Tranche B-2 Term Loans, as applicable and (c) the Additional Term Lenders are willing to (i) replace in full all Existing Term Loans, other than Exchanged Term Loans, with Additional Term Loans on the First Amendment Effective Date and (ii) provide the Term Loan Increases, in each case, on the terms and subject to the conditions set forth herein and in the Amended Credit Agreement.

I. The amendments to the Credit Agreement set forth below are each subject to the satisfaction of the conditions precedent to effectiveness referred to herein and shall become effective as provided herein.

Accordingly, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Amendments to Credit Agreement. The Borrower, the Administrative Agent (on behalf of itself and on behalf of Lenders that have executed Lender Consents and the Exchanging Term Lenders) and the Additional Term Lenders whose signatures appear below agree that the Credit Agreement shall be amended as follows:

(a) Section 1.01 of the Credit Agreement is hereby amended by adding thereto the following new defined terms in proper alphabetical order:

"First Amendment" shall mean the First Amendment Agreement, dated as of November 14, 2016 among the Borrower, Holdings, each Guarantor, the Administrative Agent and the Lenders party thereto.

"First Amendment Effective Date" shall mean November 14, 2016.

(b) Section 1.01 of the Credit Agreement is hereby amended by amending and restating the following defined terms therein in their entirety as follows:

"Applicable Rate" means, for any day,

(a) with respect to Initial Term Loans, the rate per annum applicable to the relevant Class of Loans set forth below:

ABR Spread for Tranche B-1 Term Loans	LIBO Rate Spread for Tranche B-1 Term Loans	LIBO Spread for Tranche B-2 Term Loans
3.25%	4.25%	4.00%

(b) with respect to any Additional Loan of any Class, the rate or rates per annum specified in the applicable Refinancing Amendment, Incremental Facility, or Extension Amendment.

"Initial Term Loans" means the Tranche B-1 Term Loans and the Tranche B-2 Term Loans.

"Tranche B-1 Term Loans" means (a) prior to the First Amendment Effective Date, a term loan made by a Term Lender pursuant to Section 2.01(a)(i) of the Credit Agreement (as defined in the First Amendment) and (b) on or after the First Amendment Effective Date, the First Amendment Tranche B-1 Term Loans (as defined in the First Amendment) made pursuant to and in accordance with the First Amendment on the First Amendment Effective Date.

"Tranche B-2 Term Loans" means (a) prior to the First Amendment Effective Date, a term loan made by a Term Lender pursuant to Section 2.01(a)(ii) of the Credit Agreement (as defined in the First Amendment) and (b) on or after the First Amendment Effective Date, the First Amendment Tranche B-2 Term Loans (as defined in the First Amendment) made pursuant to and in accordance with the First Amendment on the First Amendment Effective Date.

(c) Section 2.01(a) of the Credit Agreement is hereby amended and restated in its entirety as follows:

(a) On the Closing Date, the initial Term Lenders made (i) the Existing Tranche B-1 Term Loans (as defined in the First Amendment) to the Borrower in the original aggregate principal amount of $900,000,000 and (ii) the Existing Tranche B-2 Term Loans (as defined in the First Amendment) to the Borrower in the original aggregate principal amount of €265,000,000. Subject to the terms and conditions set forth in the First Amendment, the First Amendment Term Lenders (as defined in the First Amendment) agree, severally and not jointly, to make the First Amendment Tranche B-1 Term Loans and First Amendment Tranche B-2 Term Loans (each as defined in the First Amendment) to the Borrower on the First Amendment Effective Date.

(d) Section 2.12(c) of the Credit Agreement is hereby amended by deleting each reference to the phrase "six months after the Closing Date" therein and replacing it with the phrase "six months after the First Amendment Effective Date".

(e) Section 5.11 of the Credit Agreement is hereby amended by adding the following new sentence immediately after the last sentence thereof:

> The Borrower shall use the proceeds of the Additional Term Loans (as defined in the First Amendment), if any, on the First Amendment Effective Date (i) to refinance in full all Existing Term Loans (as defined in the First Amendment), other than Exchanged Term Loans (as defined in the First Amendment), on the terms and subject to the conditions set forth in the First Amendment and (ii) for working capital and general corporate purposes.

(f) As used in the Credit Agreement, the terms "Agreement," "this Agreement," "herein," "hereinafter," "hereto," "hereof," and words of similar import shall, unless the context otherwise requires, mean, from and after the First Amendment Effective Date, the Credit Agreement as amended by this First Amendment.

SECTION 2. Term Lenders; First Amendment Term Loans; Administrative Agent Authorization.

(a) Term Lenders. Subject to the terms and conditions set forth herein and in the Credit Agreement, (i) each Exchanging Term Lender (by executing a Lender Consent) irrevocably (A) agrees to the terms of this First Amendment and the Amended Credit Agreement, (B) if so elected in its Lender Consent, agrees to exchange (as set forth on its Lender Consent) the Allocated Amount of its Existing Tranche B-1 Term Loans with the First Amendment Tranche B-1 Term Loans in an equal principal amount, (C) if so elected in its Lender Consent, agrees to exchange (as set forth on its Lender Consent) the Allocated Amount of its Existing Tranche B-2 Term Loans with First Amendment Tranche B-2 Term Loans in an equal principal amount and (D) upon the First Amendment Effective Date, shall exchange (as set forth on its Lender Consent) the Allocated Amount of its Existing Tranche B-1 Term Loans and/or Existing Tranche B-2 Term Loans with the First Amendment Tranche B-1 Terms Loans and/or First Amendment Tranche B-2 Term Loans, as applicable, in an equal principal amount and (ii) each

Additional Term Lender irrevocably (A) agrees to the terms of this First Amendment and the Amended Credit Agreement, (B) commits to make Additional Term Loans in the amount notified to such Additional Term Lender by the Administrative Agent (but in no event greater than the amount such Additional Term Lender committed to make as Additional Term Loans) and (C) upon the First Amendment Effective Date, shall (1) refinance in full all Existing Term Loans, other than Exchanged Term Loans, with such Additional Terms Loans and (2) provide the Term Loan Increases. Each Additional Term Lender further acknowledges and agrees that, as of the First Amendment Effective Date, it shall be a "Lender" and a "Term Lender" under, and for all purposes of, the Amended Credit Agreement and the other Loan Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a Lender thereunder. For purposes of this First Amendment, "exchange" shall mean convert and continue. For the avoidance of doubt, notwithstanding anything herein to the contrary, it is acknowledged and agreed that (i) the Existing Tranche B-1 Term Loans of the Exchanging Term Lenders will be converted into and continued as First Amendment Tranche B-1 Term Loans and such Exchanged Tranche B-1 Term Loans shall be on the same terms (other than to the extent expressly provided in this First Amendment) under the Loan Documents as such Existing Tranche B-1 Term Loans and (ii) the Existing Tranche B-2 Term Loans of the Exchanging Term Lenders will be converted into and continued as First Amendment Tranche B-2 Term Loans and such Exchanged Tranche B-2 Term Loans shall be on the same terms (other than to the extent expressly provided in this First Amendment) under the Loan Documents as such Existing Tranche B-2 Term Loans.

(b) First Amendment Term Loans.

(i) On the First Amendment Effective Date, the proceeds of all Additional Term Loans, if any, shall be used (1) to refinance in full all Existing Term Loans, other than Exchanged Term Loans, on the terms and subject to the conditions set forth herein and (2) for working capital and general corporate purposes. The commitments of the Additional Term Lenders and the undertakings of the Exchanging Term Lenders are several and no such First Amendment Term Lender will be responsible for any other First Amendment Term Lender's failure to make, acquire or exchange the First Amendment Term Loans. On the First Amendment Effective Date, the aggregate principal amount of the First Amendment Tranche B-1 Term Loans shall be $927,750,000 and the aggregate principal amount to the First Amendment Tranche B-2 Term Loans shall be €283,337,500. Each of the parties hereto acknowledges and agrees that the terms of this First Amendment do not constitute a novation but, rather, an amendment of the terms of a pre-existing Indebtedness and related agreement, as evidenced by this First Amendment and the Amended Credit Agreement.

(ii) Each Exchanging Term Lender hereby waives any breakage loss or expenses due and payable to it by the Borrower pursuant to Section 2.16 of the Credit Agreement with respect to the exchange of its Exchanged Term Loans with the First Amendment Term Loans on a date other than the last day of the Interest Period relating to such Exchanged Term Loans.

(iii) The First Amendment Term Loans shall initially be LIBO Rate Loans with an Interest Period commencing on the First Amendment Effective Date and ending on the date specified by the Borrower in the applicable Borrowing Request delivered by it pursuant to Section 4(a)(ii)(B) below. Such Borrowing Request shall be delivered not later than noon, New York City time, three (3) Business Days prior to the date of the Borrowing of the First Amendment Term Loans, in accordance with the provisions of Section 2.03 of the Credit Agreement.

(iv) The Borrower and the Administrative Agent hereby consent to any assignments made by JPM or any affiliate thereof to the Persons included in the list of allocations separately provided to the Borrower and the Administrative Agent (or any Approved Funds or Affiliate of such Persons) in connection with the primary syndication of the First Amendment Term Loans.

(c) Term Loan Increases. For purposes of calculating the Incremental Cap on and after the First Amendment Effective Date, the Term Loan Increases shall be treated as an incurrence of Incremental Term Loans pursuant to clause (a) of the definition of "Incremental Cap" in the Credit Agreement; provided that the Borrower, in its sole discretion, may reclassify the Term Loan Increases as being an incurrence of Incremental Term Loans pursuant to clause (e) of the definition of "Incremental Cap" at any time on or after the First Amendment Effective Date in connection with, and at the time of, the consummation of a Permitted Acquisition, so long as (i) such Permitted Acquisition and reclassification is consummated within six months after the First Amendment Effective Date and (ii) the Senior Secured Leverage Ratio would not exceed 3.95:1.00 calculated on a Pro Forma Basis, including the application of the proceeds thereof (without "netting" the Cash proceeds of such Term Loan Increases).

(d) Administrative Agent Authorization. The Borrower, the Exchanging Term Lenders who executed and delivered a Lender Consent and the Additional Term Lenders whose signatures appear below authorize the Administrative Agent to (i) determine all amounts, percentages and other information with respect to the Commitments and Loans of each Lender, which amounts, percentages and other information may be determined only upon receipt by the Administrative Agent of the Lender Consents and the signature pages of all Lenders whose signatures appear below and (ii) enter and complete all such amounts, percentages and other information in the Amended Credit Agreement, as appropriate. The Administrative Agent's determination and entry and completion shall be conclusive and shall be conclusive evidence of the existence, amounts, percentages and other information with respect to the obligations of the Borrower under the Amended Credit Agreement, in each case, absent clearly demonstrable error.

SECTION 3. Representations and Warranties. To induce the other parties hereto to enter into this First Amendment, the Borrower and each Guarantor represents and warrants to each of the Lenders, and the Administrative Agent that, as of the First Amendment Effective Date:

(a) the execution, delivery and performance of this First Amendment are within each applicable Loan Party's corporate or other organizational power and have been duly authorized by all necessary corporate or other organizational action on the part of each such Loan Party;

(b) this First Amendment has been duly executed and delivered by each Loan Party and is a legal, valid and binding obligation of such Loan Party; enforceable in accordance with its terms, subject to the Legal Reservations;

(c) the execution and delivery of this First Amendment by each Loan Party party hereto and the performance by each Loan Party hereof do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority except (i) such as have been obtained or made and are in full force and effect, (ii) in connection with the Perfection Requirements and (iii) such consents, approvals, registrations or filings or other actions the failure to obtain or make which could not reasonably be expected to have a Material Adverse Effect; and

(d) the representations and warranties set forth in Article III of the Amended Credit Agreement and each other Loan Document are true and correct in all material respects on and as of the First Amendment Effective Date, with the same force and effect as though made on and as of such date, except to the extent such representations and warranties specifically refer to a given date or period, in which case such representations and warranties were true and correct in all material respects on an as of such date or period; provided that, any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language are true and correct (after giving effect to any qualification therein) in all respects as of such respective dates.

SECTION 4. Conditions to Effectiveness of this First Amendment.

(a) This First Amendment shall become effective on the date (the "First Amendment Effective Date") on which:

(i) The Administrative Agent shall have received duly executed and delivered counterparts of this First Amendment that, when taken together, bear the signatures of the Borrower, Holdings, the Additional Term Lenders, the Administrative Agent (on its behalf, as well as on behalf of the Required Lenders and the Exchanging Term Lenders) and all Guarantors;

(ii) (A) Each of the representations and warranties set forth in Section 3 shall be true and correct in all material respects on and as of the First Amendment Effective Date, with the same effect as though made on and as of such date, except to the extent such representations and warranties specifically refer to a given date or period, in which case such representations and warranties shall have been true and correct in all material respects on and as of such date or period; provided that, any representation or warranty that is qualified as to "materiality", "Material Adverse Effect" or similar language are true and correct (after giving effect to any qualification therein) in all respects as of such respective dates and (B) no Default or Event of Default has occurred and is continuing both before and immediately after giving effect to the transactions contemplated hereby;

(iii) The Administrative Agent shall have received a customary written opinion of (a) Weil, Gotshal & Manges LLP, special counsel for the Loan Parties, dated as of the First Amendment Effective Date and addressed to the Administrative Agent and the Lenders and (b) Babst Calland, special counsel for the Borrower and any Guarantors organized under the laws of Pennsylvania, dated as of the First Amendment Effective Date and addressed to the Administrative Agent and the Lenders;

(iv) The Administrative Agent shall have received:

(i) a certificate of the secretary or assistant secretary (or equivalent officer) on behalf of each Loan Party dated the First Amendment Effective Date, certifying (A) that either (x) attached thereto is a true and complete copy of each Organizational Document of such Loan Party and, with respect to the articles or certificate of incorporation or organization (or similar document) certified (to the extent applicable) as of a recent date by the Secretary of State of the state of its organization or (y) that the Organizational Documents of such Loan Party delivered on the Closing Date to the Administrative Agent have not been amended and are in full force and effect, (B) that attached thereto is a true and complete copy of resolutions duly adopted by the Board of Directors of such Loan Party authorizing the execution, delivery and performance of this First Amendment and any other Loan Documents executed in connection with this First Amendment to which such person is a party and, in the case of the Borrower, the Borrowings hereunder, and that such resolutions have not been modified, rescinded or amended and are in full force and effect as of the date of such certificate, and (C) as to the incumbency and specimen signature of each officer or authorized person executing this First Amendment and any other Loan Document executed in connection with this First Amendment or any other document delivered in connection herewith on behalf of such Loan Party (together with a certificate of another officer or authorized person as to the incumbency and specimen signature of the officer or authorized person executing the certificate in this clause (i));

(ii) to the extent applicable, a certificate as to the good standing of each Loan Party as of a recent date, from such Secretary of State (or other applicable Governmental Authority) of its jurisdiction of organization; and

(iii) a certificate dated the First Amendment Effective Date and signed by a Responsible Officer of the Borrower, confirming compliance with the condition precedent set forth in Section 4(a)(ii);

(v) The aggregate proceeds of all Additional Term Loans, if any, shall have been applied, concurrently with the exchange of the Exchanged Term Loans with the First Amendment Term Loans, to refinance in full all Existing Term Loans, other than Exchanged Term Loans, on the terms and subject to the conditions set forth herein;

(vi) The Borrower shall have, concurrently with the exchange of Exchanged Term Loans with the First Amendment Term Loans and the making of the Additional Term Loans, if any, (A) paid all accrued and unpaid interest and other amounts on the aggregate principal amount of the Existing Term Loans and (B) paid to all Term Lenders holding Existing Term Loans immediately prior to the First Amendment Effective Date that are not party to this First Amendment, if any, all indemnities, cost reimbursements and other Obligations (as defined below), if any, then due and owing to such Term Lenders under the Loan Documents (prior to the effectiveness of this First Amendment) and of which the Borrower has been notified; and

(vii) The Repricing Arrangers shall have received all fees and other amounts due and payable on or prior to the First Amendment Effective Date, including, to the extent invoiced, reimbursement or other payment of all out-of-pocket expenses required to be reimbursed or paid by the Borrower hereunder or under any other Loan Document or other agreement with the Borrower relating to the transactions contemplated hereby.

SECTION 5. Post-Closing Matters.

The Borrower shall and shall cause each Guarantor to within 60 days after the First Amendment Effective Date (or such longer period as the Administrative Agent may determine):

(a) execute, deliver and file amendments to the Mortgages existing prior to the First Amendment Effective Date in a form acceptable to the Administrative Agent, together with such title endorsements as are reasonably required to give effect thereto in a form acceptable to the Administrative Agent, together with (x) such owner's title affidavits as may be reasonably required by the title insurer in substantially the form previously accepted by the title insurer with respect to such Mortgages, including therein any so-called "no-change" survey affidavit and (y) any documents required in connection with the recording of such mortgage amendments and issuance of such endorsements;

(b) deliver to the Administrative Agent legal opinions relating to the amendments to the Mortgages described above, which opinions shall be in form and substance, and from counsel, reasonably satisfactory to the Administrative Agent; and

(c) deliver to the Administrative Agent a completed standard "life of loan" flood hazard determination form for each property encumbered by a Mortgage, and if the property is located in an area designated by the U.S. Federal Emergency Management Agency (or any successor agency) as having special flood or mud slide hazards, (i) a notification to the Borrower ("Borrower Notice") and (if applicable) notification to the Borrower that flood insurance coverage under the National Flood Insurance Program ("NFIP") created by the U.S. Congress pursuant to the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973, the National Flood Insurance Reform Act of 1994 and the Flood Insurance Reform Act of 2004 is not available because the applicable community does not participate in the NFIP, (ii) documentation evidencing the Borrower's receipt of the Borrower Notice (e.g., countersigned Borrower Notice, return receipt of certified U.S. Mail, or overnight delivery), and (iii) if Borrower Notice is required to be given and flood insurance is available in the community in which the property is located, a copy of one of the following: the flood insurance policy, the Borrower's application for a flood insurance policy plus proof of premium payment, a declaration page confirming that flood insurance has been issued, or such other evidence of flood insurance reasonably satisfactory to the Administrative Agent.

SECTION 6. Effect of Amended Credit Agreement.

relevant affected provisions (without the payment of any amendment or similar fee to the Lenders) to preserve the original intent thereof in light of such change in GAAP or the application thereof; provided, further, that all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (previously referred to as Statement of Financial Accounting Standards 159) (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Borrower or any subsidiary at "fair value", as defined therein and (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof. Section 1.08 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

Section 1.09 Currency Generally; Exchange Rate.

(a) For purposes of any determination under Article 5, Article 6 (other than Section 6.15(a) and the calculation of compliance with any financial ratio for purposes of taking any action hereunder) or Article 7 with respect to the amount of any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition, Sale and Lease-Back Transaction, affiliate transaction or other transaction, event or circumstance, or any determination under any other provision of this Agreement, (any of the foregoing, a "**specified transaction**"), in a currency other than Dollars, (i) the Dollar equivalent amount of a specified transaction in a currency other than Dollars shall be calculated based on the rate of exchange quoted by the Bloomberg Foreign Exchange Rates & World Currencies Page (or any successor page thereto, or in the event such rate does not appear on any Bloomberg Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Borrower) for such foreign currency, as in effect at 11:00 a.m. (London time) on the date of such specified transaction (which, in the case of any Restricted Payment, shall be deemed to be the date of the declaration thereof and, in the case of the incurrence of Indebtedness, shall be deemed to be on the date first committed); provided that if any Indebtedness is incurred (and, if applicable, associated Lien granted) to refinance or replace other Indebtedness denominated in a currency other than Dollars, and the relevant refinancing or replacement would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness (and, if applicable, associated Lien granted) does not exceed an amount sufficient to repay the principal amount of such Indebtedness being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest and premiums (including tender premiums) thereon *plus* other reasonable and customary fees and expenses (including upfront fees and original issue discount) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 6.01 and (ii) for the avoidance of doubt, no Default or Event of Default shall be deemed to have occurred solely as a result of a change in the rate of currency exchange occurring after

the time of any specified transaction so long as such specified transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth in clause (i). For purposes of Section 6.15 and the calculation of compliance with any financial ratio for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b), as applicable, for the relevant Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of any Hedge Agreement permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar Equivalent amount of such Indebtedness. Notwithstanding the foregoing or anything to the contrary herein, to the extent that the Lead Borrower would not be in compliance with Section 6.15 if any Indebtedness denominated in a currency other than Dollars were to be translated into Dollars on the basis of the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b), as applicable, for the relevant Test Period, but would be in compliance with Section 6.15 if such Indebtedness that is denominated in a currency other than in Dollars were instead translated into Dollars on the basis of the average relevant currency exchange rates over such Test Period (taking into account the currency effects of any Hedge Agreement permitted hereunder and entered into with respect to the currency exchange risks relating to such Indebtedness), then, solely for purposes of compliance with Section 6.15, the Fixed Charge Coverage Ratio as of the last day of such Test Period shall be calculated on the basis of such average relevant currency exchange rates.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent to appropriately reflect a change in currency of any country and any relevant market convention or practice relating to such change in currency.

Section 1.10 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Revolving Loans with Incremental Revolving Loans, Revolving Loans in connection with any Replacement Revolving Facility, or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in Canadian Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

Section 1.11 Certain Calculations and Tests.

(a) Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (i) compliance with any financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test, any Fixed Charge Coverage Ratio test or any Payment Conditions test) and/or the amount of Consolidated Adjusted EBITDA or any cap expressed as a percentage of Consolidated Total Assets or (ii) the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition to (A) the consummation of any transaction in connection with any acquisition or similar Investment, (B) the making of any Restricted Payment, and/or (C) the making of any Restricted Debt Payment (including in each case of clauses (A), (B) and (C), the related assumption or incurrence of Indebtedness) (such action pursuant to clauses (A), (B) or (C), a "**Limited Condition Transaction**"), the determination of whether the relevant condition is satisfied may be made, at the election of the Borrower (a "**LCT Election**"), (1) in the case of any acquisition or similar Investment or related incurrence or assumption of Indebtedness, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time

of), either (x) the execution of the definitive agreement with respect to such acquisition or Investment or incurrence or assumption of Indebtedness or (y) the consummation of such acquisition or Investment, or incurrence or assumption of Indebtedness, (2) in the case of any Restricted Payment, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) (x) the declaration of such Restricted Payment or (y) the making of such Restricted Payment and (3) in the case of any Restricted Debt Payment, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such Restricted Debt Payment or (y) the making of such Restricted Debt Payment (the applicable date pursuant to clause (1), (2) or (3), as applicable, the "**LCT Test Date**"), in each case, after giving effect to the relevant acquisition, Indebtedness, Restricted Payment and/or Restricted Debt Payment on a Pro Forma Basis. If the Borrower has made a LCT Election for any Limited Condition Transaction, then in connection with any subsequent determination of compliance with any financial ratio or test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments or Restricted Debt Payments on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, compliance with any such financial ratio or test and/or amount of Consolidated Adjusted EBITDA or Consolidated Total Assets shall be tested by calculating the availability under such financial ratio or test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets, as applicable, on a pro forma basis assuming such Limited Condition Transaction and any other transactions in connection therewith have been consummated (including any incurrence of Indebtedness and the use of proceeds thereof).

(b) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, Section 6.15, any Senior Secured Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to clause (a) above), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Senior Leverage Ratio test and/or any Total Leverage Ratio test and/or any Fixed Charge Coverage Ratio test) (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including, without limitation, any Senior Secured Leverage Ratio test, any Senior Leverage Ratio test and/or any Total Leverage Ratio test) (any such amounts, the "**Incurrence-Based Amounts**"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts, however, for the avoidance of doubt, substantially concurrent incurrence of Indebtedness and Liens in reliance upon Fixed Amounts shall not be disregarded for purposes of testing compliance with the Total Leverage Ratio or the Fixed Charge Coverage Ratio under Section 6.04 and Section 6.06.

Section 1.12 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up for five).

Section 1.13 Alternate Currencies.

(a) The Lead Borrower may from time to time request that Revolving Loans and/or Letters of Credit be issued in a currency other than Euros, Sterling, Canadian Dollars or Dollars; provided that the requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Revolving Loans, such request shall be subject to the approval of the Administrative Agent and the Lenders, and, in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent, the Lenders and the applicable Issuing Bank. The approval of any Alternate Currency may be accompanied by changes to the timing of the delivery of Borrowing Requests, Interest Election Requests and Letter of Credit Request in respect to credit extensions in such Alternate Currency.

(b) Any such request shall be made to the Administrative Agent not later than 1:00 p.m. 10 Business Days prior to the date of the desired Credit Extension (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the relevant Issuing Bank in its sole discretion). In the case of any such request pertaining to Revolving Loans, the Administrative Agent shall promptly notify each Lender thereof and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the relevant Issuing Bank. Each such Lender (in the case of any such request pertaining to Revolving Loans) or the relevant Issuing Bank (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 1:00 p.m., five Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Revolving Loans or the issuance of Letters of Credit in the requested currency.

(c) Any failure by any Lender or the relevant Issuing Bank, as the case may be, to respond to such request within the time period specified in the preceding paragraph (b) shall be deemed to be a refusal by such Lender or Issuing Bank, as the case may be, to permit Revolving Loans to be made or Letters of Credit to be issued in the requested currency. If the Administrative Agent and each Lender that would be obligated to make Credit Extensions denominated in the requested currency consent to making Revolving Loans in the requested currency, the Administrative Agent shall so notify the Lead Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Borrowing of Revolving Loans; and if the Administrative Agent and the relevant Issuing Bank consent to the issuance of Letters of Credit in the requested currency, the Administrative Agent shall so notify the Lead Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of the issuance of any Letter of Credit. If the Administrative Agent fails to obtain the requisite consent to any request for an additional currency under this Section 1.12, the Administrative Agent shall promptly so notify the Lead Borrower. Notwithstanding anything to the contrary herein, to the extent that the LIBO Rate and/or the Alternate Base Rate is not applicable to or available with respect to a Revolving Loan to be denominated in an Alternate Currency, the interest rate components applicable to such Alternate Currency shall be separately agreed by the Lead Borrower and the Administrative Agent.

In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by any Borrower to, or entered into by any Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. (c) Expiration Date. No Letter of Credit shall expire later than the earlier of (A) the date that is one year after the date of the issuance of such Letter of Credit and (B) the date that is five Business Days prior to the Initial Revolving Credit Maturity Date; provided that any Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration (none of which, in any event, shall extend beyond the date referred to in the preceding clause (B) unless 100% of the then-available face amount thereof is Cash collateralized or backstopped on or before the date that such Letter of Credit is extended beyond the date referred to in clause (B) above pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank);provided, further, that each Revolving Lender's participation in any undrawn Letter of Credit that is outstanding on the Initial Revolving Credit Maturity Date will terminate on the Initial Revolving Credit Maturity Date.

By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the applicable Class of Lenders, the applicable Issuing Bank hereby grants to each Lender of the applicable Class, and each such Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section 2.05, or of any reimbursement payment required to be refunded to the applicable Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement.

(i) If the applicable Issuing Bank makes any LC Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 1:00 p.m. on the Business Day immediately following the date on which the applicable Borrower receives notice under paragraph (g) of this Section 2.05 of such LC Disbursement (or, if such notice is received less than two hours prior to the deadline for requesting ABR Borrowings pursuant to Section 2.03, on the second Business Day immediately following the date on which the Borrower receives such notice); provided that the applicable Borrower may, without satisfying the conditions to borrowing set forth herein, request in accordance withSection 2.03 that such payment be financed with (x) in the case of any Letter of Credit denominated in Dollars, an ABR Borrowing, (y) in the case of any Letter of Credit denominated in Canadian Dollars, a Canadian Prime Rate Borrowing, (z) in the case of any Letter of Credit denominated in Euros or Sterling or an Alternate Currency, a LIBO Rate Borrowing (clauses (x), (y) and (z), an "**LC Reimbursement Loan**") in an equivalent amount and, to the extent so financed, the applicable Borrower's obligation to make such payment shall be discharged and replaced by the resulting Revolving Loan. If the applicable Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender in the relevant Class of the applicable LC Disbursement, the payment then due from the applicable Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender in the relevant Class shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the applicable Borrower, in the same manner as provided in Section 2.07 with respect to Revolving Loans made by such Lender (and Section 2.07 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall

promptly pay to the applicable Issuing Bank the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the applicable Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Lenders in any relevant Class have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(ii) If any Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(e) by the time specified therein, such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Effective Rate (or (A) in the case of any Letter of Credit denominated in Canadian Dollars, the Canadian Prime Rate, (B) in the case of any Letter of Credit denominated in Euros or Sterling, the LIBO Rate and (C) in the case of any Letter of Credit denominated in any Alternate Currency, the Administrative Agent's customary rate for interbank advances in the Alternate Currency in which such Letter of Credit is denominated) from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the applicable Issuing Bank submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (ii) shall be conclusive absent manifest error.

(f) Obligations Absolute. The applicable Borrower's obligation to reimburse LC Disbursements as provided inparagraph (e) of this Section 2.05 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under any Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by any Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of applicable Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable

Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the applicable Borrower by telephone (promptly confirmed in writing) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that no failure to give or delay in giving such notice shall relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank makes any LC Disbursement, then, unless the applicable Borrower reimburses such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the applicable Borrower reimburses such LC Disbursement, at the rate per annum then applicable to (a) in the case of Letters of Credit denominated in Dollars, Revolving Loans that are ABR Revolving Loans of the applicable Class, (b) in the case of Letters of Credit denominated in Canadian Dollars, Revolving Loans that are Canadian Prime Rate Revolving Loans of the applicable Class and (c) in the case of Letters of Credit denominated in Euros, Sterling or any Alternate Currency, Revolving Loans denominated in such currency that are LIBO Rate Revolving Loans of the applicable Class; provided that if the applicable Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section 2.05, then Section 2.13(e) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to paragraph (e) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable on the date on which the applicable Borrower is required to reimburse the applicable LC Disbursement in full (and, thereafter, on demand).

(i) Replacement or Resignation of an Issuing Bank or Addition of New Issuing Banks.

(i) Any Issuing Bank may be replaced with the consent of the Administrative Agent (not to be unreasonably withheld or delayed) at any time by written agreement among the Borrowers, the Administrative Agent and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement becomes effective, the Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b)(ii). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "**Issuing Bank**" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. Any Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and the relevant Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this paragraph (i) who agrees in writing to such

designation shall be deemed to be an "Issuing Bank" (in addition to being a Lender) in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other Issuing Bank and such Lender.

(ii) Notwithstanding anything to the contrary contained herein, each Issuing Bank may, upon ten days' prior written notice to the Lead Borrower, each other Issuing Bank and the Lenders, resign as Issuing Bank, which resignation shall be effective as of the date referenced in such notice (but in no event less than ten days after the delivery of such written notice); it being understood that in the event of any such resignation, any Letter of Credit then outstanding shall remain outstanding (irrespective of whether any amounts have been drawn at such time). In the event of any such resignation as an Issuing Bank, the Lead Borrower shall be entitled to appoint any Lender that accepts such appointment in writing as successor Issuing Bank. Upon the acceptance of any appointment as Issuing Bank hereunder, the successor Issuing Bank shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Issuing Bank, and the retiring Issuing Bank shall be discharged from its duties and obligations in such capacity hereunder.

(C) the applicable European Borrower shall deposit, in an interest bearing account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Lenders of the applicable Class (the "**European LC Collateral Account**"), an amount in Cash equal to 102.5% (or, for any European Letter of Credit denominated in a currency other than Dollars, 103%) of the European LC Exposure as of such date (*minus* the amount then on deposit in the European LC Collateral Account),

provided that the obligation to deposit such Cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the applicable Borrower described in Section 7.01(f) or (g).

Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the applicable Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the LC Exposure at such time or, if the maturity of the Revolving Loans has been accelerated (but subject to the consent of the Required Lenders) be applied to satisfy other Secured Obligations.
