(a) Subject to the limitations set forth below (and notwithstanding anything to the contrary in Section 4.02), the Administrative Agent is authorized by each Borrower and each Lender from time to time in its sole discretion (but without any obligation to do so) to make Initial US Revolving Loans (any such Initial US Revolving Loan made pursuant to this Section 2.06(a), a "**US Protective Advance**"), Initial Canadian Revolving Loans (any such Initial Canadian Revolving Loan made pursuant to this Section 2.06(a), a "**Canadian Protective Advance**") and Initial European Revolving Loans (any such Initial European Revolving Loan made pursuant to this Section 2.06(a), a "**European Protective Advance**" and, together with any US Protective Advance and Canadian Protective Advance, collectively, the "**Protective Advances**") to any applicable Borrower on behalf of the Lenders of the relevant Class at any time that any condition precedent set forth in Section 4.02 has not been satisfied or waived, which the Administrative Agent, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the relevant Collateral or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the relevant Revolving Loans and other relevant Secured Obligations or (iii) to pay any other amount chargeable to or required to be paid by the relevant Borrower or any other Loan Party pursuant to the terms of this Agreement or any other Loan Document, including any payment of any reimbursable expense (including any expense described in Section 9.03) and any other amount that, in each case is then due and payable under any Loan Document and not the subject of a good faith dispute by the relevant Loan Party. All Protective Advances denominated in Dollars shall be ABR Borrowings, all Protective Advances denominated in Canadian Dollars shall be CDOR Rate Borrowings and all Protective Advances denominated in Euros or Sterling shall be LIBO Rate Borrowings. No Protective Advance may be made if, after giving effect thereto, the aggregate amount of outstanding Protective Advances and Overadvances would exceed 10% of the greater of (A) the Commitments and (B) the Borrowing Base.

(b) Each Protective Advance shall be secured by the Lien on the applicable Collateral in favor of the Administrative Agent and shall constitute a US Obligation, Canadian Obligation or European Obligation, as applicable, hereunder. Each Protective Advance shall be repaid by the applicable Borrower upon the earliest of (i) demand by the Administrative Agent, (ii) the next succeeding Maturity Date and (iii) the date that is 30 days after such Protective Advance is made. The Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Required Lenders. The making of a Protective Advance on any one occasion shall not obligate the Administrative Agent to make any Protective Advance on any other occasion. At any time that the conditions precedent set forth in Section 4.02 have been satisfied or waived, the Administrative Agent may request the Lenders to make an Initial US Revolving Loan, Initial Canadian Revolving Loan or an Initial European Revolving Loan, as applicable, to repay any US Protective Advance, Canadian Protective Advance or European Protective Advance, respectively.

(c) Upon the making of a Protective Advance by the Administrative Agent (whether before or after the occurrence of a Default or Event of Default), each Lender of the relevant Class shall be deemed, without further action by any party hereto, unconditionally and irrevocably to have purchased from the Administrative Agent without recourse or warranty, an undivided interest and participation in such US Protective Advance, Canadian Protective Advance or European Protective Advance, as applicable, in proportion to its Applicable Percentage, and, upon demand by the Administrative Agent, shall fund such participation to the Administrative Agent.

Section 2.07 Funding of Borrowings.

(a) Each Lender shall make each Revolving Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (x) 2:00 p.m. New York City time for Revolving Loans denominated in Dollars, (y) 8:00 a.m. New York City time for Revolving Loans denominated in Euros, Sterling or an Alternate Currency or (z) 11:00 a.m. New York City time for Revolving Loans denominated in Canadian Dollars, in each case, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender's respective Applicable Percentage. The Administrative Agent will make such Revolving Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to the Funding Account or as otherwise directed by the applicable Borrower; provided that any Revolving Loan made to finance the reimbursement of any LC Disbursement as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent has received notice from any Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.07 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate (or, (x) with respect to any amount denominated in Canadian Dollars, the Canadian Prime Rate, or (y) with respect to any amount denominated in Euros, Sterling or an Alternate Currency, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by the Administrative Agent in the applicable offshore interbank market for such currency) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to Revolving Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Revolving Loan included in such Borrowing and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.07(b) shall cease. If the Borrower pays such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

Section 2.08 Type; Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a LIBO Rate Borrowing or CDOR Borrowing, shall have the initial Interest Period specified in such Borrowing Request. Thereafter, the applicable Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a LIBO Rate Borrowing or CDOR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.08; provided that Revolving Loans denominated in Euros, Sterling or any Alternate Currency shall be LIBO Rate Borrowings at all times. The applicable Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders based upon their Applicable Percentages and the Revolving Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.08, the applicable Borrower (or the Lead Borrower on its behalf) shall notify the Administrative Agent of such election either in writing or by telephone by the time that a Borrowing Request would be required under Section 2.03 if the applicable Borrower (or the Lead Borrower on its behalf) were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly in writing to the Administrative Agent of a written Interest Election Request signed by a Responsible Officer of the applicable Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a LIBO Rate Borrowing, a Canadian Prime Rate Borrowing or a CDOR Borrowing; and

(iv) if the resulting Borrowing is a LIBO Rate Borrowing or CDOR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a LIBO Rate Borrowing or CDOR Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBO Rate Borrowing or CDOR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be converted at the end of

such Interest Period to a LIBO Rate Borrowing or CDOR Borrowing, as applicable, with an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrowers, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as a LIBO Rate Borrowing or CDOR Borrowing and (ii) unless repaid, each LIBO Rate Borrowing and CDOR Borrowing shall be converted to an ABR Borrowing or Canadian Prime Rate Borrower, as applicable, at the end of the then-current Interest Period applicable thereto (except, in either case, that Revolving Loans denominated in Euros, Sterling or any Alternate Currency shall be comprised of LIBO Rate Revolving Loans).

Section 2.09 Termination and Reduction of Commitments.

(a) Unless previously terminated, the Initial Revolving Commitments shall automatically terminate on the Initial Revolving Credit Maturity Date.

(b) Upon delivering the notice required by Section 2.09(d), the Lead Borrower may at any time terminate the Commitments of any Class upon (i) the payment in full in Cash of all outstanding Revolving Loans of such Class, together with accrued and unpaid interest thereon, (ii) the cancellation and return of all outstanding Letters of Credit of such Class (or alternatively, with respect to each outstanding Letter of Credit, the furnishing to the Administrative Agent of a Cash deposit (or, if reasonably satisfactory to the applicable Issuing Bank, a backup standby letter of credit) equal to 100% (or, 102.5%, in the case of any European Letter of Credit) of the relevant LC Exposure (*minus* the amount then on deposit in the US LC Collateral Account, Canadian LC Collateral Account or European LC Collateral Account, as applicable) as of such date) and (iii) the payment in full of all accrued and unpaid fees and all reimbursable expenses and other non-contingent Obligations with respect to the Revolving Facility of such Class then due, together with accrued and unpaid interest (if any) thereon.

(c) Upon delivering the notice required by Section 2.09(d), the Lead Borrower may from time to time reduce the Commitments; provided that (i) each reduction of the Commitments shall be in an amount that is an integral multiple of $1,000,000 and not less than $1,000,000 and (ii) the Lead Borrower shall not reduce the Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.10 or Section 2.11, the aggregate Revolving Credit Exposure would exceed the Aggregate Commitment.

(d) The Lead Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) or (c) of this Section 2.09 in writing at least three Business Days prior to the effective date of such termination or reduction (or such later date to which the Administrative Agent may agree), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Lead Borrower pursuant to this Section 2.09 shall be irrevocable; provided that a notice of termination of the Commitments delivered by the Lead Borrower may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Lead Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments pursuant to this Section 2.09 shall be permanent. Upon any reduction of the Commitments, the Commitment of each Lender shall be reduced by such Lender's Applicable Percentage of such reduction amount.

Section 2.10 Repayment of Revolving Loans; Evidence of Debt

(a) (i) The US Borrower hereby promises to pay in Dollars or the relevant Alternate Currency to the Administrative Agent for the account of each Initial US Revolving Lender, the then-unpaid principal amount of each Initial US Revolving Loan made by such Initial US Revolving Lender to the US Borrower on the Maturity Date applicable thereto.

(ii) Each Canadian Borrower hereby promises to pay in Canadian Dollars, Dollars or the relevant Alternate Currency to the Administrative Agent for the account of each Initial Canadian Revolving Lender, the then-unpaid principal amount of each Initial Canadian Revolving Loan made by such Initial Canadian Revolving Lender to such Canadian Borrower on the Maturity Date applicable thereto.

(iii) Each European Borrower hereby promises to pay in Euros, Sterling, Dollars or the relevant Alternate Currency to the Administrative Agent for the account of each Initial European Revolving Lender, the then-unpaid principal amount of each Initial European Revolving Loan made by such Initial European Revolving Lender to such European Borrower on the Maturity Date applicable thereto.

Each Revolving Loan shall be repaid in the currency in which it was made.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Revolving Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Revolving Loan made hereunder, the Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders or the Issuing Banks and each Lender's and Issuing Banks' share thereof.

(d) The entries made in the accounts maintained pursuant toparagraph (c) or (d) of this Section 2.10 shall be prima facie evidence of the existence and amounts of the obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any manifest error therein shall not in any manner affect the obligation of the applicable Borrower to repay the Revolving Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (d) of this Section 2.10 and any Lender's records, the accounts of the Administrative Agent shall govern.

(e) Any Lender may request that Revolving Loans made by it be evidenced by a Promissory Note. In such event, the applicable Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender and its registered assigns; it being understood and agreed that such Lender (and/or its applicable assign) shall be required to return such Promissory Note to such Borrower in accordance with Section 9.05(b)(iii) and upon the occurrence of the Termination Date (or as promptly thereafter as practicable).

Section 2.11 Prepayment of Revolving Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrowers shall have the right at any time and from time to time to prepay, in Dollars, Canadian Dollars, Euros, Sterling or the relevant Alternate Currency, as applicable, any Borrowing of Revolving Loans of any Class in whole or in part without premium or penalty (but subject to Section 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the Applicable Class of Revolving Loans being prepaid.

(ii) The Lead Borrower shall notify the Administrative Agent by telephone (promptly confirmed in writing) of any prepayment under this Section 2.11(a) (A) in the case of a prepayment of a LIBO Rate Borrowing or CDOR Rate Borrowing, not later than 12:00 p.m. three Business Days before the date of prepayment, or (B) in the case of a prepayment of an ABR Borrowing or Canadian Prime Rate Borrowing, not later than 1:00 p.m. one Business Day before the date of prepayment (or such later date to which the Administrative Agent may agree). Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of prepayment delivered by the Lead Borrower may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Lead Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to any Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount at least equal to the amount that would be permitted in the case of an advance of a Borrowing of the same Type and Class as provided in Section 2.02(c). Each prepayment of Revolving Loans shall be applied to the Class of Revolving Loans specified in the applicable prepayment notice.

(iii) Subject to Section 5.16(g), during the continuance of a Cash Dominion Period and following delivery by the Administrative Agent of notice to the Lead Borrower, on each Business Day, at or before 1:00 p.m., New York City time, the Administrative Agent shall apply all immediately available funds credited to the Administrative Agent Account or otherwise received by Administrative Agent for application to the Secured Obligations (x) to the extent such funds constitute US Collateral, in accordance with Section 2.18(b)(i) (other than in respect of Secured Hedging Obligations and Banking Services Obligations), (y) to the extent such funds constitute Canadian Collateral, in accordance with Section 2.18(b)(ii) (other than in respect of Secured Hedging Obligations and Banking Services Obligations) and (z) to the extent such funds constitute European Collateral, in accordance with Section 2.18(b)(iii) (other than in respect of Secured Hedging Obligations and Banking Services Obligations).

(b) Mandatory Prepayments.

(i) Except for Protective Advances and Overadvances, on each day (including, on any Revaluation Date (after giving effect to the determination of the Outstanding Amount of each Revolving Loan and the LC Exposure)) on which (A) the Initial US Revolving Credit Exposure exceeds the US Line Cap, the US Borrower shall, within one Business Day following receipt of notice from the Administrative Agent, prepay Initial US Revolving Loans (or, if there are no Initial US Revolving Loans outstanding at the relevant time, Cash collateralize outstanding US Letters of Credit at 101% of the face amount thereof), in an aggregate amount sufficient to reduce the Initial US Revolving Credit Exposure (calculated, for this purpose, as if any US LC Exposure so Cash collateralized is not Initial US Revolving Credit Exposure) such that the Initial US Revolving Credit Exposure does not exceed the US Line Cap, (B) the Initial Canadian Revolving Credit Exposure exceeds the Canadian Line Cap, any Canadian Borrower

shall, within one Business Day following receipt of notice from the Administrative Agent, prepay Initial Canadian Revolving Loans (or, if there are no Initial Canadian Revolving Loans outstanding at such time, Cash collateralize outstanding Canadian Letters of Credit at 101% of the face amount thereof), in an aggregate amount sufficient to reduce the Initial Canadian Revolving Credit Exposure (calculated, for this purpose, as if any Canadian LC Exposure so Cash collateralized is not Initial Canadian Revolving Credit Exposure) such that the Initial Canadian Revolving Credit Exposure does not exceed the Canadian Line Cap, (C) the Initial European Revolving Credit Exposure exceeds the European Line Cap, any European Borrower shall, within one Business Day following receipt of notice from the Administrative Agent, prepay Initial European Revolving Loans (or, if there are no Initial European Revolving Loans outstanding at such time, Cash collateralize outstanding European Letters of Credit at 102.5% (or, for any European Letter of Credit denominated in a currency other than Dollars, 103%) of the face amount thereof), in an aggregate amount sufficient to reduce the Initial European Revolving Credit Exposure (calculated, for this purpose, as if any European LC Exposure so Cash collateralized is not Initial European Revolving Credit Exposure) such that the Initial European Revolving Credit Exposure to the European Borrowers does not exceed the European Line Cap, or (D) the Total Revolving Credit Exposure exceeds the Line Cap, the Lead Borrower shall, within one Business Day following receipt of notice from the Administrative Agent, prepay Revolving Loans (or, if there are no Revolving Loans outstanding at such time, Cash collateralize outstanding Letters of Credit at 101% of the face amount thereof), in an aggregate amount sufficient to reduce the Total Revolving Credit Exposure (calculated, for this purpose, as if any LC Exposure so Cash collateralized is not Initial European Total Revolving Credit Exposure) such that the Total Revolving Credit Exposure does not exceed the Line Cap.

(ii) Prepayments shall be accompanied by accrued interest as required by Section 2.13. All prepayments of Borrowings under this Section 2.11(b) shall be subject to Section 2.16, but shall otherwise be without premium or penalty.

(iii) Notwithstanding anything in this Section 2.11 to the contrary, (x) funds received from or held by any Canadian Loan Party or from the proceeds of Canadian Collateral shall be applied only to the payment of Canadian Obligations and shall not be applied to the payment of US Obligations and (y) funds received from or held by any European Loan Party or from the proceeds of European Collateral shall be applied only to the payment of European Obligations and shall not be applied to the payment of US Obligation.

(b) Subject to Section 2.21, the US Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participation in each US Letter of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to LIBO Rate Revolving Loans on the daily face amount of such Lender's US LC Exposure in respect of such US Letter of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements in respect

of US Letters of Credit), during the period from and including the Closing Date to the later of the date on which such Lender's Initial US Revolving Commitment terminates and the date on which such Lender ceases to have any US LC Exposure in respect of such US Letter of Credit and (ii) to each Issuing Bank, for its own account, a fronting fee, in respect of each US Letter of Credit issued by such Issuing Bank for the period from the date of issuance of such US Letter of Credit to the expiration date of such US Letter of Credit (or if terminated on an earlier date, to the termination date of such US Letter of Credit), computed at a rate equal to the rate agreed by such Issuing Bank and the US Borrower (but in any event not to exceed 0.125% per annum) of the daily face amount of such US Letter of Credit, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any US Letter of Credit or processing of drawings thereunder.

(d) Subject to Section 2.21, the European Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender a participation fee with respect to its participation in each European Letter of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to LIBO Rate Revolving Loans on the daily face amount of such Lender's European LC Exposure in respect of such European Letter of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements in respect of European Letters of Credit), during the period from and including the Closing Date to the later of the date on which such Lender's Initial European Revolving Commitment terminates and the date on which such Lender ceases to have any European LC Exposure in respect of such European Letter of Credit and (ii) to each Issuing Bank, for its own account, a fronting fee, in respect of each European Letter of Credit issued by such Issuing Bank for the period from the date of issuance of such European Letter of Credit to the expiration date of such European Letter of Credit (or if terminated on an earlier date, to the termination date of such European Letter of Credit), computed at a rate equal to the rate agreed by such Issuing Bank and the European Borrowers (but in any event not to exceed 0.125% per annum) of the daily face amount of such European Letter of Credit, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any European Letter of Credit or processing of drawings thereunder.

(e) Participation fees and fronting fees accrued to, but excluding, the last Business Day of each March, June, September and December shall be payable in arrears for the quarterly period then ended on the last Business Day of such calendar quarter; provided that all such fees shall be payable on the date on which the Initial Commitments terminate, and any such fees accruing after the date on which the Initial Commitments terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this Section 2.12 shall be payable within 30 days after receipt of a written demand (accompanied by reasonableback-up documentation) therefor.

(f) The Borrowers agree to pay to the Administrative Agent, for its own account, the fees in the amounts and at the times separately agreed upon by any Borrower and the Administrative Agent in writing.

(g) All fees payable hereunder shall be paid on the dates due, in Dollars and in immediately available funds, to the Administrative Agent. Fees paid shall not be refundable under any circumstances except as otherwise provided in the Fee Letter. Fees payable hereunder shall accrue through and including the last day of the month immediately preceding the applicable fee payment date.

(h) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of a fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13 Interest.

(a) The Revolving Loans that are denominated in Dollars and comprise each ABR Borrowing shall bear interest at the Alternate Base Rate*plus* the Applicable Rate.

(b) The Revolving Loans that are denominated in Dollars, Euros, Sterling or any Alternate Currency and comprise each LIBO Rate Borrowing shall bear interest at the LIBO Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Rate.

(c) The Revolving Loans that are denominated in Canadian Dollars and comprise each Canadian Prime Rate Borrowing shall bear interest at the Canadian Prime Rate *plus* the Applicable Rate.

(d) The Revolving Loans that are denominated in Canadian Dollars and comprise each CDOR Rate Borrowing shall bear interest at the CDOR Rate for the Interest Period in effect for such Borrowing *plus* the Applicable Rate.

(e) Notwithstanding the foregoing and subject to Section 2.21, if any principal of or interest on any Revolving Loan, any LC Disbursement or any fee payable by any Borrower hereunder is not, in each case, paid or reimbursed when due, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal or interest of any Revolving Loan or unreimbursed LC Disbursement, 2.00% *plus* the rate otherwise applicable to such Revolving Loan or LC Disbursement as provided in the preceding paragraphs of this Section 2.13, Section 2.05(h) or in the amendment to this Agreement relating thereto or (ii) in the case of any other amount, 2.00%*plus* the rate applicable to Revolving Loans that are ABR Revolving Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall accrue pursuant to this Section 2.13(e) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender is a Defaulting Lender.

(f) Accrued interest on each Revolving Loan shall be payable in arrears on each Interest Payment Date for such Revolving Loan and on the Initial Revolving Credit Maturity Date or upon the termination of the Commitments or any Additional Revolving Commitments, as applicable; provided that (i) interest accrued pursuant to paragraph (d) of this Section 2.13 shall be payable on

The applicable Alternate Base Rate, Canadian Prime Rate, CDOR Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Revolving Loan for the day on which the Revolving Loan is made, and shall not accrue on a Revolving Loan, or any portion thereof, for the day on which the Revolving Loan or such portion is paid; provided that any Revolving Loan that is repaid on the same day on which it is made shall bear interest for one day; provided further that, in the case of any ABR Revolving Loan, interest shall accrue through and including the last day of the month preceding the applicable Interest Payment Date.

Section 2.14 Alternate Rate of Interest. If at least two Business Days prior to the commencement of any Interest Period for a LIBO Rate Borrowing or for a CDOR Rate Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate or CDOR Rate, as applicable, for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the LIBO Rate or CDOR Loan Rate for such Interest Period, as applicable, will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Revolving Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall promptly give notice thereof to the Lead Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, which the Administrative Agent agrees promptly to do, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing or CDOR Rate Borrowing shall be ineffective and such Borrowing shall be converted to an ABR Borrowing or Canadian Prime Rate Borrowing, as applicable (or, in the case of a pending request for a Borrowing denominated Euros, Sterling or in any Alternate Currency, the Lead Borrower and the Lenders shall establish a mutually acceptable alternative rate) on the last day of the Interest Period applicable thereto, and (ii) if any Borrowing Request requests a LIBO Rate Borrowing or CDOR Rate Borrowing, such Borrowing shall be made as an ABR Borrowing or Canadian Rate Borrowing, as applicable (or, in the case of a pending request for a Borrowing denominated in Euros, Sterling or any Alternate Currency, the Lead Borrower and the Lenders shall establish a mutually acceptable alternative rate).

Section 2.15 Increased Costs.

(a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the LIBO Rate) or Issuing Bank,

(ii) subjects any Lender or Issuing Bank to any Taxes (other than Indemnified Taxes, Other Taxes and Excluded Taxes) on its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or

(iii) imposes on any Lender or the Issuing Bank or the London interbank market any other condition affecting this Agreement or LIBO Rate Revolving Loans made by any Lender or any Letter of Credit or participation therein,

and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any LIBO Rate Revolving Loan (or of maintaining its obligation to make any such Revolving Loan) or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise) in respect of any LIBO Rate Revolving Loan or Letter of Credit in an amount deemed by such Lender or Issuing Bank to be material, then, within 30 days after the Lead Borrower's receipt of the certificate contemplated by paragraph (c) of this Section 2.15, the Lead Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered; provided that the applicable Borrower shall not be liable for such compensation if (x) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of requests for reimbursement under clause (ii) above resulting from a market disruption, (A) the relevant circumstances are not generally affecting the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's or Issuing Bank's capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Revolving Loans made by, or participations in Letters of Credit, held by such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (other than due to Taxes) (taking into consideration such Lender's policies and the policies of such Lender's or Issuing Bank's holding company with respect to capital adequacy), then within 30 days of receipt by the Lead Borrower of the certificate contemplated by paragraph (c) of this Section 2.15 the Lead Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.15 and setting forth in reasonable detail the manner in which such amount or amounts were determined and certifying that such Lender is generally charging such amounts to similarly situated borrowers shall be delivered to the Lead Borrower and shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or Issuing Bank pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank notifies the Lead

Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided further that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any LIBO Rate Revolving Loan or CDOR Revolving Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any LIBO Rate Revolving Loan or CDOR Revolving Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any LIBO Rate Revolving Loan or CDOR Revolving Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Lead Borrower pursuant to Section 2.19, then, in any such event, the Lead Borrower shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). In the case of a LIBO Rate Revolving Loan or CDOR Revolving Loan, the loss, cost or expense of any Lender shall be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Revolving Loan had such event not occurred, at the LIBO Rate or CDOR Revolving Loan, as applicable, that would have been applicable to such Revolving Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Revolving Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurodollar market or the Canadian market for bankers' acceptances, as applicable; it being understood that such loss, cost or expense shall in any case exclude any interest rate floor and all administrative, processing or similar fees. A certificate of any Lender (i) setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (ii)certifying that such Lender is generally charging the relevant amounts to similarly situated borrowers shall be delivered to the Lead Borrower and shall be conclusive absent manifest error. The Lead Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirements of Law require the deduction or withholding of any Tax from any such payment, then (i) if such Tax is an Indemnified Tax and/or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions and withholdings applicable to additional sums payable under this Section 2.17), each Lender or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall be entitled to and shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Each Loan Party shall jointly and severally indemnify the Administrative Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) (other than any penalties attributable to the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender as determined by a court of competent jurisdiction), and, in each case, any reasonable expenses arising therefrom or with respect thereto; provided that if such Loan Party reasonably believes that such Taxes were not correctly or legally asserted, the Administrative Agent or such Lender, as applicable, will use reasonable efforts to cooperate with such Loan Party to obtain a refund of such Taxes (which shall be repaid to such Loan Party in accordance with Section 2.17(h)) so long as such efforts would not, in the sole determination of the Administrative Agent or such Lender, result in any additional out-of-pocket costs or expenses not reimbursed by such Loan Party or be otherwise materially disadvantageous to the Administrative Agent or such Lender, as applicable. In connection with any request for reimbursement under this Section 2.17(c), the relevant Lender or the Administrative Agent, as applicable, shall deliver a certificate to the Lead Borrower setting forth, in reasonable detail, the basis and calculation of the amount of the relevant payment or liability, which certificate shall be conclusive absent manifest error. Notwithstanding anything to the contrary contained in this Section 2.17(c), the Loan Parties shall not be required to indemnify the Administrative Agent or any Lender pursuant to thisSection 2.17 for any Indemnified Taxes or Other Taxes, to the extent the Administrative Agent or such Lender fails to notify the Lead Borrower of such possible indemnification claim within 180 days after the Administrative Agent or such Lender receives written notice from the applicable taxing authority of the tax assessment giving rise to such indemnification claim. For the avoidance of doubt, this Section 2.17(c) shall not apply to the extent that any Indemnified Taxes or Other Taxes are compensated for by any increased payment underSection 2.17(a), or would have been compensated for by an increased payment underSection 2.17(a), but were not so compensated solely because one of the exclusions set forth in Section 2.17(i) applied.

(d) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes or Other Taxes imposed on or with respect to any payment under any Loan Document that is attributable to such Lender (but only to the extent that no Loan Party has already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to any Lender under any Loan Document or otherwise payable by the Administrative Agent to any Lender from any other source against any amount due to the Administrative Agent under this clause (d).

(e) As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent. Where the payment is in connection with a UK Tax Deduction, the relevant form of receipt or return to be delivered by the Loan Party shall be a statement under section 975 of the UK ITA (or other evidence reasonably satisfactory to such Loan Party that the UK Tax Deduction has been made or (as applicable) any appropriate payment paid to HM Revenue & Customs).

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments made under any Loan Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation as the Lead Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Lead Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.17(f)(ii), (f)(iii)(A), (iii)(B), (iii)(C) and (iii)(E) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) In the case of a Lender advancing a Loan to a UK Borrower:

(1) Subject to Section 2.17(f)(ii)(2) below, a UK Treaty Lender and each Loan Party which makes a payment to which that UK Treaty Lender is entitled under such Loan to a UK Borrower shall co-operate in completing any procedural formalities necessary for that Loan Party to obtain authorization to make that payment without a UK Tax Deduction.

(2) (A) A UK Treaty Lender which becomes a Party on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport Scheme and which wishes that scheme to apply to this Agreement shall confirm its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 1.01(a); and (B) a UK Treaty Lender that is not a party to this Agreement on the date on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport Scheme and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence in the Assignment and Assumption which it executes, or otherwise to the Lead Borrower, the Administrative Agent, or the UK Borrower in writing within fifteen (15) days of it becoming a party to this Agreement, and having done so, such UK Treaty Lender shall be under no obligation pursuant to paragraph (f)(i) or (f)(ii)(1) above.

(3) If a UK Treaty Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with Section 2.17(f)(ii)(2) and a UK Borrower making a payment to that UK Treaty Lender has made a UK Borrower DTTP Filing in respect of that UK Treaty Lender, but (x) that UK Borrower DTTP Filing has been rejected by HM Revenue & Customs or (y) HM Revenue & Customs has not given the UK Borrower authority to make payments to that UK Treaty Lender without a UK Tax Deduction within sixty (60) days of the date of the UK Borrower DTTP Filing, and the relevant UK Borrower has notified that UK Treaty Lender in writing, then, in each

case, that UK Treaty Lender and, in each case, the UK Borrower shall co-operate in completing any additional procedural formalities necessary for the UK Borrower to obtain authorization to make that payment without a UK Tax Deduction.

(4) If a UK Treaty Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with Section 2.17(f)(ii)(2), no UK Borrower shall make a UK Borrower DTTP Filing or file any form relating to the HM Revenue & Customs DT Treaty Passport scheme in respect of that UK Treaty Lender's Commitment or its participation in any loan unless the UK Treaty Lender otherwise agrees.

(5) A UK Borrower shall promptly on making a Borrower DTTP Filing deliver a copy of that UK Borrower DTTP Filing to the relevant UK Treaty Lender.

(iii) Without limiting the generality of the foregoing:

(A) each Lender that is not a Foreign Lender shall deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) each Foreign Lender making a Credit Extension, Overadvance or Protective Advance to the US Borrower shall deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the U.S. is a party, two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such tax treaty;

(2) two executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Lead Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "**U.S. Tax Compliance Certificate**") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent any Foreign Lender is not the beneficial owner, two executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS

Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership and one or more partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit K-4 on behalf of each such partner;

(C) Each Foreign Lender that is not described in clause (B) above shall deliver to the to the Lead Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two executed copies of IRS Form W-8 or IRS Form W-8BEN-E, as applicable, certifying that it is not a U.S. person for U.S. federal income tax purposes;

(D) each Foreign Lender shall deliver to the Lead Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower or the Administrative Agent), two executed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Lead Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(E) if a payment made to any Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA, or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(f)(ii)(D), FATCA shall include all amendments made after the date hereof.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Lead Borrower and the Administrative Agent in writing of its legal inability to do so. Notwithstanding anything to the contrary in this Section 2.17(f), no Lender shall be required to provide any documentation that such Lender is not legally eligible to deliver.

(iv) A UK Non-Bank Lender hereby provides a Tax Confirmation to each UK Borrower by entering into this Agreement, and shall promptly notify the Administrative Agent if there is any change in the position from that set out in the UK Tax Confirmation.

(v) Each Lender which becomes a party to this Agreement after the date of this Agreement (a "**New Lender**") shall, in relation to a UK Borrower, indicate in the Assignment and Assumption that it executes on becoming a party hereto or otherwise to the Lead

Borrower, UK Borrower or Administrative Agent in writing within fifteen (15) days, for the benefit of the Administrative Agent and without liability to any Loan Party, whether it is: (1) a UK Qualifying Lender (other than a UK Treaty Lender), (2) not a UK Qualifying Lender or (3) a UK Treaty Lender. If a New Lender fails to indicate its status in accordance with this Section 2.17(f)(v), then such New Lender shall be treated for the purposes of this Agreement by the Administrative Agent and each Loan Party as if it was not a UK Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent upon receipt of such notification, shall inform the Lead Borrower or the UK Borrower). For the avoidance of doubt, an Assignment and Assumption or other transfer of a Loan Document shall not be invalidated by any failure of a Lender to comply with this Section 2.17(f)(v).

(g) On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Lead Borrower), the Administrative Agent will deliver to the Lead Borrower either (i) an executed copy of IRS Form W-9, or (ii) (x) with respect to any amounts received on its own account, an executed copy of an applicable IRS Form W-8, and (y) with respect to any amounts received for or on account of any Lender, an executed copy of IRS Form W-8 IMY certifying on Part I, Part II and Part VI thereof that it is a U.S. branch that has agreed to be treated as a U.S. person for U.S. federal tax purposes with respect to payments received by it from the Lead Borrower in its capacity as Administrative Agent, as applicable. The Administrative Agent shall promptly notify the Lead Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(h) If the Administrative Agent or any Lender determines, in its sole discretion, that it (or any member of its group) has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender agrees to repay the amount paid over to such Loan Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event shall the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (h) to the extent that the payment thereof would place the Administrative Agent or such Lender in a less favorable net after-Tax position than the position that the Administrative Agent or such Lender would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the relevant Loan Party or any other Person.

(i) With respect to any Lender advancing a loan to a UK Borrower, a payment by a Loan Party in respect of an amount due from a UK Borrower shall not be increased under Section 2.17 (a) above by reason of a UK Tax Deduction, if on the date on which the payment falls due:

(i) the payment could have been made to the relevant Lender without a UK Tax Deduction if the Lender had been a UK Qualifying Lender, but on that date that Lender is not or has ceased to be a UK Qualifying Lender other than as a result of any change after the date it became a Lender under this Agreement in (or in the interpretation, administration or application of) any law or Treaty or any published practice or published concession of any relevant taxing authority;

(ii) the relevant Lender is a UK Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of UK Qualifying Lender and (A) an officer of HM Revenue & Customs has given (and not revoked) a direction (a "Direction") under section 931 of the UK ITA which relates to the payment and that Lender has received from the Loan Party making the payment a certified copy of that Direction, and (B) the payment could have been made to the Lender without any UK Tax Deduction if that Direction had not been made;

(iii) the relevant Lender is a UK Qualifying Lender solely by virtue of paragraph (a)(ii) of the definition of UK Qualifying Lender and (A) the relevant Lender has not given a UK Tax Confirmation to the UK Borrower, and (B) the payment could have been made to the Lender without any UK Tax Deduction if the Lender had given a UK Tax Confirmation to the UK Borrower, on the basis that the UK Tax Confirmation would have enabled the UK Borrower to have formed a reasonable belief that the payment was an "excepted payment" for the purposes of section 930 of the UK ITA; or

(iv) the relevant Lender is a UK Treaty Lender and the UK Borrower making the payment is able to demonstrate that the payment could have been made to the Lender without the UK Tax Deduction had that Lender complied with its obligations under Section 2.17(f)(ii), as applicable.

(j) VAT

(i) All amounts set out or expressed in a Loan Document to be payable by any party to this agreement (a "Party") to the Administrative Agent or any Lender which (in whole or in part) constitute the consideration for any supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to Section 2.17(i)(ii) below, if VAT is or becomes chargeable on any supply made by any Lender or the Administrative Agent to any Party under a Loan Document and the Administrative Agent or any such Lender is required to account to the relevant tax authority for the VAT, that Party shall pay to the Administrative Agent or such Lender (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of such VAT (and such the Administrative Agent or such Lender, as applicable, shall promptly provide an appropriate VAT invoice to such Party).

(ii) If VAT is or becomes chargeable on any supply made by any Administrative Agent or any Lender (the "Supplier") to any other of the Administrative Agent or any Lender (the "Recipient") under a Loan Document, and any Party other than the Recipient (the "Subject Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Recipient in respect of that consideration):

(A) where the Supplier is the person required to account to the relevant tax authority for the VAT, the Subject Party shall also pay to the Supplier (in addition to and at the same time as paying such amount) an amount equal to the amount of such VAT. The Recipient will, where this Section 2.17(i)(ii)(A) applies, promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Recipient from the relevant tax authority which the Recipient determines, in its sole discretion, relates to the VAT chargeable on the supply; and

(B) where the Recipient is the person required to account to the relevant tax authority for the VAT, the Subject Party shall promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any Party to reimburse or indemnify the Administrative Agent or any Lender for any cost or expense, that Party shall reimburse or indemnify (as the case may be) the Administrative Agent or any such Lender for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that the Administrative Agent or any such Lender reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 2.17(i) to any Party shall, at any time when such Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

(v) In relation to any supply made by the Administrative Agent or any Lender to any Party under a Loan Document, if reasonably requested by the Administrative Agent or any such Lender, that Party must promptly provide details of its VAT registration and such other information as is reasonably requested in connection with the Administrative Agent's or any such Lender's VAT reporting requirements in relation to such supply

(k) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(l) For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank.

Section 2.18 Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a) Unless otherwise specified, each Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressed hereunder or under such Loan Document (or, if no time is expressly required, by 2:00 p.m.). Each such payment shall be made on the date when due, in immediately available funds, without set-off (except as otherwise provided in Section 2.17) or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Lead Borrower by the Administrative Agent, except that

payments to be made directly to the applicable Issuing Bank as expressly provided herein and except payments made pursuant to Sections 2.05(e)(i), 2.12(b)(iii) and (iv), 2.15, 2.16 or 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round such Lender's percentage of such Borrowing to the next higher or lower whole dollar amount. Unless other specified herein all payments (including accrued interest) hereunder shall be made in (u) Dollars, to the extent the Revolving Loan or LC Disbursement with respect thereto was denominated in Dollars, (w) Canadian Dollars, to the extent the Revolving Loan or LC Disbursement with respect thereto was denominated in Canadian Dollars, (x) Euros, to the extent the Revolving Loan or LC Disbursement with respect thereto was denominated in Euros (y) Sterling, to the extent the Revolving Loan or LC Disbursement with respect thereto was denominated in Sterling and (z) the applicable Alternate Currency, to the extent the Revolving Loan or LC Disbursement with respect thereto was denominated in such Alternate Currency. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right ofset-off or otherwise) in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements of any Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans or participations in LC Disbursements of such Class and accrued interest thereon than the proportion received by any other Lender with Revolving Loans or participations in LC Disbursements of such Class, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Revolving Loans or participations in LC Disbursements of such Class at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans or participations in LC Disbursements of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Revolving Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22 or 2.23. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(d) Unless the Administrative Agent has received notice from any Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender or any Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender or Issuing Lender the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each Lender or the applicable Issuing Bank severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate (or (A) in the case of any Letter of Credit denominated in Canadian Dollars, the Canadian Prime Rate, (B) in the case of any Letter of Credit denominated in Euros or Sterling, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by and (C) in the case of any Letter of Credit denominated in any Alternate Currency, the Administrative Agent's customary rate for interbank advances in the Alternate Currency in which such Letter of Credit is denominated) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.07(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Revolving Loans or CDOR Revolving Loans pursuant to Section 2.20, or any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Revolving Loans hereunder or its participations in any Letter of Credit affected by such event, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any material unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The applicable Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Revolving Loans or CDOR Revolving Loans pursuant to Section 2.20, (ii) if any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) if any Lender is a Defaulting Lender or (iv) if in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby" (or any other Class or group of Lenders other than the Required Lenders) with respect to which Required Lender consent (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender described in this clause (iv), a "**Non-Consenting Lender**"), then the Lead Borrower may, at its sole expense and effort, upon

notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments and/or Additional Revolving Commitments of such Lender, and repay all Obligations of the Borrowers owing to such Lender relating to the applicable Revolving Loans and participations held by such Lender as of such termination date or (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that (A) such Lender shall have received payment of an amount equal to the outstanding principal amount of its Revolving Loans and, if applicable, participations in LC Disbursements, in each case of such Class of Revolving Loans, Commitments and/or Additional Revolving Commitments, accrued interest thereon, accrued fees and all other amounts payable to it under any Loan Document with respect to such Class of Revolving Loans, Commitments and/or Additional Revolving Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (C) such assignment does not conflict with applicable law. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrowers may not repay the Obligations of such Lender or terminate its Commitments or Additional Revolving Commitments, if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender's Revolving Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (and the corresponding assignment) invalid), such assignment shall be recorded in the Register, any such Promissory Note shall be deemed cancelled. Each Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent's discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (b).

Section 2.20 Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Revolving Loans whose interest is determined by reference to the Published LIBO Rate or the CDOR Rate, or to determine or charge interest rates based upon the Published LIBO Rate or the CDOR Rate, or any Governmental Authority has imposed material restrictions on the Canadian market for bankers' acceptances or on the authority of such Lender to purchase or sell, or to take deposits of Dollars, Euros or Sterling in the applicable interbank market, then, on notice thereof by such Lender to the Lead Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue LIBO Rate Revolving Loans in Dollars, Euros, Sterling or any Alternate Currency or to convert ABR Revolving Loans to LIBO Rate Revolving Loans shall be suspended, (ii) any obligation of such Lender to make or continue CDOR Revolving Loans in Canadian Dollars or to convert Canadian Prime Rate Revolving Loans to CDOR Revolving Loans shall be suspended, (iii) if such notice asserts the illegality of such Lender making or maintaining ABR Revolving Loans the interest rate on which is determined by reference to the Published LIBO Rate component of the Alternate Base Rate, the interest rate on which ABR Revolving Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise

to such determination no longer exist (which notice such Lender agrees to give promptly) and (iv) if such notice asserts the illegality of such Lender making or maintaining Canadian Prime Rate Revolving Loans the interest rate on which is determined by reference to the CDOR Rate component of the Canadian Prime Rate, the interest rate on such Lender's Canadian Prime Rate Revolving Loans, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the CDOR Rate component of the Canadian Prime Rate, in each case until such Lender notifies the Administrative Agent and the Lead Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly). Upon receipt of such notice, (x) the Lead Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), (1) if applicable and such Revolving Loans are denominated in Dollars, prepay or convert all of such Lender's LIBO Rate Revolving Loans to ABR Revolving Loans (the interest rate on which ABR Revolving Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate), (2) if applicable and the relevant Revolving Loans are denominated in Canadian Dollars, convert all of such Lender's CDOR Revolving Loans to Canadian Prime Rate Revolving Loans (the interest rate on which Canadian Prime Rate Revolving Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the CDOR Rate component of the Canadian Prime Rate) or (3) if applicable and such Revolving Loans are denominated in Euros or Sterling or any Alternate Currency, convert such Revolving Loans to Revolving Loans bearing interest at an alternative rate mutually acceptable to the Lead Borrower and such Lender, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBO Rate Revolving Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Revolving Loans (in which case the applicable Borrower shall not be required to make payments pursuant to Section 2.16 in connection with such payment) and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Published LIBO Rate or the CDOR Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Published LIBO Rate or CDOR Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Published LIBO Rate or CDOR Rate. Upon any such prepayment or conversion, the applicable Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the unfunded portion of any Commitment of such Defaulting Lender pursuant to Section 2.12(a) and, subject to clause (d)(iv) below, on the participation of such Defaulting Lender in Letters of Credit pursuant to Section 2.12(b), 2.12(c) or 2.12(d) and pursuant to any other provisions of this Agreement or other Loan Document.

(b) The Commitments and the Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders, or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article 7, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Lead Borrower as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;second, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to any applicable Issuing Bank hereunder;third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable Issuing Bank, to be held as Cash collateral for future funding obligations of such Defaulting Lender in respect of any participation in any Letter of Credit; fourth, so long as no Default or Event of Default exists as the Lead Borrower may request, to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, as the Administrative Agent or the Lead Borrower may elect, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Revolving Loans under this Agreement; sixth, to the payment of any amounts owing to the non-Defaulting Lenders, Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by anynon-Defaulting Lender, any Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, to the payment of any amounts owing to the Lead Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Lead Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Revolving Loan or LC Exposure in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Revolving Loan or LC Exposure was made or created, as applicable, at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Revolving Loans of, and LC Exposure owed to, all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Revolving Loans of, or LC Exposure owed to, such Defaulting Lender. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(c) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(d) If any LC Exposure exists at the time any Lender becomes a Defaulting Lender then:

(i) all or any part of the LC Exposure of such Defaulting Lender shall be reallocated among thenon-Defaulting Lenders of the applicable class in accordance with their respective Applicable Percentages of such class but only to the extent (A) the sum of all non-Defaulting Lenders' Revolving Credit Exposures of any Class does not exceed the total of all non-Defaulting Lenders' Commitments in respect of such Class and (B) the Revolving Credit Exposure of anynon-Defaulting Lender with respect to any Class does not exceed such non-Defaulting Lender's Commitment in respect of such Class;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Lead Borrower shall, without prejudice to any other right or remedy available to it hereunder or under law, within two Business Days following notice by the Administrative Agent, Cash collateralize 100% of such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to paragraph (i) above and any Cash collateral provided by such Defaulting Lender or pursuant to Section 2.21(c) above) or make other arrangements reasonably satisfactory to the Administrative Agent and to the applicable Issuing

Bank with respect to such LC Exposure and obligations to fund participations. Cash collateral (or the appropriate portion thereof) provided to reduce LC Exposure or other obligations shall be released promptly following (A) the elimination of the applicable LC Exposure or other obligations giving rise thereto (including by the termination of the Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 2.19)) or (B) the Administrative Agent's good faith determination that there exists excess Cash collateral (including as a result of any subsequent reallocation of LC Exposure among non-Defaulting Lenders described in clause (i) above);

(iii) (A) if the LC Exposure of the non-Defaulting Lenders of any Class is reallocated pursuant to this Section 2.21(d), then the fees payable to the Lenders of such Class pursuant to Sections 2.12(a) and (b), as the case may be, shall be adjusted to give effect to such reallocation and (B) if the LC Exposure of any Defaulting Lender of any Class is Cash collateralized pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Lender in respect of such Class or any Borrower hereunder, no letter of credit fee shall be payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure in respect of such Class; and

(iv) if any Defaulting Lender's LC Exposure in respect of any Class is not Cash collateralized, prepaid or reallocated pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure of such Class shall be payable to the applicable Issuing Bank until such Defaulting Lender's LC Exposure in respect of such Class is Cash collateralized or reallocated.

(e) So long as any Lender of any Class is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, create, incur, amend or increase any Letter of Credit unless it is reasonably satisfied that the related exposure will be 100% covered by the Commitments of the non-Defaulting Lenders of such Class, Cash collateral provided pursuant to Section 2.21(c) and/or Cash collateral provided by the applicable Borrower in accordance with Section 2.21(d), and participating interests in any such or newly issued, extended or created Letter of Credit shall be allocated among non-Defaulting Lenders of the relevant Class in a manner consistent with Section 2.21(d)(i) (it being understood that Defaulting Lenders shall not participate therein).

(f) In the event that the Administrative Agent and the Lead Borrower agree that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Applicable Percentage of LC Exposure of the Lenders of the relevant Class shall be readjusted to reflect the inclusion of such Lender's Commitment, and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders or participations in Revolving Loans of such Class as the Administrative Agent shall determine as are necessary in order for such Lender to hold such Revolving Loans or participations in accordance with its Applicable Percentage. Notwithstanding the fact that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, (x) no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the applicable Borrower while such Lender was a Defaulting Lender and (y) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

Section 2.22 Incremental Facilities.

(a) The Lead Borrower may, at any time, on one or more occasions pursuant to an Incremental Facility Agreement increase the aggregate amount of Commitments of any existing Class of Commitments (any such increase, an "**Incremental Revolving Facility**" and the loans thereunder, "**Incremental Revolving Loans**") in an aggregate principal amount not to exceed the Incremental Cap; provided that:

(i) no Incremental Revolving Commitment may be less than $5,000,000,

(ii) except as separately agreed from time to time between the Lead Borrower and any Lender, no Lender shall be obligated to provide any Incremental Revolving Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender,

(iii) no Incremental Revolving Facility or Incremental Revolving Loan (or the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a Lender providing all or part of any Incremental Revolving Commitment or Incremental Revolving Loan,

(iv) the terms of each Incremental Revolving Facility will be substantially identical to those applicable to the Revolving Facility,

(v) Except as otherwise agreed by the lenders providing the relevant Incremental Facility in connection with a Permitted Acquisition or other Investment permitted by the terms of this Agreement, no Event of Default shall exist immediately prior to or after giving effect to such Incremental Revolving Facility,

(vi) the proceeds of any Incremental Revolving Facility may be used for working capital and other general corporate purposes and any other use not prohibited by this Agreement, and

(vii) at no time shall there be more than three separate Maturity Dates in effect with respect to any existing Additional Revolving Facility at any time.

(b) Incremental Revolving Commitments may be provided by any existing Lender, or by any other lender (other than any Disqualified Institution) (any such other lender being called an "**Additional Revolving Lender**"); provided that the Administrative Agent and any Issuing Bank shall have consented (such consent not to be unreasonably withheld) to the relevant Additional Revolving Lender's provision of Incremental Revolving Commitments if such consent would be required under Section 9.05(b) for an assignment of Revolving Loans to such Additional Revolving Lender.

(c) Each Lender or Additional Revolving Lender providing a portion of any Incremental Revolving Commitment shall execute and deliver to the Administrative Agent and the Lead Borrower all such documentation (including the relevant Incremental Revolving Facility Agreement) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Revolving Commitment. On the effective date of such Incremental Revolving Commitment, each Additional Revolving Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Revolving Facility or the making of any Incremental Revolving Loans, (i) upon its reasonable request, the Administrative Agent shall have received customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the

Administrative Agent shall have received, from each Additional Revolving Lender, an Administrative Questionnaire and such other documents as it shall reasonably require from such Additional Revolving Lender, (iii) the Administrative Agent and Lenders shall have received all fees required to be paid in respect of such Incremental Revolving Facility or Incremental Revolving Loans and (iv) the Administrative Agent shall have received a certificate of the applicable Borrower signed by a Responsible Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the applicable Borrower approving or consenting to such Incremental Revolving Facility or Incremental Revolving Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(x) above has been satisfied.

(e) (i) Each Lender of the applicable class immediately prior to such increase will automatically and without further act be deemed to have assigned to each relevant Incremental Revolving Facility Lender, and each relevant Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed a portion of such Lender's participations hereunder in outstanding US Letters of Credit, Canadian Letters of Credit and/or European Letters of Credit, as applicable, such that, after giving effect to each deemed assignment and assumption of participations, all of the Lenders' (including each Incremental Revolving Facility Lender) participations hereunder in US Letters of Credit, Canadian Letters of Credit and/or European Letters of Credit, as applicable, shall be held on a pro rata basis on the basis of their respective Commitments of the applicable class (after giving effect to any increase in the Commitment pursuant to Section 2.22) and (ii) the existing Lenders of the applicable Class shall assign Revolving Loans to certain other Lenders of such Class (including the Lenders providing the relevant Incremental Revolving Facility), and such other Lenders (including the Lenders providing the relevant Incremental Revolving Facility) shall purchase such Revolving Loans, in each case to the extent necessary so that all of the Lenders of such Class participate in each outstanding borrowing of Revolving Loans *pro rata* on the basis of their respective Commitments of such Class (after giving effect to any increase in the Commitment pursuant to this Section 2.22); it being understood and agreed that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (e).

(f) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Agreement and any other amendments to this Agreement and the other Loan Documents with the Loan Parties as may be necessary in order to establish new tranches or sub tranches in respect of Revolving Loans or commitments increased or extended pursuant to this Section 2.22 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new tranches or sub tranches, in each case on terms consistent with this Section 2.22.

(h) This Section 2.22 shall supersede any provision in Section 2.18 or 9.02 to the contrary.

Section 2.23 Extensions of Revolving Loans and Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the applicable Borrower or Borrowers to all Lenders holding Revolving Loans of any Class or Commitments of any Class, in each case on a *pro rata* basis (based on the aggregate outstanding principal amount of the respective Revolving Loans or Commitments of such Class) and on the same terms to each such Lender, the Borrowers are hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in any such Extension Offer to extend the Maturity Date of such Lender's Revolving Loans and/or commitments and otherwise modify the terms of such Revolving Loans and/or commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Revolving Loans and/or commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Revolving Loans) (each, an "**Extension**", and each group of Revolving Loans or commitments, as applicable, in each case as so extended, as well as the original Revolving Loans and the original commitments (in each case not so extended), being a "**tranche**"; any Extended Revolving Credit Commitments shall constitute a separate tranche of revolving commitments from the tranche of revolving commitments from which they were converted), so long as the following terms are satisfied:

(i) except as to (x) interest rates, fees and final maturity (which shall be determined by the applicable Borrower and any Lender who agrees to an Extension and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Revolving Credit Commitments or Extended Revolving Loans (each as defined below) that are more favorable to the lenders or the agent of such Extended Revolving Credit Commitments or Extended Revolving Loans than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents for the benefit of the Revolving Lenders or, as applicable, the Administrative Agent (*i.e*., by conforming or adding a term to the then-outstanding Revolving Loans pursuant to the applicable Extension Amendment), and (z) any covenants or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of such Extension), the commitment of any Lender that agrees to an Extension (an "**Extended Revolving Credit Commitment**"; and the Revolving Loans thereunder, "**Extended Revolving Loans**"; and each Class of Extended Revolving Credit Commitments, an "**Extended Revolving Facility**"), and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with the same terms (or terms not less favorable to existing Lenders) as the original revolving commitments (and related outstandings) provided hereunder; provided that (x) to the extent any non-extended portion of any Additional Revolving Facility then exists, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on such revolving facilities (and related outstandings), (B) repayments required upon the Maturity Date of such revolving facilities and (C) repayments made in connection with any permanent repayment and termination of commitments (subject to clause (3) below)) of Extended Revolving Loans after the effective date of such Extended Revolving Credit Commitments shall be made on a *pro rata* basis with such portion of the relevant Additional Revolving Facility, (2) all letters of credit made or issued, as applicable, under any Extended Revolving Credit Commitment shall be participated on a *pro rata* basis by all Lenders and (3) the permanent repayment of Revolving Loans with respect to, and termination of commitments under, any such Extended Revolving Credit Commitment after the effective date of such Extended Revolving Credit Commitments shall be made on a *pro rata* basis with such portion of any Additional Revolving Facility, except that the applicable Borrower shall be permitted to permanently repay and terminate commitments of any such revolving facility on a greater than *pro rata* basis as compared with any other revolving facility with a later Maturity Date than such revolving facility and (y) at no time shall there be more than three separate Classes of revolving commitments hereunder (including Incremental Revolving Commitments, Extended Revolving Credit Commitments and Replacement Revolving Facilities);

(ii) no Extended Revolving Credit Commitments or Extended Revolving Loans shall have a final maturity date earlier than (or require commitment reductions prior to) the then applicable Latest Revolving Loan Maturity Date;

(iii) if the aggregate principal amount of Revolving Loans or commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Revolving Loans or commitments, as the case may be, offered to be extended by the applicable Borrower pursuant to such Extension Offer, then the Revolving Loans or commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer;

(iv) each Extension shall be in a minimum amount of $5,000,000;

(v) any applicable Minimum Extension Condition shall be satisfied or waived by the applicable Borrower; and

(vi) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to any Extension consummated pursuant to this Section 2.23, (i) no such Extension shall constitute a voluntary or mandatory prepayment for purposes of Section 2.11, and (ii) except as set forth in clause (a)(iv) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the applicable Borrower may, at its election, specify as a condition (a "**Minimum Extension Condition**") to consummating such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the applicable Borrower's sole discretion and which may be waived by the applicable Borrower) of Revolving Loans or commitments (as applicable) of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, any payment of any interest, fees or premium in respect of any tranche of Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Section 2.10, 2.11 or 2.18) or any other Loan Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.23.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Revolving Loans and/or commitments under any Class (or a portion thereof). All Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Loan Documents that are secured by the applicable Collateral and guaranteed on a *pari passu* basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendments and any other Loan Documents with the Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Revolving Loans or commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.23.

(d) In connection with any Extension, the applicable Borrower or Borrowers shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.23.

(l) Subordination. The Obligations ceasing or the assertion in writing by any Loan Party that the Obligations cease to constitute senior indebtedness under the subordination provisions of any document or instrument evidencing any permitted Subordinated Indebtedness in excess of the Threshold Amount or any such subordination provision being invalidated or otherwise ceasing, for any reason, to be valid, binding and enforceable obligations of the parties thereto;

then, and in every such event (other than an event with respect to the Borrowers described in clause (f) or (g) of this Article)) and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Lead Borrower, take any of the following actions, at the same or different times: (i) terminate the Commitments or any Additional Revolving Commitments, and thereupon such Commitments and/or Additional Revolving Commitments shall terminate immediately, (ii) declare the Revolving Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Revolving Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Borrower and (iii) require that the US Borrower deposit in the US LC Collateral Account, the Canadian Borrowers deposit in the Canadian LC Collateral Account and the European Borrowers deposit in the European LC Collateral Account, an additional amount in Cash as reasonably requested by the Issuing Banks (not to exceed 101% of the relevant face amount) of the then outstanding US LC Exposure (minus the amount then on deposit in the US LC Collateral Account), Canadian LC Exposure (minus the amount then on deposit in the Canadian LC Collateral Account) or European LC Exposure (minus the amount then on deposit in the European LC Collateral Account), as applicable; provided that upon the occurrence of an event with respect to any Borrower (other than any Borrower that is a Canadian Loan Party, Dutch Loan Party or UK Loan Party that is not bound by the applicable Debtor Relief Laws) described in clause (f) or (g) of this Article, any such Commitments and/or Additional Revolving Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrowers accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC or the PPSA.

ARTICLE 8

THE ADMINISTRATIVE AGENT

Section 8.01 The Administrative Agent.

Each of the Lenders and the Issuing Banks hereby irrevocably appoints Citi (or any successor appointed pursuant hereto) as Administrative Agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default exists, and the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers that are expressly contemplated by the Loan Documents and which the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable laws, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Lead Borrower or any of its Restricted Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Lead Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any covenant, agreement or other term or condition set

forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral, (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) any property, book or record of any Loan Party or any Affiliate thereof.

If any Lender (including Citi, in its capacity as a Lender) acquires knowledge of a Default or Event of Default, it shall promptly notify the Administrative Agent and the other Lenders thereof in writing. Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at any foreclosure sale, UCC or PPSA sale, any sale under Section 363 of the Bankruptcy Code or other similar Dispositions of Collateral. Notwithstanding the foregoing, however, a Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the Borrowers, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Guaranty; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by, the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the other Loan Documents may be exercised solely by, the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to Section 363 of the Bankruptcy Code), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such Disposition.

No holder of any Secured Hedging Obligation or Secured Banking Services Obligation in its respective capacity as such shall have any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement.

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties to take any of the following actions upon the instruction of the Required Lenders:

(a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including under Section 363 thereof;

(c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC or PPSA, including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clause (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clause (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis.

With respect to each contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clause (b), (c) or (d) of the third preceding paragraph shall be entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition, by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Revolving Loan or LC exposure is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Revolving Loans or LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Revolving Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender, or the applicable Issuing Bank, unless the Administrative Agent has received notice to the contrary from such Lender or Issuing Bank prior to the making of such Revolving Loan, or the issuance of a Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or moresub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

The Administrative Agent may resign or be removed at any time by delivery of ten days' prior written notice to the Lenders, the Issuing Bank and the Lead Borrower or the Administrative Agent, as applicable. If the Administrative Agent becomes subject to an insolvency proceeding, either the Required Lenders or the Lead Borrower may, upon ten days' notice, remove the Administrative Agent. Upon receipt of any such notice of resignation or delivery of any such notice of removal, the Required Lenders shall have the right, with the consent of the Lead Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a commercial bank or trust company with offices in the U.S. having combined capital and surplus in excess of $1,000,000,000; provided that during the existence and continuation of an Event of Default under Section 7.01(a) or, with respect to Holdings or the Borrowers, Section 7.01(f) or (g), no consent of the Lead Borrower shall be required. If no successor shall have been appointed as provided above and accepted such appointment within ten days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, consent of the Lead Borrower) or (b) in the case of a removal, the Lead Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Lead Borrower, the Lenders and the Issuing Banks that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Lead Borrower notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with and on the 30th day following delivery of such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for perfection purposes, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Bank directly (and each Lender and each Issuing Bank will cooperate with the Lead Borrower to enable the Lead Borrower to take such actions), until such time as the Required Lenders or the Lead Borrower, as applicable, appoint a successor Administrative Agent, as provided for above in this Article 8. Upon the acceptance of its appointment as Administrative Agent hereunder as a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor Administrative Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution (nor any Affiliate thereof) may be appointed as a successor Administrative Agent. For purposes of any Collateral Document governed by the laws of the Netherlands or any other right of pledge governed by the laws of the Netherlands (a "**Dutch Collateral Document**"), any resignation by the Administrative Agent is not effective with respect to its rights under the Parallel Debts until all rights

and obligations under the Parallel Debts have been assigned and assumed to the successor agent. The Administrative Agent will reasonably cooperate in transferring its rights and obligations under the Parallel Debts to any such successor agent and will reasonably cooperate in transferring all rights under any Dutch Collateral Document to such successor agent.

Notwithstanding anything to the contrary contained herein, each Issuing Bank may, upon ten days' prior written notice to the Lead Borrower, each other Issuing Bank and the Lenders, resign as Issuing Bank, which resignation shall be effective as of the date referenced in such notice (but in no event less than ten days after the delivery of such written notice); it being understood that in the event of any such resignation, any Letter of Credit then outstanding shall remain outstanding (irrespective of whether any amounts have been drawn at such time). In the event of any such resignation as an Issuing Bank, the Lead Borrower shall, unless an Event of Default under Section 7.01(a) or, with respect to Holdings or the Borrowers, Section 7.01(f) or (g) then exists, be entitled to appoint any Revolving Lender that is willing to accept such appointment as successor Issuing Bank hereunder. Upon the acceptance of any appointment as Issuing Bank hereunder by a successor Issuing Bank, such successor Issuing Bank thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Issuing Bank and the retiring Issuing Bank shall be discharged from its duties and obligations in such capacity hereunder.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent of each or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent of each or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders and the Issuing Banks by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender or any Issuing Bank with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement, except in their respective capacities as the Administrative Agent, an Issuing Bank or a Lender hereunder, as applicable.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent shall,

(a) release any Lien on any property granted to or held by Administrative Agent under any Loan Document (i) upon the occurrence of the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) that does not constitute (or ceases to constitute) Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Loan Guaranty otherwise in accordance with the Loan Documents, (v) as required under clause (d) below or (vi) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.02;

(b) subject to Section 9.23, release any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder; provided that the release of any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Subsidiary Guarantor becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof shall only be permitted if at the time such Guarantor becomes an Excluded Subsidiary of such type (1) no Event of Default exists, (2) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be an Excluded Subsidiary of such type, the Lead Borrower is deemed to have made a new Investment in such Person for purposes of Section 6.06 (as if such Person were then newly acquired) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the Lead Borrower's equity interest therein as reasonably estimated by the Lead Borrower and such Investment is permitted pursuant to Section 6.06 (other than Section 6.06(f)) at such time and (3) a Responsible Officer of the Lead Borrower certifies to the Administrative Agent compliance with preceding clauses (1) and (2));

(c) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(d), 6.02(e), 6.02(g), 6.02(m), 6.02(n), 6.02(o), 6.02(q), 6.02(r), 6.02(x), 6.02(y), 6.02(z)(i), 6.02(bb), 6.02(cc), 6.02(ee), 6.02(ff) and 6.02(ll) (and any Liens securing Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k)); provided, that the subordination of any Lien on any property granted to or held by the Administrative Agent shall only be required to the extent that the Lien of the Administrative Agent with respect to such property is required to be subordinated to the relevant Permitted Lien in accordance with applicable law or the documentation governing the Indebtedness that is secured by such Permitted Lien; and

(d) enter into subordination, intercreditor and/or similar agreements with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens, and with respect to which Indebtedness, this Agreement contemplates an intercreditor, subordination or collateral trust agreement.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Guarantee or its Lien on any Collateral pursuant to this Article 8. In each case as specified in this Article 8, the Administrative Agent will (and each Lender, and Issuing Bank, hereby authorizes the Administrative Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article 8; provided that upon the request of the Administrative Agent, the Lead Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement.

The Administrative Agent is authorized to enter into any intercreditor agreement contemplated hereby with respect to Indebtedness (A) that is (i) required or permitted to be subordinated hereunder, (ii) secured by Liens and/or (iii) otherwise required to be subject to an Acceptable Intercreditor Agreement and (B) which contemplates an intercreditor, subordination or collateral trust agreement (any such intercreditor agreement, an "**Additional Agreement**"), and the parties hereto acknowledge that any such Additional Agreement is binding upon them. Each Lender, and Issuing Bank, (a) hereby agrees that

it will be bound by, and will not take any action contrary to any Additional Agreement and (b) hereby authorizes and instructs the Administrative Agent to enter into any Additional Agreement and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrowers, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any Additional Agreement.

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrowers, the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding tax. If the forms or other documentation required by Section 2.17 are not delivered to the Administrative Agent, then the Administrative Agent may withhold from any payment to any Lender not providing such forms or other documentation, an amount equivalent to the applicable withholding tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding tax ineffective or for any other reason, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including any penalties or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section. The provisions of this Section 8.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

For greater certainty, and without limiting the powers of the Administrative Agent, each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent as hypothecary representative of the Secured Parties as contemplated under Article 2692 of the Civil Code of Quebec in order to hold hypothecs and security granted by any Loan Party on property pursuant to the laws of the Province of Quebec and to exercise such powers and duties which are conferred upon the Secured Parties thereunder. The execution by the Administrative Agent as hypothecary representative prior to this Agreement of any deeds of hypothec or other security documents is hereby ratified and confirmed. The appointment of the Administrative Agent as hypothecary representative shall be deemed to have been ratified and confirmed by each Person accepting an assignment of, a participation in or an arrangement in respect of, all or any portion of any Secured Parties' rights and

obligations under this Agreement by the execution of an assignment, including an Assignment and Assumption or a joinder or other agreement pursuant to which it becomes such assignee or participant. In the event of the resignation or removal of the Administrative Agent and appointment of a successor Administrative Agent, such successor Administrative Agent shall also act as hypothecary representative without further formality, except the filing of a notice of replacement of hypothecary representative pursuant to Article 2692 of the Civil Code of Quebec.

Section 8.02 Parallel Debt.

(a) Each Loan Party which agrees to provide security expressed to be governed by Dutch law (a "**Dutch Collateral Party**") hereby irrevocably and unconditionally undertakes to pay to the Administrative Agent an amount equal to the amounts due by that Dutch Collateral Party in respect of its Corresponding Obligations as they may exist from time to time. The payment undertaking of each Dutch Collateral Party under this Article 8 (*Parallel Debt*) are each to be referred to as a "**Parallel Debt**".

(b) The Parallel Debts of each Dutch Collateral Party will be payable in the currency or currencies of the Corresponding Obligations and will become due and payable as and when and to the extent one or more of the relevant Corresponding Obligations become due and payable. An Event of Default in respect of the Corresponding Obligations shall constitute a default (*verzuim*) within the meaning of section 3:248 of the Dutch Civil Code with respect to the Parallel Debts without any notice being required.

(c) Each of the parties to this Agreement hereby acknowledges that:

(i) each Parallel Debt constitutes an undertaking, obligation and liability to the Administrative Agent which is separate and independent from, and without prejudice to, the Corresponding Obligations of the relevant Dutch Collateral Party; and

(ii) each Parallel Debt represents the Administrative Agent's own separate and independent claim to receive payment of the Parallel Debt from the relevant Dutch Collateral Party,

it being understood, in each case, that pursuant to this clause (c), the amount which may become payable by each Dutch Collateral Party as a Parallel Debt shall never exceed the total of the amounts which are payable under or in connection with the Corresponding Obligations at that time.

(d) For the purpose of this Article 8 the Administrative Agent acts in its own name and on behalf of itself and not as agent, trustee or representative of any other Secured Party.

(iii) if to any Lender, to it at its address or facsimile number set forth in its Administrative Questionnaire.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01 or (B) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; provided that received notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail and Internet or Intranet websites) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent. The Administrative Agent or the Lead Borrower (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto.

(d) The Borrowers hereby acknowledge that (A) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "**Borrower Materials**") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "**Platform**") and (B) certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The Borrowers hereby agree that (x) by marking Borrower Materials "PUBLIC," the Borrowers shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) (provided, however, that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 9.13); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information"; and (z) the Administrative Agent shall treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information"; provided that, for purposes of the foregoing, all information and materials provided pursuant to Section 5.01(a) or (b) shall be deemed to be suitable for posting to Public Lenders.

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "*Private Side Information*" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the "*Public Side Information*" portion of the Platform and that may contain material nonpublic information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

THE PLATFORM IS PROVIDED "*AS IS*" AND "*AS AVAILABLE*." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR MATERIAL BREACH OF ANY LOAN DOCUMENT.

Section 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same is permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by law, the making of a Revolving Loan or the issuance of any Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C) and (D) of this Section 9.02(b) and Sections 9.02(d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan

Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Documents), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) except with the consent of each Lender directly and adversely affected thereby (but without the consent of the Required Lenders), no such waiver, amendment or modification shall:

(1) increase the Commitment or Additional Revolving Commitment of such Lender (other than with respect to any Incremental Revolving Facility pursuant to Section 2.22 in respect of which such Lender has agreed to be an Additional Revolving Lender); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Revolving Commitments shall constitute an increase of any Commitment or Additional Revolving Commitment of such Lender;

(2) reduce or forgive the principal amount of any Revolving Loan;

(3) (x) extend the scheduled final maturity of any Revolving Loan or (y) postpone any Interest Payment Date or the date of any scheduled payment of any fee payable hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent);

(4) reduce the rate of interest (other than to waive any Default or Event of Default or obligation of the Borrowers to pay interest at the default rate of interest under Section 2.13(d), which shall only require the consent of the Required Lenders) or the amount of any fee owed to such Lender; it being understood that no change in the definition of "Average Availability", "Average Usage" or any other ratio used in the calculation of the Applicable Rate, or in the calculation of any other interest or fee due hereunder (including any component definition thereof) shall constitute a reduction in any rate of interest or fee hereunder;

(5) extend the expiry date of such Lender's Commitment or Additional Revolving Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Revolving Commitments shall constitute an extension of any Commitment or Additional Revolving Commitment of any Lender;

(6) waive, amend or modify the provisions of Section 2.11(a), 2.18(b) or 2.18(c) of this Agreement in a manner that would by its terms alter the *pro rata* sharing of payments or order of application required thereby (except in connection with any transaction permitted under Sections 2.22, 2.23 and/or 9.05(g) or as otherwise provided in this Section 9.02); and

(B) no such waiver, amendment or modification shall:

(1) change any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of "Required Lenders", "US Super Majority Lenders", "Canadian Super Majority Lenders" or "European Super Majority Lenders" to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender;

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article 8 or Section 9.23), without the prior written consent of each Lender; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Section 9.23 hereof), without the prior written consent of each Lender;

(C) no such agreement shall (i) change the definition of the term "US Borrowing Base" or any component definition of any thereof (including the definitions of "Eligible Accounts" or "Eligible Inventory"), in each case the effect of which change would modify amounts available to be borrowed, except with the consent of the US Super Majority Lenders (but without the consent of the Required Lenders), (ii) change the definition of the term "Canadian Borrowing Base" or any component definition of any thereof (including the definitions of "Eligible Accounts" or "Eligible Inventory"), in each case the effect of which change would modify amounts available to be borrowed, except with the consent of the Canadian Super Majority Lenders (but without the consent of the Required Lenders) and (iii) change the definition of the term "European Borrowing Base" or any component definition of any thereof (including the definitions of "Eligible Accounts" or "Eligible Inventory"), in each case the effect of which change would modify amounts available to be borrowed, except with the consent of the European Super Majority Lenders (but without the consent of the Required Lenders);

(D) solely with the consent of the relevant Issuing Bank and the Administrative Agent, any such agreement may waive, amend or modify the definitions of "Letter of Credit Sublimit", "US Letter of Credit Sublimit", "Canadian Letter of Credit Sublimit" or "European Letter of Credit Sublimit" or Section 2.05 (other than Section 2.05(d)); and

(E) no such agreement shall amend or waive any condition precedent to the making of a Revolving Loan (i) to the US Borrower, except with the consent of the US Required Lenders (but without the consent of the Required Lenders), (ii) to a Canadian Borrower, except with the consent of the Canadian Required Lenders consent (but without the consent of the Required Lenders) or (iii) to a European Borrower, except with the consent of the European Required Lenders (but without the consent of the Required Lenders) consent.

provided, further, that no agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder without the prior written consent of the Administrative Agent or such Issuing Bank. The Administrative Agent may also

amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, incurrences of Additional Revolving Commitments or Additional Revolving Loans pursuant to Section 2.22, 2.23 and reductions or terminations of any such Additional Revolving Commitments or Additional Revolving Loans. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (1) as permitted by Section 2.21(b) and (2) that the Commitment and any Additional Revolving Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment, Additional Revolving Commitment or Revolving Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(b)). Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities permitted hereunder to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion.

(c) [Reserved]:

(d) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document, (i) the Borrowers and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (x) comply with Requirements of Law or the advice of counsel or (y) cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents, (ii) the Borrowers and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders (including Additional Revolving Lenders) providing Revolving Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrowers and the Administrative Agent to effect the provisions of Section 2.22, 2.23, 5.12 or 6.13, or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and (iii) if the Administrative Agent and the Borrowers have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly.

Section 9.03 Expenses; Indemnity.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each Arranger, the Administrative Agent and their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the syndication and distribution (including via the Internet or through a service such as SyndTrak) of the Revolving Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions

contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Borrowers and except as otherwise provided in a separate writing between the Borrowers, the relevant Arranger and/or the Administrative Agent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Issuing Banks or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section 9.03, or in connection with the Revolving Loans made and/or Letters of Credit issued hereunder. Except to the extent required to be paid on the Closing Date (and invoiced three (3) business days prior thereto), all amounts due under this paragraph (a) shall be payable by the Borrowers within 30 days of receipt of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) The Borrowers shall indemnify each Arranger, each Issuing Bank, the Administrative Agent, and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel in any relevant jurisdiction to all Indemnitees, taken as a whole and solely in the case of an actual or perceived conflict of interest, (x) one additional counsel to all affected Indemnitees, taken as a whole, and (y) one additional local counsel to all affected Indemnitees, taken as a whole), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby and/or the enforcement of the Loan Documents, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) the use of the proceeds of the Revolving Loans or any Letter of Credit, (iii) any actual or alleged Release or presence of Hazardous Materials on, at, under or from any property currently or formerly owned or operated by the Borrowers, any of its Restricted Subsidiaries or any other Loan Party or any Environmental Liability related to the Borrowers, any of its Restricted Subsidiaries or any other Loan Party and/or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrowers, any other Loan Party or any of their respective Affiliates); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage, or liability (i) is determined by a final and non-appealable judgment of a court of competent jurisdiction (or documented in any settlement agreement referred to below) to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties or, to the extent such judgment finds (or such settlement agreement acknowledges) that any such loss, claim, damage, or liability has resulted from such Person's material breach of the Loan Documents or (ii) arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding that is brought by or against the Administrative Agent or any Arranger, acting in its capacity as the Administrative Agent or as an Arranger) that does not involve any act or omission of Holdings, the Lead Borrower or any of its subsidiaries. Each Indemnitee shall be obligated to refund or return any and all amounts paid by the Borrowers pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses, or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrowers within 30 days (x) after written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt of an invoice, setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply to Taxes, except for Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) No Borrower shall be liable for any settlement of any proceeding effected without its consent (which consent shall not be unreasonably withheld or delayed), but if any proceeding is settled with the Borrower's written consent, or if there is a final non-appealable judgment of a court of competent jurisdiction against any Indemnitee in any such proceeding, the Borrowers agree to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrowers shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii) such settlement does not include any statement as to any admission of fault or culpability.

Section 9.04 Waiver of Claim. To the extent permitted by applicable law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby, the Transactions, any Revolving Loan or Letter of Credit or the use of the proceeds thereof, except, in the case of any claim by any Indemnitee against any of the Borrowers, to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

Section 9.05 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except as provided under Section 6.07, the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section 9.05 (any attempted assignment or transfer not complying with the terms of this Section 9.05 shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and permitted assigns, Participants (to the extent provided in paragraph (c) of this Section 9.05) and, to the extent expressly contemplated hereby, the Related Parties of each of the Arrangers, the Administrative Agent, the Issuing Banks, and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Revolving Loan or Additional Revolving Commitment added pursuant to Section 2.22 or 2.23 at the time owing to it) with the prior written consent (not to be unreasonably withheld or delayed) of:

(A) the Lead Borrower; provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it has objected thereto by written notice to the Administrative Agent within 15 Business Days after receiving written notice thereof; provided, further, that no consent of the Lead Borrower shall be required (x) for any assignment of Additional Revolving Loans or Additional Revolving Commitments to another Lender or an Affiliate of any Lender or (y) if an Event of Default under Section 7.01(a) or Section 7.01(f) or (g) (solely with respect to the Borrowers or Holdings) exists;

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for any assignment to another Lender; and

(C) reserved.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment to another Lender or any Affiliate of any Lender or any assignment of the entire remaining amount of the relevant assigning Lender's Revolving Loans or commitments of any Class, the principal amount of Revolving Loans or commitments of the assigning Lender subject to the relevant assignment (determined as of the date on which the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent and determined on an aggregate basis in the event of concurrent assignments to Related Funds or by Related Funds) shall not be less than $5,000,000 unless the Borrower and the Administrative Agent otherwise consent;

(B) any partial assignment shall be made as an assignment of a proportionate part of all the relevant assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); and

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent (1) an Administrative Questionnaire and (2) any forms or other documentation required under Section 2.17.

(iii) Subject to the acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 9.05, from and after the effective date specified in any Assignment and Assumption, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent

for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the applicable Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Revolving Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as an agent of the applicable Borrower, shall maintain at one of its offices outside of the United Kingdom a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount of and stated interest on the Revolving Loans and LC Disbursements owing to, each Lender or Issuing Bank pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans and LC Disbursements. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by any Borrower, any Issuing Bank, and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.05, if applicable, and any written consent to the relevant assignment required byparagraph (b) of this Section 9.05, the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) By executing and delivering an Assignment and Assumption, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Revolving Loans, in each case without giving effect to any assignment thereof which has not become effective, are as set forth in such Assignment and Assumption, (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrowers or any Restricted Subsidiary or the performance or observance by the Borrowers or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is an Eligible Assignee, legally authorized to enter into such Assignment and Assumption; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01(c) or the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption; (E) such assignee will independently and without reliance upon the Administrative

Agent, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) (i) Any Lender may, without the consent of any Borrower, the Administrative Agent, any Issuing Bank, or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution or any natural Person (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its commitments and the Revolving Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment, modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Revolving Loans or commitments in which such Participant has an interest and (y) clause (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section 9.05, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.05 (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(c), to the Borrowers and the Administrative Agent upon reasonable written request by the Lead Borrower). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Lead Borrower's prior written consent expressly acknowledging that such Participant's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register at one of its offices outside of the United Kingdom on which it enters the name and address of each Participant and their respective successors and assigns, and the principal amounts and stated interest of each Participant's interest in the Revolving Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to any Participant's interest in any Commitment, Revolving Loan, Letter of Credit, or any other obligation under any Revolving Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Revolving Loan, Letter of Credit, or other obligation is in registered form under Section 5f.103-1(c) of the Treasury Regulations.

The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPC**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Lead Borrower, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Revolving Loan, the Granting Lender shall be obligated to make such Revolving Loan pursuant to the terms hereof. The making of any Revolving Loan by an SPC hereunder shall utilize the Commitment or Additional Revolving Commitment of the Granting Lender to the same extent, and as if, such Revolving Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount underSection 2.15, 2.16 or 2.17 or any other provision of this Agreement or any other Loan Document that the Granting Lender would have been entitled to receive, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (iii) the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the U.S. or any State thereof; provided that (i) such SPC's Granting Lender is in compliance in all material respects with its obligations to the Borrowers hereunder and (ii) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (i) with notice to, but without the prior written consent of, the Lead Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Revolving Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its Revolving Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC.

(f) (i) Any assignment or participation by a Lender without the Lead Borrower's consent, to the extent the Lead Borrower's consent is required under this Section 9.05, to any other Person, shall be null and void, and the Borrowers shall be entitled to seek specific performance to unwind

any such assignment or participation in addition to injunctive relief or any other remedies available to the Borrowers at law or in equity. Upon the request of any Lender, the Borrowers shall make available to such Lender the list of Disqualified Institutions at the relevant time and such Lender may provide the list to any potential assignee or participant on a confidential basis in accordance with Section 9.13 for the purpose of verifying whether such Person is a Disqualified Institution. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or participant or potential Lender or participant is a Disqualified Institution and the Administrative Agent shall have no liability with respect to any assignment or participation made to a Disqualified Institution.

(ii) If any assignment or participation under this Section 9.05 is made to any Disqualified Institution or to any Person that cannot be reasonably identified as a Disqualified Institution pursuant to clause (a)(ii) or (b)(ii) of the definition thereof as of the date of such assignment or participation and subsequently becomes reasonably identifiable as a Disqualified Institution, then (A) the Lead Borrower may, at the Borrowers' sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees; provided that the relevant assignment shall otherwise comply with this Section 9.05 (except that no registration and processing fee required under this Section 9.05 shall be required with respect to any assignment pursuant to this paragraph); and (B) the Revolving Loans and Commitments held by such Disqualified Institution shall be deemed not to be outstanding for purposes of any amendment, waiver or consent hereunder, and such Disqualified Institution shall not be permitted to attend meetings of the Lenders or receive information prepared by the Administrative Agent or any Lender in connection with this Agreement. Nothing in this Section 9.05(f)(ii) shall be deemed to prejudice any right or remedy that Holdings or the Borrower may otherwise have at law or equity. Each Lender acknowledges and agrees that Holdings and its subsidiaries will suffer irreparable harm if such Lender breaches any obligation under this Section 9.05 insofar as such obligation relates to any assignment, participation or pledge to any Disqualified Institution without the Lead Borrower's prior written consent and, therefore, each Lender agrees that Holdings and/or the Borrowers may seek to obtain specific performance or other equitable or injunctive relief to enforce this Section 9.05(f)(ii) against such Lender with respect to such breach without posting a bond or presenting evidence of irreparable harm.

(g) [Reserved]

Section 9.06 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Revolving Loans and issuance of Letters of Credit regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 9.03, 9.13 and Article 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Revolving Loans, the expiration or termination of the Letters of Credit, Commitments, any Additional Revolving Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement; provided that the provisions of Section 9.13 shall terminate two years after the occurrence of the Termination Date or the termination of this Agreement.

Section 9.07 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and the Fee Letter and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by Holdings, the applicable Borrower and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.08 Severability. To the extent permitted by law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09 Right of Setoff. At any time when an Event of Default exists, upon the written consent of the Administrative Agent, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent, such Issuing Bank, or such Lender (including by branches and agencies of the Administrative Agent, such Issuing Bank, or such Lender, wherever located) to or for the credit or the account of the Borrowers or any Loan Party against any of and all the Secured Obligations held by the Administrative Agent, such Issuing Bank, or such Lender, irrespective of whether or not the Administrative Agent, such Issuing Bank, or such Lender shall have made any demand under the Loan Documents and although such obligations may be contingent or unmatured or are owed to a branch or office of such Lender or Issuing Bank different than the branch or office holding such deposit or obligation on such Indebtedness. Any applicable Lender or Issuing Bank shall promptly notify the Lead Borrower and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section 9.09. The rights of each Lender, Issuing Bank, the Administrative Agent under this Section 9.09 are in addition to other rights and remedies (including other rights of setoff) which such Lender, such Issuing Bank, or the Administrative Agent may have.

EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.13 Confidentiality. Each of the Administrative Agent, each Issuing Bank, each Lender, and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its and its Affiliates' directors, officers, managers, employees, independent auditors, or other experts and advisors, including accountants, legal counsel and other advisors (collectively, the "**Representatives**") on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that such Person shall be responsible for its Affiliates' and their Representatives' compliance with this paragraph; provided, further, that unless the Lead Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, any Issuing Bank, any Arranger, any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Issuing Bank, any Arranger, or any Lender that (i) is engaged as a principal primarily in private equity, mezzanine financing or venture capital or (ii) is a Disqualified Institution, (b) upon the demand or request of any regulatory or Governmental Authority (including any self-regulatory body or any Federal Reserve Bank or other central bank acting as pledgee pursuant to Section 9.05) purporting to have jurisdiction over such Person or its Affiliates (in which case such Person shall (except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory or self-regulatory authority exercising examination or regulatory authority), to the extent practicable and permitted by law, (i) inform the Lead Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment), (c) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall (i) to the extent practicable and permitted by law, inform the Lead Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (d) to any other party to this Agreement, (e) subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Borrower and the Administrative Agent, including as set forth in the Information Memorandum) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require "click through" or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof, to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution), (ii) any pledgee referred to in Section 9.05 and (iii) any actual or prospective, direct or indirect contractual counterparty (or its advisors) to any Derivative Transaction (including any credit default swap) or similar derivative product to which any Loan Party is a party, (f) with the prior written consent of the Lead Borrower, (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section 9.13 by such Person, its Affiliates or their respective Representatives and (h) to insurers, any numbering administration or settlement services providers on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential;

provided that any disclosure made in reliance on this clause (h) is limited to the general terms of this Credit Agreement and does not include financial or other information relating to Holdings, the Lead Borrower and/or any of their respective subsidiaries. For purposes of this Section 9.13, "**Confidential Information**" means all information relating to the Borrowers and/or any of its subsidiaries and their respective businesses, the Sponsor or the Transactions (including any information obtained by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of the books and records relating to the Borrower and/or any of its subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger, any Issuing Bank, or Lender on a non-confidential basis prior to disclosure by the Borrower or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

Section 9.14 No Fiduciary Duty. Each of the Administrative Agent, the Issuing Banks, the Arrangers, each Lender, and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15 Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Revolving Loan, issue any Letter of Credit or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

Section 9.17 Anti-Money Laundering.

(a) Each Lender that is subject to the requirements of the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) or other applicable Canadian anti-money laundering, anti-terrorist financing and "know your client" laws (collectively, the "**Canadian AML Laws**") hereby notifies the Loan Parties that pursuant to the requirements of the Canadian AML Laws, it is required to

obtain, verify and record information regarding each Loan Party, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of each Loan Party, and the transactions contemplated hereby. If the Administrative Agent has ascertained the identity of any Canadian Loan Party or any authorized signatories of any Canadian Loan Party for the purposes of any Canadian AML Laws:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Administrative Agent within the meaning of applicable Canadian AML Laws; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

(b) Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that the Administrative Agent has no obligation to ascertain the identity of each Loan Party or any authorized signatories of each Canadian Loan Party on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from each Canadian Loan Party or any such authorized signatory in doing so.

Section 9.18 Disclosure. Each Loan Party, each Issuing Bank and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates and each Issuing Bank.

Section 9.19 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent, the Issuing Banks and the Lenders, in assets which, in accordance with Article 9 of the UCC, the PPSA or any other applicable law can be perfected only by possession. If any Lender or Issuing Bank (other than the Administrative Agent) obtains possession of any Collateral, such Lender or Issuing Bank shall notify the Administrative Agent thereof; and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 9.20 Interest Rate Limitation.

(a) Subject to Section 9.20(b) below, notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Revolving Loan or Letter of Credit, together with all fees, charges and other amounts which are treated as interest on such Revolving Loan or Letter of Credit under applicable law (collectively the "**Charged Amounts**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Revolving Loan or Letter of Credit in accordance with applicable law, the rate of interest payable in respect of such Revolving Loan or Letter of Credit hereunder, together with all Charged Amounts payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charged Amounts that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.20 shall be cumulated and the interest and Charged Amounts payable to such Lender or Issuing Bank in respect of other Revolving Loans or Letter of Credit or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

(b) If any provision of this Agreement would oblige a Loan Party to make any payment of interest or other amount payable to Administrative Agent in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by Administrative Agent of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by Administrative Agent of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

(i) first, by reducing the amount or rate of interest; and

(ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada).

Any provision of this Agreement that would oblige a Loan Party to pay any fine, penalty or rate of interest on any arrears of principal or interest secured by a mortgage on real property that has the effect of increasing the charge on arrears beyond the rate of interest payable on principal money not in arrears shall not apply to such Loan Party, which shall be required to pay interest on money in arrears at the same rate of interest payable on principal money not in arrears.

(c) Notwithstanding Section 9.20(b), and after giving effect to all adjustments contemplated thereby, if any Lender shall have received an amount in excess of the maximum amount permitted by the Criminal Code (Canada), then the applicable Loan Party shall be entitled, by notice in writing to the affected Lender, to obtain reimbursement from that Lender in an amount equal to the excess, and pending reimbursement, the amount of the excess shall be deemed to be an amount payable by that Lender to such Loan Party.

Section 9.21 Acknowledgement and Consent of Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.22 Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control.

Section 9.23 Release of Guarantors. Notwithstanding anything in Section 9.02(b) to the contrary, any Subsidiary Guarantor shall automatically be released from its obligations hereunder (and its Loan Guaranty shall be automatically released) (a) upon the consummation of any permitted transaction or series of related transactions if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder; provided, that the release of any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Subsidiary Guarantor becomes an Excluded Subsidiary of the type described in clause (a) of the definition thereof shall only be permitted if at the time such Guarantor becomes an Excluded Subsidiary of such type (i) no Event of Default exists, (ii) after giving pro forma effect to such release and the consummation of the transaction that causes such Person to be an Excluded Subsidiary of such type, the Lead Borrower is deemed to have made a new Investment in such Person for purposes of Section 6.06 (as if such Person were then newly acquired) in an amount equal to the portion of the fair market value of the net assets of such Person attributable to the applicable Borrower's equity interest therein as reasonably estimated by the Lead Borrower and such Investment is permitted pursuant to Section 6.06 (other than Section 6.06(f)) at such time and (iii) a Responsible Officer of the Lead Borrower certifies to the Administrative Agent compliance with preceding clauses (i) and (ii)) and/or (b) upon the occurrence of the Termination Date. In connection with any such release, the Administrative Agent shall promptly execute and deliver to the relevant Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence termination or release; provided, that upon the request of the Administrative Agent, the Lead Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement. Any execution and delivery of documents pursuant to the preceding sentence of this Section 9.23 shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent's authority to execute and deliver such documents).

Section 9.24 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased by the Administrative Agent with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Loan Parties in respect of any sum due to any party hereto or any holder of any obligation owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is (x) less than the sum originally due to the Applicable Creditor in the Agreement Currency, the applicable Loan Parties agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss or (y) greater than the sum originally due to the Applicable Creditor in the Agreement Currency, the Applicable Creditor agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under the applicable Requirements of Law). The obligations under this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

Section 9.25 Representation Dutch Loan Party. If any Dutch Loan Party is represented by an attorney in connection with the signing and/or execution of this Agreement (including by way of accession to this Agreement) or any other agreement, deed or document referred to in or made pursuant to this Agreement, it is hereby expressly acknowledged and accepted by the other parties to such document that the existence and extent of the attorney's authority and the effects of the attorney's exercise or purported exercise of his or her authority shall be governed by the laws of the Netherlands.

The Administrative Agent may enforce this ABL Guaranty at any time when an Event of Default exists.

Section 2.03. No Discharge or Diminishment of ABL Guaranty.

(a) Except as otherwise provided for herein (including underSection 3.15), the obligations of each ABL Guarantor hereunder are unconditional, irrevocable and absolute and not subject to any reduction, limitation, impairment or termination for any reason, including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of any Obligated Party; (iii) any insolvency, bankruptcy, reorganization or other similar proceeding affecting any other Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; (iv) the existence of any claim, setoff or other rights which any ABL Guarantor may have at any time against any Obligated Party, the Administrative Agent, any Lender or any other Person, whether in connection herewith or in any unrelated transactions; (v) any direction as to application of payments by any Borrower or by any other party; (vi) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Guaranteed Obligations; (vii) any payment on or in reduction of any such other guaranty or undertaking; (viii)

(b) Except for termination of an ABL Guarantor's obligations hereunder or as expressly permitted bySection 3.15, the obligations of each ABL Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of any of the Guaranteed Obligations or otherwise, or any Requirements of Law purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any ABL Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Administrative Agent to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any Loan Document or other agreement relating to the Guaranteed Obligations, or any increase in the amount thereof; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of any Borrower for all or any part of the Guaranteed Obligations or any obligations of any other guarantor of or other Person liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Administrative Agent with respect to any US Collateral securing any part of the Guaranteed Obligations; (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such ABL Guarantor or that would otherwise operate as a discharge of any ABL Guarantor as a matter of law or equity (other than as set forth in Section 3.15); or (vi) the validity or enforceability of the Credit Agreement or any other Loan Document or any Secured Hedge Agreement or Banking Services Agreement, any of the Secured Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party.

Section 2.04. Defenses Waived. To the fullest extent permitted by applicable Requirements of Law, and except for termination of an ABL Guarantor's obligations hereunder or as otherwise provided for herein (including under Section 3.15), each ABL Guarantor hereby waives any defense based on or arising out of any defense of any Borrower or any other ABL Guarantor or arising out of the disability of any Borrower or any other ABL Guarantor or any other party or the unenforceability of all or any part of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower or any other ABL Guarantor. Without limiting the generality of the foregoing, each ABL Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein or in any other Loan Document, including notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this ABL Guaranty and notices of the existence, creation or incurring of new or additional Guaranteed Obligations, as well as any requirement that at any time any action be taken by any Person against any Obligated Party, or any other Person, including any right (except as may be required by applicable Requirements of Law and to the extent the relevant requirement cannot be waived) to require the Administrative Agent to (i) proceed against any Borrower, any other ABL Guarantor or any other party, (ii) proceed against or exhaust any security held from any Borrower, any other ABL Guarantor or any other party or (iii) pursue any other remedy in the Administrative Agent's power whatsoever. The Administrative Agent may, at its election and in accordance with the terms of the applicable Loan Documents, foreclose on any US Collateral held by it by one or more judicial or nonjudicial sales,

whether or not every aspect of any such sale is commercially reasonable (to the extent permitted by applicable Requirements of Law), accept an assignment of any such US Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any US Collateral securing all or a part of the Guaranteed Obligations, and the Administrative Agent may, at its election, compromise or adjust any part of the Guaranteed Obligations or any security thereof, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party or with respect to any security, without affecting or impairing in any way the liability of such ABL Guarantor under this ABL Guaranty, except as otherwise provided in Section 3.15. To the fullest extent permitted by applicable Requirements of Law, each ABL Guarantor waives any defense arising out of any such election even though such election may operate, pursuant to applicable Requirements of Law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any ABL Guarantor against any Obligated Party or any security.

Section 2.05. Authorization. Each ABL Guarantor authorizes the Administrative Agent without notice or demand (except as may be required by applicable Requirements of Law and to the extent the relevant requirement cannot be waived), and without affecting or impairing its liability hereunder (except as set forth in Section 3.15), from time to time, subject to the terms of the referenced Loan Documents, to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this ABL Guaranty shall apply to the Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Borrower, any other Loan Party or others or otherwise act or refrain from acting;

(d) release or substitute any endorser, any guarantor, any Borrower, any other Loan Party and/or any other obligor;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Borrower to its creditors other than the Secured Parties;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Borrower to the Secured Parties regardless of what liability or liabilities of such Borrower remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this ABL Guaranty, the Credit Agreement, any other Loan Document, any Hedge Agreement with respect to any Secured Hedging Obligation or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this ABL Guaranty, the Credit Agreement, any other Loan Document, any Hedge Agreement with respect to any Secured Hedging Obligation or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of the ABL Guarantors from their respective liabilities under this ABL Guaranty.

Section 2.06. Rights of Subrogation. No ABL Guarantor will assert, and each ABL Guarantor fully subordinates, any right, claim or cause of action, including a claim of subrogation, contribution or indemnification that it has against any Loan Party in respect of this ABL Guaranty until the occurrence of the Termination Date; provided that if any amount shall be paid to such ABL Guarantor on account of such subrogation rights at any time prior to the Termination Date, then unless such ABL Guarantor has already discharged its liabilities under this ABL Guaranty in an amount equal to such ABL Guarantor's Maximum Liability as of such date, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Administrative Agent (for the benefit of the Secured Parties) to be credited and applied to the Guaranteed Obligations, whether matured or unmatured, in accordance with Section 2.18(b) of the Credit Agreement.

Section 2.07. Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, each ABL Guarantor's obligations under this ABL Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of such Borrower, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the other ABL Guarantors forthwith on demand by the Administrative Agent.

Section 2.08. Information. Each ABL Guarantor assumes all responsibility for being and keeping itself informed of the Borrowers' financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each ABL Guarantor assumes and incurs under this ABL Guaranty, and agrees that none of the Administrative Agent, any Lender or any other Secured Party shall have any duty to advise any ABL Guarantor of information known to it regarding those circumstances or risks.

Section 2.09. Contribution; Subordination; Maximum Liability.

(a) In the event any ABL Guarantor (a "**Paying Guarantor**") makes any payment or payments under this ABL Guaranty or suffers any loss as a result of any realization upon any US Collateral granted by it to secure its obligations under this ABL Guaranty (each such payment or loss, an "**Accommodation Payment**"), each other ABL Guarantor (each a "**Non-Paying Guarantor**") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's Guarantor Percentage of such Accommodation Payments by such Paying Guarantor. For purposes of this Section 2.09, each Non-Paying Guarantor's "**Guarantor Percentage**" with respect to any such Accommodation Payments by a Paying Guarantor shall be determined as of the date on which such Accommodation Payment was made by reference to the ratio of (a) such Non-Paying Guarantor's Maximum Liability as of such date to (b) the aggregate Maximum Liability of all ABL Guarantors hereunder (including such Paying Guarantor) as of such date. As of any date of determination, the "**Maximum Liability**" of each ABL Guarantor shall be equal to the maximum amount of liability which could be asserted against such ABL Guarantor hereunder and under the Credit Agreement without (i) rendering such ABL Guarantor "insolvent" within the meaning of Section 101(32) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent

Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraud Conveyance Act ("**UFCA**"), (ii) leaving such ABL Guarantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA or Section 5 of the UFCA, or (iii) leaving such ABL Guarantor unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA or Section 5 of the UFCA. Nothing in this provision shall affect any ABL Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such ABL Guarantor's Maximum Liability). Each of the ABL Guarantors covenants and agrees that its right to receive any contribution under this ABL Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to the Secured Obligations until the Termination Date. If, prior to the Termination Date, any such contribution payments are received by a Paying Guarantor at any time when an Event of Default exists, such contribution payments shall be collected, enforced and received by such ABL Guarantor as trustee for the Secured Parties and be paid over to the Administrative Agent on account of the Secured Obligations, but without affecting or impairing in any manner the liability of such ABL Guarantor under the other provisions of this ABL Guaranty. This provision is for the benefit of the Administrative Agent, the Lenders and the other Secured Parties.

(b) It is the desire and intent of the ABL Guarantors and the Secured Parties that this ABL Guaranty shall be enforced against the ABL Guarantors to the fullest extent permissible under the Requirements of Law and public policies applied in each jurisdiction in which enforcement is sought. The provisions of this ABL Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, Federal or foreign bankruptcy, insolvency, reorganization or other Requirements of Law affecting the rights of creditors generally, if the obligations of any ABL Guarantor under this ABL Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such ABL Guarantor's liability under this ABL Guaranty, then, notwithstanding any other provision of this ABL Guaranty to the contrary, the amount of such liability shall, without any further action by the ABL Guarantors or the Secured Parties, be automatically limited and reduced to such ABL Guarantor's Maximum Liability. Each ABL Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each ABL Guarantor without impairing this ABL Guaranty or affecting the rights and remedies of the Administrative Agent hereunder; provided that nothing in this sentence shall be construed to increase any ABL Guarantor's obligations hereunder beyond its Maximum Liability.

Section 2.10. Representations and Warranties. As and when required in accordance with the terms of the Credit Agreement, each ABL Guarantor hereby makes each representation and warranty made in the Loan Documents by Holdings and the Borrowers with respect to such ABL Guarantor, as applicable, and each ABL Guarantor hereby further acknowledges and agrees with respect to itself that such ABL Guarantor has, independently and without reliance upon any Secured Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this ABL Guaranty and each other Loan Document to which it is or is to be a party, and such ABL Guarantor has established adequate means of obtaining from each other ABL Guarantor on a continuing basis information pertaining to the business, condition (financial or otherwise), operations, performance, properties and prospects of each other ABL Guarantor.

Section 2.11. Covenants. Each ABL Guarantor covenants and agrees that until the Termination Date, such ABL Guarantor will perform and observe, and cause each of its Restricted Subsidiaries to perform and observe, all of the terms, covenants and agreements set forth in the Loan Documents that the Borrowers have agreed to cause such ABL Guarantor or such Restricted Subsidiary to perform or observe. Until the Termination Date, no ABL Guarantor shall, without the prior written consent of the Administrative Agent, commence or join with any other Person in commencing any

bankruptcy, reorganization or insolvency case or proceeding against any Borrower or any ABL Guarantor (it being understood and agreed, for the avoidance of doubt, that nothing in this Section 2.11 shall prohibit any ABL Guarantor from commencing or joining with any Borrower or ABL Guarantor as a co-debtor in any bankruptcy, reorganization or insolvency case or proceeding).

ARTICLE 3
GENERAL PROVISIONS

Section 3.01. Liability Cumulative. The liability of each ABL Guarantor under this ABL Guaranty is in addition to and shall be cumulative with all liabilities of such ABL Guarantor to the Administrative Agent and the Lenders under the Credit Agreement and the other Loan Documents to which such ABL Guarantor is a party or in respect of any obligations or liabilities of the other ABL Guarantors, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

Section 3.02. No Waiver; Amendments. No delay or omission of the Administrative Agent in exercising any right or remedy granted under this ABL Guaranty shall impair such right or remedy or be construed to be a waiver of any Default or Event of Default or an acquiescence therein, and any single or partial exercise of any such right or remedy shall not preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this ABL Guaranty whatsoever shall be valid unless in writing signed by the ABL Guarantors and the Administrative Agent with the concurrence or at the direction of the Lenders to the extent required under and otherwise in accordance with Section 9.02 of the Credit Agreement and then only to the extent specifically set forth in such writing.

Section 3.03. Severability of Provisions. To the extent permitted by applicable Requirements of Law, any provision of this ABL Guaranty held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions of this ABL Guaranty; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 3.04. Additional Subsidiaries. Certain Persons may be required to enter into this ABL Guaranty as an ABL Guarantor pursuant to and in accordance the Credit Agreement, including in accordance with Section 5.12(a) thereof. Upon execution and delivery by the Administrative Agent and such Person of an instrument in substantially the form of Exhibit B hereto (each, a "**Guaranty Supplement**"), such Person shall become an ABL Guarantor hereunder with the same force and effect as if originally named as an ABL Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other ABL Guarantor hereunder. The rights and obligations of each ABL Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new ABL Guarantor as a party to this ABL Guaranty.

Section 3.05. Headings. The titles of and section headings in this ABL Guaranty are for convenience of reference only, and shall not govern the interpretation of any of the terms and provisions of this ABL Guaranty.

Section 3.07. CHOICE OF LAW. THIS ABL GUARANTY AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS ABL GUARANTY, WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 3.08. CONSENT TO JURISDICTION; CONSENT TO SERVICE OF PROCESS.

EACH PARTY HERETO AGREES THAT SERVICE OF ANY PROCESS, SUMMONS, NOTICE OR DOCUMENTS BY REGISTERED MAIL ADDRESSED TO SUCH PERSON SHALL BE EFFECTIVE SERVICE OF PROCESS AGAINST SUCH PERSON FOR ANY SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT. (c) TO THE EXTENT PERMITTED BY LAW, EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS UPON IT AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE BY REGISTERED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL) DIRECTED TO IT AT ITS ADDRESS FOR NOTICES AS PROVIDED FOR IN SECTION 9.01 OF THE CREDIT AGREEMENT. EACH PARTY HERETO HEREBY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER THAT SERVICE OF PROCESS WAS INVALID AND INEFFECTIVE. NOTHING IN THIS ABL GUARANTY WILL AFFECT THE RIGHT OF ANY PARTY TO THIS ABL GUARANTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 3.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION, LEGAL

PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS ABL GUARANTY, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS ABL GUARANTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 3.11. Counterparts. This ABL Guaranty may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this ABL Guaranty by facsimile or by email as a ".pdf" or ".tif" attachment shall be effective as delivery of a manually executed counterpart of this ABL Guaranty.

Section 3.12. [Reserved].

Section 3.13. Successors and Assigns. Whenever in this ABL Guaranty any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any ABL Guarantor or the Administrative Agent that are contained in this ABL Guaranty shall bind and inure to the benefit of their respective successors and permitted assigns. Except in a transaction permitted under the Credit Agreement, no ABL Guarantor may assign any of its rights or obligations hereunder without the written consent of the Administrative Agent.

Section 3.14. Survival of Agreement. Without limitation of any provision of the Credit Agreement or Section 3.10 hereof, all covenants, agreements, indemnities, representations and warranties made by the ABL Guarantors in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this ABL Guaranty or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such Lender or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect until the Termination Date, or with respect to any individual ABL Guarantor until such ABL Guarantor is otherwise released from its obligations under this ABL Guaranty in accordance with Section 3.15.

Section 3.15. Release of ABL Guarantors. An ABL Guarantor shall automatically be released from its obligations hereunder and its ABL Guaranty shall be automatically released in the circumstances described in the Credit Agreement, including Section 8.01 and Section 9.23 thereof. In connection with any such release, the Administrative Agent shall promptly execute and deliver to any ABL Guarantor, at such ABL Guarantor's expense, all documents that such ABL Guarantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to the preceding sentence of this Section 3.15 shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent's authority to execute and deliver such documents).

Section 3.16. Payments. All payments made by any ABL Guarantor hereunder will be made without setoff, counterclaim or other defense and on the same basis as payments are made by the Borrowers under Sections 2.17 and 2.18 of the Credit Agreement.

Section 3.18. Set Off. In addition to any rights now or hereafter granted under applicable Requirements of Law and not by way of limitation of any such rights, while an Event of Default exists, the Administrative Agent, each Lender, each Issuing Bank and each of their respective Affiliates shall be entitled to rights of setoff to the extent provided in Section 9.09 of the Credit Agreement.

Section 3.19. Waiver of Consequential Damages, Etc. To the extent permitted by applicable Requirements of Law, none of the ABL Guarantors nor the Secured Parties shall assert, and each hereby waives, any claim against each other or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this ABL Guaranty or any agreement or instrument contemplated hereby, except, in the case of any claim by any Indemnitee against any of the ABL Guarantors, to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 3.10.

Section 3.20. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each Non-ECP Guarantor to honor all of its obligations under this ABL Guaranty in respect of Swap Obligations that would otherwise be Excluded Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 3.20 for the maximum amount of such liability that can be hereby incurred, and otherwise subject to the limitations on the obligations of ABL Guarantors contained in this ABL Guaranty, without rendering its obligations under this Section 3.20, or otherwise under this ABL Guaranty, voidable under applicable Requirements of Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 3.20 shall remain in full force and effect until the Termination Date. This Section 3.20 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each Non-ECP Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

existing), including by filing applications for renewal, affidavits of use, affidavits of noncontestability and, if consistent with good business judgment, by initiating opposition and interference and cancellation proceedings against third parties, maintain and protect the secrecy or confidentiality of its Trade Secrets and otherwise protect and preserve such Grantor's rights in, and the validity or enforceability of, its Intellectual Property Collateral, in each case except where failure to do so (i) could not reasonably be expected to result in a Material Adverse Effect, or (ii) is otherwise permitted under the Credit Agreement.

(e) Each Grantor shall promptly notify the Agent of any material infringement or misappropriation of such Grantor's Patents, Trademarks, Copyrights or Trade Secrets of which it becomes aware and shall take such actions as are reasonable and appropriate under the circumstances to protect such Patent, Trademark, Copyright or Trade Secret, except where such infringement, misappropriation or dilution could not reasonably be expected to cause a Material Adverse Effect.

Section 4.04. *Commercial Tort Claims.* After the Closing Date, (i) if the event giving rise to the obligation under thisSection 4.04 occurs during the first three Fiscal Quarters of any Fiscal Year, on or before the date on which financial statements are required to be delivered pursuant to Section 5.01(a) of the Credit Agreement for the Fiscal Quarter in which the relevant event occurred or (ii) if the event giving rise to the obligation under this Section 4.04 occurs during the fourth Fiscal Quarter of any Fiscal Year, on or before the date that is 60 days after the end of such Fiscal Quarter (or, in each of the cases of clauses (i) and (ii), such longer period as the Agent may reasonably agree), each relevant Grantor shall notify the Agent of any Commercial Tort Claim with an individual value (as reasonably estimated by the US Borrower) in excess of $15,000,000 acquired by it, together with an update to Schedule 6 to the Perfection Certificate describing the details thereof, and such Commercial Tort Claim (and the Proceeds thereof) shall automatically constitute Collateral, all upon the terms of this Security Agreement.

Section 4.05. *Insurance*. Except to the extent otherwise permitted to be retained by any Grantor or applied by any Grantor pursuant to the terms of the Loan Documents, the Agent shall, at the time any proceeds of any insurance are distributed to the Secured Parties, apply such proceeds in accordance with Section 5.04 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it, and the liability of such Grantor to pay the Secured Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.

Section 4.06. *Grantors Remain Liable Under Contracts.* Each Grantor (rather than the Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under any Contract relating to the Collateral, all in accordance with the terms and conditions thereof. Neither the Agent nor any other Secured Party shall have any obligation or liability under any Contract by reason of or arising out of this Security Agreement or the receipt by the Agent or any other Secured Party of any payment relating to such Contract pursuant hereto, nor shall the Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or sufficiency of any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

Section 4.07. *Grantors Remain Liable Under Accounts.* Notwithstanding anything herein to the contrary, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Agent nor any other Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or

arising out of this Security Agreement or the receipt by the Agent or any other Secured Party of any payment relating to such Account pursuant hereto, nor shall the Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

ARTICLE 5
REMEDIES

Section 5.01. *Remedies*. (a) Each Grantor agrees that, at any time when an Event of Default exists, the Agent may exercise any or all of the following rights and remedies (in addition to the rights and remedies existing under applicable Requirements of Law or in equity):

(i) the rights and remedies provided in this Security Agreement, the Credit Agreement, or any other Loan Document;*provided* that this Section 5.01(a) shall not limit any rights available to the Agent prior to an Event of Default;

(ii) the rights and remedies available to a secured party under the UCC of each relevant jurisdiction (whether or not the UCC applies to the affected Collateral) or under any other applicable Requirements of Law (including, without limitation, any law governing the exercise of a bank's right of setoff or bankers' Lien) when a debtor is in default under a security agreement;

(iii) without notice (except as required by law), demand or advertisement of any kind to any Grantor or any other Person, personally, or by agents or attorneys, enter the premises of any Grantor where any Collateral is located (through self-help and without judicial process) to collect, receive, assemble, process, appropriate, sell, lease, assign, grant an option or options to purchase or otherwise dispose of, deliver, or realize upon, the Collateral or any part thereof in one or more parcels at one or more public or private sales (which sales may be adjourned or continued from time to time with or without notice and may take place at such Grantor's premises or elsewhere), for cash, on credit or for future delivery without assumption of any credit risk, and upon such other terms as the Agent may deem commercially reasonable;

(iv) upon one Business Day written notice to any Grantor, transfer and register in its name or in the name of its nominee the whole or any part of the Pledged Collateral, to exercise the voting and all other rights as a holder with respect thereto, to collect and receive all cash dividends, interest, principal and other distributions made thereon and to otherwise act with respect to the Pledged Collateral as though the Agent was the outright owner thereof; and

(v) to take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Agent at any reasonable place or places designated by the Agent, in which event such Grantor shall at its own expense:

(1) forthwith cause the same to be moved to the place or places so designated by the Agent and there delivered to the Agent;

(2) store and keep any Collateral so delivered to the Agent at such place or places pending further action by the Agent; and

(3) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition.

(b) Each Grantor acknowledges and agrees that compliance by the Agent, on behalf of the Secured Parties, with any applicable state or federal law requirements in connection with a disposition of the Collateral will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(c) The Agent shall have the right in any public sale and, to the extent permitted by law, in any private sale, to purchase for the benefit of the Agent and the Secured Parties, all or any part of the Collateral so sold, free of any right of equity redemption, which equity redemption each Grantor hereby expressly releases.

(d) Until the Agent is able to effect a sale, lease, transfer or other disposition of any particular Collateral under this Section 5.01, the Agent shall have the right to hold or use such Collateral, or any part thereof, to the extent that it deems appropriate for the purpose of preserving such Collateral or the value of such Collateral, or for any other purpose deemed reasonably appropriate by the Agent. At any time when an Event of Default exists, the Agent may, if it so elects, seek the appointment of a receiver or keeper to take possession of any Collateral and to enforce any of the Agent's remedies (for the benefit of the Agent and Secured Parties), with respect to such appointment without prior notice or hearing as to such appointment.

(e) Notwithstanding the foregoing, the Agent shall not be required to (i) make any demand upon, or pursue or exhaust any of their rights or remedies against, the Grantors, any other obligor, guarantor, pledgor or any other Person with respect to the payment of the Secured Obligations or to pursue or exhaust any of their rights or remedies with respect to any Collateral therefor or any direct or indirect Guarantee thereof, (ii) marshal the Collateral or any Guarantee of the Secured Obligations or to resort to the Collateral or any such Guarantee in any particular order, or (iii) effect a public sale of any Collateral.

(f) Each Grantor recognizes that the Agent may be unable to effect a public sale of any or all the Pledged Collateral and may be compelled to resort to one or more private sales thereof. Each Grantor also acknowledges that any private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that no such private sale shall be deemed to have been made in a commercially unreasonable manner solely by virtue of such sale being private. The Agent shall be under no obligation to delay a sale of any of the Pledged Collateral for the period of time necessary to permit any Grantor or the issuer of any Pledged Collateral to register such securities for public sale under the Securities Act of 1933, as amended, or under applicable state securities laws, even if any Grantor and the issuer would agree to do so.

Section 5.02. *Grantors' Obligations Upon Default.* Upon the request of the Agent at any time when an Event of Default exists, each Grantor will:

(a) at its own cost and expense (i) assemble and make available to the Agent, the Collateral and all books and records relating thereto at any place or places reasonably specified by the Agent, whether at such Grantor's premises or elsewhere, (ii) deliver all tangible evidence

of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contracts) and such books and records to the Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor) and (iii) if the Agent so directs and in a form and in a manner reasonably satisfactory to the Agent, legend the Accounts and the Contracts, as well as books, records and documents (if any) of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Agent and that the Agent has a security interest therein; and

(b) permit the Agent and/or its representatives and/or agents, to enter, occupy and use any premises where all or any part of the Collateral, or the books and records relating thereto, or both, are located, to take possession of all or any part of the Collateral or the books and records relating thereto, or both, to remove all or any part of the Collateral or the books and records relating thereto, or both, and to conduct sales of the Collateral, without any obligation to pay any Grantor for such use and occupancy.

Section 5.03. *Intellectual Property Remedies*. (a) For the purpose of enabling the Agent to exercise the rights and remedies under this Article 5 at any time when an Event of Default exists and at such time as the Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Agent a power of attorney to sign any document which may be required by the United States Patent and Trademark Office, the United States Copyright Office or similar registrar or domain name registrar in order to effect an absolute assignment of all right, title and interest in each registered Patent, Trademark, Domain Name and Copyright and each application for any such registration, and record the same. At any time when an Event of Default exists, the Agent may (i) declare the entire right, title and interest of such Grantor in and to each item of Intellectual Property Collateral to be vested in the Agent for the benefit of the Secured Parties, in which event such right, title and interest shall immediately vest in the Agent for the benefit of the Secured Parties, and the Agent shall be entitled to exercise the power of attorney referred to in this Section 5.03 to execute, cause to be acknowledged and notarized and record such absolute assignment with the applicable agency or registrar; (ii) sell any Grantor's Inventory directly to any Person, including without limitation Persons who have previously purchased any Grantor's Inventory from such Grantor and in connection with any such sale or other enforcement of the Agent's rights under this Security Agreement and subject to any restrictions contained in applicable third party licenses entered into by such Grantor, sell Inventory which bears any Trademark owned by or licensed to any Grantor and any Inventory that is covered by any Intellectual Property Collateral owned by or licensed to any Grantor, and the Agent may finish any work in process and affix any relevant Trademark owned by or licensed to such Grantor and sell such Inventory as provided herein; (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using any Intellectual Property Collateral in any manner whatsoever, directly or indirectly; and (iv) assign or sell any Intellectual Property Collateral, as well as the goodwill of such Grantor's business symbolized by any such Trademark and the right to carry on the business and use the assets of such Grantor in connection with which any such Trademark or Domain Name has been used.

(b) For the purpose of enabling the Agent to exercise the rights and remedies under this Article 5 at any time when an Event of Default exists and is continuing and at such time as the Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Agent, to the extent it has the right to do so, an irrevocable (until the Termination Date), nonexclusive, royalty-free, world-wide license to use, license or sublicense any Intellectual Property Collateral now owned or licensed, or hereafter acquired or licensed by such Grantor, wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and (to the extent not prohibited by any applicable license) to all computer software and programs used for compilation or printout

thereof. The use of the license granted to the Agent pursuant to the preceding sentence may be exercised, at the option of the Agent, only when an Event of Default exists; provided that, any license, sublicense or other transaction entered into by the Agent in accordance with thisclause (b) shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

Section 5.04. *Application of Proceeds*. (a) The Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral, as well as any Collateral consisting of Cash, as set forth in Section 2.18(b) of the Credit Agreement.

(b) Except as otherwise provided herein or in any other Loan Document, the Agent shall have absolute discretion as to the time of application of any such proceeds, money or balance in accordance with this Security Agreement. Upon any sale of Collateral by the Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), a receipt by the Agent or of the officer making the sale of such proceeds, moneys or balances shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Agent or such officer or be answerable in any way for the misapplication thereof. It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE 6
ACCOUNT VERIFICATION; ATTORNEY IN FACT; PROXY

Section 6.01. *Account Verification*. The Agent may at any time and from time to time when an Event of Default exists, in the Agent's own name, in the name of a nominee of the Agent, or in the name of any Grantor, communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors of such Grantor, parties to Contracts with such Grantor and obligors in respect of Instruments of such Grantor to verify with such Persons, to the Agent's reasonable satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Contracts, Instruments, Chattel Paper, payment intangibles and/or other Receivables that constitute Collateral.

Section 6.02. *Receivables*. The Agent hereby authorizes each Grantor to collect such Grantor's Receivables and each Grantor hereby agrees to continue to collect all amounts due or to become due to such Grantor under the Receivables and any Supporting Obligation in respect thereof and diligently exercise each material right it may have under any Receivable and any such Supporting Obligation, in each case, at its own expense consistent with its reasonable business judgment; provided, however, that the Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required by the Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected by any Grantor, (i) shall forthwith (and, in any event, within two (2) Business Days) be deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Agent, and (ii) until so turned over, shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

Section 6.03. *Authorization for the Agent to Take Certain Action*. (a) Each Grantor hereby irrevocably authorizes the Agent and appoints the Agent (and all officers, employees or agents designated by the Agent) as its true and lawful attorney in fact (i) at any time and from time to time in its sole discretion (A) to execute (to the extent necessary under the law of the applicable jurisdiction) on behalf of

such Grantor as debtor and to file financing statements necessary or desirable in the Agent's reasonable discretion to perfect and to maintain the perfection and priority of the Agent's security interest in the Collateral, (B) to file a carbon, photographic or other reproduction of this Security Agreement as a financing statement and to file any amendment of a financing statement with respect to the Collateral (which would not add new collateral or add a debtor, except as otherwise provided for herein or in any other Loan Document) in such offices as the Agent in its reasonable discretion deems necessary or desirable to perfect and to maintain the perfection and priority of the Agent's security interest in the Collateral, and (C) to contact and enter into one or more agreements with the issuers of uncertificated securities that constitute Pledged Collateral or with securities intermediaries holding Pledged Collateral as may be necessary or advisable to give the Agent Control over such Pledged Collateral in accordance with the terms hereof; (ii) at any time when an Event of Default exists in the sole discretion of the Agent (in the name of such Grantor or otherwise), (A) to endorse and collect any cash proceeds of the Collateral and to apply the proceeds of any Collateral received by the Agent to the Secured Obligations as provided herein or in the Credit Agreement or any other Loan Document, (B) to demand payment or enforce payment of any Receivable in the name of the Agent or such Grantor and to endorse any check, draft and/or any other instrument for the payment of money relating to any such Receivable, (C) to sign such Grantor's name on any invoice or bill of lading relating to any Receivable, any draft against any Account Debtor of such Grantor, and/or any assignment and/or verification of any Receivable, (D) to exercise all of any Grantor's rights and remedies with respect to the collection of any Receivable and any other Collateral, (E) to settle, adjust, compromise, extend or renew any Receivable, (F) to settle, adjust or compromise any legal proceedings brought to collect any Receivable, (G) to prepare, file and sign such Grantor's name on a proof of claim in bankruptcy or similar document against any Account Debtor of such Grantor, (H) to prepare, file and sign such Grantor's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with any Receivable, (I) to change the address for delivery of mail addressed to such Grantor to such address as the Agent may designate and to receive, open and dispose of all mail addressed to such Grantor (provided copies of such mail are provided to such Grantor), (J) to discharge past due taxes, assessments, charges, fees or Liens on the Collateral (except for Permitted Liens), (K) to make, settle and adjust claims in respect of Collateral under policies of insurance and endorse the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance, (L) to make all determinations and decisions with respect thereto and (M) to obtain or maintain the policies of insurance of the types referred to in Section 5.05 of the Credit Agreement or to pay any premium in whole or in part relating thereto; and (iii) to do all other acts and things or institute any proceedings which the Agent may reasonably deem to be necessary or advisable (pursuant to this Security Agreement and the other Loan Documents and in accordance with applicable law) to carry out the terms of this Security Agreement and to protect the interests of the Secured Parties; and, when and to the extent required pursuant to Section 9.03(a) of the Credit Agreement, such Grantor agrees to reimburse the Agent for any payment made in connection with this paragraph or any expense (including attorneys' fees, court costs and expenses) and other charges related thereto incurred by the Agent in connection with any of the foregoing (it being understood that any such sums shall constitute additional Secured Obligations); *provided* that, this authorization shall not relieve such Grantor of any of its obligations under this Security Agreement or under the Credit Agreement.

(b) All acts of such attorney or designee are hereby ratified and approved by each Grantor. The powers conferred on the Agent, for the benefit of the Agent and Secured Parties, under this Section 6.02 are solely to protect the Agent's interests in the Collateral and shall not impose any duty upon the Agent or any Secured Party to exercise any such powers.

Section 6.04. *PROXY.* EACH GRANTOR HEREBY IRREVOCABLY (UNTIL THE TERMINATION DATE) CONSTITUTES AND APPOINTS THE AGENT AS ITS PROXY AND ATTORNEY-IN-FACT (AS SET FORTH IN SECTION 6.02 ABOVE) WITH RESPECT TO THE PLEDGED COLLATERAL, INCLUDING THE RIGHT TO VOTE SUCH PLEDGED COLLATERAL,

WITH FULL POWER OF SUBSTITUTION TO DO SO. IN ADDITION TO THE RIGHT TO VOTE ANY SUCH PLEDGED COLLATERAL, THE APPOINTMENT OF THE AGENT AS PROXY AND ATTORNEY-IN-FACT SHALL INCLUDE THE RIGHT TO EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF SUCH PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS AND VOTING AT SUCH MEETINGS). SUCH PROXY SHALL BE EFFECTIVE, AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY SUCH PLEDGED COLLATERAL ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF SUCH PLEDGED COLLATERAL OR ANY OFFICER OR AGENT THEREOF), IN EACH CASE ONLY WHEN AN EVENT OF DEFAULT EXISTS AND UPON ONE BUSINESS DAY PRIOR WRITTEN NOTICE TO THE US BORROWER.

Section 6.05. *NATURE OF APPOINTMENT; LIMITATION OF DUTY.* THE APPOINTMENT OF THE AGENT AS PROXY AND ATTORNEY-IN-FACT IN THIS ARTICLE 6 IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE UNTIL THE DATE ON WHICH THIS SECURITY AGREEMENT IS TERMINATED IN ACCORDANCE WITH SECTION 7.12. NOTWITHSTANDING ANYTHING CONTAINED HEREIN, NEITHER THE AGENT, NOR ANY SECURED PARTY, NOR ANY OF THEIR RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR REPRESENTATIVES SHALL HAVE ANY DUTY TO EXERCISE ANY RIGHT OR POWER GRANTED HEREUNDER OR OTHERWISE OR TO PRESERVE THE SAME AND SHALL NOT BE LIABLE FOR ANY FAILURE TO DO SO OR FOR ANY DELAY IN DOING SO, EXCEPT TO THE EXTENT SUCH DAMAGES ARE ATTRIBUTABLE TO THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH PERSON AS FINALLY DETERMINED BY A COURT OF COMPETENT JURISDICTION IN A FINAL AND NON-APPEALABLE DECISION SUBJECT TO SECTION 7.19 HEREOF; *PROVIDED*, THAT THE FOREGOING EXCEPTION SHALL NOT BE CONSTRUED TO OBLIGATE THE AGENT TO TAKE OR REFRAIN FROM TAKING ANY ACTION WITH RESPECT TO THE COLLATERAL.

ARTICLE 7
GENERAL PROVISIONS

Section 7.01. *Waivers*. To the maximum extent permitted by applicable Requirements of Law, each Grantor hereby waives notice of the time and place of any judicial hearing in connection with the Agent's taking possession of the Collateral or of any public sale or the time after which any private sale or other disposition of all or any part of the Collateral may be made, including without limitation, any and all prior notice and hearing for any prejudgment remedy or remedies. To the extent such notice may not be waived under applicable Requirements of Law, any notice made shall be deemed reasonable if sent to any Grantor, addressed as set forth in Article 8, at least 10 days prior to (a) the date of any such public sale or (b) the time after which any such private Disposition may be made. To the maximum extent permitted by applicable Requirements of Law, each Grantor waives all claims, damages and demands against the Agent arising out of the repossession, retention or sale of the Collateral, except those arising out of the gross negligence or willful misconduct of the Agent as determined by a court of competent jurisdiction in a final and non-appealable judgment. To the extent it may lawfully do so, each Grantor absolutely and irrevocably waives and relinquishes the benefit and advantage of, and covenants not to assert against the Agent, any valuation, stay (other than an automatic stay under any applicable Debtor Relief Law), appraisal, extension, moratorium, redemption or similar law and any and all rights or defenses it may have as a surety now or hereafter existing which, but for this provision, might be applicable to the sale of any Collateral made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Security Agreement, or otherwise. Except as otherwise specifically provided herein, each Grantor hereby waives presentment, demand, protest, any notice (to the maximum extent permitted by applicable Requirements of Law) of any kind or all other requirements as to the time, place and terms of sale in connection with this Security Agreement or any Collateral.

Section 7.02. *Limitation on the Agent's and Secured Party's Duty with Respect to the Collateral* The Agent shall not have any obligation to clean or otherwise prepare the Collateral for sale. The Agent shall use reasonable care with respect to the Collateral in its possession; provided that the Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to which it accords its own property. Neither the Agent nor any Secured Party shall have any other duty as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Agent or of such Secured Party, or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. To the extent that applicable Requirements of Law imposes duties on the Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it would be commercially reasonable for the Agent (a) to fail to incur expenses to prepare Collateral for Disposition or otherwise to transform raw material or work in process into finished goods or other finished products for Disposition, (b) to fail to obtain third party consents for access to Collateral to be Disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or Disposition of Collateral to be collected or Disposed of, (c) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (d) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise Dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as any Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (g) to hire one or more professional auctioneers to assist in the Disposition of Collateral, whether or not the Collateral is of a specialized nature, (h) to Dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (i) to Dispose of assets in wholesale rather than retail markets, (j) to disclaim Disposition warranties, such as title, possession or quiet enjoyment, (k) to purchase insurance or credit enhancements to insure the Agent against risks of loss in connection with any collection or Disposition of Collateral or to provide to the Agent a guaranteed return from the collection or Disposition of Collateral or (l) to the extent deemed appropriate by the Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Agent in the collection or Disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section 7.02 is to provide non-exhaustive indications of what actions or omissions by the Agent would be commercially reasonable in the Agent's exercise of remedies with respect to the Collateral and that other actions or omissions by the Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 7.02. Without limitation upon the foregoing, nothing contained in this Section 7.02 shall be construed to grant any rights to any Grantor or to impose any duties on the Agent that would not have been granted or imposed by this Security Agreement or by applicable law in the absence of this Section 7.02.

Section 7.03. *Compromises and Collection of Collateral.* Each Grantor and the Agent recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to any Receivable. In view of the foregoing, each Grantor agrees that the Agent may at any time and from time to time, if an Event of Default exists, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as the Agent in its sole discretion shall determine or abandon any Receivable, and any such action by the Agent shall be commercially reasonable so long as the Agent acts in good faith based on information known to it at the time it takes any such action.

Section 7.04. *Agent Performance of Debtor Obligations.* Without having any obligation to do so, the Agent may, at any time when an Event of Default exists, perform or pay any obligation which any Grantor has agreed to perform or pay under this Security Agreement and which obligation is due and unpaid and not being contested by such Grantor in good faith, and such Grantor shall reimburse the Agent for any amounts paid by the Agent pursuant to this Section 7.04. Each Grantor's obligation to reimburse the Agent pursuant to the preceding sentence shall be a Secured Obligation payable in accordance with Section 9.03(a) of the Credit Agreement.

Section 7.05. *No Waiver; Amendments; Cumulative Remedies*. No delay or omission of the Agent (subject to the provisions ofSection 8.01 of the Credit Agreement) to exercise any right or remedy granted under this Security Agreement shall impair such right or remedy or be construed to be a waiver of any Default or an acquiescence therein, and no single or partial exercise of any such right or remedy shall preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver, amendment or other variation of the terms, conditions or provisions of this Security Agreement whatsoever shall be valid unless in writing signed by the Grantors and the Agent with the concurrence or at the direction of the Lenders to the extent required under Section 9.02 of the Credit Agreement and then only to the extent in such writing specifically set forth. All rights and remedies contained in this Security Agreement or afforded by law shall be cumulative and all shall be available to the Agent until the Termination Date.

Section 7.06. *Limitation by Law; Severability of Provisions.* All rights, remedies and powers provided in this Security Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all of the provisions of this Security Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that such provisions do not render this Security Agreement invalid, unenforceable or not entitled to be recorded or registered, in whole or in part. To the extent permitted by law, any provision of this Security Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions of this Security Agreement; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 7.07. *Security Interest Absolute*. All rights of the Agent hereunder, the security interests granted hereunder and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument relating to the foregoing, (c) any exchange, release or nonperfection of any Lien on any Collateral, or any release or amendment or waiver of or consent under or departure from any guaranty, securing or guaranteeing all or any of the Secured Obligations, (d) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Grantor, (e) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of this Security Agreement or any other Loan Document or (f) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Security Agreement (other than a termination of any Lien contemplated by Section 7.12 or the occurrence of the Termination Date).

Section 7.08. *Benefit of Security Agreement.* The terms and provisions of this Security Agreement shall be binding upon and inure to the benefit of each Grantor, the Agent and the Secured Parties and their respective successors and permitted assigns (including all Persons who become bound as a debtor to this Security Agreement). No sales of participations, assignments, transfers, or other dispositions of any agreement governing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Lien granted to the Agent hereunder for the benefit of the Agent and the Secured Parties.

Section 7.09. *Survival of Representations.* All representations and warranties of each Grantor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement.

Section 7.10. *Additional Subsidiaries*. Each Person required to become a Loan Party pursuant to and in accordance with Section 5.12 of the Credit Agreement, shall, within the time periods specified in Sections 5.12 of the Credit Agreement, execute an instrument in the form of Exhibit A. Accordingly, the Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.10 of the Security Agreement, [the] [each] New Subsidiary by its signature below becomes a Subsidiary Party and a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Subsidiary Party, and [the] [each] New Subsidiary hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Subsidiary Party and Grantor thereunder and (b) represents and warrants as of the date hereof that the representations and warranties made by it as a Grantor thereunder that are qualified as to materiality are true and correct in all respects on and as of the date hereof and those that are not so qualified are true and correct in all material respects on and as of the date hereof; it being understood and agreed that any representation or warranty that expressly relates to an earlier date shall be deemed to refer to the date hereof. In furtherance of the foregoing, [the] [each] New Subsidiary, as security for the payment and performance in full of the Secured Obligations, does hereby create and grant to the Agent, its successors and permitted assigns, for the benefit of the Secured Parties, their successors and permitted assigns, a security interest in and Lien on all of [the] [each] New Subsidiary's right, title and interest in and to the Collateral of [the] [each] New Subsidiary. Each reference to a "Grantor" and "Subsidiary Party" in the Security Agreement shall be deemed to include [the] [each] New Subsidiary. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. [The] [Each] New Subsidiary represents and warrants to the Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to the Legal Reservations.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Agent shall have received a counterpart of this Supplement that bears the signature of [the] [each] New Subsidiary and the Agent has executed a counterpart hereof. Delivery of an executed signature page to this Supplement by facsimile transmission or by email as a ".pdf" or ".tif" attachment shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 7. In case any one or more of the provisions contained in this Supplement is invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 8.01 of the Security Agreement.

SECTION 9. [The] [Each] New Subsidiary agrees to reimburse the Agent for its expenses in connection with this Supplement, including the fees, other charges and disbursements of counsel in accordance with Section 9.03(a) of the Credit Agreement.

As of the date hereof and after giving effect to the Transactions on the Closing Date and the incurrence of the indebtedness and obligations on the Closing Date in connection with the Credit Agreement and the Senior Note Indenture, that, (i) the sum of the debt (including contingent liabilities) of the US Borrower and its Restricted Subsidiaries, taken as a whole, does not exceed the fair value of the assets of the US Borrower and its Restricted Subsidiaries, taken as a whole; (ii) the present fair saleable value of the assets of the US Borrower and its Restricted Subsidiaries, taken as a whole, is not less than the amount that will be required to pay the probable liabilities of the US Borrower and its Restricted Subsidiaries, taken as a whole, on their debts as they become absolute and matured; (iii) the capital of the US Borrower and its Restricted Subsidiaries, taken as a whole, is not unreasonably small in relation to the business of the US Borrower and its Restricted Subsidiaries, taken as a whole, contemplated as of the date hereof; and (iv) the US Borrower and its Restricted Subsidiaries, taken as a whole, do not intend to incur, or believe that they will incur, debts (including current obligations and contingent liabilities) beyond their ability to pay such debts as they mature in the ordinary course of business. For the purposes hereof, the amount of any contingent liability at any time shall be computed as the amount that, in light of all of the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability (irrespective of whether such contingent liabilities meet the criteria for accrual under Statement of Financial Accounting Standards No. 5).

Each Payor also hereby acknowledges and agrees that this Note constitutes notice of assignment, pursuant to the relevant Collateral Documents, in respect of loans, advances and any other amounts evidenced by this Note owed to any Payee that is a Loan Party and further acknowledges the receipt of such notice of assignment.

Other than to the extent explicitly specified herein, the loans and advances evidenced by this Note owexd by any Payor that is a Loan Party to any Payee that is not a Loan Party shall be subordinated and junior in right of payment, to the extent and in the manner hereinafter set forth, to all Obligations (such term "Obligations" as used herein shall mean the "Obligations" as defined in the applicable Credit Document) of such Payor under the Credit Documents (such Obligations being hereinafter collectively referred to as "**Senior Indebtedness**") as follows:

(i) in the event of any insolvency or bankruptcy proceedings, and any receivership, liquidation, reorganization or other similar proceedings in connection therewith, of any Payor that is a Loan Party, or to its property, and in the event of any proceedings for voluntary liquidation, dissolution or other winding up of such Payor in connection with an insolvency or bankruptcy event referred to above, then (x) the holders of Senior Indebtedness shall be paid in full in cash in respect of all amounts constituting Senior Indebtedness before any such Payee is entitled to receive (whether directly or indirectly), or make any demands for, any payment on account of this Note and (y) until the holders of Senior Indebtedness are paid in full in cash in respect of all amounts constituting Senior Indebtedness, any payment or distribution to which such Payee would otherwise be entitled (other than debt securities of such Payor that are subordinated, to at least the same extent as this Note, to the payment of all Senior Indebtedness then outstanding (such securities being hereinafter referred to as "**Restructured Debt Securities**")) shall be made to the holders of Senior Indebtedness;

(ii) if any Event of Default (as defined under any Credit Document) occurs and is continuing and either (x) any Administrative Agent has given written notice to the Borrower that such Administrative Agent is thereby exercising its rights pursuant to this clause (ii) (provided that no such notice shall be required in the case of an Event of Default arising under Section 7.01(f) or 7.01(g) of either Credit Agreement or under Section 6.01(g) or 6.01(h) of the Indenture) or (y) the Obligations under any Credit Document have been accelerated, then in either case, (a) no payment or distribution of any kind or character shall be made by such Payor to such Payee with respect to this Note and (b) no amounts evidenced by this Note owing by any Payor to any Payee that is a Loan Party shall be forgiven or otherwise reduced in any way; and

(iii) if any payment or distribution of any character, whether in cash, securities or other property (other than Restructured Debt Securities), in respect of this Note shall (despite these subordination provisions) be received by any Payee in violation of clause (i) or (ii) before all Senior Indebtedness shall have been paid in full in cash, such payment or distribution shall be held in trust for the benefit of, and shall be paid over or delivered to, the Administrative Agent on behalf of the holders of Senior Indebtedness (or their representatives), ratably according to the respective aggregate amount remaining unpaid thereon, to the extent necessary to pay all Senior Indebtedness in full in cash.

It is understood that the indebtedness evidenced by this Note by any Payor to a Loan Party shall not be subject to the subordination provisions set forth herein.

If any Payee that is not a Loan Party shall acquire by indemnification, subrogation or otherwise, any Lien, estate, right or other interest in any of the assets or properties of any Payor that is a Loan Party, such Lien, estate, right or other interest shall be subordinate in right of payment and all other respects to the Senior Indebtedness and the Lien of the Senior Indebtedness as provided herein, and each such Payee hereby waives any and all such rights it may acquire by subrogation or otherwise to any Lien of the Senior Indebtedness or any portion thereof until such time as all Senior Indebtedness has been repaid in full in cash.

If, at any time, all or part of any payment with respect to Senior Indebtedness theretofore made (whether by any other Loan Party or any other Person or enforcement of any right of setoff or otherwise) is rescinded or must otherwise be returned by the holders of Senior Indebtedness for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of any other Loan Party or such other Persons), the subordination provisions set forth herein shall continue to be effective or be reinstated, as the case may be, all as though such payment had not been made.

To the fullest extent permitted by law, no present or future holder of Senior Indebtedness shall be prejudiced in its right to enforce the subordination of this Note by any act or failure to act on the part of any Payee that is not a Loan Party or by any act or failure to act on the part of such holder or any trustee or agent for such holder. Each Payee that is not a Loan Party and each Payor that is a Loan Party hereby agrees that the subordination of this Note is for the benefit of the Secured Parties under each of the Credit Documents and that any Administrative Agent may, on behalf of itself and its related other Secured Parties or Holdings, as applicable, proceed to enforce the subordination provisions herein.

Nothing contained in the subordination provisions set forth above is intended to or will impair, as between each Payor and each Payee, the obligations of such Payor, which are absolute and unconditional, to pay to such Payee the principal of and interest on this Note as and when due and payable in accordance with its terms, or is intended to or will affect the relative rights of such Payee and other creditors of such Payor other than the holders of Senior Indebtedness.

Each Payee is hereby authorized to record all loans and advances made by it to any Payor, and all repayments or prepayments thereof, in its books and records, such books and records constituting prima facie evidence of the accuracy of the information contained therein; provided, that the failure of any Payee to record such information shall not affect any Payor's obligations.

Each Payor hereby waives diligence, presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind. Each Payor hereby acknowledges and agrees that upon the occurrence and during the continuance of an Event of Default, no amount owing by any Payor to any Payee shall be reduced in any way by any outstanding obligations of such Payee to such Payor, whether such obligations are monetary or otherwise.

THIS PROMISSORY NOTE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS PROMISSORY NOTE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

This Note shall be binding upon each Payor and its successors and assigns, and the terms and provisions of this Note shall inure to the benefit of each Payee and its successors and assigns,

including subsequent holders hereof. Notwithstanding anything to the contrary contained herein, in any other Loan Document or in any other promissory note or other instrument, this Note replaces and supersedes any and all promissory notes or other instruments heretofore outstanding which create or evidence any loans or advances made on, before or after the date hereof by any Payee to any Payor.

From time to time after the date hereof, additional Subsidiaries of the Borrower may become parties hereto as Payor and as Payee, in each case by executing a Global Intercompany Note Joinder substantially in the form attached hereto as Exhibit A (each additional Subsidiary, a "**New Note Party**"). Upon delivery of such Global Intercompany Note Joinder to the Payees, notice of which is hereby waived by the other Payors, each New Note Party shall be a Payor and/or a Payee, as the case may be, and shall be as fully a party hereto as if such New Note Party were an original signatory hereof. Each Payor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Payor or Payee hereunder. This Note shall be fully effective as to any Payor or Payee that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Payor or Payee hereunder.

No amendment, modification or waiver of, or consent with respect to, any provisions of this Note shall be effective unless the same shall be in writing and signed and delivered by each Payor and Payee whose rights or obligations shall be affected thereby; provided that (a) until such time as the Termination Date has occurred under the Term Loan Credit Agreement, the Term Loan Agent shall have provided its prior written consent to such amendment, modification, waiver or consent, (b) until such time as the Termination Date has occurred under the ABL Credit Agreement, the ABL Agent shall have provided its prior written consent to such amendment, modification, waiver or consent and (c) until such time as the Redemption Date has occurred under the Indenture, the Note Agent shall have provided its prior written consent to such amendment, modification, waiver or consent.

Temporary Swing Space:	Notwithstanding anything in this Lease to the contrary, from the date Landlord obtains and delivers to Tenant the Certificate of Occupancy for Tenant to occupy the Temporary Swing Space and continuing through the first to occur of: (a) seven (7) full calendar months after such date or (b) the date Landlord's Work and the Tenant Improvements are substantially complete (the "Swing Space Period"), Landlord licenses to Tenant, and Tenant licenses from Landlord, approximately 18,500 rentable square feet to be designated by Landlord and mutually agreed to by Tenant within the building located at 100 Lindenwood Drive, Malvern, Pennsylvania (the "Temporary Swing Space"). Tenant accepts the Temporary Swing Space in its condition as of the Commencement Date, subject to all applicable laws, ordinances, and regulations; provided that the Temporary Swing Space shall be delivered broom clean and with all holes in the walls repaired (whether created by removal of a doorway or otherwise). Tenant's license of the Temporary Swing Space shall be subject to (and, during the Swing Space Period, Tenant must comply with) all of the terms and provisions of this Lease, except Tenant shall have no obligation to pay Basic Rental for the Swing Space (except as hereafter provided) during the Swing Space Period, but shall timely vacate and surrender the Temporary Swing Space at the end of the Swing Space Period, failing which, Tenant shall be in hold over as to the Temporary Swing Space and Tenant must pay (1) during the first thirty (30) days after the end of the Swing Space Period, Basic Rental for the Temporary Swing Space calculated using the Basic Rental rate for the Premises, pro-rated on a per diem basis for each day after the end of the Swing Space Period when Tenant has not vacated and surrendered the Temporary Swing Space; and (2) after the first thirty (30) days after the end of the Swing Space Period, Basic Rental for the Temporary Swing Space at 150% of the rate then in effect for the Premises and Landlord may also pursue a confession of judgment solely for possession of the Temporary Swing Space and not any other damages or remedies, pursuant to the Lease or at law, in equity or otherwise. Landlord acknowledges and agrees that (a) the foregoing shall be Landlord's exclusive remedies if Tenant fails to vacate the Temporary Swing Space and (b) Tenant shall not be liable for any special consequential, indirect, exemplary or punitive damages. Landlord shall provide janitorial services for the Temporary Swing Space. Tenant shall be responsible to reimburse Landlord for all Janitorial Costs (without a Janitorial Stop) for the Temporary Swing Space and the Snow Excess based upon the square footage of the Temporary Swing Space. Prior to the expiration of the Swing Space Period, Tenant shall remove all furniture, fixtures, equipment and wiring installed by Tenant and repair all damages caused by such removal and restoration. Tenant shall return the Temporary Swing Space to Landlord in good and broom clean condition, ordinary wear and tear excepted. If substantial completion of Landlord's Work and the Tenant Improvements are delayed and cannot be completed within the Swing Space Period due to a force majeure, contractor delay or Landlord's delay or for any other reason, excluding a Tenant Delay, the Swing Space Period shall automatically be extended until Landlord's Work and the Tenant Improvements are substantially complete. LEASE

THIS LEASE AGREEMENT (this "Lease") has a reference date of January 1, 2017, between THE REALTY ASSOCIATES FUND X, L.P., a Delaware limited partnership ("Landlord"), and PQ CORPORATION, a Pennsylvania corporation ("Tenant").

DEFINITIONS AND BASIC PROVISIONS

1. The definitions and basic provisions set forth in the Basic Lease Information (the "Basic Lease Information") executed by Landlord and Tenant contemporaneously herewith are incorporated herein by reference for all purposes.

LEASE GRANT

2. Subject to the terms of this Lease, Landlord leases to Tenant, and Tenant leases from Landlord, the Premises. Except with respect to any obligations of Landlord expressly provided in this Lease, including, but not limited to Sections 8(e) and 8(f) and Exhibits H-1 and H-2, Tenant accepts the Premises in its condition as of the Commencement Date, subject to all applicable laws, ordinances, and regulations. Tenant acknowledges that Landlord has made no representation or warranty as to the suitability of the Premises for the conduct of Tenant's business, and Tenant waives any implied warranty that the Premises are suitable for Tenant's intended purposes. The taking of possession of the Premises shall be conclusive evidence that Tenant has inspected and accepts the Premises and that the Premises were in good condition at the time possession was taken except with respect to the obligations of Landlord expressly provided in this Lease, including, but not limited to Sections 8(e) and 8(f) and Exhibits H-1 and H-2. Except as expressly provided in this Lease, in no event shall Landlord be liable for any defects in the Premises or for any limitation on its use.

TERM

3. If the Commencement Date is not the first day of a calendar month, then the Term shall be extended by the time between the Commencement Date and the first day of the next month. Landlord and Tenant acknowledge and agree that Tenant is currently occupying the Premises pursuant to that certain Lease (as amended from time to time, the "Existing Lease") dated August 31, 2007 between Tenant, as tenant, and Landlord, as successor in interest to landlord thereunder. Effective as of the Commencement Date, the Existing Lease shall be deemed terminated, and neither Landlord nor Tenant shall have any obligations thereunder except to the extent accruing prior to the Commencement Date or expressly surviving the expiration of the Lease.

RENT

4. a. Payment. Tenant shall timely pay to Landlord the Basic Rental and all additional sums to be paid by Tenant to Landlord under this Lease, including the amounts set forth in Section 4.b. and Section 4.c., without deduction or set off (except as expressly provided in this Lease, including in connection with the Temporary Swing Space, or in Section 14 or Section 15), at Landlord's Address (or such other address as Landlord may from time to time designate in writing to Tenant). Basic Rental shall be payable monthly in advance. The first monthly installment of Basic Rental shall be payable on the day after the Abatement Period so that Tenant is not entitled to more than five (5) total months of abatement; thereafter, monthly installments of Basic Rental shall be due on the first day of the next full calendar month after the Abatement Period and continuing on the first day of each succeeding calendar month during the Term. Basic Rental for any fractional month immediately following the Abatement Period shall be prorated based on 1/365 of the current annual Basic Rental for each day of the partial month this Lease is in effect, and shall be due on the day after the Abatement Period. Notwithstanding anything contained herein to the contrary, Landlord acknowledges and agrees that Tenant shall be entitled to a credit in an amount equal to any Rent (as defined in the Existing Lease) paid by Tenant to Landlord pursuant to the Existing Lease (but less the Janitorial Costs Tenant is required to pay (and has not yet

paid) for the portion of the Premises for which janitorial services are provided and the Temporary Swing Space) for the period commencing on the Commencement Date through the date of Lease execution (including but not limited to January 2017 and February 2017 installments of Fixed Annual Rent as defined in the Existing Lease) ("Rent Credit"). The Rent Credit shall be credited against the first monthly installment of Basic Rental and to each subsequent installment of Basic Rental until the Rent Credit has been fully applied and reduced to zero.

b. Excesses. Commencing on January 1, 2018, Tenant shall pay an amount (per each rentable square foot in the Premises) equal to the difference between the actual Basic Cost per rentable square foot in the Building in the applicable calendar year and the actual Basic Cost per rentable square foot in the Building incurred during the Base Year ("Basic Cost Excess"). In addition, commencing on the Commencement Date, Tenant shall pay an amount (per each rentable square foot in in the Premises) equal to (i) all costs which Landlord incurs in connection with snow and ice removal for the parking areas and sidewalks associated with the Building ("Snow Removal Cost") that exceed $0.25 per rentable square foot per annum ("Snow Excess"), plus (ii) if Tenant does not elect to provide its own janitorial services as provided in Section 8.i, all costs which Landlord incurs in connection with performing janitorial services excluding the cost of all cleaning supplies which Tenant shall provide, at Tenant's cost, for the Premises ("Janitorial Costs") for the Building that exceed $1.00 per rentable square foot per annum (prorated, as appropriate, if janitorial is not provided to the entire Premises for the entire calendar year 2017) ("Janitorial Excess"; the Basic Cost Excess, Snow Excess and Janitorial Excess (if applicable) are each an "Excess" and collectively, the "Excesses"). Landlord may collect the amount for any Excess in a lump sum, to be due within thirty (30) days after Landlord furnishes to Tenant the Annual Cost Statement (defined below). Alternatively, Landlord may make a good faith estimate for any Excess to be due by Tenant for any calendar year or part thereof during the Term, and, unless Landlord delivers to Tenant a revision of such estimated Excess, Tenant shall pay to Landlord, on the first day of each calendar month, an amount equal to the estimated Excess for such calendar year or part thereof divided by the number of months in such calendar year during the Term. From time to time during any calendar year, Landlord may estimate and re-estimate any Excess to be due by Tenant for that calendar year and deliver a copy of the estimate or re-estimate to Tenant; provided that Landlord shall not estimate or re-estimate any Excess more than once in any calendar year. Thereafter, the monthly installments for the estimated or re-estimated Excess payable by Tenant shall be appropriately adjusted in accordance with the estimation or re-estimation so that, by the end of the calendar year in question, Tenant shall have paid the applicable Excess as estimated or re-estimated by Landlord. Any amounts paid based on such an estimate or re-estimate shall be subject to adjustment pursuant to Section 4.d. when the actual Basic Cost, Snow Removal Cost and Janitorial Cost, as applicable, are available for each calendar year.

c. Basic Cost Definition. For the purposes of this Lease, the term "Basic Cost" shall mean all expenses and disbursements of every kind (subject to limitations and excluding the exclusions set forth below) which Landlord incurs, pays or becomes obligated to pay in connection with the ownership, operation, and maintenance of the Building (including the associated parking facilities), pro-rated as provided in Sections 4.h. and 4.i., as applicable, determined in accordance with generally accepted federal income tax basis accounting principles consistently applied, including but not limited to the following:

(i) Wages and salaries (including management fees, not to exceed five percent (5%) of gross revenues of the Building for the applicable calendar year) of all employees engaged in the operation, repair, replacement, and maintenance, and security (if reasonably necessary) of the Building, including taxes, insurance and benefits relating thereto pro-rated to the extent such employees are engaged in operation, repair, replacement, maintenance and security of other buildings in addition to the Building (by way of example, the engineer for the Complex bills time to each building in the Complex based on the number of calls and the amount of time spent in each such building within the Complex);

(ii) All supplies and materials used in the operation, maintenance, repair, replacement, and security of the Building;

(iii) Annual cost of all capital improvements made to the Building which although capital in nature can reasonably be expected to reduce the normal operating costs of the Building, as well as all capital improvements made to the Building in order to comply with any law promulgated by any governmental authority not in effect as of the Commencement Date, but only to the extent of the amortized cost of such improvement over the useful economic life of such improvements as determined by Landlord in its reasonable discretion (without regard to the period over which such improvements may be depreciated or amortized for federal income tax purposes);

(iv) Cost of all electricity, water and other utilities for the Building, other than the cost of utilities directly reimbursed to Landlord (i.e., through submeters or comparable devices) or paid directly to utility providers by the Building's tenants;

(v) Cost of any insurance or insurance related expense applicable to the Building and Landlord's personal property used in connection therewith;

(vi) All taxes and assessments and governmental charges whether federal, state, county or municipal, and whether they be by taxing or management districts or authorities presently taxing or by others, subsequently created or otherwise, and any other taxes and assessments attributable to the Building (or its operation), and the grounds, parking areas, driveways, and alleys on the Land, including, without limitation, margin taxes, excluding, however, federal and state taxes on income, inheritance taxes, gift taxes, excise taxes, transfer taxes, profit taxes (except as provided in this Lease), late payment charges and levies (collectively, "Taxes"). If the present method of taxation changes so that in lieu of the whole or any part of any Taxes levied on the Land or Building, there is levied on Landlord a capital tax directly on the rents received therefrom (as opposed to real property taxes) or a franchise tax, assessment, or charge based, in whole or in part, upon such rents for the Building, then all such taxes, assessments, or charges, or the part thereof so based, shall be deemed to be included within the term "Taxes" for the purposes hereof;

(vii) Cost of repairs, replacements, and general maintenance of the Building, including repair and general maintenance of the roof, foundation and exterior walls of the Building; and

(viii) Cost of service or maintenance contracts with independent contractors for the operation, maintenance, repair, replacement, or security of the Building (including, without limitation, alarm service, window cleaning, and elevator maintenance).

Notwithstanding anything to the contrary contained herein, the following are expressly excluded from the definition of the term "Basic Cost" (1) capital improvement costs made to the Building, other than capital improvements described in subparagraph (iii) above and except for items which, though capital for accounting purposes, are properly considered maintenance and repair items, such as painting of common areas, replacement of carpet in elevator lobbies, and the like; (2) repair, replacements and general maintenance costs paid by proceeds of insurance or by Tenant or other third parties, and alterations attributable solely to tenants of the Building other than Tenant; (3) interest, amortization or other payments on loans of Landlord; (4) depreciation costs of the Building and Landlord's personal property; (5) leasing commissions, marketing costs, lease takeover costs, moving costs and other costs incurred solely in order to lease space in the Building; (6) legal fees and expenses, other than those incurred for the general benefit of the Building's tenants (e.g., Tax disputes); (7) costs for renovating or otherwise improving space for occupants of the Building or vacant space in the Building; (8) federal income taxes imposed on or measured by the income of Landlord from the operation of the Building; (9) rent or other costs for any ground leases affecting the Building; (10) costs for services provided by Landlord's affiliates to the extent in excess of that which would be incurred in an arms-length transaction; (11) all costs and expenses associated with the replacement of the roof, roof membrane or the two (2) existing thirty-three ton HVAC roof top units serving the Building, provided that Basic Costs shall include the cost of labor incurred to replace individual components of the HVAC units and all other mechanical, electrical and plumbing systems; (12) costs and expenses for items and services for which Tenant reimburses and directly pays to Landlord or directly pays third party providers; (13) the cost of repairs or other work occasioned by fire, windstorm or other insured casualty not by the exercise of eminent domain to the extent of the insurance proceeds or the condemnation awards received therefore; (14) Snow Removal Costs and Janitorial Costs, which shall be invoiced and reconciled separate and apart from Basic Cost; and (15) the cost of Landlord's Work and the Tenant Improvement Allowance.

d. Annual Cost Statement. Within 120 days after the expiration of each calendar year, or as soon as reasonably practicable but in no event more than one (1) year after each calendar year, Landlord shall furnish to Tenant a statement of Landlord's itemized actual Basic Cost, Snow Removal Cost and Janitorial Cost and the amount of the applicable Excess (the "Annual Cost Statement") for the previous year. If Landlord has elected for payments of any Excess to be made monthly in advance based on estimates or re-estimates (as provided in Section 4(b)) and the Annual Cost Statement reveals that Tenant paid more for the applicable Excess in such calendar year to which such statement applies, then Landlord shall promptly credit or reimburse Tenant for such overpayment by Tenant; likewise, if Tenant paid less than the applicable Excess in such calendar year to which the statement applies, then Tenant shall promptly pay Landlord such deficiency. Landlord shall be deemed to have waived any claim it may have to amounts that are not billed to Tenant within two (2) years after the expiration of the calendar year in which they are incurred.

e. Audit. Tenant, at its sole expense, shall have the right, within one hundred twenty (120) days after receiving the Annual Cost Statement for a particular year ("Audit Period") to review Landlord's books and records relating to the Basic Cost, Janitorial Cost and Snow Removal Cost for such year if there is a Basic Cost Excess, Janitorial Excess or Snow Removal Excess. Such review shall be conducted only during regular business hours at Landlord's office and only after Tenant gives Landlord fourteen (14) days prior written notice. Tenant shall deliver to Landlord a copy of the results of such review within the Audit Period if Tenant intends to dispute any Excess. If Landlord and Tenant are not able to agree on the amount of any adjustments to any Excess within thirty (30) days following the delivery of Tenant's results, Tenant, at its sole cost, may, at its option, hire an independent auditor that is not compensated on a contingency fee basis, or a nationally recognized accounting firm (i.e., a "Top 4" or "Top 5") which auditor or accounting firm will be mutually and reasonably acceptable to both Landlord and Tenant. The results of such audit shall be binding on the parties. All information obtained

through Tenant's audit with respect to financial matters (including, without limitation, costs, expenses, income) and any other matters pertaining to the Landlord and/or the Building as well as any compromise, settlement, or adjustment reached between Landlord and Tenant relative to the results of the audit shall be confidential and governed by Section 26.q. As a condition precedent to Tenant's exercise of its right to audit, Tenant must deliver to Landlord a signed agreement from the auditor selected by Landlord and Tenant in a form reasonably satisfactory to Landlord acknowledging that all of the results of such audit as well as any compromise, settlement, or adjustment reached between Landlord and Tenant shall be held in strict confidence and shall not be revealed in any manner to any person (i) except upon prior written consent of Landlord and Tenant, which consent may be withheld in such party's sole discretion or (ii) unless necessary in connection with any litigation between Landlord and Tenant or (iii) unless required by law or court order. If it is ultimately determined that Landlord has overstated any Excess by more than five percent (5%), Landlord agrees to pay the auditor its reasonable fees associated with such audit, not to exceed $5,000.00. If within such one hundred twenty (120) day period Tenant does not give Landlord written notice stating in reasonable detail any objection to the Annual Cost Statement, Tenant shall be deemed to have approved such statement in all respects. No subtenant (except for an Affiliate of Tenant) shall have any right to conduct an audit and no assignee (except for an Affiliate of Tenant) shall conduct an audit for any period during which such assignee was not in possession of the Premises.

f. Electrical Costs. The Premises are separately metered and Tenant has and will continue to maintain a direct contract with the electricity provider. Tenant shall timely pay the cost of all electricity used by the Building directly to the electricity provider ("Electrical Costs").

g. Basic Cost Cap. Basic Cost is comprised of "Controllable Costs" and "Non-Controllable Costs." Controllable Costs are those components of Basic Cost that are not related to Taxes, insurance, snow removal, janitorial services, association fees, utilities, force majeure events, costs not within Landlord's control and/or collectively-bargained union wages. Non-Controllable Costs are those components of Basic Cost that are not Controllable Costs. Notwithstanding any provision of the Lease to the contrary, for the purpose of calculating Basic Cost each year during the initial Term of the Lease, the items of Controllable Costs shall be deemed not to increase more than five percent (5%) per calendar year (determined on a compounding basis throughout the initial Term of the Lease) for each calendar year from and after the Base Year; provided, however, that no item of Basic Cost other than Controllable Costs shall be subject to the foregoing limitation; and provided further, that the percentage increase shall be determined on a cumulative basis such that if the average increase for all expired calendar years and the next calendar year is less than five percent (5%), then the percentage increase for the next calendar year may exceed five percent (5%) so long as the average increase for all expired calendar years and the next calendar year do not exceed five percent (5%) per calendar year. There shall be no cap on Non-Controllable Costs. For avoidance of doubt, the parties acknowledge and agree that the Snow Removal Costs and Janitorial Costs are not capped.

h. Tenant's Pro-rata Share of the Complex. Landlord separately contracts for services to the buildings within the Complex on a building by building basis. In the event that a contract applies to the entire Complex, Tenant's pro-rata share shall be the rentable square footage in the Premises divided by the rentable square footage in the Complex. The Complex currently contains 280,414 rentable square feet.

i. Tenant's Pro-Rata Share - Taxes. Since the Building and Land are currently on a shared tax parcel with the building known as the 200 building within the Complex, Tenant's pro-rata share of Taxes shall be the rentable square footage in the Premises divided by the rentable square footage in the 200 building. The Tax parcel currently contains 45,600 rentable square feet.

DELINQUENT PAYMENT; HANDLING CHARGES

5. All payments required of Tenant hereunder shall bear interest from the date due (as extended by the notice and cure period set forth in Section 17(a) below) until paid at an interest rate equal to 12% per annum. Alternatively, and in lieu of the foregoing, Landlord may charge Tenant a fee equal to 5% of the delinquent payment to reimburse Landlord for its cost and inconvenience incurred as a consequence of Tenant's delinquency. In no event, however, shall the charges permitted under this Section 5 or elsewhere in this Lease, to the extent the same are considered to be interest under applicable law, exceed the maximum lawful rate of interest.

SECURITY DEPOSIT

6. Intentionally deleted.

UTILITY INTERRUPTION AND USE

7. a. NO LIABILITY. INTERRUPTION OR MALFUNCTION OF ANY UTILITY OR TELEPHONE SERVICE AND/OR FAILURE TO MAINTAIN TEMPERATURE OR ELECTRICAL CONSTANCY LEVELS SHALL NOT CONSTITUTE A BREACH BY LANDLORD, NOR SHALL SAME BE DEEMED TO CAUSE AN EVICTION (CONSTRUCTIVE OR ACTUAL) OR DISTURBANCE OF TENANT, NOR SHALL SAME RELEASE TENANT FROM ANY OBLIGATION UNDER THIS LEASE, NOR SHALL SAME GRANT TO OR ENTITLE TENANT TO ANY RIGHT TO OFFSET OR RENT ABATEMENT, AND NEITHER LANDLORD NOR LANDLORD'S AGENTS, REPRESENTATIVES OR EMPLOYEES SHALL BE LIABLE FOR DAMAGES (CONSEQUENTIAL OR OTHERWISE) AS A RESULT OF SUCH INTERRUPTION OR MALFUNCTION. MOREOVER, NO SUCH INTERRUPTION OR MALFUNCTION OF SERVICES OR FAILURE TO MAINTAIN TEMPERATURE OR ELECTRICAL CONSTANCY LEVELS, OR THE RESULTS OR EFFECTS THEREOF, SHALL BE CONSTRUED AS AN EVICTION (CONSTRUCTIVE OR ACTUAL) OF TENANT OR AS A BREACH OF ANY IMPLIED WARRANTY OF SUITABILITY, NOR WILL SAME RELIEVE TENANT FROM THE OBLIGATION TO PERFORM ANY COVENANT OR AGREEMENT HEREIN, AND IN NO EVENT SHALL LANDLORD BE LIABLE FOR DAMAGE AS A RESULT OF ANY SUCH INTERRUPTION OR MALFUNCTION OF SERVICES OR FAILURE TO MAINTAIN TEMPERATURE OR ELECTRICAL CONSTANCY LEVELS. The foregoing does not and shall not relieve Landlord of any express repair, maintenance and replacement obligation in this Lease.

b. Excess Utility Use. Tenant shall not install any electrical equipment requiring special wiring or requiring voltage in excess of 110 volts or otherwise exceeding Building capacity unless approved in advance by Landlord. Landlord shall provide the electrical capacity for the Building to Tenant and Tenant will use the electricity in the Building so as not to exceed the capacity of existing feeders and risers to or wiring in the Building (including any changes to the capacity or wiring resulting from Landlord's Work or the Tenant Improvements). No machinery or equipment shall be permitted that shall cause vibration, noise or disturbance beyond the Premises. Tenant shall not overload any floor or part thereof in the Premises or the Building, bringing in, placing, storing, installing or removing any large or heavy articles, and Landlord may prohibit, or may direct and control the location and size of, safes and all other heavy articles, and may require, at Tenant's sole cost and expense, supplementary supports of such material and dimensions as Landlord may deem necessary to properly distribute the weight. Except as provided above, this Section 7.b. shall not apply to the Landlord's Work or the Tenant Improvements.

IMPROVEMENTS; ALTERATIONS; REPAIRS; MAINTENANCE

8. a. Improvements; Alterations. Improvements and alterations to the Premises shall be installed or made at the expense of Tenant only in accordance with plans and specifications which have been previously submitted to and approved in writing by Landlord, which approval shall not be unreasonably withheld with respect to non-structural improvements or alterations, but in Landlord's sole discretion with regard to structural improvements or alterations and improvements or alterations to the exterior of the Building; provided, however, notwithstanding anything to the contrary contained herein, Tenant shall have the right without Landlord's approval to make interior, non-structural alterations or improvements (that do not require work to be performed outside of the Building or do not alter the Building systems) in any calendar year that do exceed $25,000 individually or $35,000 in the aggregate during such calendar year. All improvements or alterations performed by or for Tenant shall be performed in good and workmanlike manner quality. Landlord acknowledges and consents to Tenant's installation of the IT room/AC equipment and supplemental HVAC equipment so long as Tenant provides Landlord with the specifications for such supplemental HVAC equipment, such supplemental HVAC equipment is installed in accordance with any applicable codes and such supplemental HVAC equipment does not exceed Building system capacities. All improvements and alterations made by or for Tenant shall comply with insurance requirements and with applicable law, ordinances, and regulations, including, without limitation and to the extent applicable, laws and regulations regarding removal or alteration of structural or architectural barriers to handicapped or disabled persons (and Tenant shall construct at its expense any alteration required by such laws or regulations, as they may be amended). Tenant shall not paint or install signs, window or exterior door lettering, or advertising media of any type on the outside of the Building without the prior written consent of Landlord, in Landlord's sole discretion. Obligations and ownership of alterations, additions, or improvements at surrender shall be governed by Section 21. Approval by Landlord of any of Tenant's drawings and plans and specifications prepared in connection with any improvements in the Premises shall not constitute a representation or warranty of Landlord as to the adequacy or sufficiency of such drawings, plans and specifications, or the improvements to which they relate, for any use, purpose, or condition, but such approval shall merely be the consent of Landlord as required hereunder. Notwithstanding anything in this Lease to the contrary, Tenant shall be responsible for the cost of all work required to comply with the retrofit requirements of the Americans with Disabilities Act of 1990, and all rules, regulations, and guidelines promulgated thereunder, as the same may be amended from time to time, necessitated by any installations, additions, or alterations made in or to the Premises at the request of or by Tenant or by Tenant's use of the Premises (other than retrofit work whose cost has been particularly identified as being payable by Landlord in an instrument signed by Landlord and Tenant), regardless of whether such cost is incurred in connection with retrofit work required in the Premises or in other areas of the Building. This Section 8.a. shall not apply to the Tenant Improvements which shall be governed by and paid for as provided in Exhibit H-1 and H-2.

b. Repairs; Maintenance. Tenant shall maintain the Premises in a clean, safe, operable, attractive condition, and shall not permit or allow to remain any waste or damage to any portion of the Premises. Tenant shall repair or replace, subject to Landlord's direction and supervision, any damage to the Premises or Land caused by Tenant or Tenant's agents, employees or representatives. If Tenant fails to make such repairs or replacements (a) immediately, if there is an emergency situation, or (b) within

thirty (30) days after Tenant's actual knowledge or written notice from Landlord regarding the occurrence of such damage (or such longer period if a longer period is needed based on the repair or replacement, but in no event exceeding ninety (90) days). In either such instance, and notwithstanding anything contained in this Lease to the contrary, Landlord may make the same at Tenant's cost. In lieu of having Tenant repair any such damage to the outside of the Premises, Landlord may repair such damage at Tenant's cost. The actual cost of any repair or replacement work performed by Landlord under this Section 8.b. shall be paid by Tenant to Landlord within ten (10) days after Landlord has delivered to Tenant an invoice therefor including reasonable evidence of the cost of the repair work.

c. Performance of Work. All work described in this Section 8 shall be performed only by Landlord or by contractors and subcontractors approved in writing by Landlord, which consent shall not be unreasonably withheld or delayed; provided, however, Landlord may require Tenant to use Landlord's third-party contractor if such alteration, physical addition or improvement affects any systems, warranties or structural portions of the Premises or the Building so long as Landlord's third-party contractor's cost is not materially higher than the price of an arms-length contractor. If Landlord's third-party contractor's cost is materially higher, Tenant shall notify Landlord and the parties shall reasonably cooperate to agree on a solution to insure the warranties remain in effect. Notwithstanding anything contained herein to the contrary, Tenant shall not be obligated to obtain Landlord's approval for any contractor performing improvements or alterations for which Tenant is not obligated to obtain Landlord's consent, but must give Landlord (or its Complex representative/manager) prior notice of the performance of the improvements and alterations and Landlord must be named as an additional insured on such contractor's insurance policy. The party engaging the contractors and subcontractors shall cause the contractors and subcontractors to add Landlord and Tenant as an additional insured on such contractor's insurance. All such work shall be performed in accordance with all legal requirements and in a good and workmanlike manner so as not to damage the Premises, the primary structure or structural qualities of the Building, or plumbing, electrical lines, or other utility transmission facility. All such work which may affect the HVAC, electrical system, or plumbing must be approved by the Building's engineer of record.

d. Mechanic's Liens. Tenant shall not permit any mechanic's liens to be filed against the Premises or the Building for any work performed, materials furnished, or obligation incurred by or at the request of Tenant. If such a lien is filed, then Tenant shall, within ten (10) days after Landlord has delivered notice of the filing to Tenant, either pay the amount of the lien or diligently contest such lien and deliver to Landlord a bond or other security reasonably satisfactory to Landlord. If Tenant fails to timely take either such action, then Landlord may pay the lien claim without inquiry as to the validity thereof, and any amounts so paid, including expenses and interest, shall be paid by Tenant to Landlord within ten (10) days after Landlord has delivered to Tenant an invoice therefor and reasonable evidence of such payment.

e. Mandatory Roof Replacement. Landlord shall replace the roof of the Building at Landlord's sole cost and expense on or before the earlier to occur of (a) the end of the fifth (5th) year following the Commencement Date, or (b) a commercially reasonable period of time after the Roof Replacement Condition is satisfied. The "Roof Replacement Condition" shall occur when the costs incurred during the Term to maintain and repair the roof of the Building, including parts and labor, exceed $30,000.00, excluding any damage caused by Tenant. Landlord acknowledges and agrees that the $5,760.00 that has been budgeted for repair and maintenance of the roof during calendar year 2017 shall be applied to and included in the calculation of the Roof Replacement Condition.

f. Mandatory HVAC Replacement. Landlord shall replace the two (2) existing thirty-three ton HVAC roof top units serving the Building (each an "Existing HVAC Unit" and collectively, the "Existing HVAC Units") at Landlord's sole cost and expense on or before the end of the fifth (5th) year following the Commencement Date; provided, however, if the HVAC Replacement Condition for an Existing HVAC Unit is satisfied before the end of the fifth (5th) year following the Commencement Date, then Landlord shall replace such Existing HVAC Unit within a commercially reasonable period of time after the HVAC Replacement Condition is satisfied for such Existing HVAC Unit. The "HVAC Replacement Condition" shall occur when the costs incurred during the Term to maintain and repair an Existing HVAC Unit, including parts and labor, exceeds $35,000.00 per unit, excluding damage caused by Tenant. For the avoidance of doubt, the occurrence of the HVAC Replacement Condition with respect to one (1) of the Existing HVAC Units shall not obligate Landlord to replace the Existing HVAC Unit for which the HVAC Replacement Condition has not occurred.

g. Landlord's Repair and Maintenance. Subject to reimbursement by Tenant as provided in this Lease, in addition to Sections 8.e. and 8.f., Landlord, throughout the Term of this Lease, shall, except to the extent the damage is caused by Tenant or its employees, agents, or representatives: (i) maintain and make all necessary repairs replacements to the structure, footings, foundations, structural steel columns and girders forming a part of the Building; (ii) maintain, repair and replace all HVAC Building systems (except as provided in Section 8.h. below), plumbing, electric and other systems serving the Building, and (iii) maintain and make all necessary repairs and replacements to the Building outside of the Premises and to any Common Areas (including Snow Removal), and (iv) provide janitorial services for the Premises Monday through Friday of each week (excluding all holidays observed in the Commonwealth of Pennsylvania) in accordance with guidelines agreed to by the parties unless Tenant has elected to obtain its own janitorial service as provided in Section 8.i. The term "Common Areas" is defined as all areas and facilities outside the Premises and within the exterior boundary line of the Complex that are designated by Landlord from time to time for the general non-exclusive use of Landlord, Tenant and Tenant's respective employees, suppliers, customers and invitees, including, but not limited to, common entrances, parking areas, loading and unloading areas, roadways and sidewalks.

h. Supplemental HVAC. Except for the Tenant Improvements, Tenant shall be liable, at its sole cost and expense, for installing maintaining and replacing all supplemental air conditioning units (excluding the Existing HVAC Units) or other supplemental equipment in the Premises necessary for Tenant's operation of its business.

i. Janitorial Services. Notwithstanding anything to the contrary contained in this Lease, Tenant may elect to perform its own janitorial services within the interior of the Premises at any point during the Term provided that the scope of services, products and janitorial contractor are all approved by Landlord, such approval not to be unreasonably withheld. If Tenant elects to perform such services, Tenant agrees to provide Landlord with at least one hundred twenty (120) days advance written notice as to a date when Tenant will begin such service. Upon the commencement of such service, Tenant shall not be obligated to pay Landlord the Janitorial Excess.

j. Landlord's Work and Tenant Improvements. Landlord's Work and Tenant Improvements shall be governed by Exhibit H-1 and H-2, respectively.

USE

9. Tenant shall use the Premises only for the Permitted Use and shall comply with all laws, orders, rules, and regulations relating to the use, condition, and occupancy of the Premises. The Premises shall not be used for any use which is disreputable or creates extraordinary fire hazards or results in an increased rate of insurance on the Building or its contents or the storage of any hazardous materials or substances. If, because of Tenant's acts, Landlord's rate of insurance on the Building or its contents increases, Tenant shall pay to Landlord the amount of such increase on demand. Tenant shall conduct its business and control its agents, employees, and invitees in such a manner as not to create any nuisance or interfere with other tenants or Landlord in its management of the Building. Tenant shall adopt and implement the following guidelines to avoid developing excessive moisture or mold growth: (a) to report any maintenance problems involving water, moist conditions, or mold to the Landlord promptly and conduct its required activities in a manner which prevents unusual moisture conditions or mold growth; (b) to not block or inhibit the flow of return or make-up into the HVAC system; (c) to maintain the suite at a consistent temperature and humidity level to prevent mold, mildew or moisture conditions and otherwise in accordance with the Landlord's reasonable instructions; (d) to keep the Premises clean, especially in bathrooms, kitchens, janitorial spaces and other spaces with running water, to remove mildew and prevent or correct moist conditions; and (e) to maintain water in all drain traps at all times. Tenant agrees to promptly notify Landlord if Tenant observes mold/mildew and/or moisture conditions (from any source, including leaks) and allow Landlord to evaluate and make recommendations.

ASSIGNMENT AND SUBLETTING

10. a. Transfers; Consent. Except for a Transfer to an Affiliate as provided in Section 10.f., Tenant shall not, without the prior written consent of Landlord (which Landlord agrees will not be unreasonably withheld), (i) assign, transfer, or encumber this Lease or any estate or interest herein, whether directly or by operation of law, (ii) permit any other entity to become Tenant hereunder by merger, consolidation, or other reorganization, (iii) if Tenant is an entity other than a corporation whose stock is publicly traded, permit the transfer of an ownership interest in Tenant so as
to result in a change in the current control of Tenant, (iv) sublet any portion of the Premises, or (v) grant any license, concession, or other right of occupancy of any portion of the Premises other than to an Affiliate (any of the events listed in clauses (i) through (v) being a "Transfer"). If Tenant requests Landlord's consent to a Transfer, then Tenant shall provide Landlord with a written description of all terms and conditions of the proposed Transfer, copies of the proposed documentation, and the following information about the proposed transferee: name and address; reasonably satisfactory information about its business and business history; its proposed use of the Premises; banking, financial, and other credit information; and other information reasonably necessary to enable Landlord to determine the proposed transferee's creditworthiness and character. Tenant shall reimburse Landlord for its reasonable attorneys' fees and other expenses incurred in connection with considering any request for its consent to a Transfer, not to exceed $5,000. If Landlord consents to a proposed Transfer, then the proposed transferee shall deliver to Landlord a written agreement whereby it expressly assumes the Tenant's obligations hereunder (unless such Transfer is by merger, operation of law or the sale of the stock of Tenant); however, any transferee of less than all of the space in the Premises shall be liable only for obligations under this Lease that are properly allocable to the space subject to the Transfer, and only to the extent of the rent it has agreed to pay Tenant therefor. Landlord's consent to a Transfer shall not release Tenant from performing its obligations under this Lease, but rather Tenant and its transferee shall be jointly and severally liable therefor. Landlord's consent to any Transfer shall not waive Landlord's rights as to any subsequent Transfers. If an Event of Default occurs while the Premises or any part thereof are subject to a Transfer, then Landlord, in addition to its other remedies, may collect, as long as such Event of Default remains uncured, directly from such transferee all rents becoming due to Tenant and apply such rents against Rent. If an Event of Default occurs, Tenant authorizes its transferees to make payments of rent directly to Landlord upon receipt of notice from Landlord to do so.

b. Standards for Approval. It shall be reasonable for Landlord to withhold its consent to any Transfer if (i) there is an Event of Default at the time of the Transfer request or anytime thereafter, but prior to the Transfer, (ii) the financial responsibility (including, without limitation, the fact that the proposed assignee or sublessee is less able financially to pay the Rent under this Lease as and when they are due and payable), nature of business, and character of the proposed transferee are not all reasonably satisfactory to Landlord, (iii) in the reasonable judgment of Landlord the purpose for which the transferee intends to use the Premises (or a portion thereof) is not in keeping with Landlord's standards for the Building or would impose a burden on the parking facilities, elevators, common areas or utilities that is greater than the burden imposed by Tenant, (iv) the proposed transferee is a government entity or quasi governmental entity or agency, (v) the proposed sublease or assignment is for less than the entire Premises or for less than the remaining Term of the Lease, (vi) the Basic Rental payable by the proposed transferee is less than the greater of: (x) the then prevailing fair market rental rate as reasonably determined by Landlord, or (y) the Basic Rental payable by Tenant under the Lease and/or (vii) the Transfer would cause Landlord to be in violation of any of its obligations under another lease or agreement to which Landlord is a party. The foregoing shall not exclude any other reasonable basis for Landlord to withhold its consent. Landlord shall have no liability for damages to Tenant or to any proposed transferee, and Tenant shall not be permitted to terminate this Lease, if it is adjudicated that Landlord's consent has been unreasonably withheld and such unreasonable withholding of consent constitutes a breach of this Lease or other duty to Tenant, the proposed transferee or any other person on the part of Landlord. In such event, Tenant's sole remedy shall be to have the proposed Transfer declared valid as if Landlord's consent had been given.

c. Leveraged Buyout. The involvement by Tenant or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, refinancing, transfer, leveraged buy-out or otherwise) whether or not a formal assignment or hypothecation of this Lease or Tenant's assets occurs, which results or will result in Tenant's Net Worth (as hereinafter defined) being reduced to below $10,000,000, shall be considered to be an assignment of this Lease by Tenant to which Landlord may reasonably withhold consent.

d. Cancellation. Landlord may, within thirty (30) days after submission of Tenant's written request for Landlord's consent to a Transfer, cancel this Lease (or, as to a subletting or assignment, cancel as to the portion of the Premises proposed to be sublet or assigned) as of the date the proposed Transfer was to be effective. If Landlord cancels this Lease as to any portion of the Premises, then (i) this Lease shall cease for such portion of the Premises, (ii) Tenant shall pay to Landlord all Rent accrued through the cancellation date relating to the portion of the Premises covered by the proposed Transfer and upon such payment Tenant shall be released from any liability related to the portion of the Premises to which the Lease is no longer effective, and (iii) all Rent due from Tenant to Landlord shall be adjusted to reflect the reduction in the size of the Premises. Thereafter, Landlord may lease such portion of the Premises to the prospective transferee (or to any other person) without liability to Tenant.

e. Additional Compensation. Tenant shall pay to Landlord, immediately upon receipt thereof, 50% of all compensation received by Tenant for a Transfer that exceeds (i) the Basic Rental, plus (ii) Tenant's share of Excess allocable to the portion of the Premises covered thereby, plus (iii) all costs incurred by Tenant related to such Transfer, including but not limited to, brokerage commissions, alteration and improvement costs for such transferee, reasonable attorney's fees and credits or abatements given to the transferee.

f. Affiliate Transfers. Notwithstanding anything to the contrary set forth herein, Tenant shall be permitted to assign this Lease, or sublet all or a portion of the Premises, to an Affiliate without the prior consent of Landlord, if all of the following conditions are first satisfied: (a) Tenant shall give Landlord at least thirty (30) days prior written notice of such assignment or subletting; (b) no Event of Default has occurred and is continuing under this Lease; (c) a fully executed copy of such assignment or sublease, the assumption of this Lease by the assignee or acceptance of the sublease by the sublessee, or a copy of the merger, consolidation or stock purchase agreement, as applicable, and such other information regarding the assignment or sublease as Landlord may reasonably request, shall have been delivered to Landlord; (d) the Premises shall continue to be operated solely for the use specified in this Lease; (e) Tenant shall pay all costs reasonably incurred by Landlord in connection with such assignment or subletting, including, without limitation, attorneys' fees, not to exceed $5,000; and (f) the Affiliate remains an Affiliate of Tenant during the Term of this Lease; and (g) the combined Net Worth of the Affiliate and Tenant at the time of such assignment or subletting is equal to or greater than $10,000,000. As used herein, the term "Affiliate" shall mean an entity which (i) directly or indirectly controls the subject party, (ii) is under the direct or indirect control of the subject party, (iii) is under common direct or indirect control with the subject party, (iv) with which the subject party is merged or consolidated, or (v) which acquires all or substantially all of the subject party's assets or stock. Control shall mean ownership of fifty-one percent (51%) or more of the voting securities or rights of the controlled entity. Tenant acknowledges and agrees (and agrees at the time of such assignment or subletting to confirm) that in each instance described above, Tenant shall remain liable for the performance of the terms and conditions of this Lease despite such assignment or subletting. "Net Worth" of Tenant as described in this Lease shall mean the net worth of Tenant determined using audited financial statements prepared using generally accepted accounting principles consistently applied by an independent firm of certified public accountants engaged by Tenant.

INSURANCE; WAIVERS; SUBROGATION; INDEMNITY

11. a. Insurance. Tenant shall obtain and keep in force during the Term of this Lease a commercial general liability policy of insurance with coverages acceptable to Landlord, in Landlord's reasonable discretion based on buildings similar to the Building and uses similar to the Permitted Use, which protects Tenant and Landlord (as an additional insured) against claims for bodily injury, personal injury and property damage based upon, involving or arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be on an occurrence basis providing single limit coverage in an amount not less than $3,000,000 per occurrence with an "Additional Insured-Managers and Landlords of Premises Endorsement". The policy shall not contain any intra-insured exclusions as between insured persons or organizations, but shall include coverage for liability assumed under this Lease as an "insured contract" for the performance of Tenant's indemnity obligations under this Lease. Tenant shall obtain and keep in force during the Term of this Lease "all risk" extended coverage property insurance with coverages acceptable to Landlord, in Landlord's reasonable discretion based on buildings similar to the Building and uses similar to the Permitted Use. Said insurance shall be written on a one hundred percent (100%) replacement cost basis on Tenant's personal property, all tenant improvements installed at the Premises by Landlord or Tenant, Tenant's trade fixtures

and other property. Such policies shall provide protection against any peril included within the classification "fire and extended coverage," against vandalism and malicious mischief, theft, sprinkler leakage, earthquake damage and flood damage. If this Lease is terminated as the result of a casualty in accordance with Section 15, the proceeds of said insurance attributable to the replacement of all tenant improvements at the Premises shall be paid to Landlord. If insurance proceeds are available to repair the tenant improvements, at Landlord's option, all insurance proceeds Tenant is entitled to receive to repair the tenant improvements shall be paid by the insurance company directly to Landlord, Landlord shall select the contractor to repair and/or replace the tenant improvements, and Landlord shall cause the tenant improvements to be repaired and/or replaced to the extent insurance proceeds are available. Tenant shall, at all times during the Term hereof, maintain in effect workers' compensation insurance as required by applicable law and business interruption and extra expense insurance reasonably satisfactory to Landlord. The commercial liability policies shall name Landlord as an additional insured, insure on an occurrence and not a claims-made basis (except the pollution policy may be on a claims-made basis), be issued by insurance companies which are reasonably acceptable to Landlord, not be cancelable unless thirty (30) days prior written notice shall have been given to Landlord, and provide primary coverage to Landlord (any policy issued to Landlord providing duplicate or similar coverage shall be deemed excess over Tenant's policies). The pollution insurance shall be on terms and conditions required by owners of buildings similar to the Building and uses similar to the Permitted Uses and reasonably acceptable to Landlord; provided Landlord acknowledges that the pollution insurance Tenant maintained under the Existing Lease is satisfactory to Landlord. Such policies or certificates thereof shall be delivered to Landlord by Tenant upon commencement of the Lease Term and upon each renewal of said insurance.

b. Waiver; No Subrogation. Landlord shall not be liable to Tenant or Tenant's employees, agents, contractors, invitees, subtenants, assignees or those claiming by, through, or under Tenant for any sickness or injury to or death of any person or persons or the damage to or theft, destruction, loss, or loss of use of any personal property (each a "Loss") caused by (i) any condition in the Premises (including mold, mildew and other moisture conditions), (ii) theft, vandalism or criminal acts that occur in the Premises, (iii) any acts or omissions of third parties in the Premises, (iv) Landlord performing repairs or alterations in the Premises or (v) Landlord's failure to make repairs in the Premises, except the case of each of the foregoing if such Loss is caused by Landlord's or its representatives, employees or agents gross negligence or misconduct. Landlord and Tenant each waives any claim it might have against the other for any damage to or theft, destruction, loss, or loss of use of any property, to the extent the same is insured against under any insurance policy that covers the Building, the Premises, Landlord's or Tenant's fixtures, personal property, leasehold improvements, or business, or, in the case of Tenant's waiver, is required to be insured against under the terms hereof, REGARDLESS OF WHETHER THE NEGLIGENCE OR FAULT OF THE OTHER PARTY CAUSED SUCH LOSS; however, Landlord's waiver shall not include any deductible on insurance policies carried by Landlord (which shall be part of Basic Cost). Each party shall cause its insurance carrier to endorse all applicable policies waiving the carrier's rights of recovery under subrogation or otherwise against the other party.

c. INDEMNITY BY TENANT. EXCEPT TO THE EXTENT CAUSED BY THE WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF LANDLORD OR ITS REPRESENTATIVES, EMPLOYEES OR AGENTS, AND SUBJECT TO SECTION 11.B., TENANT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS LANDLORD AND ITS REPRESENTATIVES, EMPLOYEES AND AGENTS FROM AND AGAINST ALL CLAIMS, DEMANDS, LIABILITIES, CAUSES OF ACTION, SUITS, JUDGMENTS, AND EXPENSES (INCLUDING

REASONABLE ATTORNEYS' FEES) FOR ANY LOSS ARISING FROM ANY OCCURRENCE IN THE PREMISES OR FROM TENANT'S FAILURE TO PERFORM ITS OBLIGATIONS UNDER THIS LEASE (OTHER THAN A LOSS ARISING FROM THE SOLE OR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF LANDLORD OR ITS REPRESENTATIVES, EMPLOYEES OR AGENTS), EVEN THOUGH CAUSED OR ALLEGED TO BE CAUSED BY THE JOINT, COMPARATIVE, OR CONCURRENT NEGLIGENCE OR FAULT OF LANDLORD OR ITS AGENTS, AND EVEN THOUGH ANY SUCH CLAIM, CAUSE OF ACTION, OR SUIT IS BASED UPON OR ALLEGED TO BE BASED UPON THE STRICT LIABILITY OF LANDLORD OR ITS AGENTS. THIS INDEMNITY PROVISION IS INTENDED TO INDEMNIFY LANDLORD AND ITS AGENTS AGAINST THE CONSEQUENCES OF THEIR OWN NEGLIGENCE OR FAULT AS PROVIDED ABOVE WHEN LANDLORD OR ITS AGENTS ARE JOINTLY, COMPARATIVELY, OR CONCURRENTLY NEGLIGENT WITH TENANT. THIS INDEMNITY PROVISION SHALL SURVIVE TERMINATION OR EXPIRATION OF THIS LEASE. NOTWITHSTANDING ANYTHING CONTAINED IN THIS LEASE TO THE CONTRARY, IN NO EVENT SHALL TENANT BE LIABLE OR REQUIRED TO INDEMNIFY LANDLORD FOR ANY CLAIMS, DEMANDS, LIABILITIES, CAUSES OF ACTION, SUITS, JUDGMENTS, AND EXPENSES FROM ANY LOSS OCCURRING OUTSIDE OF THE PREMISES, EXCEPT TO THE EXTENT SUCH LOSS IS CAUSED BY TENANT, ITS REPRESENTATIVES, EMPLOYEES, CONTRACTORS OR AGENTS.

d. INDEMNITY BY LANDLORD. SUBJECT TO SECTION 11.B, SECTION 26.B. AND THE TERMS AND CONDITIONS OF THIS LEASE, LANDLORD SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS TENANT AND ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, DEMANDS, LIABILITIES, CAUSES OF ACTION, SUITS, JUDGMENTS, AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES), FOR DAMAGE TO PERSON (INCLUDING DEATH OR INJURY) OR PROPERTY OCCURRING IN THE COMMON AREAS TO THE EXTENT ITS ADJUDICATED THAT SUCH LOSS WAS CAUSED BY THE NEGLIGENCE OR WILLFUL MISCONDUCT OF LANDLORD OR ANY OF LANDLORD'S REPRESENTATIVES, EMPLOYEES OR AGENTS.

SUBORDINATION ATTORNMENT; NOTICE TO LANDLORD'S MORTGAGEE

12. a. Subordination. This Lease shall be subordinate to any deed of trust, mortgage, or other security instrument (a "Mortgage"), or any ground lease, master lease, or primary lease (a "Primary Lease"), that now or hereafter covers all or any part of the Premises (the mortgagee under any Mortgage or the lessor under any Primary Lease is referred to herein as "Landlord's Mortgagee"); provided that Tenant's agreement in this Section 12.a. is conditioned on any existing or future Landlord's Mortgagee recognizing the validity of this Lease and Tenant's right of possession and not disturbing Tenant's occupancy (collectively, the "Non-Disturbance Condition"). So long as the Non-Disturbance Condition is satisfied, Landlord's Mortgagee may at any time, without notice to or consent of Tenant, elect to subordinate any such Mortgage or Primary Lease to this Lease.

b. Attornment. So long as the Non-Disturbance Condition is satisfied, Tenant shall attorn to any party succeeding to Landlord's interest in the Premises, whether by purchase, foreclosure, deed in lieu of foreclosure, power of sale, termination of lease, or otherwise, upon such party's request, and shall execute such agreements confirming such attornment as such party may reasonably request.

c. Notice to Landlord's Mortgagee. Tenant shall not seek to enforce any remedy it may have for any default on the part of the Landlord without first giving written notice by certified mail, return receipt requested, specifying the default in reasonable detail, to any Landlord's Mortgagee whose address has been given to Tenant, and affording such Landlord's Mortgagee a reasonable opportunity to perform Landlord's obligations hereunder.

d. SNDA. As of the Commencement Date, Landlord represents and warrants that there is no Mortgage or Primary Lease encumbering the Building or the Land. In the event Landlord encumbers the Building or the Land with a Mortgage or Primary Lease, Tenant shall have the right to request from Landlord, in writing, that Landlord use commercially reasonable efforts to obtain a subordination and non-disturbance agreement ("SNDA") from Landlord's Mortgagee on Landlord's Mortgagee's standard form which must provide that (i) so long as Tenant has not committed an Event of Default under the Lease, upon Landlord's Mortgagee foreclosure of the Premises or termination of the Primary Lease, as applicable, Mortgagee shall not disturb Tenant's possession or occupancy under Lease and Tenant shall attorn to said Landlord's Mortgagee, (ii) Landlord's Mortgagee shall be bound by the Lease and all amendments thereto entered into on or before the date of the SNDA, and (iii) provided Tenant gives Landlord's Mortgagee written notice of any default by Landlord under the Lease, Landlord's Mortgagee shall have a reasonable opportunity to perform Landlord's obligations after the date of such notice. In such case, if Landlord's Mortgagee denies the SNDA request or does not respond, Landlord shall have no liability for such failure and the terms and conditions of this Section 12 shall continue to apply. Any fee associated therewith shall be at Tenant's sole cost and expense and Landlord's request shall be conditioned upon Tenant's remittance of said fee.

RULES AND REGULATIONS

13. Tenant shall comply with the rules and regulations of the Building which are attached hereto as Exhibit B. Landlord may, from time to time, change such rules and regulations for the safety, care, or cleanliness of the Building and related facilities, provided that such changes are applicable to all tenants of the Building, will not unreasonably interfere with Tenant's use of the Premises and are provided to Tenant in writing. Tenant shall be responsible for the compliance with such rules and regulations by its employees, agents, and invitees.

CONDEMNATION

14. a. Taking - Landlord's and Tenant's Rights. If any part of the Building is taken by right of eminent domain or conveyed in lieu thereof (a "Taking"), and such Taking prevents Tenant from conducting its business in the Premises in a manner reasonably comparable to that conducted immediately before such Taking, then Landlord may, at its expense, relocate Tenant to office space reasonably comparable to the Premises, provided that Landlord notifies Tenant of its intention to do so within sixty (60) days after the Taking. Such relocation may be for a portion of the remaining Term or the entire Term. Landlord shall complete any such relocation within ninety (90) days after Landlord has notified Tenant of its intention to relocate Tenant. If Landlord does not elect to relocate Tenant following such Taking, then Tenant may terminate this Lease as of the date of such Taking by giving written notice to Landlord within ninety (90) days after the Taking, Rent shall be apportioned as of the date of such Taking and the parties shall have no further obligations under the Lease except for provisions that expressly survive termination. If Landlord does not relocate Tenant and Tenant does not terminate this Lease or if such Taking does not prevent Tenant from conducting its business in the Premises in a manner reasonably comparable to that conducted immediately before such

Taking (as determined by Landlord), then Rent shall be abated on a reasonable basis as to that portion of the Premises rendered untenantable by the Taking, and Landlord shall do such work as is reasonably necessary for Tenant to operate in the remaining portion of the Premises provided the cost of such work shall not exceed the amount Landlord receives for the condemnation award.

b. Taking - Landlord's Rights. If any material portion, but less than all, of the Building becomes subject to a Taking, or if Landlord is required to pay any of the proceeds received for a Taking to Landlord's Mortgagee, then this Lease, at the option of Landlord, exercised by written notice to Tenant within ninety (90) days after such Taking, shall terminate and Rent shall be apportioned as of the date of such Taking. If Landlord does not so terminate this Lease then, subject to the rights of Landlord and Tenant in Section 14.a., this Lease will continue, but if any portion of the Premises has been taken, Rent shall abate as provided in the last sentence of Section 14.a.

c. Award. If any Taking occurs, then Landlord shall receive the entire award or other compensation for the Land, the Building, and other improvements taken, and Tenant may separately pursue a claim against the condemnor for the value of Tenant's personal property which Tenant is entitled to remove under this Lease, moving costs, loss of business, and other claims it may have.

FIRE OR OTHER CASUALTY

15. a. Repair Estimate. If the Premises or the Building are damaged by fire or other casualty or in the event the Premises become untenantable due to the existence of Hazardous Materials not brought upon, stored or released or produced by Tenant in violation of Environmental Requirements, as defined below (each event being deemed a "Damage Event"), Landlord shall, within sixty (60) days after such Damage Event, deliver to Tenant a good faith estimate (the "Damage Notice") of the time needed to repair the damage caused by such Damage Event.

b. Landlord's and Tenant's Rights. If a material portion of the Premises or the Building is damaged by a Damage Event such that Tenant is prevented from conducting its business in the Premises in a manner reasonably comparable to that conducted immediately before such Damage Event and Landlord estimates that the damage caused thereby cannot be repaired within two hundred seventy (270) days after the Damage Event, then Landlord may, at its expense, relocate Tenant to office space reasonably comparable to the Premises, provided that Landlord notifies Tenant of its intention to do so in the Damage Notice. Such relocation may be for a portion of the remaining Term or the entire Term. Landlord shall complete any such relocation within ninety (90) days after Landlord has delivered the Damage Notice to Tenant. If Landlord does not elect to relocate Tenant following such Damage Event, then Tenant may terminate this Lease by delivering written notice to Landlord of its election to terminate within thirty (30) days after the Damage Notice has been delivered to Tenant. If Landlord does not relocate Tenant and Tenant does not terminate this Lease, then (subject to Landlord's rights under Section 15.c.) Landlord shall repair the Building or the Premises, as the case may be, as provided below, and Rent for the portion of the Premises rendered untenantable by the damage shall be abated on a proportionate basis from the date of damage until the completion of the repair, unless Tenant intentionally caused such damage, in which case, Tenant shall continue to pay Rent without abatement.

c. Landlord's Rights. If a Damage Event damages a material portion of the Building, and Landlord makes a good faith determination that restoring the Premises would be uneconomical, or if Landlord is required to pay any insurance proceeds arising out of the Damage Event to Landlord's Mortgagee, then Landlord may terminate this Lease by giving written notice of its election to terminate within sixty (60) days after the Damage Notice has been delivered to Tenant, and all Rent shall be abated as of the date of the Damage Event so long as Tenant did not intentionally cause Damage Event.

d. Repair Obligation. If neither party elects to terminate this Lease following a Damage Event, then Landlord shall, within a reasonable time after such Damage Event, commence to repair the Building and the Premises and shall proceed with reasonable diligence to restore the Building and Premises to substantially the same condition as they existed immediately before such Damage Event; however, Landlord shall not be required to repair or replace any part of the furniture, equipment, fixtures, and other improvements which may have been placed by, or at the request of, Tenant or other occupants in the Building or the Premises, and Landlord's obligation to repair or restore the Building or Premises shall be limited to the extent of the insurance proceeds actually received by Landlord for the Damage Event in question.

e. Last Six (6) Months of the Lease. Without limiting Landlord's rights under this Section 15, in the event the Premises shall, in Landlord's reasonable judgment, be substantially damaged due to Damage Event during the last six (6) months of the Term of this Lease, Tenant did not intentionally cause said Damage Event and Tenant has not extended the Term of the Lease, Landlord or Tenant may elect to terminate this Lease effective upon giving notice of such election, in writing, to the other party within thirty (30) days after the occurrence of the Damage Event.

f. Timing of Restoration. If Landlord undertakes restoration of the Premises and Building pursuant to this Section 15, Landlord shall use reasonable diligence in completing such repairs, but if Landlord fails to substantially complete the same within two hundred seventy (270) days from the date of the Damage Event, subject to force majeure events, Tenant may, at its option and as Tenant's sole remedy, terminate this Lease by written notice given to Landlord within ten (10) days following the expiration of the applicable 270-day period, whereupon both parties shall be released from all further obligations and liability hereunder, other than those expressly surviving termination.

TAXES

16. Tenant shall be liable for all taxes levied or assessed against personal property, furniture, or fixtures placed by Tenant in the Premises. If any taxes for which Tenant is liable (as described in the foregoing sentence) are levied or assessed against Landlord or Landlord's property and Landlord elects to pay the same, or if the assessed value of Landlord's property is increased by inclusion of such personal property, furniture or fixtures and Landlord elects to pay the taxes based on such increase, then Tenant shall pay to Landlord, upon demand after written notice to Tenant including evidence of such increase being related to Tenant's personal property, furniture or fixtures, that part of such taxes for which Tenant is primarily liable hereunder.

EVENTS OF DEFAULT

17. Each of the following occurrences shall constitute an "Event of Default":

a. Tenant's failure to pay Rent, or any other sums due from Tenant to Landlord under the Lease when due and the continuance of such failure for a period of five (5) business days; provided, that, in addition to the foregoing cure period, Landlord shall give Tenant written notice of the first failure by Tenant to pay Rent or other sums due to Landlord in any consecutive 12-months of the Term of this Lease and if Tenant fails to cure the same within five (5) business days following the date of Landlord's notice, such failure shall be an Event of Default;

b. Tenant's failure to perform, comply with, or observe any other agreement or obligation of Tenant under this Lease and the continuance of such failure for a period of thirty (30) days following the date of written notice from Landlord or if such failure cannot be reasonably cured within such 30-day period, such extended period, as shall reasonably be expected to cure the same (but in no event more than 90 days from the date of Landlord's written notice to Tenant of an Event of Default), provided Tenant commences the cure within the 30-day period and is diligently pursuing the same to completion;

c. The filing of a petition by or against Tenant (the term "Tenant" shall include, for the purpose of this Section 17.c., any guarantor of the Tenant's obligations hereunder) (i) in any bankruptcy or other insolvency proceeding; (ii) seeking any relief under any state or federal debtor relief law; (iii) for the appointment of a liquidator or receiver for all or substantially all of Tenant's property or for Tenant's interest in this Lease and such appointment is not vacated within sixty (60) days after appointment; or (iv) for the reorganization or modification of Tenant's capital structure; and

d. The admission by Tenant in writing that it cannot meet its obligations as they become due or the making by Tenant of an assignment for the benefit of its creditors.

For avoidance of doubt, the defined term "Event of Default" includes any applicable notice and cure periods and if Tenant cures the failure or action within the notice and cure period, then such failure or action shall not be an Event of Default.

REMEDIES

18. Upon any Event of Default, Landlord may, in addition to all other rights and remedies afforded Landlord hereunder or by law or equity, take any of the following actions:

a. Terminate this Lease by giving Tenant written notice thereof, in which event, Tenant shall pay to Landlord the sum of (i) all Rent accrued hereunder through the date of termination, (ii) all amounts due under Section 19.a., and (iii) an amount equal to (A) the total Rent that Tenant would have been required to pay for the remainder of the then-current Term discounted to present value at a per annum rate equal to the "Prime Rate" as published on the date this Lease is terminated by The Wall Street Journal, Southeast Edition, in its listing of "Money Rates", minus (B) the then present fair rental value of the Premises for such period, similarly discounted; or

b. Terminate Tenant's right to possession of the Premises without terminating this Lease by giving written notice thereof to Tenant, in which event Tenant shall pay to Landlord (i) all Rent and other amounts accrued hereunder to the date of termination of possession, (ii) all amounts due from time to time under Section 19.a., and (iii) all Rent and other sums required hereunder to be paid by Tenant during the remainder of the then-current Term, diminished by any net sums thereafter received by Landlord through reletting the Premises during such period. Landlord shall use commercially reasonable efforts to relet the Premises on such terms and conditions as Landlord in its sole discretion may determine (including a term different from the Term, rental concessions, and alterations to, and improvement of, the Premises). Landlord shall not be liable for, nor shall Tenant's obligations hereunder be diminished because of, Landlord's failure to relet the Premises or to collect rent due for such reletting, provided that Landlord uses commercially reasonable efforts to relet and collect rent as provided in Section 19.c. below. Tenant shall not be entitled to the excess of any consideration obtained by reletting over the Rent due hereunder. Reentry by Landlord in the Premises shall not affect Tenant's obligations hereunder for the unexpired then-current Term;

rather, Landlord may, from time to time, bring action against Tenant to collect amounts due by Tenant, without the necessity of Landlord's waiting until the expiration of the Term. Unless Landlord delivers written notice to Tenant expressly stating that it has elected to terminate this Lease, all actions taken by Landlord to exclude or dispossess Tenant of the Premises shall be deemed to be taken under this Section 18.b. If Landlord elects to proceed under this Section 18.b., it may at any time elect to terminate this Lease under Section 18.a.

c. Additionally, without notice, Landlord may alter locks or other security devices at the Premises to deprive Tenant of access thereto, and Landlord shall not be required to provide a new key or right of access to Tenant.

PAYMENT BY TENANT; NON-WAIVER

19. a. Payment by Tenant. Upon any Event of Default, Tenant shall pay to Landlord all reasonable costs incurred by Landlord (including court costs and reasonable attorneys' fees and expenses) in (i) obtaining possession of the Premises, (ii) removing and storing Tenant's or any other occupant's property, (iii) repairing, restoring, altering, remodeling, or otherwise putting the Premises into condition acceptable to a new tenant, (iv) if Tenant is dispossessed of the Premises and this Lease is not terminated, reletting all or any part of the Premises (including standard brokerage commissions, cost of tenant finish work, and other costs incidental to such reletting), (v) performing Tenant's obligations which Tenant failed to perform, and (vi) enforcing, or advising Landlord of, its rights, remedies, and recourses arising out of the Event of Default.

b. No Waiver. Landlord's acceptance of Rent following an Event of Default shall not waive Landlord's rights regarding such Event of Default. No waiver by Landlord of any violation or breach of any of the terms contained herein shall waive Landlord's rights regarding any future violation of such term or violation of any other term.

c. Reletting. Tenant acknowledges that Landlord has entered into this Lease in reliance upon, among other matters, Tenant's agreement and continuing obligation to pay all Rent due throughout the Term. Upon Landlord's termination of this Lease and Tenant's possession after the occurrence of an Event of Default, to the extent required under then applicable law, Landlord agrees to use commercially reasonable efforts to relet the Premises; provided, however, in connection therewith, Tenant agrees that Landlord has no obligation to: (i) relet the Premises (A) at a rental rate or otherwise on terms below market, as then determined by Landlord in its sole discretion; (B) to any entity not satisfying Landlord's then standard financial credit risk criteria; (C) for a use (1) not consistent with Tenant's use prior to the Event of Default; (2) which would violate then applicable law or any restrictive covenant or other lease affecting the Building; (3) which would impose a greater burden upon the Building's parking, HVAC or other facilities; and/or (4) which would involve any use of Hazardous Materials; (ii) divide the Premises, install new demising walls or otherwise reconfigure the Premises to make same more marketable; and/or (iii) relet the Premises, if to do so, Landlord would be required to alter other portions of the Building, make ADA-type modifications or otherwise install or replace any sprinkler, security, safety, HVAC or other Building operating systems.

INTENTIONALLY DELETED

20. Intentionally deleted.

SURRENDER OF PREMISES

21. No act by Landlord shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept a surrender of the Premises shall be valid unless the same is made in writing and signed by Landlord. At the expiration or termination of this Lease, Tenant shall deliver to Landlord the Premises with all improvements located thereon broom clean and in good repair and condition, reasonable wear and tear (and condemnation and fire or other casualty damage (including a Damage Event) not intentionally caused by Tenant, as to which Sections 14 and 15 shall control) excepted, and shall deliver to Landlord all keys to the Premises. At the time of expiration or termination of this Lease, Tenant shall remove (a) all trade fixtures, equipment, wiring, cabling, furniture and the IT room/AC equipment; and (b) such alterations, additions, improvements performed by or for Tenant, as Landlord may request (unless Landlord at the time of such request for approval agrees in writing that Tenant shall not be required to remove such improvement or alteration upon Lease expiration). Tenant shall repair all damage caused by such removal. Notwithstanding the foregoing, Tenant shall not be obligated to remove the Landlord's Work or the Tenant Improvements completed in accordance with Exhibit H-1 and H-2, attached hereto, unless with respect to Tenant Improvements, Landlord notifies Tenant otherwise in writing at the time such Tenant Improvements are approved in accordance with Exhibit H-2. All items not so removed shall be deemed to have been abandoned by Tenant and may be appropriated, sold, stored, destroyed, or otherwise disposed of by Landlord without notice to Tenant and without any obligation to account for such items. The provisions of this Section 21 shall survive the end of the Term.

HOLDING OVER

22. If Tenant fails to vacate the Premises at the end of the Term, then Tenant shall be a tenant at sufferance and, (i) Tenant shall pay, in addition to the other Rent, a daily Basic Rental equal to 150% of the daily Basic Rental payable during the last month of the Term; and (ii) if Tenant holds over for more than thirty (30) days after the end of the Term, in addition to the amount in (i) above, Landlord shall be entitled to pursue consequential damages, if any, resulting from such hold over but only to the extent the consequential damages relate to the period after the first 30 days of the hold over (and not to the first thirty (30) days of the holdover) and, in addition, Landlord may also pursue a confession of judgment solely for possession of the Premises. Landlord acknowledges and agrees that the damages and remedies in this Section 22 are Landlord's exclusive damages and remedies for a holdover and Landlord shall not be entitled to any other damages or to pursue any other remedies under this Lease, at law, in equity or otherwise. In addition to and without limiting the foregoing, Landlord acknowledges and agrees that the damages and remedies in this Section shall be Landlord's exclusive damages and remedies if Tenant fails to vacate the Premises at the end of the Term.

CERTAIN RIGHTS RESERVED BY LANDLORD

23. Provided that the exercise of such rights does not unreasonably interfere with Tenant's use or occupancy of the Premises, Landlord shall have the following rights (so long as Landlord provides Tenant prior email or oral notice, except in the event of an emergency, in which case, no prior notice is necessary but Landlord shall notify Tenant as soon as reasonably practical):

a. To make inspections and repairs, alterations, additions, changes, or improvements, whether structural or otherwise, in and about the Building, or any part thereof but only to the extent of the rights or obligations of Landlord provided in this Lease; for such purposes, to enter upon the Premises and, during the continuance of any such work, to temporarily close doors, entryways, and corridors in the Building; to temporarily interrupt or suspend Building services and facilities, to temporarily close certain Common Areas for inspections, repairs, alterations, changes or improvements;

b. In the event of an emergency, to take such reasonable measures as Landlord deems necessary for the security of the Building and its occupants;

c. To change the name by which the Building is designated; and

d. To enter the Premises during reasonable business hours and upon reasonable prior written notice to show the Premises to prospective purchasers, lenders, or tenants; provided, however, that Landlord shall only have the right to show the Premises to prospective tenants during the last eighteen (18) months of the Lease.

Notwithstanding anything contained in this Lease to the contrary, Landlord shall not be required to give Tenant notice of any janitorial services provided by Landlord under this Lease that are performed as part of the ordinarily schedule agreed to by the parties. The parties shall cooperate to schedule and implement safety drills for the Building.

SUBSTITUTION SPACE

24. Intentionally deleted.

ENVIRONMENTAL REQUIREMENTS

25. a. General. Except for such incidental cleaning agents and solutions or maintenance materials used in the ordinary course or materials and goods stored as part of Tenant's business operations including in connection with any janitorial services (but such use and storage shall be in compliance with all Environmental Requirements), Tenant shall not permit or cause any party to bring any Hazardous Material upon the Premises or store or use any Hazardous Material in or about the Premises without Landlord's prior written consent. Tenant, at its sole cost and expense, shall operate its business in the Premises in compliance with all Environmental Requirements, and will obtain, comply with, and properly maintain all permits and licenses, or applications required by Environmental Requirements for its operations. The term "Environmental Requirements" means all applicable present and future statutes, regulations, ordinances, rules, codes, or other similar enactments of any governmental authority of agency, and any applicable judicial, administrative or regulatory decrees, judgments, orders, or policies regulating or relating to any Hazardous Materials or pertaining to health, safety, industrial hygiene, or the environmental conditions on, under, or about the Premises or the environment, including, without limitation, the following: the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"); the Resource Conservation and Recovery Act; the Toxic Substances Control Act; the Clean Air Act; the Federal Water Pollution Control Act; the Federal Hazardous Materials Transportation Act; and all state and local counterparts, supplements or additions thereto, and any regulations or policies promulgated or issued thereunder. The term "Hazardous Materials" means and includes petroleum (as defined in CERCLA), asbestos and any substance, material, waste, pollutant, or contaminant listed or defined as hazardous or toxic, under any Environmental Requirements.

b. Indemnity. Tenant shall indemnify, defend, and hold Landlord and its partners, officers, directors, agents and employees harmless from and against any and all losses (including, without limitation, all consequential damages and loss of rental income) claims, demands, actions, suits, damages (including, without limitation, punitive damages owed to third parties), fines, penalties, administrative and judicial proceedings, judgments, settlements, expenses (including, without limitation, reasonable consultant fees, attorneys' fees, or expert fees) to the extent related to Tenant's use or operations during the Term or to the extent caused by a breach of the Tenant's obligations under Section 25.a. by Tenant, its agents, employees or representatives, regardless of whether Tenant had knowledge of such noncompliance; provided, that notwithstanding the foregoing, Tenant shall only be responsible to indemnify as provided above for consequential damages, loss of rental income, punitive damages or any other

indirect damages if a final, non-appealable decision is rendered by a court of competent jurisdiction stating that Tenant, its agents, employees or representatives released Hazardous Materials in, on or about the Land in violation of the Environmental Requirements and then only to the extent of Tenant's release. The indemnification and hold harmless obligations of Tenant shall survive any termination of this Lease, any renewal, and/or expansion or amendment of this Lease and/or the execution and delivery of any new lease with Tenant covering all or any portion of the Building.

c. Assessments. Landlord shall have access to, and a right to perform inspections and tests of, the Premises as it may require to determine Tenant's compliance with Environmental Requirements and Tenant's obligations under this Section 25. Access shall be granted to Landlord upon Landlord's prior written notice to Tenant and at such times so as to minimize, so far as may be reasonable under the circumstances, any disturbance to Tenant's operations. At the expiration or earlier termination of the Lease, Landlord shall have the right, at its option, to undertake an environmental assessment of the Premises to determine Tenant's compliance with all Environmental Requirements. All such inspections and tests shall be conducted at Landlord's expense, unless such inspections or tests definitively reveal that Tenant released the Hazardous Material on or under the Premises or that Tenant has not complied with all Environmental Requirements, in which case Tenant shall immediately, upon demand, reimburse Landlord for the cost of such inspection and tests. Landlord and Tenant agree that Landlord's receipt of or satisfaction with any environmental assessment in no way waives any rights that Landlord holds against Tenant.

d. Landlord's Obligations. Landlord shall be responsible, at its expense (and at no cost to Tenant), for the cost of clean up or any other remedial measures for any Hazardous Materials in, on or about the Building or the Land caused by Landlord or its agents, employees or representatives. Any environmental remediation costs that are not caused by Tenant in violation of Environmental Requirements shall not be included in any costs passed through to Tenant (other than any required air quality tests in the Building). Landlord shall defend, indemnify and hold harmless Tenant and its partners, officers, directors, agents and employees from and against any and all losses, claims, actions, damages, liabilities, penalties, and expenses (including all reasonable attorney's, consultant's and expert's fees, expenses and liabilities incurred in defense of any such claim or any action or proceeding brought thereon) to the extent resulting from a proven violation by Landlord or its agents, employees or representatives of any Environmental Requirements impacting the Building or Land.

MISCELLANEOUS

26. a. Landlord Transfer. Landlord may transfer, in whole or in part, the Building and any of its rights under this Lease. If Landlord assigns its rights under this Lease, then Landlord shall thereby be released from any obligations hereunder occurring after the date of such assignment or transfer.

b. Landlord's Liability. The liability of Landlord to Tenant for any default by Landlord under the terms of this Lease shall be limited to Tenant's actual direct, but not consequential, damages therefor and shall be recoverable from the interest of Landlord in the Building and the Land, and Landlord shall not be personally liable for any deficiency. Landlord shall not be in default hereunder and Tenant shall not have any remedy or cause of action unless Landlord fails to perform any of its obligations hereunder within thirty (30) days after written notice from Tenant specifying such failure (unless such performance will, due to the nature of the obligation, require a period of time in excess of thirty (30) days, then after such period of time as is reasonably necessary but in no event longer than ninety (90) days after written notice from Tenant, so long as Landlord commenced the cure of the default in such thirty (30) day period and is diligently pursuing the cure of such default). Except as expressly provided herein, if Landlord is in default hereunder, Tenant's exclusive remedy shall be an action for damages, and Tenant's damages shall be limited to Tenant's actual direct (excluding consequential, special, exemplary and punitive damages) damages therefor.

c. Force Majeure. Other than for Tenant's monetary obligations under this Lease and obligations of either party which can be cured by the payment of money (e.g., maintaining insurance), whenever a period of time is herein prescribed for action to be taken by either party hereto, such party shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to strikes, riots, acts of God, shortages of labor or materials, war, terrorism, bio-terrorism, governmental laws, regulations, or restrictions, or any other causes of any kind whatsoever which are beyond the control of such party.

d. Brokerage. Landlord and Tenant each warrant to the other that it has not dealt with any broker or agent in connection with the negotiation or execution of this Lease except Cushman & Wakefield ("Landlord's Broker") and Jones Lang LaSalle (collectively, the "Brokers"). Landlord will pay all commissions due to the Brokers pursuant to one or more separate written agreements. Landlord and Tenant shall each indemnify the other against all costs, expenses, attorneys' fees, and other liability for commissions or other compensation claimed by any broker or agent claiming the same by, through, or under the indemnifying party; provided, however that Tenant shall have no obligation to indemnify Landlord for any amounts due to the Brokers except to the extent Tenant executes a separate agreement with either Broker after the full execution of this Lease and such separate agreement expressly provides Tenant is responsible to pay a commission thereunder.

e. Estoppel Certificates. From time to time, Tenant shall furnish to any party designated by Landlord, within ten (10) days after Landlord has made a request therefor, a certificate signed by Tenant, to Tenant's actual knowledge confirming and containing such factual certifications and representations as to this Lease as Landlord may reasonably request subject to exceptions and additional facts provided by Tenant. Within thirty (30) days after receipt of written request by Tenant, Landlord shall execute, acknowledge and deliver to Tenant (or its designee) a written statement certifying to the best of Landlord's actual knowledge, (i) that this Lease is unmodified and in full force and effect, or is in full force and effect as modified and stating the modifications; (ii) the amount of Basic Rental currently payable by Tenant to Landlord; (iii) the Basic Costs currently payable by Tenant to Landlord; (iv) the date to which Basic Rental and Basic Costs have been paid in advance; (v) the amount of any security deposited with Landlord; and (vi) any other information reasonably requested without investigation or inquiry by Landlord. Any such statement may be relied upon by an investor, purchaser, assignee or lender.

f. Notices. All notices and other communications given pursuant to this Lease shall be in writing and shall be (i) mailed by first class, United States Mail, postage prepaid, certified, with return receipt requested, and addressed to the parties hereto at the address specified in the Basic Lease Information, (ii) hand delivered to the intended address, or (iii) sent by reputable overnight courier service (e.g., Federal Express or DHL). Notice sent by certified mail, postage prepaid, shall be effective three (3) business days after being deposited in the United States Mail; all other notices shall be effective upon delivery to the address of the addressee. The parties hereto may change their addresses by giving notice thereof to the other in conformity with this provision.

g. Severability. If any clause or provision of this Lease is illegal, invalid, or unenforceable under present or future laws, then the remainder of this Lease shall not be affected thereby and in lieu of such clause or provision, there shall be added as a part of this Lease a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

h. Amendments; and Binding Effect. This Lease may not be amended except by instrument in writing signed by Landlord and Tenant. No provision of this Lease shall be deemed to have been waived by any party unless such waiver is in writing signed by such party, and no custom or practice which may evolve between the parties in the administration of the terms hereof shall waive or diminish the right of either party to insist upon the performance by the other party in strict accordance with the terms hereof. The terms and conditions contained in this Lease shall inure to the benefit of and be binding upon the parties hereto, and upon their respective successors in interest and legal representatives, except as otherwise herein expressly provided. This Lease is for the sole benefit of Landlord and Tenant, and, other than Landlord's Mortgagee (subject to and to the extent provided in Section 12), no third party shall be deemed a third party beneficiary hereof.

i. Quiet Enjoyment. Provided there is no Event of Default, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term, without hindrance from Landlord or any party claiming by, through, or under Landlord.

j. Intentionally Deleted.

k. Captions. The captions contained in this Lease are for convenience of reference only, and do not limit or enlarge the terms and conditions of this Lease.

l. No Merger. There shall be no merger of the leasehold estate hereby created with the fee estate in the Premises or any part thereof if the same person acquires or holds, directly or indirectly, this Lease or any interest in this Lease and the fee estate in the leasehold Premises or any interest in such fee estate.

m. No Offer. The submission of this Lease to Tenant shall not be construed as an offer, nor shall Tenant have any rights under this Lease unless Landlord executes a copy of this Lease and delivers it to Tenant.

n. Exhibits. All exhibits and attachments attached hereto are incorporated herein by this reference.

o. Entire Agreement. This Lease including the exhibits and Basic Lease Information constitutes the entire agreement between Landlord and Tenant regarding the subject matter hereof and supersedes all oral statements and prior writings relating thereto. Except for those set forth in this Lease, no representations, warranties, or agreements have been made by Landlord or Tenant to the other with respect to this Lease or the obligations of Landlord or Tenant in connection therewith.

p. Relationship of Parties. This Lease shall create the relationship of landlord and tenant only as between Landlord and Tenant.

q. Confidentiality. Tenant acknowledges and agrees that the terms of this Lease are confidential and constitute proprietary information of Landlord. Disclosure of the terms hereof could adversely affect the ability of Landlord to negotiate other leases with respect to the Building and may impair Landlord's relationship with other tenants of the Building. Tenant agrees that it and its partners, officers, directors, employees, brokers, and attorneys, if any, shall not disclose the terms and conditions of this Lease to any other person or entity without the prior written consent of Landlord

which may be given or withheld by Landlord, in Landlord's sole discretion. Each party acknowledges and agrees that the other party may disclose the terms of this Lease without consent of the other party (i) if required by law or court order, (ii) in order to comply with the terms of this Lease, (iii) in connection with a transfer of all or any portion of its interest in the Lease by agreement or by operation of law, or (iv) to any Affiliate of a party or any creditor of any party. It is understood and agreed that damages alone would be an inadequate remedy for the breach of this provision by Tenant, and Landlord shall also have the right to seek specific performance of this provision and to seek injunctive relief to prevent its breach or continued breach. Subject to the following terms and conditions, Landlord agrees to maintain the non-monetary confidential nature of the Lease based on standards typically employed by a publically traded company. Further, Landlord and Tenant can disclose the contents of this Lease to all parties who need to know in connection with their respective businesses, including, without limitation, agents, brokers, managers, lenders, potential purchasers, auditors, attorneys and accountants.

r. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

s. Authority. If any party is a corporation, trust, or general or limited partnership, such party represents and warrants that such individual is duly authorized to execute and deliver this Lease on behalf of said party, that said party is duly authorized to enter into this Lease, and that this Lease is enforceable against said party in accordance with its terms. If Tenant is a corporation, trust or partnership, Tenant shall deliver to Landlord, at Landlord's request, commercially reasonable evidence of such authority.

t. Time of Essence. Time is of the essence with respect to each of the obligations to be performed by Tenant and Landlord under this Lease.

u. WAIVER OF TRIAL BY JURY. EACH PARTY WAIVES TRIAL BY JURY IN THE EVENT OF ANY LEGAL PROCEEDING BROUGHT BY THE OTHER IN CONNECTION WITH THIS LEASE. EACH PARTY SHALL BRING ANY ACTION AGAINST THE OTHER IN CONNECTION WITH THIS LEASE IN A FEDERAL OR STATE COURT LOCATED IN THE COUNTY WHERE THE BUILDING IS LOCATED, CONSENTS TO THE JURISDICTION OF SUCH COURTS, AND WAIVES ANY RIGHT TO HAVE ANY PROCEEDING TRANSFERRED FROM SUCH COURTS ON THE GROUND OF IMPROPER VENUE OR INCONVENIENT FORUM.

v. No Recording by Tenant. Tenant shall not record in any public records any memorandum or any portion of this Lease.

w. OFAC. As of the date of this Lease, Tenant and its Affiliates are not, and to Tenant's knowledge, without investigation, its or its Affiliate's partners, members, shareholders, equity owners, employees, officers, directors, representatives or agents are not, a person or entity with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action. For purposes of this Section, the term "Affiliate" does not include items (iv) and (v) of the definition of Affiliate set forth in Section 10.f.

x. Security Measures. Tenant hereby acknowledges that Landlord shall have no obligation whatsoever to provide guard service or other security measures for the benefit of the Premises, Common Areas or the Building, and Landlord shall have no liability to Tenant, its agents, employees, contractors and invitees due to Landlord's failure to provide such services. The foregoing assumption of risk shall not restrict Tenant's ability to sue other third parties providing security services to the Complex. Nothing herein contained shall prevent Landlord, at Landlord's sole option, from implementing security measures for the Complex or any part thereof, in which event the cost thereof (pro-rated for Tenant's share) shall be included within the definition of Basic Cost.

y. Tenant Access. Landlord represents and warrants to Tenant that Tenant shall have the ability to access to the Premises, at all times, subject to Landlord's rights under Section 23.a. above.

z. Landlord's Right to Perform Tenant's Duties. Upon any Event of Default related to any obligation of Tenant under this Lease, Landlord shall have the right (but not the obligation), to perform such obligation on behalf and at the expense of Tenant without further notice to Tenant, and all reasonable sums expended or reasonable expenses incurred by Landlord in performing such obligation shall be deemed to be Rent under this Lease and shall be due and payable to Landlord within fifteen (15) days after a demand is made by Landlord and reasonable evidence of the costs and expenses are provided to Tenant.

aa. NOTICE OF INDEMNIFICATION. THIS LEASE CONTAINS INDEMNIFICATION PROVISIONS WHICH EACH SHALL EXPRESSLY SURVIVE THE EXPIRATION OR TERMINATION OF THIS LEASE.

bb. Financial Statements. Tenant shall furnish Landlord with true and complete copies of its most recent annual and quarterly financial statements prepared by Tenant or Tenant's accountants and any other financial information or summaries that Tenant typically provides to its lenders if Landlord requests such information in writing for any sale, transfer or financing related to the Building or Landlord, provided that prior to Tenant providing such information the purchaser, transferee or lender, as applicable, and Landlord shall execute a commercially reasonable confidentiality agreement with Tenant. Tenant represents to Landlord that as of the date of Lease execution, Tenant's Net Worth (as defined in Section 10) is equal to or greater than $10,000,000.00.

cc. Abatement Personal. If and to the extent that this Lease provides for the abatement of any Rent or other charges due from Tenant under this Lease, including, without limitation, parking charges or storage space charges, any such abatement is personal to the original named Tenant under this Lease and its Affiliates and is not transferable to any assignee of Tenant's rights under this Lease (other than an Affiliate). If Tenant's rights are assigned, then, as of the effective date of such assignment, any such abatements that have not occurred shall terminate and be rendered of no force or effect and the Rent or other charges shall be payable going forward at the rate otherwise applicable for such period. In no event shall Tenant, an Affiliate or any assignee or transferee of Tenant be obligated to repay any amount for any abatement that has previously occurred.

dd. NO CONSEQUENTIAL DAMAGES. In no event shall Landlord or Tenant be liable to the other for any special, consequential, indirect, exemplary or punitive damages or for any lost profits or revenues; provided, however, Tenant shall remain liable for all such damages but only to the extent expressly provided in Sections 22 and 25.

ee. Generator. Tenant shall have the right to install an emergency generator, at its option, as more particularly provided in Exhibit I attached hereto.

ff. Counterparts. This Lease may be executed in multiple counterparts each of which is deemed an original but together constitute one and the same instrument. This Lease may be executed by PDF electronically and each party has the right to rely upon said counterpart of this Lease signed by the other party to the same extent as if such party had received an original counterpart. The parties acknowledge and agree that notwithstanding any law or presumption to the contrary, an electronic signature of either party, whether upon this Lease or any related document shall be deemed valid and binding and admissible by either party against the other as if same were an original ink signature. THIS LEASE SHALL BECOME BINDING UPON LANDLORD AND TENANT ONLY WHEN FULLY EXECUTED BY BOTH PARTIES AND WHEN LANDLORD HAS DELIVERED THIS LEASE TO TENANT IN THE MANNER SET FORTH IN THIS SECTION (BY PDF) OR AS PROVIDED IN SECTION 26.f.

Landlord and Tenant are knowledgeable and experienced in commercial transactions and agree that the provisions set forth in this Lease for determining charges, amounts and additional rent payable by Tenant are commercially reasonable and valid even though such methods may not state a precise mathematical formula for determining such charges.

LANDLORD AND TENANT EXPRESSLY DISCLAIM ANY IMPLIED WARRANTY THAT THE PREMISES ARE SUITABLE FOR TENANT'S INTENDED COMMERCIAL PURPOSE, AND TENANT'S OBLIGATION TO PAY RENT HEREUNDER IS NOT DEPENDENT UPON THE CONDITION OF THE PREMISES OR THE PERFORMANCE BY LANDLORD OF ITS OBLIGATIONS HEREUNDER, AND, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, TENANT SHALL CONTINUE TO PAY THE RENT, WITHOUT ABATEMENT, SETOFF, DEDUCTION, NOTWITHSTANDING ANY BREACH BY LANDLORD OF ITS DUTIES OR OBLIGATIONS HEREUNDER, WHETHER EXPRESS OR IMPLIED.

2. Plumbing, fixtures and appliances shall be used only for the purposes for which designed, and no sweepings, rubbish, rags or other unsuitable material shall be thrown or deposited therein. Damage resulting to any such fixtures or appliances from misuse by Tenant or its agents, employees or invitees, shall be paid by Tenant.

3. No signs, advertisements or notices shall be painted or affixed on or to any windows or doors or other part of the Building without the prior written consent of Landlord; provided that Landlord consents to Tenant placing the company logo on the glass entrance doors so long as such logo is removable and approved in advance by Landlord; provided that Landlord approves the existing logo on the entrance doors. No curtains or other window treatments shall be placed between the glass and the Building standard window treatments.

4. Tenant has installed, with Landlord's approval, Tenant's own security access system with card readers, security cameras and alarm system which is monitored and maintained by Tenant, at Tenants cost and expense. Landlord shall have the right to retain keys to the locks on the entry doors to the Premises and all interior doors at the Premises.

5. Tenant assumes all risks of and shall be liable for all damage to articles moved and injury to persons or public engaged or not engaged in movement of furniture or office equipment by Tenant or its agent, including equipment, property and personnel of Landlord if damaged or injured as a result of acts in connection with carrying out this service for such Tenant.

6. Landlord may prescribe weight limitations and determine the locations for safes and other heavy equipment or items, which shall in all cases be placed in the Building so as to distribute weight in a manner acceptable to Landlord which may include the use of such supporting devices as Landlord may require. All damages to the Building caused by the installation or removal of any property by Tenant while in the Building, shall be repaired at the expense of Tenant.

7. Nothing shall be swept or thrown into the corridors, halls, elevator shafts or stairways. No birds or animals shall be brought into or kept in, on or about Tenant's Premises. No portion of Tenant's Premises shall at any time be used or occupied as sleeping or lodging quarters.

8. Tenant shall cooperate with Landlord's employees in keeping the Premises neat and clean. Except as expressly provided in the Lease, Tenant shall not employ any person for the purpose of such cleaning other than the Building's cleaning and maintenance personnel.

9. Tenant shall not make or permit any improper, objectionable or unpleasant noises or odors in the Building or otherwise interfere in any way with other tenants or persons having business with them.

10. No machinery of any kind (other than normal office equipment, refrigerators, IT room/AC equipment and coffee and vending machines), including, without limitation, space heaters, supplemental units, humidifiers, air cleaners and the like, shall be operated by Tenant on the Premises. Tenant shall not use or keep in the Building any flammable or explosive fluid or substance.

11. Landlord will not be responsible for lost or stolen personal property, money or jewelry from Tenant's Premises or public or common areas regardless of whether such loss occurs when the area is locked against entry or not.

12. The Building shall be available for use according to the rules of the United States Postal Service, if applicable.

13. Landlord may designate the Building a“no-smoking” building and restrict or prohibit smoking anywhere within or outside the Building, except in any area designated by Landlord for such purpose.

14. No guns or other firearms are permitted anywhere in or around the Building.

EXHIBIT C

PARKING

Tenant shall be permitted to use up to one hundred thirty-eight(138) non-reserved vehicular parking spaces in the parking areas, easements, or other areas in close proximity to the Building, all on a first come, first serve basis (the "Parking Areas") during the Term at no additional cost, subject to reconfiguration by Landlord upon prior notice to Tenant so long as such reconfiguration does not reduce the parking spaces available for Tenant and such parking remains in close proximity to the Building. Tenant's use of such spaces remains subject to such rules and regulations as are from time to time applicable to patrons of the Parking Area (and provided to Tenant); provided, however, no spaces in the Parking Areas shall be reserved for any tenant or occupant. If Tenant sublets any portion of the Premises or assigns any of its interest in this Lease (other than to an Affiliate) then the parking spaces allocated to Tenant hereunder shall be reduced to the extent the ratio between the rentable square feet of the Premises and the parking spaces granted to Tenant hereunder exceeds the standard ratio of parking spaces per rentable square foot as established by Landlord from time to time, but in no event shall such ratio be less than 4 spaces for every 1,000 rentable square feet of the Premises.

EXHIBIT F

RENEWAL OPTION

Provided no Event of Default exists at the time of such election, Tenant may renew this Lease for two (2) additional periods of five (5) years each on the same terms provided in this Lease (except as set forth below), by delivering written notice (the "Renewal Notice") of the exercise thereof to Landlord not later than twelve (12) months before the expiration of the then current Term. On or before the commencement date of such extended Term, Landlord and Tenant shall execute an amendment to this Lease extending the Term on the same terms provided in this Lease, except as follows:

(1) The Basic Rental payable for each month during such extended Term shall be the prevailing rental rate for buildings comparable to the Building, at the commencement of such extended Term, for space of equivalent quality, size, utility and location, with the length of the extended Lease Term and the credit standing of Tenant to be taken into account;

(2) If the extension that is the subject of the amendment is for the second (2nd) five (5) year renewal period and Tenant has timely and properly exercised the first5-year renewal period, Tenant shall have no further renewal options unless hereafter expressly granted by Landlord in writing; and

(3) Landlord shall lease to Tenant the Premises in their then-current condition, and Landlord shall not provide to Tenant any allowances (e.g., moving allowance, construction allowance, and the like) or other tenant inducements and any portion of the Tenant Improvement Allowance that has not been used or credited as provided in Exhibit H-2 shall be forfeited at the end of the Initial Term.

Landlord shall deliver written notice (the "Landlord Notice") to Tenant, within sixty (60) days after Landlord's receipt of a timely Renewal Notice, which sets forth the Basic Rental determined by Landlord to be payable during the renewal period after consideration of the factors set forth under clause (1) above. Tenant shall have the right, within thirty (30) days following the date of the Landlord Notice, to deliver written notice to Landlord that Tenant elects to revoke its exercise of the renewal option (the "Revocation Notice"). If Tenant delivers a Revocation Notice, Tenant shall have no further rights under this Exhibit and this Lease shall terminate upon the expiration of the then-current Term. If Tenant timely delivers a Renewal Notice but fails to timely deliver a Revocation Notice, this Lease shall be extended for the applicable five (5) year renewal on the terms set forth above and at the Basic Rental specified in the Landlord Notice. For avoidance of all doubt, in the event that Tenant has multiple options to extend or renew this Lease, a later option cannot be exercised unless the prior option to extend or renew this Lease has been so exercised.

Tenant's rights under this Exhibit shall terminate if (i) this Lease or Tenant's right to possession of the Premises is terminated, (ii) Tenant assigns any of its interest in this Lease or sublets any portion of the Premises, except if Tenant transfers to an Affiliates as permitted under Section 10.f of the Lease, or (iii) Tenant fails to timely exercise its option under this Exhibit, time being of the essence with respect to Tenant's exercise thereof.

EXHIBIT G

ONE-TIME TERMINATION OPTION

Tenant shall have the one-time option to terminate this Lease (the "Termination Option") in its entirety effective as of April 30, 2023 (the "Early Termination Date") by delivering to Landlord notice of Tenant's intent to terminate this Lease (the "Termination Notice") at least twelve (12) months prior to the Early Termination Date (the "Termination Notice Date"), together with fifty percent (50%) of the Termination Fee (defined below). If Tenant fails to deliver the Termination Notice simultaneously with fifty percent (50%) of the Termination Fee on or before the Termination Notice Date, this Termination Option shall be null and void. If there is any Event of Default by Tenant under this Lease on or before the date Tenant delivers the Termination Notice or on or before the Early Termination Date, the Termination Option shall be void, and the Lease shall remain in effect. If Tenant properly exercises its Termination Option, Tenant shall pay the remaining fifty percent (50%) of the Termination Fee sixty (60) days prior to the Early Termination Date and this Lease shall terminate as of the Early Termination Date. The "Termination Fee" shall be the total aggregate amount of the brokerage commission, the cost of Landlord's Work, Tenant Improvement Allowance (less any TI Credit remaining as of the Early Termination Date), rent credits, rental abatements, reasonable attorney's fees, and improvement costs paid for by Landlord, which would be unamortized as of the Early Termination Date, such amounts to be amortized over the Basic Rental paying portion of the Term (i.e., excluding the Abatement Period). This Termination Option shall not apply to any other space leased by Tenant in the complex. This right is personal to the undersigned Tenant (including any Affiliate that Tenant transfer this Lease to as provided in Section 10.f) and shall become null and void upon an assignment of this Lease or a sublease of the Premises except a transfer to an Affiliate as provided in Section 10.f.

EXHIBIT H-1

WORK LETTER

1. Landlord's Work. Landlord agrees to use reasonable efforts to complete the following work, using available colors and materials mutually agreed on by Landlord and Tenant, at Landlord's expense, within one hundred eighty (180) days following full Lease execution, subject to force majeure events and Tenant Delays (the "Landlord's Work"):

- Renovation of the existing restrooms, with said finishes jointly determined by Landlord and Tenant.
- Renovation / replacement of existing lobby and entryway flooring to wood like tile finish to be jointly determined between Landlord and Tenant,
- Installation of a new HVAC Head-end control unit within the Building so Tenant has the ability to regulate the temperature.
- Comfort balancing of existing HVAC system (after Tenant Improvements are completed).
- Additional HVAC/ventilation to service the entry vestibule area, which shall be mutually agreed upon by Tenant and Landlord.
- Compliance with the Americans with Disabilities Act and all other handicap regulations relating to the Landlord's Work.

2. Tenant Improvement Allowance. In addition to the Landlord's Work, Tenant shall be entitled to a Tenant Improvement Allowance (the "Tenant Improvement Allowance") in a total amount equal to ***$25.00 per rentable square foot of the Premises***, which shall be applied to tenant improvements made to the Premises and to furniture, fixtures and equipment (the "Tenant Improvements"). Tenant has elected to have Landlord complete the Tenant Improvements and the construction thereof and the payment of Tenant Improvement Allowance shall be in accordance with Exhibit H-2, attached hereto.

EXHIBIT H- 2

COMPLETE BY LANDLORD

1. Tenant Improvements. All Tenant Improvements made to the Premises shall be performed by Landlord. The Tenant Improvements shall be paid for from the Tenant Improvement Allowance (as defined below), and provided Tenant approves (or is deemed to have approved) costs for Tenant Improvements in excess of the Tenant Improvement Allowance, such excess amounts shall be paid for by Tenant, at Tenant's sole cost and expense. Compliance with the Americans with Disabilities Act and all other handicap regulations relating to the construction of the Tenant Improvements or the use or occupancy of the Premises (excluding Landlord's Work) shall be paid for from the Tenant Improvement Allowance and any excess costs by Tenant.

2. Tenant Improvement Allowance.

2.1 Tenant Improvement Allowance. The Tenant Improvement Allowance shall be used for the costs incurred relating to the initial design and construction of the Tenant Improvements and all other items listed in the Cost Breakdown, including FF&E. In no event shall Landlord be obligated to make disbursements pursuant to this Work Letter in a total amount which exceeds the Tenant Improvement Allowance. In the event that the Cost Breakdown (as defined below) exceeds the Tenant Improvement Allowance and provided Tenant approves (or is deemed to have approved) the Cost Breakdown in excess of Tenant Improvement Allowance, Tenant shall pay to Landlord the sum in excess of the Tenant Improvement Allowance by cashier's check, which payment shall be made within ten (10) days of Landlord's notice to Tenant that Landlord is prepared to commence construction.

2.2 Cost Breakdown. Promptly following approval of the Final Construction Drawings (as defined below), Landlord shall provide Tenant with a breakdown of the estimated total cost of the Tenant Improvements ("Cost Breakdown"), including, without limitation: construction cost of the Tenant Improvements; architectural and engineering fees relating to the preparation and review of the Space Plan and the Construction Drawings (inclusive of all design work above and below the ceiling); governmental agency plan check, permit and other fees; sales and use taxes; testing and inspection costs; construction fees (including general contractor's overhead and supervision fees and the construction supervisory fee, if not already included in the bid); and the cost of computer or telephone wiring or any cost of purchasing furniture, fixtures or equipment (collectively, "FF&E"). Within ten (10) days after receipt by Tenant of the Cost Breakdown, Tenant shall either approve the same in writing or shall provide Landlord with a detailed list of revisions to the approved Construction Drawings or comments to the Cost Breakdown. Tenant's failure to timely send Landlord notice within such ten (10) day period shall be deemed Tenant's approval thereof for all purposes.

2.3 Cost Increases. In the event that the cost of the Tenant Improvements increases subsequent to Tenant's approval of the Cost Breakdown due to the requirements of any governmental agency imposed with respect to the construction of the Tenant Improvements or due to any other unforeseeable circumstances, Landlord shall notify Tenant and Tenant shall have the right to approve such increases or work with Landlord to make changes to the plans to offset the increases. If Tenant approves the increases, Tenant shall pay to Landlord the amount of such increase within ten (10) days of Landlord's written notice; provided, however, that Landlord shall first apply toward such increase any remaining balance in the Tenant Improvement Allowance. Notwithstanding anything contained in this Lease to the contrary, Landlord shall not be obligated to make or fund any Tenant Improvements in an amount exceeding the Tenant Improvement Allowance.

2.4 Change in Plans. In the event that Tenant requests a change in the Construction Drawings subsequent to approval of the Cost Breakdown, Landlord shall advise Tenant as to any increases or decreases in the cost of the Tenant Improvements and as to any delay such change would cause in the construction of the Tenant Improvements. Tenant shall approve or disapprove such change within ten (10) days of written notice. In the event that Tenant approves such change, and the change results in an increase in the cost, Tenant shall accompany its approval with payment in the amount of the increase; provided, however, that Landlord shall first apply toward such increase any remaining balance in the Tenant Improvement Allowance. Landlord shall have the right to decline Tenant's request for a change in the approved Construction Drawings if the change would, in Landlord's reasonable opinion, materially delay completion of the Tenant Improvements such that the Tenant Improvements would not be completed within the timeframes provided in Section 2.6 below.

2.5 No Refund. If the actual cost of the Tenant Improvements does not exceed the Tenant Improvement Allowance, except as expressly provided herein, the unused portion of the Tenant Improvement Allowance shall not be paid or refunded to Tenant or be available to Tenant as a credit against any obligations of Tenant under the Lease; except, however, at any time during the initial Term (but not any extension thereof), Tenant has the right to apply a portion of the Tenant Improvement Allowance not to exceed $5.00 per rentable square foot of the Premises as a credit ("TI Credit") against Basic Rental or to future tenant improvements that Tenant desires to have made during the initial Term (but not any extension thereof). Any unapplied or unused portion of the TI Credit remaining as of April 30, 2025, shall be forfeited by Tenant.

2.6 Meetings. Landlord and Tenant shall meet weekly or at such other intervals as the parties mutually agree to throughout the planning, bidding and construction process for the Tenant Improvements to discuss costs, remaining Tenant Improvement Allowance, potential delays and other similar matters. Landlord and Tenant shall mutually agree on a construction timeline in order for the Tenant Improvements to be completed within one hundred eighty (180) days following full Lease execution, subject to Tenant Delays and force majeure events.

3. Space Plan and Construction Drawings.

3.1 Space Plan. Within ten (10) business days after the execution of the Lease, Tenant shall submit to Landlord for approval a detailed space plan ("Space Plan") for the Premises which shall include, without limitation, the location of doors, partitions, electrical and telephone outlets, plumbing fixtures, heavy floor loads and other special requirements. Tenant shall use D-2 Groups to prepare the Space Plan (the "Architect"). Landlord agrees to cooperate with Tenant and its design representatives in connection with the preparation of the Space Plan. Within ten (10) business days after receipt by Landlord of the Space Plan, Landlord (i) shall give its written approval with respect thereto, or (ii) shall notify Tenant in writing of its disapproval and state with specificity the grounds for such disapproval and the revisions or modifications necessary in order for Landlord to give its approval. If prior to a Public Offering, whether as a result of accelerated vesting, the grant of an Alternative Award or otherwise, a Participant would receive any payment, deemed payment or other benefit that, together with any other payment, deemed payment or other benefit a Participant may receive under any other plan, program, policy or arrangement, would constitute an "excess parachute payment" under section 280G of the Code, then, notwithstanding anything in this Plan to the contrary, the payments, deemed payments or other benefits such Participant would otherwise receive under Section 11.1 or Section 11.2 shall be reduced to the extent necessary to eliminate any such excess parachute payment and such Participant shall have no further rights or claims with respect thereto. If the preceding sentence would result in a reduction of the payments, deemed payments or other benefits a Participant would otherwise receive in more than an immaterial amount, the Company will use its commercially reasonable best efforts to seek the approval of the Company's

shareholders in the manner provided for in section 280G(b)(5) of the Code and the regulations thereunder with respect to such reduced payments or other benefits (if the Company is eligible to do so), so that such payments would not be treated as "parachute payments" for these purposes (and therefore would cease to be subject to reduction pursuant to this Section 11.3).

reasonably satisfactory to the Company, to the effect that such disposition is exempt from the provisions of section 5 of the Securities Act, (C) a no-action letter from the Commission, reasonably satisfactory to the Company, shall have been obtained with respect to such disposition, or (D) following a Public Offering, in an exempt transaction under Rule 144, (ii) unless such disposition is pursuant to registration under any applicable state andnon-U.S. securities laws or an exemption therefrom and (iii) unless the applicable provisions of the Plan, this Agreement and the Stockholders Agreement shall have been complied with or have expired.

(b) Legends. The Participant acknowledges that any certificate evidencing the Shares shall bear the following legends:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), AND ARE "RESTRICTED SECURITIES" AS DEFINED IN RULE 144 PROMULGATED UNDER THE ACT. STOCK INCENTIVE PLAN (FORMERLY KNOWN AS THE SECOND AMENDED AND RESTATED PQ HOLDINGS INC. STOCK INCENTIVE PLAN; THE "PLAN") (COPIES OF WHICH ARE ON FILE WITH THE SECRETARY OF THE COMPANY). NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH STOCKHOLDERS AGREEMENT, RESTRICTED STOCK AGREEMENT AND PLAN AND (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER THE SECURITIES ACT OF 1933, AS AMENDED, (B) IN COMPLIANCE WITH RULE 144 OR OTHER APPLICABLE NON-U.S. LAWS OR (C) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER. THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF SUCH STOCKHOLDERS AGREEMENT, RESTRICTED STOCK AGREEMENT AND PLAN."

(c) Securities Law Matters. The Participant acknowledges receipt of advice from the Company that (i) the Restricted Stock has not been registered (or the equivalent) under the Securities Act or any state or non-U.S. securities or "blue sky" laws, (ii) it is not anticipated that there will be any public market for the Restricted Stock, (iii) the Restricted Stock must be held indefinitely and the Participant must continue to bear the economic risk of the investment in the Restricted Stock unless the Restricted Stock is subsequently registered under the Securities Act and such state or non-U.S. laws or an

exemption from registration (or the equivalent) is available, (iv) Rule 144 promulgated under the Securities Act ("Rule 144") is not presently available with respect to sales of securities of the Company and the Company has made no covenant to make Rule 144 available, (v) when and if the Restricted Stock may be disposed of without registration in reliance upon Rule 144 (or other applicable non-U.S. law), such disposition can generally be made only in limited amounts in accordance with the terms and conditions of such rule, (vi) the Company does not plan to file reports with the Commission or other applicable securities regulatory authority or make information concerning the Company publicly available unless required to do so by law or agreement, (vii) if the exemption afforded by Rule 144 is not available, sales of the Restricted Stock may be difficult to effect because of the absence of public information concerning the Company, (viii) restrictive legends in the form heretofore set forth shall be placed on the certificates representing the Restricted Stock and (ix) a notation shall be made in the appropriate records of the Company indicating that the Restricted Stock is subject to restrictions on transfer set forth in this Agreement (including, but not limited to, the Stockholders Agreement as incorporated by reference herein) and, if the Company should in the future engage the services of a stock transfer agent, appropriate stop-transfer restrictions will be issued to such transfer agent with respect to the Restricted Stock.

(d) Compliance with Rule 144. If any of the Restricted Stock is to be disposed of in accordance with Rule 144, the Participant shall transmit to the Company an executed copy of Form 144 (if required by Rule 144) no later than the time such form is required to be transmitted to the Commission for filing and such other documentation as the Company may reasonably require to assure compliance with Rule 144 in connection with such disposition.

13. Dividends, etc. The Participant shall not be entitled to receive dividends or other distributions on the Restricted Stock granted hereunder during such time as the shares are not vested. Instead, the Participant shall be entitled to receive a grant of Dividend Equivalents in respect of all dividends or other distributions paid with respect to unvested

Dividend Equivalents shall be settled in cash (with respect to dividends or distributions paid in cash) or with respect to dividends or distributions paid in property, in property or, at the Company's option, the cash value thereof within 90 days after the Dividend Equivalent vests, but no later than March 15 of the year after such Dividend Equivalent vests, provided that, with respect to any Dividend Equivalent that is subject to Section 409A of the Code, no settlement shall be made upon vesting due to Retirement until the Participant's Separation from Service and shall be subject to delay as provided in Section 14.10 of the Plan. Any property (other than cash) distributed with respect to a Share or a Related Share (the "Associated Share") acquired hereunder, including without limitation a distribution of Shares by reason of a stock dividend, stock split or otherwise, or a distribution of other securities with respect to an Associated Share, shall be subject to the restrictions of this Agreement in the same manner and for so long as the Associated Share remains subject to such restrictions, and shall be promptly forfeited if and when the Associated Share is so forfeited. The Participant shall be entitled to (i) receive all dividends or other distributions at the time (and within the same calendar year) as such dividends or distributions are paid with respect to those vested Shares of which the Participant is the record owner on the record date for such dividend or other distribution and (ii) subject to the terms of the Stockholders Agreement, vote any Shares of which the Participant is the record owner on the record date for such vote.
