The amortization schedule, maturity date, collateral and other customary terms of the Incremental Term Loan are identical to those of the Initial Term Loans.

On the Closing Date, the Borrowers borrowed the Incremental Term Loan, the proceeds of which were used to finance the previously announced acquisition of the entire issued share capital of INEOS Calabrian Holdings Corp. (the “US Target”) and INEOS Calabrian Corporation Canada, Inc. (the “Canadian Target”), to pay fees and expenses in connection therewith and for general corporate purposes.

The foregoing description of the Fourth Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Fourth Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

The parties hereto acknowledge and agree that (i) this Fourth Amendment, the Amended Credit Agreement, any other Loan Document or other document or instrument executed and delivered in connection herewith do not constitute a novation, or termination of the obligations of the Parent Borrower and each other Loan Party under the Loan Documents, including, without limitation, the Existing Credit Agreement and the Security Agreement, as in effect prior to the Fourth Amendment Effective Date (collectively, the “Obligations”) and (ii) such Obligations are in all respects continuing (as amended by this Fourth Amendment) with only the terms thereof being modified to the extent provided in this Fourth Amendment or in the Amended Credit Agreement, and the Borrowers and each Guarantor reaffirm such Obligations, including in respect of any guaranties of, and any pledges of collateral securing, such Obligations, including, without limitation, all Term Loans. (d) This Fourth Amendment shall constitute a Loan Document for all purposes under the Amended Credit Agreement and shall be administered and construed pursuant to the terms of the Amended Credit Agreement.

Section 6. Reaffirmation: Other Agreements. Nothing contained in this Fourth Amendment shall be construed as substitution or novation of the obligations outstanding under the Existing Credit Agreement or the other Loan Documents, which shall remain in full force and effect, except to any extent modified hereby. Each of Holdings and each Subsidiary Guarantor acknowledges and agrees that (i) notwithstanding the conditions to effectiveness set forth in this Fourth Amendment, such Loan Party is not required by the terms of the Existing Credit Agreement, the Amended Credit Agreement or any other Loan Document to consent to the amendment to the Existing Credit Agreement effected pursuant to this Fourth Amendment and (ii) nothing in the Existing Credit Agreement, the Amended Credit Agreement, this Fourth Amendment or any Loan Document shall be deemed to require the consent of such Loan Party to any future amendments to the Amended Credit Agreement.

Section 7. Counterparts. This Fourth Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Any signature to this agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this agreement. Each of the parties hereto represents and warrants to the other parties hereto that it has the corporate capacity and authority to execute the Fourth Amendment through electronic means and there are no restrictions for doing so in that party's constitutive documents.

Section 8. Applicable Law. THIS FOURTH AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(a) Notice Procedures. In connection with any Auction, the Auction Party will provide notification to the Auction Agent (for distribution to the relevant Lenders) of the Term Loans that will be the subject of the Auction (an **“Auction Notice”**). Each Auction Notice shall be in a form reasonably acceptable to the Auction Agent and shall (i) specify the maximum aggregate principal amount of the Term Loans subject to the Auction, in a minimum amount of \$10,000,000 and whole increments of \$1,000,000 in excess thereof (or, in any case, such lesser amount of such Term Loans then outstanding or which is otherwise reasonably acceptable to the Auction Agent and the Administrative Agent (if different from the Auction Agent)) (the **“Auction Amount”**), (ii) specify the discount to par (which may be a range (the **“Discount Range”**) of percentages of the par principal amount of the Term Loans subject to such Auction), that represents the range of purchase prices that the Auction Party would be willing to accept in the Auction, (iii) be extended, at the sole discretion of the Auction Party, to (x) each Lender and/or (y) each Lender with respect to any Term Loan on an individual Class basis, (iv) remain outstanding through the Auction Response Date and (v) at the option of the Auction Party, be subject to one of more conditions or contingencies. The Auction Agent will promptly provide each appropriate Lender with a copy of the Auction Notice and a form of the Return Bid to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the date specified in the Auction Notice (or such later date as the Auction Party may agree with the reasonable consent of the Auction Agent) (the **“Auction Response Date”**).

(b) Reply Procedures. In connection with any Auction, each Lender holding the relevant Term Loans subject to such Auction may, in its sole discretion, participate in such Auction and may provide the Auction Agent with a notice of participation (the “**Return Bid**”) which shall be in a form reasonably acceptable to the Auction Agent, and shall specify (i) a discount to par (that must be expressed as a price at which it is willing to sell all or any portion of such Term Loans) (the “**Reply Price**”), which (when expressed as a percentage of the par principal amount of such Term Loans) must be within the Discount Range, and (ii) a principal amount of such Term Loans, which must be in whole increments of \$1,000,000 (or, in any case, such lesser amount of such Term Loans of such Lender then outstanding or which is otherwise reasonably acceptable to the Auction Agent) (the “**Reply Amount**”). Lenders may only submit one Return Bid per Auction, but each Return Bid may contain up to three bids only one of which may result in a Qualifying Bid. In addition to the Return Bid, the participating Lender must execute and deliver, to be held in escrow by the Auction Agent, an Assignment and Assumption with the dollar amount of the Term Loans to be assigned to be left in blank, which amount shall be completed by the Auction Agent in accordance with the final determination of such Lender’s Qualifying Bid pursuant to clause (c) below. Any Lender whose Return Bid is not received by the Auction Agent by the Auction Response Date shall be deemed to have declined to participate in the relevant Auction with respect to all of its Term Loans.

(c) Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Agent prior to the applicable Auction Response Date, the Auction Agent, in consultation with the Auction Party, will determine the applicable price (the “**Applicable Price**”) for the Auction, which will be the lowest Reply Price for which the Auction Party can complete the Auction at the Auction Amount; provided that, in the event that the Reply Amounts are insufficient to allow the Auction Party to complete a purchase of the entire Auction Amount (any such Auction, a “**Failed Auction**”), the Auction Party shall either, at its election, (i) withdraw the Auction or (ii) complete the Auction at an Applicable Price equal to the highest Reply Price. The Auction Party shall purchase the relevant Term Loans (or the respective portions thereof) from each Lender with a Reply Price that is equal to or lower than the Applicable Price (“**Qualifying Bids**”) at the Applicable Price; provided, further, that if the aggregate proceeds required to purchase all Term Loans subject to Qualifying Bids would exceed the Auction Amount for such Auction, the Auction Party shall purchase such Term Loans at the Applicable Price ratably based on the principal amounts of such Qualifying Bids (subject to rounding requirements specified by the Auction Agent in its discretion). If a Lender has submitted a Return Bid containing multiple bids at different Reply Prices, only the bid with the lowest Reply Price that is equal to or less than the Applicable Price will be deemed to be the Qualifying Bid of such Lender (*e.g.*, a Reply Price of \$100 with a discount to par of 1%, when compared to an Applicable Price of \$100 with a 2% discount to par, will not be deemed to be a Qualifying Bid, while, however, a Reply Price of \$100 with a discount to par of 2.50% would be deemed to be a Qualifying Bid). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Auction Response Date with respect to an Auction, notify (I) the Parent Borrower of the respective Lenders’ responses to such solicitation, the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount of the Term Loans and the Classes thereof to be purchased pursuant to such Auction, (II) each participating Lender of the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount and the Classes of Term Loans to be purchased at the Applicable

Price on such date, (III) each participating Lender of the aggregate principal amount and the Classes of the Term Loans of such Lender to be purchased at the Applicable Price on such date and (IV) if applicable, each participating Lender of any rounding and/or proration pursuant to the second preceding sentence. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Parent Borrower and Lenders shall be conclusive and binding for all purposes absent manifest error.

(d) Additional Procedures.

(i) Once initiated by an Auction Notice, the Auction Party may not withdraw an Auction other than a Failed Auction or one or more conditions or contingencies have not been satisfied (or waived by the Auction Party). Furthermore, in connection with any Auction, upon submission by a Lender of a Qualifying Bid, such Lender (each, a “**Qualifying Lender**”) will be obligated to sell the entirety or its allocable portion of the Reply Amount, as the case may be, at the Applicable Price.

(ii) To the extent not expressly provided for herein, each purchase of Term Loans pursuant to an Auction shall be consummated pursuant to procedures consistent with the provisions in this definition, established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Parent Borrower.

(iii) In connection with any Auction, the Parent Borrower and the Lenders acknowledge and agree that the Auction Agent may require one or more conditions or contingencies to any Auction, including the payment of customary fees and expenses by the Auction Party in connection therewith as agreed between the Auction Party and the Auction Agent.

(iv) Notwithstanding anything in any Loan Document to the contrary, for purposes of this definition, each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent’s (or its delegate’s) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(v) The Parent Borrower and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this definition by itself or through any Affiliate of the Auction Agent and expressly consent to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any purchase of Term Loans provided for in this definition as well as activities of the Auction Agent.

Section 1.02. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a “Term Loan”) or by Type (e.g., a “SOFR Rate Loan”) or by Class and Type (e.g., a “SOFR Rate Term Loan”). Borrowings also may be classified and referred to by Class (e.g., a “Term Borrowing”) or by Type (e.g., a “SOFR Borrowing”) or by Class and Type (e.g., a “SOFR Rate Term Borrowing”).

Section 1.03. Terms Generally.

(a) The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms.

(b) The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”.

(c) Unless the context requires otherwise (i) any definition of or reference to any agreement, instrument or other document herein or in any Loan Document (or any Loan Document (as defined in the ABL Credit Agreement)) shall be construed as referring to such agreement, instrument or other document as from time to time amended, restated, amended and restated, supplemented or otherwise modified or extended, replaced or refinanced (subject to any restrictions or qualifications on such amendments, restatements, amendment and restatements, supplements or modifications or extensions, replacements or refinancings set forth herein), (ii) any reference to any law in any Loan Document shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law, (iii) any reference herein or in any Loan Document to any Person shall be construed to include such Person’s successors and permitted assigns, (iv) the words “herein”, “hereof” and “hereunder”, and words of similar import, when used in any Loan Document, shall be construed to refer to such Loan Document in its entirety and not to any particular provision hereof, (v) all references herein or in any Loan Document to Articles, Sections, clauses, paragraphs, Exhibits and Schedules shall be construed to refer to Articles, Sections, clauses and paragraphs of, and Exhibits and Schedules to, such Loan Document, (vi) in the computation of periods of time in any Loan Document from a specified date to a later specified date, the word “from” means “from and including”, the words “to” and “until” mean “to but excluding” and the word “through” means “to and including” and (vii) the words “asset” and “property”, when used in any Loan Document, shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including Cash, securities, accounts and contract rights.

(d) Notwithstanding anything else provided herein or in any other Loan Document, any interest, fee or principal payments on any Indebtedness due and payable (or paid) as of the last Business Day of a calendar month, calendar quarter or calendar year, as applicable, shall be deemed to have been due and payable (or paid) as of the end of the respective fiscal month, Fiscal Quarter or Fiscal Year, as applicable, ended closest to such calendar period for purposes of all calculations of Consolidated Secured Debt, Consolidated First Lien Debt, Consolidated Total Debt and Consolidated Adjusted EBITDA hereunder.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, any Default or Event of Default, other than any Event of Default which cannot be waived without the written consent of each Lender directly and adversely affected thereby, shall be deemed not to be “continuing” or to “exist” if the events, actions, inactions or conditions that gave rise to such Default or Event of Default have been or are deemed to have been remedied or cured (including by payment, delivering notice or taking any action (including if paid, delivered or taken after the specified time for such action or after the expiration of any grace or cure periods therefor), omitting to take any action or unwinding or modifying any prior action or event to the extent necessary for such action or event to be or have been permitted) or have ceased to exist and the Parent Borrower would otherwise have been in compliance with this Agreement but for such Default or Event of Default and the consequences thereof (any such Default or Event of Default, a “**Subject Default**”) and upon any Subject Default having been cured, remedied or waived or deemed to no longer to exist or be continuing or to have been remedied or cured, each other Default or Event of Default that may have resulted from the making or deemed making of any representation or warranty, the taking of any action or the consummation of any transaction due to the continuation or existence of the Subject Default shall automatically be deemed to have been cured and no longer continuing; provided, that the foregoing shall not be applicable with respect to any Default or Event of Default if a “responsible officer” of the Parent Borrower had actual knowledge that such events, actions, inactions or conditions constituted a Default or Event of Default and knowingly failed to give timely notice to the Administrative Agent of such Default or Event of Default required herein.

Section 1.04. Accounting Terms; GAAP.

(a) All financial statements to be delivered pursuant to this Agreement shall be prepared in accordance with GAAP as in effect from time to time and, except as otherwise expressly provided herein, all terms of an accounting or financial nature that are used in calculating the Total Leverage Ratio, the First Lien Leverage Ratio, the Secured Leverage Ratio, Consolidated Adjusted EBITDA or Consolidated Total Assets shall be construed and interpreted in accordance with GAAP, as in effect from time to time (except as otherwise provided in the definition of “GAAP”); provided, that (i) if the Parent Borrower notifies the Administrative Agent that the Parent Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date of delivery of the financial statements described in Section 3.04(a) in GAAP or in the application thereof (including the conversion to IFRS as described below) on the operation of such provision (or if the Administrative Agent notifies the Parent Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change becomes or became effective until such notice shall have been withdrawn or such provision amended in accordance herewith, and (ii) if such an amendment is requested by the Parent Borrower or the Required Lenders, then the Parent Borrower and the Administrative Agent shall negotiate in good faith to enter into an amendment of the relevant affected provisions (without the payment of any amendment or similar fee to the Lenders) to preserve the original intent thereof in light of such change in GAAP or the application thereof. All terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made without giving effect to (i) any election under Accounting Standards Codification 825-10-25 (previously referred to as Statement of Financial Accounting Standards 159) (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of the Parent Borrower or any subsidiary at “fair value”, as defined therein and (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated

principal amount thereof. If the Parent Borrower notifies the Administrative Agent that the Parent Borrower (or its applicable Parent Company) is required to report under IFRS or has elected to do so through an early adoption policy, thereafter “GAAP” shall mean international financial reporting standards pursuant to IFRS (provided that after such conversion, the Parent Borrower cannot elect to report under GAAP).

(b) Notwithstanding paragraph (a) above, solely for purposes of determining the amount any Capital Lease, Consolidated Interest Expense, Consolidated Total Debt and Indebtedness, GAAP shall exclude the accounting treatment requiring all leases to be reflected as liabilities on the balance sheet and capitalized, and only those leases that would constitute Capital Leases in conformity with GAAP prior to the implementation of such accounting treatment shall be considered Capital Leases, and all calculations and determinations under this Agreement or any other Loan Document shall be made in a manner consistent therewith.

Section 1.05. Effectuation of Transactions. Each of the representations and warranties contained in this Agreement (and all corresponding definitions) is made after giving effect to the Transactions, unless the context otherwise requires.

Section 1.06. Timing of Payment of Performance. Subject to the definitions of Interest Payment Date and Interest Period, when payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or required on a day which is not a Business Day, the date of such payment (other than as described in the definition of “Interest Period”) or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

Section 1.07. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

Section 1.08. Currency Generally.

(a) Subject to clause (b) of this Section 1.08, for purposes of any determination hereunder (other than the calculation of compliance with any financial ratio) with respect to any Specified Transaction, any other transaction or utilization or other measurement or calculation of any transaction or action in a currency other than Dollars, (i) the Dollar equivalent amount of such Specified Transaction, any other transaction or utilization or other measurement or calculation of any transaction or action shall be calculated based on a currency exchange rate determined by the Parent Borrower in good faith in effect on the date of such applicable transaction, utilization, measurement or calculation (or such other date as the Parent Borrower determines in good faith is the appropriate calculation date, including, at the election of the Parent Borrower, the applicable LCT Test Date for a Limited Condition Transaction); provided, that in the case of the incurrence of Indebtedness under any revolving credit or delayed draw facility, the Parent Borrower may instead elect to use the currency exchange rate in effect on the date such indebtedness was first committed or first incurred (whichever yields the lower Dollar equivalent); provided that if any Indebtedness is incurred (and, if applicable, associated Lien granted) to refinance or replace other Indebtedness denominated in a currency other than Dollars, and the relevant refinancing or replacement would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness (and, if applicable, associated Lien granted) does not exceed an amount sufficient to repay the principal amount of such Indebtedness being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest and premiums (including tender

premiums) thereon *plus* other reasonable and customary fees and expenses (including upfront fees and original issue discount) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 6.01 and (ii) for the avoidance of doubt, no Default or Event of Default shall be deemed to have occurred solely as a result of a change in the rate of currency exchange occurring after the time of any Specified Transaction so long as such Specified Transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth in clause (i). For purposes of the calculation of compliance with any financial ratio for purposes of taking any action hereunder, on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b), as applicable, for the relevant Test Period and will, with respect to any Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of any Hedge Agreement permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar equivalent amount of such Indebtedness.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Parent Borrower's consent to appropriately reflect a change in currency of any country and any relevant market convention or practice relating to such change in currency.

Section 1.09. Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Loans, Replacement Term Loans, Loans in connection with any Replacement Revolving Facility, Extended Term Loans, Extended Revolving Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

Section 1.10. Certain Conditions, Calculations and Tests

(a) Notwithstanding anything to the contrary herein, with respect to any intended acquisition, Investment (other than Investments in the Parent Borrower or any Restricted Subsidiary), Restricted Payment and/or Restricted Debt Payment (each, taken together with any related actions and transactions (including, in the case of any Indebtedness (including any Incremental Facilities), the incurrence, repayment and other intended uses of proceeds), a "**Limited Condition Transaction**"), to the extent that the terms of this Agreement require satisfaction of, or compliance with, any condition, test or requirement, in order to effect, incur or consummate such Limited Condition Transaction (including (w) compliance with any financial ratio or test (including, without limitation, Section 2.22, any First Lien Leverage Ratio, any Secured Leverage Ratio, any Total Leverage Ratio, any Net Interest Coverage Ratio and/or the amount of Consolidated Adjusted EBITDA or Consolidated Total Assets (including any component definitions of the foregoing)), (x) the making or accuracy of any representations and warranties, (y) the absence of a Default or Event of Default (or any type of Default or Event of Default) and/or (z) any other condition, test or requirement), at the election of the Parent Borrower (a "**LCT Election**"), the date of determination of whether any relevant conditions, tests and requirements are satisfied or complied with shall be made on, and shall be deemed to be, the date (the "**LCT Test Date**") that the definitive agreements for such Limited Condition Transaction are entered into (or, if applicable, delivery of notice of redemption, Prepayment, declaration of dividend or similar event), giving pro forma effect to such Limited Condition Transaction (including any related actions and transactions) pursuant to

this Section 1.10. If the Parent Borrower has made an LCT Election for any Limited Condition Transaction and such Limited Condition Transaction (including any related actions and transactions) would be permitted on the LCT Test Date, (i) each such condition, test and requirement shall be deemed satisfied and complied with for all purposes of such Limited Condition Transaction and (ii) any change in status of any such condition, test and requirement between the LCT Test Date and the taking of the relevant actions or consummation of the relevant transactions such that any applicable financial ratios or tests, baskets, conditions, requirements or provisions would be exceeded, breached or otherwise no longer complied with or satisfied for any reason (including due to fluctuations in Consolidated Adjusted EBITDA or Consolidated Total Assets or the Person subject to such Limited Condition Transaction) shall be disregarded such that all financial ratios or tests, baskets, conditions, requirements or provisions shall continue to be deemed complied with and satisfied for all purposes of such Limited Condition Transaction, all applicable transactions and actions will be permitted and no Default or Event of Default shall be deemed to exist or to have occurred or resulted from such change in status or Limited Condition Transaction; provided, that (A) if financial statements for one or more subsequent fiscal quarters shall have become available subsequent to the LCT Test Date, the Parent Borrower may elect, in its sole discretion, to re-determine all financial ratios or tests, baskets, conditions, requirements or provisions on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for purposes of such ratios, tests or baskets, and (B) except as contemplated in the foregoing clause (A), compliance with such financial ratios or tests, baskets, conditions, requirements or provisions shall not be determined or tested at any time for purposes of such Limited Condition Transaction after the applicable LCT Test Date. If the Parent Borrower has made an LCT Election, then in connection with any subsequent calculation of any financial ratios or tests (including any Incurrence-Based Baskets), thresholds and availability (including under any Fixed Basket) under this Agreement with respect to any unrelated transactions or actions on or following the applicable LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the definitive agreement (or, if applicable, notice, declaration or similar event) for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any financial ratios or tests, thresholds and availability shall be determined assuming such Limited Condition Transaction (including any related actions and transactions) had been consummated.

(b) For purposes of determining the permissibility of any action, change, transaction or event or compliance with any term that requires a calculation of any financial ratio or test (including, without limitation, Sections 2.22 and 2.23, any First Lien Leverage Ratio, any Secured Leverage Ratio, any Total Leverage Ratio, any Net Interest Coverage Ratio and/or the amount or percentage of Consolidated Adjusted EBITDA or Consolidated Total Assets (including any component definitions of the foregoing and for the avoidance of doubt, notwithstanding clause (k) of the definition of “Consolidated Net Income”, which shall be disregarded)), (i) Specified Transactions that have been made during the applicable Test Period (or, except as provided in Section 1.10(c), subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made) and any Limited Condition Transaction (including any related actions and transactions) shall be calculated on a Pro Forma Basis and be given *pro forma* effect assuming that all such Specified Transactions (including any related actions and transactions) and Limited Condition Transactions had occurred on the first day of the applicable Test Period (or, in the case of Consolidated Total Assets and Consolidated Total Debt, on the last date of the applicable Test Period) in good faith by a Responsible Officer of the Parent Borrower and include, for the avoidance of doubt, the amount of “run-rate” cost savings (including sourcing and supply chain savings), operating expense reductions, operating, revenue and productivity improvements and synergies projected by the Parent Borrower in good faith in a manner consistent with, and without duplication of, clause (b)(xi) of the definition of “Consolidated Adjusted EBITDA” (calculated on a Pro Forma Basis and given *pro forma* effect as though such “run-rate” cost savings (including sourcing and supply chain savings), operating expense reductions, operating, revenue

and productivity improvements and synergies had been realized on the first day of such period for the entirety of such period), and any such adjustments shall be included in the initial *pro forma* calculations of such financial ratios or tests and during any subsequent Test Period in a manner consistent with, and without duplication of, clause (b)(xi) of the definition of “Consolidated Adjusted EBITDA”, whether through a *pro forma* adjustment or otherwise, and (ii) any borrowings under any revolving facility made subsequent to the end of the applicable Test Period (regardless of whether incurred in connection with any Specified Transaction) shall be disregarded and excluded from such *pro forma* calculation.

(c) The calculation of any financial ratio or test (including, without limitation, Sections 2.22 and 2.23, any First Lien Leverage Ratio, any Secured Leverage Ratio, any Total Leverage Ratio, any Net Interest Coverage Ratio and/or the amount or percentage of Consolidated Adjusted EBITDA or Consolidated Total Assets (including any component definitions of the foregoing and for the avoidance of doubt, notwithstanding clause (k) of the definition of “Consolidated Net Income”, which shall be disregarded)) shall be based on the most recently ended Test Period for which internal financial statements are available (as determined in good faith by the Parent Borrower); provided, that, for purposes of the definition of “Applicable Rate”, (i) to the extent any Specified Transactions were made subsequent to the end of the applicable Test Period, such Specified Transactions shall not be given *pro forma* effect or be calculated on a Pro Forma Basis, and (ii) such financial ratio or test shall be based on the most recently ended Test Period for which financial statements have been delivered pursuant to Section 5.01(a) or (b), as applicable.

(d) The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Parent Borrower dated such date prepared in accordance with GAAP. If any Indebtedness bears a floating rate of interest and is being calculated on a Pro Forma Basis or being given *pro forma* effect, the interest on such Indebtedness attributable to any period subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated for as if the rate in effect on the date of the event for which the calculation is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Indebtedness). Interest on a Capital Lease obligation shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of the Parent Borrower to be the rate of interest implicit in such Capital Lease obligation in accordance with GAAP. Any calculation of the Net Interest Coverage Ratio on a Pro Forma Basis will be calculated using an assumed interest rate in determining Consolidated Interest Expense based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by the Parent Borrower in good faith.

(e) The increase in amounts secured by Liens by virtue of accrual of interest, the accretion of accreted value, the payment of interest or dividends in the form of additional Indebtedness, amortization of original issue discount and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of Section 6.02.

(f) For purposes of determining compliance at any time with the provisions of this Agreement, in the event that any Indebtedness (including any Incremental Facility and Incremental Equivalent Debt), Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction or other transaction, as applicable, meets the criteria of more than one category (or subcategory within any category) of exceptions, thresholds, baskets, or other provisions of transactions or items permitted pursuant to any clause of Article VI (other than Section 6.01(a) and (x)), any component (or subcomponent) in the definition of “Incremental Cap” or any other provision of this Agreement, the

Parent Borrower, in its sole discretion, may, at any time, classify or reclassify (on one or more occasions) and/or divide or re-divide (on one or more occasions) such transaction or item (or portion thereof) among one or more such categories of exceptions, thresholds, baskets or provisions, as elected by the Parent Borrower in its sole discretion (other than the Initial Term Loans, the “Revolving Loans” (as defined in the ABL Credit Agreement) outstanding on the Closing Date and any refinancing indebtedness in respect thereof which may not be reclassified). It is understood and agreed that any Indebtedness (including any Incremental Facility and Incremental Equivalent Debt), Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction or other transaction need not be permitted solely by reference to one category (or subcategory) of exceptions, thresholds, baskets or provisions permitting such Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition and/or Affiliate transaction under Article VI (other than Sections 6.01(a), (x) and (z)), any component (or subcomponent) in the definition of “Incremental Cap” or any other provision of this Agreement, but may instead be permitted in part under any combination thereof. Upon delivery of financial statements following any initial classification and division (or any subsequent reclassification and re-division), if any applicable financial ratios for any Incurrence-Based Baskets would then be satisfied for the incurrence of such Indebtedness (including any Incremental Facility and Incremental Equivalent Debt), Lien, Restricted Debt Payment, Investment, Disposition or Affiliate transaction, any amount thereof under any Fixed Basket shall automatically be deemed reclassified and re-divided as incurred under any available Incurrence-Based Baskets to the extent not previously elected by the Parent Borrower and will be deemed to have been incurred, issued, made or taken first, to the extent available, pursuant to any available Incurrence-Based Baskets as set forth above without utilization of any Fixed Basket.

(g) With respect to any amounts incurred or transactions entered into or consummated (including any Indebtedness (including any Incremental Facility and Incremental Equivalent Debt), Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition or Affiliate transaction or other transaction), in reliance on a combination of Fixed Baskets and Incurrence-Based Baskets, it is understood and agreed that (i) the Incurrence-Based Baskets shall first be calculated without giving effect to any Fixed Baskets being relied upon for any portion of such incurrence or transactions (i.e., the portion of such incurrence or transaction in reliance on all Fixed Baskets shall be disregarded in the calculation of the financial ratio applicable to the Incurrence-Based Baskets, but full *pro forma* effect shall otherwise be given thereto and to all other applicable and related transactions (including, in the case of Indebtedness, the intended use of the aggregate proceeds of Indebtedness being incurred in reliance on a combination of Fixed Baskets and Incurrence-Based Baskets, but without “netting” the Cash proceeds of such Indebtedness) and all other permitted *pro forma* adjustments (except that the incurrence of any borrowings under any revolving credit facility shall be disregarded as set forth in Section 1.10(b)) and (ii) thereafter, the incurrence of the portion of such amounts or other applicable transaction to be entered into in reliance on any Fixed Baskets shall be calculated (and may subsequently be reclassified into Incurrence-Based Baskets in accordance with Section 1.10(f)). For example, in calculating the maximum amount of Indebtedness permitted to be incurred under Fixed Baskets and Incurrence-Based Baskets in Section 6.01 in connection with an acquisition, only the portion of such Indebtedness intended to be incurred under Incurrence-Based Baskets shall be included in the calculation of financial ratios (and the portion of such Indebtedness intended to be incurred under Fixed Baskets shall be deemed to not have been incurred in calculating such financial ratios), but *pro forma* effect shall be given to the use of proceeds from the entire amount of Indebtedness intended to be incurred under both the Fixed Baskets and Incurrence-Based Baskets, the consummation of the acquisitions and any related repayments of Indebtedness.

Section 1.11. Rounding. Any financial ratios required to be maintained by the Parent Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up for five).

Section 1.12. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Capital Stock at such time.

Section 1.13. Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to ABR, the Term SOFR Reference Rate or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, ABR, the Term SOFR Reference Rate, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions unrelated to this Agreement that affect the calculation of ABR, the Term SOFR Reference Rate, Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain ABR, the Term SOFR Reference Rate, Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II THE CREDITS

Section 2.01. Commitments.

(a)

(i) Subject to the terms and conditions set forth herein, solely with respect to the 2026 Incremental Term Loans, the Fourth Amendment, each Initial Term Lender (other than 2026 Incremental Term Lenders) severally, and not jointly, made Initial Term Loans (other than 2026 Incremental Term Loans) to the Borrowers on the Closing Date in Dollars in a principal amount not to exceed its Initial Term Loan Commitment.

(ii) Subject to the terms and conditions set forth in the Second Amendment, the Second Amendment Term Lenders (as defined in the Second Amendment) agree, severally and not jointly, to make the Second Amendment Term Loans (each as defined in the Second Amendment) to the Borrowers on the Second Amendment Effective Date.

(iii) Subject to the terms and conditions set forth in the Fourth Amendment, the 2026 Incremental Term Lenders agree, severally and not jointly, to make 2026 Incremental Term Loans to the Borrowers on the Fourth Amendment Effective Date in Dollars in a principal amount not to exceed its 2026 Incremental Term Commitment.

(b) Subject to the terms and conditions of this Agreement, each Lender and each Additional Lender with an Additional Term Commitment for a given Class of Incremental Term Loans severally, and not jointly, agrees to make Additional Term Loans of such Class to the Borrowers, which Additional Term Loans shall not exceed for any such Lender or Additional Lender at the time of any incurrence thereof, the Additional Term Commitment of such Lender or Additional Lender for such Class on the date of borrowing of such Additional Term Loans. Amounts repaid or prepaid in respect of such Additional Term Loans may not be reborrowed.

Section 2.02. Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class.

(b) Subject to Section 2.01 and Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or SOFR Loans as the Parent Borrower may request in accordance herewith. Each Lender at its option may make any SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement, (ii) such SOFR Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrowers to repay such SOFR Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrowers resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided further that any such domestic or foreign branch or Affiliate of such Lender shall not be entitled to any greater indemnification under Section 2.17 with respect to such SOFR Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of a Change in Law after the date on which such Loan was made).

(c) Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) different Interest Periods in effect for SOFR Borrowings at any time outstanding (or such greater number of different Interest Periods as the Administrative Agent may agree from time to time).

(d) Notwithstanding any other provision of this Agreement, the Parent Borrower shall not, nor shall it be entitled to, request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date applicable to such Loans.

Section 2.03. Requests for Borrowings. Each Borrowing in respect of the Term Facility, each Borrowing in respect of any Additional Revolving Facility, each conversion of Term Loans or Revolving Loans from one Type to the other, and each continuation of SOFR Loans shall be made upon irrevocable notice by the relevant Borrower to the Administrative Agent (provided that notices in respect of Term Loan Borrowings and/or Additional Revolving Loan Borrowing to be made in connection with any permitted acquisition, investment or irrevocable repayment or redemption of Indebtedness may be conditioned on the closing of such acquisition, investment or repayment or redemption of Indebtedness). Each such notice must be in writing or by telephone (and promptly confirmed in writing) and must be received by the Administrative Agent (by hand delivery, fax or other electronic transmission (including “.pdf” or “.tiff”)) not later than (i) 2:00 p.m. three (3) U.S. Government Securities Business Days prior to the requested day of any Borrowing, conversion or continuation of SOFR Loans (or two (2) Business Days in the case of any Borrowing of SOFR Loans to be made on the Closing Date) or (ii) 12:00 p.m. (Noon) on the requested date of any Borrowing of ABR Loans (or, in each case, such later time as shall be acceptable to the Administrative Agent); provided, however, that if a Borrower wishes to request SOFR Loans having an Interest Period of other than one (1), three (3) or six (6) months in duration as provided in the definition of “Interest Period,” (A) the applicable notice from such Borrower must be received by the Administrative Agent not later than 2:00 p.m. four (4) U.S. Government Securities Business Days prior to the requested date of such Borrowing, conversion or continuation (or such later time as shall be reasonably acceptable to the Administrative Agent), whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to them and ascertainable by the Administrative Agent or, in the case of Interest Periods shorter than twelve (12) months, subject to the Administrative Agent’s consent and (B) not later than 12:00 p.m. (Noon) three (3) U.S. Government Securities Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify such Borrower whether or not the requested Interest Period can be accommodated by the Administrative Agent and the appropriate Lenders. Each written notice (or confirmation of telephonic notice) with respect to a Borrowing by the Borrowers pursuant to this Section 2.03 shall be delivered to the Administrative Agent in the form of a written Borrowing Request or such other form as may be approved by the Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be approved by the Administrative Agent), appropriately completed and signed by a Responsible Officer of the Parent Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

- (a) the Class of such Borrowing;
- (b) the aggregate amount of the requested Borrowing;
- (c) the date of such Borrowing, which shall be a Business Day;
- (d) whether such Borrowing is to be an ABR Borrowing or a SOFR Borrowing;
- (e) in the case of a SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; and
- (f) the location and number of the relevant Borrower’s account or any other designated account(s) to which funds are to be disbursed (the “**Funding Account**”).

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested SOFR Borrowing, then the Parent Borrower shall be deemed to have selected an Interest Period of one (1) month’s duration. The Administrative Agent shall advise each Lender of the details thereof and of the amount of the Loan to be made as part of the requested Borrowing (x) in the case of any ABR Borrowing, on the same Business Day of receipt of a Borrowing Request in accordance with this Section 2.03 or (y) in the case of any SOFR Borrowing, no later than one (1) U.S. Government Securities Business Day following receipt of a Borrowing Request in accordance with this Section 2.03.

Section 2.04. [Reserved].

Section 2.05. [Reserved].

Section 2.06. [Reserved].

Section 2.07. Funding of Borrowings.

(a) Each Lender shall make each Loan of any Class to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m. to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders of such Class in an amount equal to such Lender's respective Applicable Percentage for such Class. The Administrative Agent will make such Loans available to the Borrowers by promptly crediting the amounts so received, in like funds, to the Funding Account or as otherwise directed by the Parent Borrower.

(b) Unless the Administrative Agent has received notice from any Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.07 and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate (or, with respect to any amount denominated in Euros, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by the Administrative Agent in the applicable offshore interbank market for such currency) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrowers, the interest rate applicable to Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing and each Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.07(b) shall cease. If the Borrowers pay such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrowers or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

Section 2.08. Type: Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request; provided that in the case of the 2026 Incremental Term Loans made on the Fourth Amendment Effective Date, the initial Interest Period shall commence on the Fourth Amendment Effective Date and expire on the date that is the expiration date of the

then-current Interest Period in effect for the Initial Term Loans outstanding immediately prior to the Fourth Amendment Effective Date.

Thereafter, the Parent Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.08. The Parent Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders for the relevant Class based upon their Applicable Percentages for such Class and the Loans of such Class comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section 2.08, the Parent Borrower shall notify the Administrative Agent of such election either in writing (by hand delivery, fax or other electronic transmission (including “.pdf” or “.tiff”)) or by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Parent Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, fax or other electronic transmission (including “.pdf” or “.tiff”) to the Administrative Agent of a written Interest Election Request signed by a Responsible Officer of the Parent Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a SOFR Borrowing; and

(iv) if the resulting Borrowing is a SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Interest Election Request requests a SOFR Borrowing but does not specify an Interest Period, then the Parent Borrower shall be deemed to have selected an Interest Period of one (1) month’s duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If the Parent Borrower fails to deliver a timely Interest Election Request with respect to a SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be converted at the end of such Interest Period to a SOFR Borrowing with an Interest Period of one (1) month. Notwithstanding any contrary provision hereof, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Parent Borrower, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as a SOFR Borrowing and (ii) unless repaid, each SOFR Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period applicable thereto.

Section 2.09. Termination and Reduction of Commitments. Unless previously terminated, (i) the Initial Term Loan Commitments shall automatically terminate upon the making of the Initial Term Loans on the Closing Date and (ii) the 2026 Incremental Term Commitments shall automatically terminate upon the making of the 2026 Incremental Term Loans on the Fourth Amendment Effective Date.

Section 2.10. Repayment of Loans; Evidence of Debt

(a) The Borrowers hereby unconditionally promise to repay Initial Term Loans, in Dollars, to the Administrative Agent for the account of each Term Lender (i) commencing October 31, 2024, on the last Business Day of each January, April, July and October prior to the Initial Term Loan Maturity Date (each such date being referred to as a “**Loan Installment Date**”), in each case in an amount equal to 0.25% of the original principal amount of the Initial Term Loans (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 and repurchases in accordance with Section 9.05(h) or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.22(a); provided that, any optional prepayments of Initial Term Loans (as in effect prior to the Fourth Amendment Effective Date) made prior to the Fourth Amendment Effective Date shall continue to be applied to reduce such amortization payments as set forth in Section 2.11(a) (which, for the avoidance of doubt shall result in no such amortization payments being made in respect of the 2026 Incremental Term Loans prior to the Initial Term Loan Maturity Date)), and (ii) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Initial Term Loans outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to, but excluding, the date of such payment.

(b) The Borrowers hereby unconditionally promises to pay to the Administrative Agent for the account of each Additional Lender, the then-unpaid principal amount of each Additional Revolving Loan of such Additional Lender on the Maturity Date applicable thereto.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts (which shall be part of the Register) in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof.

(e) The entries made in the accounts maintained in the Register shall be prima facie evidence of the existence and amounts of the obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain accounts pursuant to Sections 2.10(c) and 2.10(d) or any manifest error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the Register and any Lender’s records, the Register shall govern.

(f) Any Lender may request that Loans made by it be evidenced by a Promissory Note. In such event, the applicable Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender and its registered assigns; it being understood and agreed that such Lender (and/or its applicable assign) shall be required to return such Promissory Note to the Parent Borrower in accordance with Section 9.05(b)(iii) and upon the occurrence of the Termination Date (or as promptly thereafter as practicable).

Section 2.11. Prepayment of Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrowers shall have the right at any time and from time to time to prepay any Borrowing of Term Loans of one or more Classes (such Class or Classes to be selected by the Parent Borrower in its sole discretion) in whole or in part without premium or penalty except as provided in Sections 2.12(c) and 2.16. Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the relevant Class.

(ii) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Borrowers shall have the right at any time and from time to time to prepay (in accordance with Section 2.18(a)) any Borrowing of Additional Revolving Loans of any Class, in whole or in part without premium or penalty (but subject to Section 2.16); provided that after the establishment of any Additional Revolving Facility, any such prepayment of any Borrowing of Additional Revolving Loans of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02, as applicable. Each such prepayment shall be paid to the Revolving Lenders in accordance with their respective Applicable Percentages of the relevant Class.

(iii) The Parent Borrower shall notify the Administrative Agent by telephone (promptly confirmed in writing) of any prepayment under this Section 2.11(a) (A) in the case of a prepayment of a SOFR Borrowing, not later than 1:00 p.m. three (3) U.S. Government Securities Business Days before the date of prepayment or (B) in the case of a prepayment of an ABR Borrowing, not later than 12:00 p.m. (Noon) on the day of prepayment. Each such notice shall be irrevocable (except as set forth in the proviso to this sentence) and shall specify the prepayment date and the principal amount of each Borrowing or portion of each relevant Class to be prepaid; provided that a notice of prepayment delivered by the Parent Borrower may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked by the Parent Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to any Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount at least equal to the amount that would be permitted in the case of an advance of a Borrowing of the same Type and Class as provided in Section 2.02(c), or such lesser amount that is then outstanding with respect to such Borrowing being repaid. Each prepayment of Term Loans made pursuant to this Section 2.11(a) shall be applied against the remaining scheduled installments of principal due in respect of the Term Loans of such Class (or one or more of such other facility, class or tranche of Term Loans, as determined by the Parent Borrower in its sole discretion) in the manner specified by the Parent Borrower or, if not so specified on or prior to the date of such optional prepayment, in direct order of maturity.

(b) Mandatory Prepayments.

(i) [reserved].

(ii) No later than the fifth (5th) Business Day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds (in each case, excluding Net Proceeds attributable to (x) the Performance Chemicals Sale or (y) ABL Priority Collateral), in each case, in excess of \$40,000,000 in the aggregate in any Fiscal Year (in each case, the amount of such excess, the “**Subject Proceeds**”; provided that, any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds the Net Proceeds of which are less than \$30,000,000 with respect to any single event or transaction (or series of related events or transactions) shall not be subject to this Section 2.11(b)(ii)), the Parent Borrower shall apply an amount equal to the Asset Sale Prepayment Percentage of such Subject Proceeds to prepay the outstanding principal amount of Subject Loans in accordance with clause (vi) below; provided, that if, prior to the date any such prepayment is required to be made, the Parent Borrower notifies the Administrative Agent of its intention to reinvest the Subject Proceeds in assets used or useful in the business (other than Cash or Cash Equivalents) of the Parent Borrower or any of its subsidiaries, then so long as no Event of Default then exists, the Parent Borrower shall not be required to make a mandatory prepayment under this clause (ii) in respect of the Subject Proceeds to the extent (A) the Subject Proceeds are so reinvested within fifteen (15) months following receipt thereof or (B) the Parent Borrower or any of its subsidiaries has committed to so reinvest the Subject Proceeds during such 15-month period and the Subject Proceeds are so reinvested within six (6) months after the expiration of such 15-month period; provided, however, that if the Subject Proceeds have not been so reinvested prior to the expiration of the applicable period, the Parent Borrower shall promptly prepay the outstanding principal amount of Subject Loans with the Subject Proceeds not so reinvested as set forth above (without regard to the immediately preceding proviso); provided, further, that (x) if, at the time that any such prepayment would be required hereunder, the Parent Borrower or any of its Restricted Subsidiaries is required to Prepay (or offer to repay or repurchase) any Indebtedness that is secured on a *pari passu* basis with the First Priority Secured Obligations pursuant to the terms of the documentation governing such Indebtedness (such Indebtedness required to be so Prepaid, “**Other Applicable Indebtedness**”), then the relevant Person may apply the Subject Proceeds on *pro rata* basis to the prepayment of the Subject Loans and to the Prepay of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount)); provided, further, that the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of the Subject Proceeds shall be allocated to the Term Loans in accordance with the terms hereof, and (y) to the extent the holders of the Other Applicable Indebtedness decline to have such Other Applicable Indebtedness Prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Subject Loans in accordance with the terms hereof. Notwithstanding anything to the contrary herein or in any other Loan Document, the Net Proceeds of any Disposition of any ABL Collateral shall not be required to be applied to the prepayment of the Initial Term Loans hereunder.

(iii) In the event that a Borrower or any of its Restricted Subsidiaries receives Net Proceeds from the issuance or incurrence of Indebtedness by such Borrower or any of its Restricted Subsidiaries (other than with respect to Indebtedness permitted under Section 6.01, except to the extent the relevant Indebtedness constitutes (A) Replacement Term Loans, Replacement Revolving Facility or Replacement Notes incurred to refinance all or a portion of any Class or Classes of Term Loans (as determined by such Borrower) in accordance with the requirements of Section 9.02(c), or (B) Incremental Loans or Incremental Equivalent Debt incurred to refinance all or a portion of any Class or Classes of Term Loans to the extent required by the terms thereof to prepay or offer to prepay such Term Loans and such Incremental Loans or Incremental Equivalent Debt do not constitute utilization of the Incremental Cap pursuant to Section 2.22), such Borrower shall, promptly upon (and in any event not later than the next succeeding Business Day) the receipt of such Net Proceeds by such Borrower or its applicable Restricted Subsidiary, apply an amount equal to 100% of such Net Proceeds to prepay the outstanding principal amount of the relevant Class or Classes of Term Loans in accordance with clause (vi) below.

(iv) Notwithstanding anything in this Section 2.11(b) to the contrary,

(A) the Borrowers shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Section 2.11(b)(ii) above to the extent that the relevant Prepayment Asset Sale is consummated by any Foreign Subsidiary, the relevant Net Insurance/Condemnation Proceeds are received by any Foreign Subsidiary, as the case may be, for so long as the repatriation to the Borrowers of any such amount would be prohibited under any Requirement of Law or conflict with the fiduciary duties of such Foreign Subsidiary's directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (it being agreed that, solely during the period within one (1) year following the date such prepayments are required to be made, the Borrowers shall, and shall cause the applicable Foreign Subsidiary to, promptly use commercially reasonable efforts to take all actions required by applicable Requirements of Law to permit such repatriation) and if after taking such actions, the affected Subject Proceeds is permitted under the applicable Requirement of Law and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for the Persons described above within one (1) year following the date such prepayments are required to be made, the relevant Foreign Subsidiary will promptly repatriate the relevant Subject Proceeds and the repatriated Subject Proceeds will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) to the repayment of the Initial Term Loans and other Term Loans required pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)(A)) or the Parent Borrower or another subsidiary may, at its option, apply to such repayment an equivalent amount with the Foreign Subsidiary not repatriating the actual Subject Proceeds; and

(B) if the Parent Borrower determines in good faith that the repatriation (or other intercompany distribution) to a Borrower of any amounts required to mandatorily prepay the Initial Term Loans and other Term Loans pursuant to Section 2.11(b)(ii) above would result in any Parent Company, Holdings, a Borrower or any Restricted Subsidiary incurring material Tax liabilities (including any material withholding Tax) or material

adverse Tax consequences (such amount, a “**Restricted Amount**”), as reasonably determined by the Parent Borrower, the amount a Borrower shall be required to mandatorily prepay pursuant to Section 2.11(b)(ii) above, as applicable, shall be reduced by the Restricted Amount until such time as the Restricted Amount may be repatriated (or otherwise distributed) to a Borrower without the incurrence of such material Tax liability or material adverse Tax consequences (each, as determined in good faith by the Parent Borrower); provided, that to the extent that the repatriation (or other intercompany distribution) of any Subject Proceeds from the relevant Foreign Subsidiary would no longer have a material Tax liability or material adverse Tax consequences within one (1) year following the date such prepayments are required to be made, an amount equal to the Subject Proceeds not previously applied pursuant to preceding clause (B), shall be promptly applied to the repayment of the Initial Term Loans and Additional Term Loans pursuant to Section 2.11(b) as otherwise required above (without regard to this clause (iv)(B));

(v) Each Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Initial Term Loans and Additional Term Loans required to be made by the Borrowers pursuant to this Section 2.11(b), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the “**Declined Proceeds**”); provided that (A) to the extent that any such prepayment is declined, the remaining amount thereof may be retained by the Borrowers and (B) for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(b)(iii) above to the extent that such prepayment is made with Indebtedness described in clauses (A) or (B) of Section 2.11(b)(iii) above. If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender’s Applicable Percentage of the total amount of such mandatory prepayment of Initial Term Loans and Additional Term Loans.

(vi) Except as may otherwise be set forth in any amendment to this Agreement in connection with any Additional Term Loan, (A) each prepayment of Initial Term Loans and other Term Loans required pursuant to this Section 2.11(b) shall be applied ratably to each Class of Term Loans (based upon the then outstanding principal amounts of the respective Classes of Term Loans) (provided that any prepayment of Initial Term Loans or Additional Term Loans constituting Refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p) or Replacement Term Loans incurred to refinance Initial Term Loans or Additional Term Loans in accordance with the requirements of Section 9.02(c) shall be applied solely to each applicable Class of refinanced or replaced Term Loans), (B) with respect to each Class of Initial Term Loans and Additional Term Loans, all accepted prepayments under Section 2.11(b)(ii) or (iii) shall be applied against the remaining scheduled installments of principal due in respect of the Initial Term Loans and Additional Term Loans as directed by the Parent Borrower (or, in the absence of direction from the Parent Borrower, to the remaining scheduled amortization payments in respect of the Initial Term Loans and Additional Term Loans in direct order of maturity), and (C) each such prepayment shall be paid to the Term Lenders in accordance with their respective Applicable Percentages of the applicable Class. The amount of such mandatory prepayments shall be applied on a *pro rata* basis to the then outstanding Initial Term Loans and other Term Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or SOFR Loans; provided that the amount thereof shall be applied first to ABR Loans to the full extent thereof before application to the SOFR Loans in a manner that minimizes the amount of any payments required to be made by the Borrowers pursuant to Section 2.16. Any prepayment of Initial Term Loans made on or prior to the date that is six (6) months after the Closing Date pursuant to Section 2.11(b)(iii) as part of a Repricing Transaction shall be accompanied by the fee set forth in Section 2.12(e).

(vii) [Reserved].

(viii) At the time of each prepayment required under Section 2.11(b)(ii) or (iii), the Parent Borrower shall deliver to the Administrative Agent a certificate signed by a Responsible Officer of the Parent Borrower setting forth in reasonable detail the calculation of the amount of such prepayment. Each such certificate shall specify the Borrowings being prepaid and the principal amount of each Borrowing (or portion thereof) to be prepaid. Prepayments shall be accompanied by accrued interest as required by Section 2.13. All prepayments of Borrowings under Section 2.11(b) shall be subject to Section 2.16 and, in the case of prepayments under clause (iii) above as part of a Repricing Transaction shall be subject to Section 2.12(c), but shall otherwise be without premium or penalty.

(ix) Notwithstanding anything to the contrary herein, it is intended that the Loans will not be treated as “applicable high yield discount obligations” (“**AHYDO**”) within the meaning of Section 163(i)(1) of the Code and the provisions contained herein shall be construed so that the Loans are not treated as AHYDO. Accordingly, starting on the fifth (5th) anniversary of the Closing Date and prior to the end of each accrual period (as defined in Section 1272(a)(5)) thereafter, the Parent Borrower shall pay such amounts of accrued and unpaid interest or original issue discount (as determined for U.S. federal income tax purposes) on the Loans as necessary to ensure that the Loans are not treated as having “significant original issue discount” within the meaning of Section 163(i)(1) of the Code. The computations and determinations made by the Parent Borrower under this provision shall be binding upon each Lender.

Section 2.12. Fees.

(a) The Borrowers agree to pay to the Administrative Agent, for its own account, the fees in the amounts and at the times separately agreed upon by the Parent Borrower and the Administrative Agent in writing.

(b) All fees payable hereunder shall be paid on the dates due, in Dollars and in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders. Fees paid shall not be refundable under any circumstances except as otherwise provided in the Engagement Letter or Fee Letters, as applicable.

(c) In the event that, on or prior to the date that is six (6) months after the ~~Third~~Fourth Amendment Effective Date, a Borrower (x) repays, repays, refinances, substitutes or replaces any Initial Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.11(b)(iii) that constitutes a Repricing Transaction), or (y) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction (it being understood and agreed for the avoidance of doubt that prepayments as a result of assignments made to Affiliated Lenders pursuant to Section 9.05(g) shall not be subject to this Section 2.11(c)), such Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Initial Term Lenders, (I) in the case of clause (x), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans

that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six (6) months after the ~~Third~~Fourth Amendment Effective Date, all or any portion of the Initial Term Loans held by any Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19(b)(iv) as a result of, or in connection with, such Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment referred to in clause (y) above (or otherwise in connection with a Repricing Transaction), such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

(d) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a 360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of a fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13. Interest.

(a) The Term Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate *plus* the Applicable Rate.

(b) The Term Loans comprising each SOFR Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing *plus* the Applicable Rate.

(c) [Reserved].

(d) Notwithstanding the foregoing and subject to Section 2.21, if any principal of or interest on any Initial Term Loan or Additional Loan or any fee payable by a Borrower hereunder is not, in each case, paid or reimbursed when due, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal or interest of any Initial Term Loan or Additional Loan, 2.00% *plus* the rate otherwise applicable to such Initial Term Loan or Additional Loan as provided in the preceding paragraphs of this Section 2.13 or in the amendment to this Agreement relating thereto or (ii) in the case of any other amount, 2.00% *plus* the rate applicable to Initial Term Loans that are ABR Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall accrue pursuant to this Section 2.13(d) on any overdue amount or other amount payable to a Defaulting Lender so long as such Lender is a Defaulting Lender.

(e) Accrued interest on each Initial Term Loan or Additional Loan shall be payable in arrears on each Interest Payment Date for such Initial Term Loan, Additional Loan or any other Loan and on the Maturity Date applicable to such Loan or upon the termination of any Additional Commitments and; provided that (i) interest accrued pursuant to paragraph (d) of this Section 2.13 shall be payable on demand, (ii) in the event of any repayment or prepayment of any Initial Term Loan, Additional Loan or any other Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Initial Term Loan or Additional Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed for ABR Loans shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Loan from, and including, the date on which such Loan is made to, but excluding, the date on which the Loan or such interest is paid; provided that any Loan that is repaid on the same day on which it is made shall bear interest for one (1) day.

Section 2.14. Benchmark Replacement Setting.

(a) If prior to the commencement of any Interest Period for a SOFR Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining Term SOFR for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that Term SOFR for such Interest Period, as applicable, will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Revolving Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall promptly give notice thereof to the Parent Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Parent Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, which the Administrative Agent agrees promptly to do, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing shall be ineffective and such Borrowing shall be converted to an ABR Borrowing, as applicable on the last day of the Interest Period applicable thereto, and (ii) if any Borrowing Request requests a SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing, as applicable.

(b) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Parent Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Parent Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.14(b)(i) will occur prior to the applicable Benchmark Transition Start Date.

(c) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. No Hedge Agreement shall be deemed to be a Loan Document for the purposes of this Section 2.14.

(d) Notices: Standards for Decisions and Determinations The Administrative Agent will promptly notify the Parent Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Parent Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) or the Parent Borrower pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Unavailability of Tenor of Benchmark Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Benchmark Unavailability Period Upon the Parent Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

Section 2.15. Increased Costs.

(a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender, or

(ii) subjects any Lender to any Taxes (other than Indemnified Taxes, Other Taxes and Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or

(iii) imposes on any Lender any other condition (other than Taxes) affecting this Agreement or SOFR Loans made by any Lender,

and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or otherwise) in respect of any SOFR Loan in an amount deemed by such Lender to be material, then, within thirty (30) days after the Parent Borrower's receipt of the certificate contemplated by paragraph (c) of this Section 2.15, the Parent Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender, for such additional costs incurred or reduction suffered; provided that the Borrowers shall not be liable for such compensation if (x) the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of requests for reimbursement under clause (iii) of Section 2.15(a) resulting from a market disruption, (A) the relevant circumstances are not generally affecting the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (other than due to Taxes) (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then within thirty (30) days of receipt by the Parent Borrower of the certificate contemplated by paragraph (c) of this Section 2.15 the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section 2.15 and setting forth in reasonable detail the manner in which such amount or amounts were determined and certifying that such Lender is generally charging such amounts to similarly situated borrowers shall be delivered to the Parent Borrower and shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than one hundred eighty (180) days prior to the date that such Lender notifies the Parent Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any SOFR Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any SOFR Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Parent Borrower pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). A certificate of any Lender (i) setting forth any amount or amounts that such Lender is entitled to receive

pursuant to this Section 2.16, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (ii) certifying that such Lender is generally charging the relevant amounts to similarly situated borrowers shall be delivered to the Parent Borrower and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments made by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirements of Law require the deduction or withholding of any Tax from any such payment, then (i) if such Tax is an Indemnified Tax and/or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions and withholdings have been made (including deductions and withholdings applicable to additional sums payable under this Section 2.17), each Lender or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall be entitled to make such deduction or withholding, and (iii) such withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) In addition, and without duplication of other amounts payable by a Loan Party under this Section 2.17, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law, or, at the option of the Administrative Agent, timely reimburse it for the payment of any Other Taxes.

(c) Each Loan Party shall jointly and severally indemnify the Administrative Agent and each Lender within thirty (30) days after receipt of the certificate described in the succeeding sentence, for the full amount of any Indemnified Taxes or Other Taxes payable or paid by the Administrative Agent or such Lender, as applicable (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) (other than any penalties attributable to the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender), and, in each case, any reasonable expenses arising therefrom or with respect thereto; provided that if such Loan Party reasonably believes that such Taxes were not correctly or legally asserted, the Administrative Agent or such Lender, as applicable, will use reasonable efforts to cooperate with such Loan Party to obtain a refund of such Taxes (which shall be repaid to such Loan Party in accordance with Section 2.17(h)) so long as such efforts would not, in the sole determination of the Administrative Agent or such Lender, result in any additional out-of-pocket costs or expenses not reimbursed by such Loan Party or be otherwise materially disadvantageous to the Administrative Agent or such Lender, as applicable. In connection with any request for reimbursement under this Section 2.17(c), the relevant Lender or the Administrative Agent, as applicable, shall deliver a certificate to the Parent Borrower setting forth, in reasonable detail, the basis and calculation of the amount of the relevant payment or liability. Notwithstanding anything to the contrary contained in this Section 2.17(c), the Loan Parties shall not be required to indemnify the Administrative Agent or any Lender pursuant to this Section 2.17 for any Indemnified Taxes or Other Taxes, to the extent the Administrative Agent or such Lender fails to notify the Parent Borrower of such possible indemnification claim within one hundred eighty (180) days after the event; provided further that, if the event is a Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(d) Each Lender shall severally indemnify the Administrative Agent, within thirty (30) days after demand therefor, for (i) any Indemnified Taxes or Other Taxes imposed on or with respect to any payment under any Loan Document that is attributable to such Lender (but only to the extent that no Loan Party has already indemnified the Administrative Agent for such Indemnified Taxes or Other Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this clause (d).

(e) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments made under any Loan Document shall deliver to the Parent Borrower and the Administrative Agent, at the time or times reasonably requested by the Parent Borrower or the Administrative Agent, such properly completed and executed documentation as the Parent Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Parent Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Parent Borrower or the Administrative Agent as will enable the Parent Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (f)(ii)(A), (ii)(B) and (ii)(D) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender hereby authorizes the Administrative Agent to deliver to the Parent Borrower and to any successor Administrative Agent any documentation provided to the Administrative Agent pursuant to this Section 2.17(f).

(ii) Without limiting the generality of the foregoing:

(A) each Lender that is not a Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), two (2) executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) each Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Parent Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the U.S. is a party, two (2) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to such tax treaty;

(2) two (2) executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent any Foreign Lender is not the beneficial owner, two (2) executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership and one or more partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such partner;

(C) each Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Parent Borrower and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), two (2) executed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Parent Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to any Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by applicable Requirements of Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the Parent Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA, or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification, provide such successor form, or promptly notify the Parent Borrower and the Administrative Agent in writing of its legal inability to do so. Notwithstanding anything to the contrary in this Section 2.17(f), no Lender shall be required to provide any documentation that such Lender is not legally eligible to deliver.

(g) On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or if any form or certification it previously delivered expires or becomes obsolete), the Administrative Agent will deliver to the Parent Borrower either (i) an executed copy of IRS Form W-9, or (ii) (x) with respect to any amounts received on its own account, an executed copy of an applicable IRS Form W-8, and (y) with respect to any amounts received for or on account of any Lender, an executed copy of IRS Form W-8IMY certifying on Part I, Part II and Part VI thereof that it is a U.S. branch that has agreed to be treated as a U.S. person for U.S. federal tax purposes with respect to payments received by it from the Borrowers in its capacity as Administrative Agent, as applicable. The Administrative Agent shall promptly notify the Parent Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(h) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event shall the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (h) to the extent that the payment thereof would place the

Administrative Agent or such Lender in a less favorable net after-Tax position than the position that the Administrative Agent or such Lender would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.17 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the relevant Loan Party or any other Person.

(i) Survival. Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(j) Defined Terms. For purposes of this Section 2.17, the term "Requirements of Law" includes FATCA.

Section 2.18. Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a) Unless otherwise specified, the Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest or fees or of amounts payable under Section 2.15, 2.16, or 2.17, or otherwise) prior to the time expressed hereunder or under such Loan Document (or, if no time is expressly required, by 2:00 p.m.) on the date when due, in immediately available funds, without set-off (except as otherwise provided in Section 2.17) or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be. All such payments shall be made to the Administrative Agent to the applicable account designated to the Parent Borrower by the Administrative Agent, except that payments pursuant to Sections 2.15, 2.16 or 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round such Lender's percentage of such Borrowing to the next higher or lower whole dollar amount. All payments (including any principal, accrued interest, fees or other obligations otherwise accruing or becoming due) hereunder shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Subject in all respects to the provisions of the ABL Intercreditor Agreement (and any other applicable Acceptable Intercreditor Agreement), all proceeds of Collateral received by the Administrative Agent at any time when an Event of Default exists and all or any portion of the Loans have been accelerated hereunder pursuant to Section 7.01 or otherwise received in connection with any foreclosure on or other exercise of remedies with respect to the Collateral pursuant to the Collateral Documents shall, upon election by the Administrative Agent or at the direction of the Required Lenders, be applied first, to the payment of all costs and expenses then due incurred by the Administrative Agent in connection with any collection, sale or realization on Collateral or otherwise in connection with this Agreement, any other Loan Document or any of the Secured Obligations, including all court costs and the fees and expenses of agents and legal counsel, the repayment of all advances made by the Administrative

Agent hereunder or under any other Loan Document on behalf of any Loan Party and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document, second, on a *pro rata* basis, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent (other than those covered in clause first above) from the Borrowers constituting Secured Obligations, third, on a *pro rata* basis in accordance with the amounts of the Secured Obligations (other than any Secured Obligations incurred after the date hereof that are either junior in right of payment or are secured by a Lien that is junior to the Liens securing the First Priority Secured Obligations) (other than contingent indemnification obligations for which no claim has yet been made) owed to the Secured Parties on the date of any such distribution, to the payment in full of such Secured Obligations, fourth, on a *pro rata* basis in accordance with the amounts of all other Secured Obligations (other than contingent indemnification obligations for which no claim has yet been made) owed to the applicable Secured Parties on the date of any such distribution, to the payment in full of such Secured Obligations and fifth, to, or at the direction of, the Parent Borrower or as a court of competent jurisdiction may otherwise direct.

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right of set-off or otherwise) in respect of any principal of or interest on any of its Loans of any Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and accrued interest thereon than the proportion received by any other Lender with Loans of such Class, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Loans of such Class at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not apply to (x) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22, 2.23 and 9.02(c). If any Lender obtains payment (whether voluntary, involuntary, through exercise of any right of set-off or otherwise) in respect of any principal of or interest on any of its Loans of any Class that is junior in right of payment to any other Class of Loans that has not been repaid in full, such Lender shall promptly remit such payment to the Administrative Agent for application in accordance with clause (b). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against a Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(d) Unless the Administrative Agent has received notice from the Parent Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender the amount due. In such event, if the Borrowers have not

in fact made such payment, then each Lender severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate (or, with respect to any amount denominated in Euros, the rate of interest per annum at which overnight deposits in Euros, on an amount approximately equal to the amount with respect to which such rate is being determined, would be offered for such day by the Administrative Agent in the applicable offshore interbank market for such currency) and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.07(b) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19. Mitigation Obligations: Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain SOFR Loans pursuant to Section 2.20, or any Loan Party is required to pay any Indemnified Tax, Other Tax or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any material unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain SOFR Loans pursuant to Section 2.20, (ii) a Borrower is required to pay any Indemnified Tax, Other Tax or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Defaulting Lender or (iv) in connection with any proposed amendment, waiver or consent requiring the consent of "each Lender" or "each Lender directly affected thereby" (or any other Class or group of Lenders other than the Required Lenders) with respect to which Required Lender consent (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender described in this clause (iv), a "**Non-Consenting Lender**"), then such Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments and/or Additional Commitments of such Lender, and repay (or cause to be repaid) all Obligations of such Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date in an amount necessary to eliminate such excess or (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that

(A) such Lender shall have received payment of an amount equal to the outstanding principal amount of its Loans, in each case of such Class of Loans, Commitments and/or Additional Commitments, accrued interest thereon, accrued fees and all other amounts payable to it under any Loan Document with respect to such Class of Loans, Commitments and/or Additional Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (C) such assignment does not conflict with applicable law. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrowers may not repay the Obligations of such Lender or terminate its Commitments or Additional Commitments, if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender's Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (and the corresponding assignment) invalid), such assignment shall be recorded in the Register, any such Promissory Note shall be deemed cancelled. Each Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent's discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (b). To the extent that any Lender is replaced pursuant to Section 2.19(b)(iv) in connection with a Repricing Transaction requiring payment of a fee pursuant to Section 2.12(c), the Borrowers shall pay to each Lender being replaced as a result of such Repricing Transaction the fee set forth in Section 2.12(c).

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to Term SOFR Reference Rate or Term SOFR, or to determine or charge interest rates based upon Term SOFR Reference Rate or Term SOFR, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue SOFR Loans or to convert ABR Loans to SOFR Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to clause (b) of the Alternate Base Rate, the interest rate on which ABR Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (b) of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly). Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all of such Lender's SOFR Loans to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (b) of the Alternate Base Rate) or (2) if applicable and such Loans are denominated in Euros, convert such Loans to Loans bearing interest at an alternative rate mutually acceptable to the Parent Borrower and such Lender, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans (in which case the Borrowers shall not be required to make payments

pursuant to Section 2.16 in connection with such payment) and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR Reference Rate or Term SOFR, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to clause (b) thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitments of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(b) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article VII, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Parent Borrower, as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, so long as no Default or Event of Default exists as the Parent Borrower may request, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; third, as the Administrative Agent or the Parent Borrower may elect, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans that such Defaulting Lender has committed to fund (if any) under this Agreement; fourth, to the payment of any amounts owing to the non-Defaulting Lenders as a result of any judgment of a court of competent jurisdiction obtained by any non-Defaulting Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, to the payment of any amounts owing to a Borrower as a result of any judgment of a court of competent jurisdiction obtained by such Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(b) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

Section 2.22. Incremental Credit Extensions.

(a) The Borrowers may, at any time, on one or more occasions deliver a written request to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy of such request to each of the Lenders) to (i) add one or more new Classes of Term Facilities (including on a delayed draw basis) and/or increase the principal amount of the Term Loans under any Term Facility by requesting new term loan commitments to be added to such Term Loans (any such new Class or increase, an “**Incremental Term Facility**” and any loans made pursuant to an Incremental Term Facility, “**Incremental Term Loans**”) and/or (ii) add one or more new Classes of incremental revolving “cash-flow” facilities and/or increase the aggregate amount of Commitments of any existing Class of Incremental Revolving Commitments (any such new Class or increase, an “**Incremental Revolving Facility**” and, together with any Incremental Term Facility, “**Incremental Facilities**”; and the loans thereunder, “**Incremental Revolving Loans**” and, together with any Incremental Term Loans, “**Incremental Loans**”) in an aggregate principal amount not to exceed the Incremental Cap; provided that:

(i) no Incremental Commitment may be less than \$5,000,000 (or the U.S. Dollar equivalent thereof) and shall be denominated in U.S. Dollars or, if acceptable to the Lenders providing such Incremental Facility and reasonably acceptable to the Administrative Agent, in Euros or any other currency;

(ii) except as separately agreed from time to time between the Parent Borrower and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender;

(iii) no Incremental Facility or Incremental Loan (or the creation, provision or implementation thereof) shall require the approval of any existing Lender (other than in its capacity, if any, as a Lender providing all or part of any Incremental Commitment or Incremental Loan), the Administrative Agent (unless its rights and interests are adversely affected in any material respect) or any other agent or arranger;

(iv) an Incremental Revolving Facility may have the benefit of a financial maintenance covenant (which shall not be for the benefit of any Term Facility under this Agreement);

(v) the interest rate and any fees applicable to any Incremental Facility or Incremental Loans will be determined by the Parent Borrower and the lenders providing such Incremental Facility or Incremental Loans; provided, that, solely with respect to any Dollar-denominated syndicated Incremental Term Facility or Incremental Term Loans incurred on or prior to the date that is twelve (12) months after the Closing Date that are *pari passu* with the Initial Term Loans in right of payment and with respect to security, the All-In Yield will not be more than 0.75% higher than the corresponding All-In Yield applicable to the Initial Term Loans unless the All-In Yield with respect to the Initial Term Loans is adjusted to be equal to the All-In Yield with respect to the relevant Incremental Term Facility or Incremental Term Loans *minus* 0.75%; provided, that this clause (v) shall not apply to any Incremental Term Facility or Incremental Term Loans that (1) mature at least twelve (12) months after the Initial Term Loan Maturity Date, (2) are incurred in reliance on clauses (a) or (b) of the definition of Incremental Cap, (3) are being utilized to finance Permitted Acquisitions and similar Investments and related transactions (including refinancing of existing Indebtedness), or (4) are in an aggregate outstanding principal amount, together with all other Incremental Facilities incurred in reliance on clause (e) of the definition of Incremental Cap then outstanding (whether incurred before or after the Performance Chemicals Sale Closing Date), equal to or less than the greater of \$263,000,000 and an amount equal to 100% of Consolidated Adjusted EBITDA (it being understood that the Parent Borrower shall select whether this clause (4) shall apply to any Incremental Term Facility or Incremental Term Loans in its sole discretion);

(vi) subject to the Permitted Earlier Maturity Indebtedness Exception, the final maturity date with respect to any Incremental Term Loans shall be no earlier than the Latest Term Loan Maturity Date at the time of the incurrence thereof;

(vii) subject to the Permitted Earlier Maturity Indebtedness Exception, the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of any then-existing Class of Term Loans (without giving effect to any prepayments thereof) except as may be required to achieve fungibility with any existing Term Facility to the extent intended to be fungible;

(viii) subject to clauses (vi) and (vii) above, any Incremental Term Facility may otherwise have an amortization schedule as determined by the Parent Borrower and the lenders providing such Incremental Term Facility; provided, that if such Incremental Term Loans are to be “fungible” with the Initial Term Loans, notwithstanding any other conditions specified in this Section 2.22(a), the amortization schedule for such “fungible” Incremental Term Facility may provide for amortization in such other percentage(s) to be agreed by the Parent Borrower and the Administrative Agent to ensure that such “fungible” Incremental Term Loans will be “fungible” with the Initial Term Loans;

(ix) (A) any Incremental Term Facility may rank *pari passu* with or junior to any then-existing Class of Term Loans in right of payment and may be secured by the Collateral *pari passu* with or junior to any then-existing Class of Term Loans with respect to the Collateral or be unsecured (and to the extent the relevant Incremental Facility is intended to rank *pari passu* with or junior to the Term Loans in right of security with respect to the Collateral, shall be subject to the Intercreditor Agreement (and/or any other applicable Acceptable Intercreditor Agreement), it being understood that any terms of subordination in right of payment of any Incremental Facility to any Indebtedness may be determined solely by the Parent Borrower in its sole discretion) and (B) no Incremental Facility may be (x) guaranteed by any Person which is not a Loan Party or (y) secured by any assets other than the Collateral;

(x) (A) any prepayment (other than any scheduled amortization payment) of Incremental Term Loans that are *pari passu* with any then-existing Term Loans in right of payment and security (1) shall with respect to mandatory prepayments, be made on a *pro rata* basis or less than *pro rata* basis (but not greater than a *pro rata* basis except as otherwise provided in this Agreement) with such existing Term Loans as elected by the Parent Borrower and (2) may, with respect to voluntary prepayments, share on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis with the Initial Term Loans, as determined by the Parent Borrower, and (B) any Incremental Term Loans that are subordinated to any then-existing Term Loans in right of payment or security shall not receive any mandatory prepayments other than Declined Proceeds prior to the repayment in full of the existing Term Loans (and all other then-existing Loans that are First Priority Secured Obligations requiring ratable prepayment), except, in each case that the Parent Borrower and the lenders providing the relevant Incremental Term Loans shall be permitted, in their sole discretion, to elect to prepay or receive, as applicable, any prepayments on a less than *pro rata* basis (but not on a greater than *pro rata* basis);

(xi) except as otherwise agreed by the Lenders providing the relevant Incremental Facility in connection with a Limited Condition Transaction, no Event of Default shall exist immediately prior to or after giving effect to such Incremental Facility;

(xii) except as otherwise required or permitted in this Section 2.22, all other terms of any Incremental Term Facility, if not substantially consistent with the terms of the Initial Term Loans, shall be reasonably satisfactory to the Parent Borrower and the Administrative Agent; provided, that the following will be deemed to be reasonably satisfactory to the Administrative Agent, (w) terms which are not substantially consistent with the terms of the Initial Term Loans and are applicable only after the then-existing Latest Term Loan Maturity Date, (x) terms contained in any Incremental Term Facility that are, taken as a whole, more favorable to the Borrowers than those contained in the then-existing Loan Documents, (y) terms contained in any Incremental Term Facility that are, taken as a whole, more favorable to the lenders of such Incremental Term Facility than those contained in the then-existing Loan Documents and are then conformed (or added) to the Loan Documents for the benefit of the Lenders under the Term Facility, and (z) terms contained in any Incremental Term Facility that reflect then current market terms and conditions (taken as a whole) at the time of incurrence or issuance (as determined by the Parent Borrower in good faith);

(xiii) the proceeds of any Incremental Facility may be used for working capital, general corporate purposes and any transaction or other purpose not prohibited by this Agreement;

(xiv) on the date of the making of any Incremental Term Loans that will be added to any existing Class of Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.08 or 2.13, such Incremental Term Loans shall be added to (and constitute a part of) each borrowing of outstanding Term Loans of such Class, as applicable, of the same type with the same Interest Period of the respective Class on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Term Lender providing such Incremental Term Loans will participate proportionately in each then outstanding borrowing of the applicable Term Loans of the same type with the same Interest Period of the respective Class;

(xv) at no time shall there be more than three separate Maturity Dates in effect with respect to Incremental Revolving Facilities and any other Additional Revolving Facilities at any time;

(xvi) Incremental Facilities shall be permitted regardless of the amount available under the Incremental Cap and shall not constitute a utilization of any component of the Incremental Cap if any such Incremental Facility effectively extends the maturity of or is incurred to effect the "repricing" of or otherwise replaces any loans or commitments under any Specified Debt (including as may have been terminated under Section 2.19), in each case, without increasing the principal amount thereof except with respect to any related premium, penalties, fees and expenses; provided, the amount of any Specified Debt so extended or replaced shall not increase the Incremental Cap; and

(xvii) the Parent Borrower may select, in its sole discretion, that any Incremental Facility be issued, incurred and/or established under one or more of any available components (or subcomponents) of the Incremental Cap (as provided in Section 1.10) and if no selection shall have been made, such Incremental Facility shall be deemed to have been incurred in reliance on *first*, clause (c) of the definition of "Incremental Cap" up to the maximum amount permitted thereunder, *second*, to the extent applicable, clause (b) of the definition of "Incremental Cap", and thereafter, to the Fixed Incremental Amount.

(b) Incremental Commitments may be provided by any existing Lender, or by any other lender (other than any Disqualified Institution) who would be permitted to become a Lender (including any required consents) under Section 9.05 (any such other lender being called an “**Additional Lender**”); provided that in the case of any Incremental Revolving Facility, the Administrative Agent and the Parent Borrower shall have consented (such consent not to be unreasonably withheld or delayed) to the relevant Additional Lender’s provision of Incremental Commitments; provided, further, that any Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 9.05(h), *mutatis mutandis*, to the same extent as if Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Parent Borrower all such documentation (including an amendment to this Agreement or any other Loan Document) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its reasonable request, the Administrative Agent shall have received customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an administrative questionnaire, in the form provided to such Additional Lender by the Administrative Agent (the “**Administrative Questionnaire**”) and such other documents as it shall reasonably and customarily require from such Additional Lender, (iii) the Lenders shall have received all fees required to be paid in respect of such Incremental Facility or Incremental Loans and (iv) the Administrative Agent shall have received a certificate of the relevant Borrower signed by a Responsible Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the relevant Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(x) above has been satisfied.

(e) The Lenders hereby irrevocably authorize such amendments to this Agreement and the other Loan Documents as may be necessary in order to establish any Incremental Loans or Incremental Facilities pursuant to this Section 2.22 and authorize the Administrative Agent and each Borrower to enter into such amendments (and, in the case of any Incremental Revolving Facility, such amendments to implement and provide for revolving credit facilities under this Agreement, including incorporating customary terms, conditions and requirements for revolving credit facilities (including letter of credit and swingline loan mechanics) reasonably satisfactory to the Administrative Agent and the Parent Borrower (including amendments and restatements)) as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the relevant Borrower in connection with the establishment of such Incremental Loans or Incremental Facilities, in each case on terms consistent with this Section 2.22, and may extend or apply any provisions applicable to such Incremental Loans or Incremental Facilities to any then-existing Credit Facility in the applicable Incremental Facility Amendment to the extent the relevant Borrower and the Administrative Agent reasonably determine such provisions are beneficial on the whole to the Lenders under such existing Credit Facility.

(f) To the extent the provisions of clause (a)(xiii) above require that Term Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding borrowings of SOFR Loans of the respective Class of Initial Term Loans or Additional Term Loans, as applicable, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding SOFR Loans of the respective Class and which will end on the last day of such Interest Period).

(g) Notwithstanding anything to the contrary in this Section 2.22 or in any other provision of any Loan Document, if the proceeds of any Incremental Facility are intended to be applied to finance an acquisition or similar Investment and the Lenders or Additional Lenders providing such Incremental Facility so agree, the availability thereof shall be subject to customary “SunGard” or “certain funds” conditionality.

(h) This Section 2.22 shall supersede any provision in Section 2.18 or 9.02 to the contrary and shall, to extent applicable, be subject in all respects to Section 1.10.

Section 2.23. Extensions of Loans and Additional Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Parent Borrower to all Lenders holding Loans or Commitments of any Class or Classes (as determined by the Parent Borrower), in each case on a *pro rata* basis (based on the aggregate outstanding principal amount of the respective Loans or Commitments with respect to each such Class) and on the same terms to each such Lender, the Borrowers are hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in any such Extension Offer to extend the Maturity Date of such Lender’s Loans and/or commitments and otherwise modify the terms of such Loans and/or commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Loans) (each, an “**Extension**”; any Extended Term Loans shall constitute a separate Class of Term Loans from the Class of Term Loans from which they were converted and any Extended Revolving Credit Commitments shall constitute a separate Class of Revolving Credit Commitments from the Class of Revolving Credit Commitments from which they were converted), so long as the following terms are satisfied:

(i) no Default under Sections 7.01(a), (f) or (g) or Event of Default shall exist at the time the notice in respect of an Extension Offer is delivered to the applicable Lenders, and no Default under Sections 7.01(a), (f) or (g) or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of any Extension;

(ii) except as to (x) interest rates, fees and final maturity (which shall, subject to clause (iv) below, be determined by the Parent Borrower and any Lender who agrees to an Extension and set forth in the relevant Extension Offer) and (y) any covenants or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of such Extension), the commitment of any Revolving Lender that agrees to an Extension (an “**Extended Revolving Credit Commitment**”; and the related Credit Facility, an “**Extended Revolving Facility**” and the Loans thereunder, “**Extended Revolving Loans**”),

and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with the same terms (or terms not less favorable to existing Revolving Lenders) as the original revolving commitments (and related outstandings) provided hereunder; provided that (x) to the extent any non-extended portion of any Additional Revolving Facility then exists, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on such revolving facilities (and related outstandings), (B) repayments required upon the Maturity Date of such revolving facilities and (C) repayments made in connection with any permanent repayment and termination of commitments (subject to clause (3) below)) of Extended Revolving Loans after the effective date of such Extended Revolving Credit Commitments shall be made on *pro rata* basis with such portion of such relevant Additional Revolving Facility, (2) all swingline loans and letters of credit made or issued, as applicable, under any Extended Revolving Credit Commitment shall be participated on a *pro rata* basis by all Revolving Lenders and (3) the permanent repayment of Loans with respect to, and termination of commitments under, any such Extended Revolving Credit Commitment after the effective date of such Extended Revolving Credit Commitments shall be made on a *pro rata* basis with such portion of any Additional Revolving Facility, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such revolving facility on a greater than *pro rata* basis as compared with any other revolving facility with a later Maturity Date than such revolving facility and (y) at no time shall there be more than three (3) separate Classes of revolving commitments hereunder (including Incremental Revolving Commitments, Extended Revolving Credit Commitments and Replacement Revolving Facilities);

(iii) except as to (x) interest rates, fees, amortization, final maturity date, premiums, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iv)(x), (v) and (vi), be determined by the Parent Borrower and any Lender who agrees to an Extension and set forth in the relevant Extension Offer) and (y) any covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of such Extension), the Term Loans of any Lender extended pursuant to any Extension (any such extended Term Loans, the “**Extended Term Loans**”, and the related Credit Facility, an “**Extended Term Facility**”) shall have the same terms as the Class of Term Loans subject to the relevant Extension Offer; provided, however, that with respect to representations and warranties, affirmative and negative covenants and events of default that are applicable to any such Class of Extended Term Loans, such provisions may be more favorable to the lenders of the applicable Class of Extended Term Loans than those originally applicable to the Class of Term Loans subject to the relevant Extension Offer, so long as (and only so long as) such provisions also expressly apply to (and for the benefit of) the Class of Term Loans subject to the relevant Extension Offer and each other Class of Term Loans hereunder;

(iv) (x) subject to the Permitted Earlier Maturity Indebtedness Exception, the final maturity date of any Extended Term Loans shall be no earlier than the then applicable Latest Term Loan Maturity Date at the time of extension and (y) no Extended Revolving Credit Commitments or Extended Revolving Loans shall have a final maturity date earlier than (or require commitment reductions prior to) the then applicable Latest Revolving Loan Maturity Date;

(v) subject to the Permitted Earlier Maturity Indebtedness Exception, the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans or any other Extended Term Loans extended thereby;

(vi) any Extended Term Loans may participate, with respect to mandatory prepayments or repayments (but, for purposes of clarity, not scheduled amortization payments) on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) and with respect to voluntary prepayments or repayments on a *pro rata* basis, a less than *pro rata* basis or a greater than a *pro rata* basis in respect of the Initial Term Loans (and any Additional Term Loans then subject to ratable repayment requirements), in each case as specified in the respective Extension Offer;

(vii) if the aggregate principal amount of Loans or commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Loans or commitments, as the case may be, offered to be extended by a Borrower pursuant to such Extension Offer, then the Loans or commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer;

(viii) each Extension shall be in a minimum amount of \$5,000,000;

(ix) any applicable Minimum Extension Condition shall be satisfied or waived by the Parent Borrower;

(x) all documentation in respect of such Extension shall be consistent with the foregoing; and

(xi) no Extension of any Additional Revolving Facility shall be effective as to the obligations of any swingline lender to make any swingline loans or any letter of credit issuer with respect to letters of credit without the consent of such swingline lender or such letter of credit issuer (such consents not to be unreasonably withheld or delayed).

(b) With respect to any Extension consummated pursuant to this Section 2.23, (i) no such Extension shall constitute a voluntary or mandatory prepayment for purposes of Section 2.11, (ii) the scheduled amortization payments (in so far as such schedule affects payments due to Lenders participating in the relevant Class) set forth in Section 2.10 shall be adjusted to give effect to such Extension of the relevant Class and (iii) except as set forth in clause (a)(viii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Parent Borrower may, at its election, specify as a condition (a "**Minimum Extension Condition**") to consummating such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Parent Borrower's sole discretion and which may be waived by the Parent Borrower) of Loans or commitments (as applicable) of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, any payment of any interest, fees or premium in respect of any Class of Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Section 2.10, 2.11 or 2.18) or any other Loan Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.23.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A) the consent of each Lender agreeing to such Extension with respect to one or more of its Loans and/or commitments under any Class (or a portion thereof), and (B) with respect to any Extension of any Additional Revolving Facility, the consent of each applicable letter of credit issuer to the extent the commitment to provide letters of credit is to be extended. All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a *pari passu* basis with all other applicable Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into such amendments to this Agreement and the other Loan Documents with the Parent Borrower as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Parent Borrower in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.23.

(d) In connection with any Extension, the Parent Borrower shall provide the Administrative Agent at least ten (10) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.23.

Section 2.24. Borrower Representative: Joint and Several Obligations of the Borrowers.

(a) Each Borrower hereby designates and appoints the Parent Borrower as its agent, attorney-in-fact and legal representative on its behalf for all purposes, including issuing Borrowing Requests; delivering Compliance Certificates; giving instructions with respect to the disbursement of the proceeds of the Loans; paying, prepaying and reducing loans, commitments or any other amounts owing under the Loan Documents; selecting interest rate options; giving, receiving, accepting and rejecting all other notices, consents or other communications hereunder or under any of the other Loan Documents; and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents. The Parent Borrower hereby accepts such appointment. The Administrative Agent and each Lender may regard any notice or other communication pursuant to any Loan Document from the Parent Borrower on behalf of one or more Borrowers as a notice or communication from such Borrowers. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Parent Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower. Any action, notice, delivery, receipt, acceptance, approval, rejection or any other undertaking under any of the Loan Documents to be made by the Parent Borrower in respect of the Obligations of any Borrower shall be deemed, where applicable, to be made in the Parent Borrower's capacity as representative and agent on behalf of the applicable Borrower or Borrowers, and any such action, notice, delivery, receipt, acceptance, approval, rejection or other undertaking shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

(b) The Borrowers shall have joint and several liability in respect of all Obligations hereunder and under any other Loan Document to which any Borrower is a party, without regard to any defense (other than the defense that payment in full has been made), setoff or counterclaim which may at any time be available to or be asserted by any other Loan Party against the Lenders, or by any other circumstance whatsoever (with or without notice to or knowledge of Holdings and the Borrowers) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers' liability hereunder, in bankruptcy or in any other instance, and the Obligations of the Borrowers hereunder shall

not be conditioned or contingent upon the pursuit by the Lenders or any other Person at any time of any right or remedy against the Borrowers or against any other Person which may be or become liable in respect of all or any part of the Obligations or against any Collateral or Guarantee therefor or right of offset with respect thereto. The Borrowers hereby acknowledge that this Agreement is the independent and several obligation of each Borrower (regardless of which Borrower shall have delivered a Borrowing Request) and may be enforced against each Borrower separately, whether or not enforcement of any right or remedy hereunder has been sought against any other Borrower. Each Borrower hereby expressly waives, with respect to any of the Term Loans made to any other Borrower hereunder and any of the amounts owing hereunder by such other Loan Parties in respect of such Term Loans, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against such other Loan Parties under this Agreement or any other agreement or instrument referred to herein or against any other Person under any other guarantee of, or security for, any of such amounts owing hereunder, and makes each of the other waivers and agreements of the Guarantors set forth in Sections 2.03, 2.04 and 2.05 of the Loan Guaranty.

Section 8.01. The Administrative Agent.

Each of the Lenders hereby irrevocably appoints UBS (or any successor appointed pursuant hereto) as Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default exists, and the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers that are expressly contemplated by the Loan Documents and which the Administrative Agent is required to exercise in writing as directed by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable laws, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent Borrower or any of its Restricted Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of the existence of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Parent Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii) the performance or observance of any covenant, agreement or

other term or condition set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral, (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) any property, book or record of any Loan Party or any Affiliate thereof.

If any Lender acquires knowledge of the existence of a Default or Event of Default, it shall promptly notify the Administrative Agent and the other Lenders thereof in writing. Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at any foreclosure sale, UCC sale, any sale under Section 363 of the Bankruptcy Code or other similar Dispositions of Collateral. Notwithstanding the foregoing, however, a Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, Holdings, the Borrowers, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Documents; it being understood and agreed that all powers, rights and remedies hereunder shall be exercised solely and exclusively by, the Administrative Agent, on behalf of the Secured Parties, in accordance with the terms hereof and all powers, rights and remedies under the other Loan Documents shall be exercised solely and exclusively by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to Section 363 of the Bankruptcy Code), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such Disposition.

No holder of any Secured Hedging Obligation or Banking Services Obligation in its respective capacity as such shall have any rights in connection with (i) the management or release of any Collateral or of the obligations of any Loan Party under this Agreement or (ii) any waiver, consent, modification or any amendment with respect to this Agreement or any other Loan Document.

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties to take any of the following actions upon the instruction of the Required Lenders:

(a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code, including Section 363 thereof;

(b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code, including under Section 363 thereof;

(c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable law following the occurrence and continuation of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clause (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clause (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis.

With respect to each contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clause (b), (c) or (d) of the third preceding paragraph shall be entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition, by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Parent Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent has received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it; provided, however, that any such sub-agent receiving payments from the Loan Parties shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1 (or has validly agreed to be treated as a "U.S. person" pursuant to Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)). The Administrative

Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

The Administrative Agent may resign at any time by giving thirty (30) days' prior written notice to the Lenders and the Parent Borrower. If the Administrative Agent becomes subject to an insolvency proceeding, either the Required Lenders or the Borrowers may, upon thirty (30) days' notice, remove the Administrative Agent. Upon receipt of any such notice of resignation or delivery of any such notice of removal, the Required Lenders shall have the right, with the consent of the Parent Borrower (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a commercial bank or trust company with offices in the U.S. having combined capital and surplus in excess of \$1,000,000,000 and who shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1 (or has validly agreed to be treated as a "U.S. person" pursuant to Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)); provided that during the existence and continuation of an Event of Default under Section 7.01(a) or, with respect to Holdings or the Borrowers, Section 7.01(f) or (g), no consent of the Parent Borrower shall be required. If no successor shall have been appointed as provided above and accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, consent of the Parent Borrower) or (b) in the case of a removal, the Parent Borrower may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Parent Borrower, the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Parent Borrower notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with and on the thirtieth (30th) day following delivery of such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for perfection purposes, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (and each Lender will cooperate with the Borrowers to enable the Borrowers to take such actions), until such time as the Required Lenders or the Parent Borrower, as applicable, appoint a successor Administrative Agent who shall be a "U.S. person" and a "financial institution" within the meaning of Treasury Regulations Section 1.1441-1 (or has validly agreed to be treated as a "U.S. person" pursuant to Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)), as provided for above in this Section 8.01. Upon the acceptance of its appointment as Administrative Agent hereunder as a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Parent Borrower and such successor Administrative Agent. After the Administrative Agent's resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent,

its sub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution (nor any Affiliate thereof) may be appointed as a successor Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement, except in their respective capacities as the Administrative Agent or a Lender hereunder, as applicable.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent,

(a) shall release any Lien on any property granted to or held by Administrative Agent under any Loan Document (i) upon the occurrence of the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) that does not constitute (or ceases to constitute) Collateral (including as a result of being or becoming an Excluded Asset), (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Loan Guaranty otherwise in accordance with the Loan Documents, (v) as required under clause (d) below or (vi) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.02;

(b) shall subject to Section 9.22, release any Subsidiary Guarantor from its obligations under the Loan Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder), as certified by a Responsible Officer of the Parent Borrower;

(c) may subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(d), 6.02(e), 6.02(g), 6.02(m), 6.02(n), 6.02(o)(i) (other than any Lien on the Capital Stock of any Subsidiary Guarantor), 6.02(q), 6.02(r), 6.02(x), 6.02(y), 6.02(bb), 6.02(cc), 6.02(cc), 6.02(cc) and 6.02(ff) (and any Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k)); provided that the subordination of any Lien on any property granted to or held by the Administrative Agent shall only be required with respect to any Lien on such property that is permitted by Sections 6.02(o)(i), 6.02(q), 6.02(r) and/or 6.02(bb) to the extent that the Lien of the Administrative Agent with respect to such property is required to be subordinated to the relevant Permitted Lien in accordance with applicable law or the documentation governing the Indebtedness that is secured by such Permitted Lien; and

(d) shall enter into subordination, intercreditor and/or similar agreements with respect to Indebtedness (including any Acceptable Intercreditor Agreement) that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens, and with respect to which Indebtedness, this Agreement contemplates an intercreditor, subordination or collateral trust agreement; provided that, for the avoidance of doubt, the Administrative Agent shall not be required to subordinate any Lien pursuant to this clause (d)(ii) other than to the extent contemplated by clause (c) of this paragraph.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Guarantee or its Lien on any Collateral pursuant to this Section 8.01. In each case as specified in this Section 8.01, the Administrative Agent will (and each Lender hereby authorizes the Administrative Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article VIII; provided that upon the request of the Administrative Agent, the Parent Borrower shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of this Agreement.

The Administrative Agent is authorized to enter into any Acceptable Intercreditor Agreement and any other intercreditor, subordination, collateral trust or similar agreement contemplated hereby with respect to Indebtedness that is (i) required or permitted to be subordinated hereunder and/or (ii) secured by Liens and which Indebtedness contemplates an intercreditor, subordination or collateral trust agreement (any such other intercreditor agreement, an "**Additional Agreement**"), and the parties hereto acknowledge that each Acceptable Intercreditor Agreement (including any Additional Agreement) is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Collateral securing the Secured Obligations on the terms set forth in the ABL Intercreditor Agreement, (b) hereby agrees that it will be bound by, and will not take any action contrary to the provisions of any Acceptable Intercreditor Agreement (including any Additional Agreement) and (c) hereby authorizes and instructs the Administrative Agent to enter into any Acceptable Intercreditor Agreement (including any Additional Agreement), as applicable, and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrowers, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any applicable Acceptable Intercreditor Agreement (including any Additional Agreement).

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrowers, the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising

out of this Agreement or any other Loan Document; provided that, no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 8.02. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other authorized recipient, a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates on behalf of the Administrative Agent were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether purported to be received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect; provided, that notwithstanding anything to the contrary, no Erroneous Payment shall include any amounts remitted, transmitted, transferred, distributed or paid to, or realized by, the Administrative Agent (or its affiliates) by, or on behalf of, the Parent Borrower or any Loan Party (collectively, "**Loan Party Payments**") or any amounts representing the proceeds of any Collateral, in each case, other than amounts that have been misapplied or otherwise erroneously transmitted or distributed or paid to any Lender; provided, that the Obligations of the Borrowers and the other Loan Parties shall be paid, prepaid, discharged and satisfied by the amount of such Loan Party Payments in the manner intended by the applicable Borrower or Loan Party. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error. If a Payment Recipient receives any payment, prepayment or repayment of principal, interest, fees, distribution or otherwise and does not receive a corresponding payment notice or payment advice such payment, prepayment or repayment shall be presumed to be in error absent written confirmation from the Administrative Agent to the contrary.

(b) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement; provided, that such set off, netting and application shall not affect whether any Loan Party Payments or proceeds of Collateral have paid, prepaid, repaid, discharged and satisfied the Obligations of the Loan Parties.

(c) For so long as an Erroneous Payment (or portion thereof) has not been returned by any Payment Recipient who received such Erroneous Payment (or portion thereof) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”) to the Administrative Agent after demand therefor in accordance with immediately preceding clause (a), (i) the Administrative Agent may elect, in its sole discretion on written notice to such Lender or Secured Party, that all rights and claims of such Lender or Secured Party with respect to the Loans or other Obligations owed to such Person up to the amount of the corresponding Erroneous Payment Return Deficiency in respect of such Erroneous Payment (the “**Corresponding Loan Amount**”) shall immediately vest in the Administrative Agent upon such election; after such election, the Administrative Agent (x) may reflect its ownership interest in Loans in a principal amount equal to the Corresponding Loan Amount in the Register, and (y) upon five business days’ written notice to such Lender or Secured Party, may sell such Loan (or portion thereof) in respect of the Corresponding Loan Amount in accordance with Section 9.05, and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by such Lender, Issuing Bank or Secured Party shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Secured Party (and/or against any Payment Recipient that receives funds on its behalf), and (ii) each party hereto agrees that, except to the extent that the Administrative Agent has sold such Loan, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of such Lender or Secured Party with respect to the Erroneous Payment Return Deficiency. For the avoidance of doubt, no vesting or sale pursuant to the foregoing subclause (i) will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(d) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Parent Borrower or any other Loan Party, except, in each case, to the extent of any amounts remitted, transmitted, transferred, distributed or paid to the Administrative Agent (or its affiliates) by, or on behalf of, the Parent Borrower or any Loan Party for the purpose of paying, prepaying, repaying, discharging or otherwise satisfying, in whole or in part, any Obligations or any amounts representing the proceeds of any Collateral.

(e) No Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

(f) Each party’s obligations, agreements and waivers under this Section 8.02 shall survive the resignation or replacement of the Administrative Agent, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under the Loan Documents.

(g) The provisions of this Section 8.02 are intended to reflect an agreement among the Lenders, Secured Parties and the Administrative Agent (other than Sections 8.02(c) (solely with respect to assignments and subrogation rights of the Administrative Agent), (d) and (f)) and the provisions hereof shall not constitute or create any obligations on the part of the Parent Borrower or any Loan Party.

(iii) if to any Lender, pursuant to its contact information set forth in its Administrative Questionnaire.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three (3) Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01 or (B) sent by email shall be deemed to have been given when sent; provided that received notices and other communications sent by email shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including email, FpML messaging and Internet or Intranet websites) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent. The Administrative Agent or the Parent Borrower (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an email address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgement); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its email address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto.

(d) (i) The Borrowers hereby acknowledge that (A) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "**Borrower Materials**") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "**Platform**") and (B) certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The Borrowers hereby agree that (x) by marking Borrower Materials "PUBLIC," the Borrowers shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as

not containing any material non-public information (although it may be sensitive and proprietary) subject to the confidentiality provisions of this Agreement (provided, however, that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 9.13); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information"; and (z) the Administrative Agent shall treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information"; provided that, for purposes of the foregoing, all information and materials provided pursuant to Section 5.01(a) or (b) shall be deemed to be suitable for posting to Public Lenders.

(ii) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the *Private Side Information* or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities laws, to make reference to communications that are not made available through the *"Public Side Information"* portion of the Platform and that may contain material nonpublic information with respect to the Borrowers or their securities for purposes of United States Federal or state securities laws.

(iii) THE PLATFORM IS PROVIDED "*AS IS*" AND "*AS AVAILABLE*." NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR MATERIAL BREACH OF ANY LOAN DOCUMENT.

(e) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices and Borrowing Requests) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent, its Related Parties and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower in the absence of gross negligence or willful misconduct as determined by a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same is permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, to the extent permitted by law, the making of a Loan shall not be construed as a waiver of any existing Default or Event of Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of the existence of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C) and (D) of this Section 9.02(b) and Sections 9.02(c) and (d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Documents), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) except with the consent of each Lender directly and adversely affected thereby (but without the consent of the Required Lenders or any other Lender, the Administrative Agent or agent (except to the extent that the rights and obligations of the Administrative Agent would be adversely affected thereby)), no such waiver, amendment or modification shall:

(1) increase the Commitment or Additional Commitment of such Lender (other than with respect to any Incremental Facility pursuant to Section 2.22 in respect of which such Lender has agreed to be an Additional Lender); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Commitments shall constitute an increase of any Commitment or Additional Commitment of such Lender;

(2) reduce or forgive the principal amount of any Loan or any amount due on any Loan Installment Date;

(3) (x) extend the scheduled final maturity of any Loan or (y) postpone any Loan Installment Date, any Interest Payment Date or the date of any scheduled payment of any fee payable hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent);

(4) reduce the rate of interest (other than to waive any existing Default or Event of Default or obligation of the Borrowers to pay interest at the default rate of interest under Section 2.13(d), which shall only require the consent of the Required Lenders) or the amount of any fee owed to such Lender; it being understood that no change in the definition of "First Lien Leverage Ratio" or any other ratio used in the calculation of the Applicable Rate, or in the calculation of any other interest or fee due hereunder (including any component definition thereof) shall constitute a reduction in any rate of interest or fee hereunder;

(5) extend the expiry date of such Lender's Commitment or Additional Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments or Additional Commitments shall constitute an extension of any Commitment or Additional Commitment of any Lender;

(6) waive, amend or modify the provisions of Sections 2.11(b)(vi), 2.18(b) or 2.18(c) of this Agreement in a manner that would by its terms alter the *pro rata* sharing of payments required thereby (except in connection with any transaction permitted under Sections 2.22, 2.23, 9.02(c), 9.05(g) and/or 9.05(h) or as otherwise provided in this Section 9.02); and

(7) change the currency in which any Loan or Commitment of any such Lender is denominated;

(B) no such waiver, amendment or modification shall:

(1) change any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of "Required Lenders" to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender;

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including as contemplated by or pursuant to Section 8.01 or Section 9.22), without the prior written consent of each Lender directly and adversely affected thereby, and it being understood that only the consent of the Lenders whose Loans are secured by the Collateral shall be required; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Section 9.22 hereof), without the prior written consent of each Lender directly and adversely affected thereby; and

(C) solely the consent of the applicable Required Facility Lenders (but not the consent of the Required Lenders or any other Lenders) shall be required for any waiver amendment or modifications of this Agreement or any other Loan Document that solely affects the Credit Facilities of any Class (as determined in the reasonable judgment of the Parent Borrower), including any conditions borrowing under any Additional Revolving Facility or any Incremental Facility that is a delayed draw term loan facility;

provided, further, that no agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent hereunder without the prior written consent of the Administrative Agent. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, incurrences of Additional Commitments or Additional Loans pursuant to Section 2.22, 2.23 or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment and any Additional Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment, Additional Commitment or Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(a)). Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (i) to add one or more additional credit facilities permitted hereunder to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion.

(c) Notwithstanding the foregoing, this Agreement may be amended:

(x) with the written consent of the Borrowers and the Lenders providing the relevant Replacement Term Loans to permit the refinancing or replacement of all or any portion of any outstanding Term Loans under one or more Classes, series or tranches, as selected by the Parent Borrower in its sole discretion (any such Loans being refinanced or replaced, the “**Replaced Term Loans**”), with one or more replacement term loans (“**Replacement Term Loans**”) pursuant to any existing or newly established term loan facility hereunder (a “**Replacement Term Facility**”) pursuant to a Refinancing Amendment; provided that:

(A) the aggregate principal amount of any Replacement Term Loans shall not exceed the aggregate principal amount of the Replaced Term Loans *plus* (1) any additional amounts permitted to be incurred under Section 2.22 or Section 6.01(q), (u), (w) and/or (z) and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02(k) (with respect to Liens securing Indebtedness permitted by Section 6.01(a), (u), (o)(ii), (t)(ii), (u) and/or (ii) and *plus* (2) the amount of accrued interest, penalties and premium (including tender premium) thereon, any committed but undrawn amounts, and underwriting discounts, fees (including upfront fees, original issue discount, commitment fees, underwriting fees, arrangement fees and similar fees), commissions and expenses associated therewith),

(B) any Replacement Term Loans must have (1) a final maturity date that is equal to or later than the earlier of (x) the final maturity date of the Replaced Term Loans and (y) ninety-one (91) days after the then latest maturity date of any Term Loans that are not being refinanced or so replaced, and (2) have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, the Replaced Term Loans at the time of the relevant refinancing,

(C) any such Replacement Term Loans must be *pari passu* with or junior to any such Replaced Term Loans in right of payment and with respect to the Collateral (provided that such Replacement Term Loans shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Parent Borrower, documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Term Loans are secured, such Replacement Term Loans may not be secured by any assets other than the Collateral,

(E) if any Replacement Term Loans are guaranteed, such Replacement Term Loans may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Term Loans that are *pari passu* in right of payment and *pari passu* in right of security may participate (x) on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayment in respect of the Initial Term Loans (and any Additional Term Loans then subject to ratable repayment requirements) and (y) on a *pro rata* basis, greater than *pro rata* basis or a less than *pro rata* basis in any voluntary prepayment in respect of the Initial Term Loans and any Additional Term Loans, in each case as agreed by the Borrowers and the Lenders providing the relevant Replacement Term Loans,

(G) any Replacement Term Loans shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Parent Borrower and the lenders providing such Replacement Term Loans may agree,

(H) no Default under Section 7.01(a), 7.01(f) or 7.01(g) or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of the relevant Replacement Term Loans, and

(I) either (i) the other terms and conditions of any Replacement Term Loans, as applicable (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Parent Borrower) to the lenders providing such Replacement Term Loans than those applicable to the Replaced Term Loans (other than covenants or other provisions

applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of incurrence of such Replacement Term Loans)) or (ii) such Replacement Term Loans shall reflect market terms and conditions (taken as a whole) at such time (as determined by the Parent Borrower in good faith); provided, that, if any more restrictive financial maintenance covenant is added for the benefit of any Replacement Term Loans, such provisions shall also be applicable to the Credit Facilities (other than covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of incurrence of such Replacement Term Loans)), and

(y) in the case of any Additional Revolving Facility, with the written consent of the Borrowers and the Lenders providing the relevant Replacement Revolving Facility to permit the refinancing or replacement of all or any portion of any Additional Revolving Commitments under one or more Classes, series or tranche, as selected by the Parent Borrower in its sole discretion (any such Additional Revolving Commitments being refinanced or replaced, a “**Replaced Revolving Facility**”), with a replacement revolving facility hereunder (a “**Replacement Revolving Facility**”) pursuant to a Refinancing Amendment; provided that:

(A) the aggregate principal amount of any Replacement Revolving Facility shall not exceed the aggregate principal amount of the unutilized commitments under the Replaced Revolving Facility (*plus* (x) any additional amounts permitted to be incurred under Section 6.01(a), (q), (u), (w) and/or (z) and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02(k) (with respect to Liens securing Indebtedness permitted by Section 6.01(a), (q), (u), (w) or (z)), (o)(ii), (u) and/or (hh) and *plus* (z) the amount of accrued interest, penalties and premium thereon, any committed but undrawn amounts and underwriting discounts, fees (including upfront fees, original issue discount or initial yield payments), commissions and expenses associated therewith),

(B) no such Replacement Revolving Facility may have a final maturity date (or require commitment reductions) prior to the earlier of (x) the final maturity date of the relevant Replaced Revolving Facility at the time of such refinancing and (y) ninety-one (91) days after the then latest maturity date of any Additional Revolving Facility not being refinanced or so replaced,

(C) any such Replacement Revolving Facility must *be pari passu* with any such Replaced Revolving Facility in right of payment and with respect to the Collateral (provided that any such Replacement Revolving Facility shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Administrative Agent and the Parent Borrower, documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Revolving Facility are secured, such Replacement Revolving Facility may not be secured by any assets other than the Collateral,

(E) if any Replacement Revolving Facility are guaranteed, such Replacement Revolving Facility may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Revolving Facility shall be subject to the "ratability" provisions applicable to Extended Revolving Credit Commitments and Extended Revolving Loans set forth in the proviso to clause (ii) of Section 2.23(a), *mutatis mutandis*, to the same extent as if fully set forth in this Section 9.02(c)(ii).

(G) any Replacement Revolving Facility shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrowers and the lenders providing such Replacement Revolving Facility, may agree,

(H) no Default under Sections 7.01(a), 7.01(f) or 7.01(g) or Event of Default shall exist immediately prior to or after giving effect to the effectiveness of the relevant Replacement Revolving Facility,

(I) either (i) the other terms and conditions of any Replacement Revolving Facility (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be substantially identical to, or (taken as a whole) no more favorable (as reasonably determined by the Parent Borrower) to the lenders providing such Replacement Revolving Facility, than those applicable to the Replaced Revolving Facility (other than covenants or other provisions applicable only to periods after the Latest Revolving Loan Maturity Date (in each case, as of the date of incurrence of the relevant Replacement Revolving Facility)) or (ii) such Replacement Revolving Facility shall reflect market terms and conditions (taken as a whole) at such time (as determined by the Parent Borrower in good faith); and

(J) the commitments in respect of any Replaced Revolving Facility shall be terminated (to the extent being replaced), and all loans outstanding thereunder and all fees in connection therewith shall be paid in full, in each case on the date such Replacement Revolving Facility are implemented;

provided, further, that, in respect of each of clauses (i) and (ii) of this clause (c), any Non-Debt Fund Affiliate and Debt Fund Affiliate providing any Replacement Term Loans shall be subject to the restrictions applicable to such Persons under Section 9.05 as if such Replacement Term Loans were Term Loans and any Debt Fund Affiliate (but not any Non-Debt Fund Affiliate) may provide any Replacement Revolving Facility.

Each party hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be amended by the Borrowers, the Administrative Agent and the lenders providing the relevant Replacement Term Loans or the Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Replacement Term Loans or Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans, notes and commitments subject thereto as a separate "Class" of Loans and/or commitments hereunder), including any technical amendments required in connection therewith. It is understood that any Lender approached to provide all or a portion of any Replacement Term Loans or any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Replacement Term Loans or Replacement Revolving Facility.

(d) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document:

(i) the Parent Borrower and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (x) comply with Requirements of Law or the advice of counsel or (y) cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents;

(ii) the Parent Borrower and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders (including Additional Lenders) providing Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Parent Borrower and the Administrative Agent to (1) effect the provisions of Sections 2.22, 2.23, 5.12, 6.13, 9.02(c) or 9.23, or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and/or (2) to add terms (including representations and warranties, conditions, prepayments, covenants or events of default), in connection with the addition of any Loan or Commitment hereunder, that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent;

(iii) if the Administrative Agent and the Parent Borrower have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Parent Borrower shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly;

(iv) the Administrative Agent and the Parent Borrower may amend, restate, amend and restate or otherwise modify any applicable Acceptable Intercreditor Agreement as provided therein;

(v) the Administrative Agent may amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05, Commitment reductions or terminations pursuant to Section 2.09, implementations of Additional Commitments or incurrences of Additional Loans pursuant to Sections 2.22, 2.23 or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans;

(vi) in the case of any Additional Revolving Facility, solely the consent of the Required Facility Lenders with respect to such Additional Revolving Facility (but not the consent of the Required Lenders or any other Lender) shall be required for any waiver, amendment or modification of (A) any conditions precedent to the obligations of the applicable Lenders to make any Additional Revolving Loan (including any "swingline loans" or the issuance of any letters of credit) and (B) any financial maintenance covenant solely for the benefit of such Additional Revolving Facility; and

(vii) any amendment, waiver or modification of any term or provision that directly affects Lenders under one or more Classes and does not directly affect Lenders under one or more other Classes (unless such amendment, waiver or modification benefits the Lenders under such other Classes) may be effected with solely the consent of the Required Facility Lenders of such directly affected Class (but not the consent of the Required Lenders or any other Lender).

(e) Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (alone or together with its Affiliates (other than (x) any Lender that is a Regulated Bank or its Affiliates and (y) any Revolving Lender or its Affiliates)) that, as a result of its (or its Affiliates') interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "**Net Short Lender**") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders. For purposes of determining whether a Lender (alone or together with its Affiliates) has a "net short position" on any date of determination:

(i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars,

(ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination,

(iii) derivative contracts in respect of an index that includes any Loan Party or any instrument issued or guaranteed by any of the Loan Parties shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index,

(iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "**ISDA CDS Definitions**") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender or its Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Loan Parties (or its successor) is designated as a "Reference Entity" under the terms of such derivative transactions,

(v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender or its Affiliates protection in respect of the Loans or the Commitments, or as to the credit quality of any Loan Party other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Affiliates and (y) the Loan Parties and any instrument issued or guaranteed by any of the Loan Parties, collectively, shall represent less than 5% of the components of such index.

In connection with any such determination, each Lender (other than (x) any Lender that is a Regulated Bank or its Affiliates and (y) any Revolving Lender or its Affiliates) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Parent Borrower and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Administrative Agent shall be entitled to conclusively rely on each such representation and deemed representation and shall have no liability for or duty to (x) inquire as to or investigate the accuracy of any such representation or deemed representation, (y) verify any statements in any officer's certificates delivered to it or (z) otherwise ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Net Short Lender or make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions). Without limiting the foregoing, the Administrative Agent shall not (A) be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce compliance with the provisions hereof relating to the Net Short Lenders or (B) have any liability with respect to or arising out of any assignment or participation of Loans to any Net Short Lender.

Section 9.03. Expenses: Indemnity.

(a) The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Arrangers, the Administrative Agent and their respective Affiliates (including applicable syndication expenses and travel expenses but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the syndication and distribution (including via the Internet or through a service such as SyndTrak) of the Credit Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Borrowers and except as otherwise provided separately in writing between the Parent Borrower, the relevant Arranger and/or the Administrative Agent) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section 9.03, or in connection with the Loans made hereunder. Except to the extent required to be paid on the Closing Date (and invoiced three (3) Business Days prior thereto), all amounts due under this paragraph (a) shall be payable by the Borrowers within thirty (30) days of receipt by the Parent Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) The Borrowers shall indemnify each Arranger, the Administrative Agent, each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one legal counsel to all Indemnitees taken as a whole and, if reasonably necessary, one local counsel in any relevant jurisdiction to all Indemnitees, taken as a whole and solely in the case of an actual or potential conflict of interest, (x) one additional counsel to all affected Indemnitees, taken as a whole, and (y) one additional local counsel in each relevant jurisdiction to all affected Indemnitees, taken as a whole), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby and/or the enforcement of the Loan Documents, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Existing Credit Agreement Transactions or the Transactions or any other transactions contemplated hereby or thereby, (ii) the use of the proceeds of the Loans, (iii) any actual or alleged Release or presence of Hazardous Materials on, at, under or from any property currently or formerly owned or operated by the Parent Borrower, any of its Restricted Subsidiaries or any other Loan Party or any Environmental Liability related to the Parent Borrower, any of its Restricted Subsidiaries or any other Loan Party and/or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by any Borrower, any other Loan Party or any of their respective Affiliates); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage, or liability (i) results from the gross negligence, bad faith or willful misconduct or material breach of the Loan Documents by such Indemnitee, in each case, as determined by a final non-appealable judgment of a court of competent jurisdiction or (ii) arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding (x) that is brought by or against the Administrative Agent or any Arranger, acting in its capacity or fulfilling its role as the Administrative Agent or as an Arranger or similar role or (y) that involves any act or omission of Holdings, any Borrower or any of its subsidiaries). Each Indemnitee shall be obligated to refund or return any and all amounts paid by any Borrower pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses, or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrowers within thirty (30) days (x) after receipt by the Parent Borrower of a written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt by the Parent Borrower of an invoice, setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply to Taxes other than any Taxes that represent losses, claims, damages or liabilities in respect of a non-Tax claim.

(c) No Borrower shall be liable for any settlement of any proceeding effected without its written consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if any proceeding is settled with the relevant Borrower’s written consent, or if there is a final judgment against any Indemnitee in any such proceeding, the Borrowers agree to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrowers shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened claim, litigation, investigation or proceeding against any Indemnitee in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii) such settlement does not include any statement as to any admission of fault or culpability.

Section 9.04. Waiver of Claim. To the extent permitted by applicable law, no party to this Agreement shall assert, and each hereby waives, any claim against any other party hereto or any Related Party thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof, except to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

Section 9.05. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except as provided under Section 6.07, the Borrowers may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section 9.05 (any attempted assignment or transfer not complying with the terms of this Section 9.05 shall be subject to Sections 9.05(f) and (g), as applicable). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and permitted assigns, Participants (to the extent provided in paragraph (c) of this Section 9.05) and, to the extent expressly contemplated hereby, the Related Parties of each of the Arrangers, the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Loan or Additional Commitment added pursuant to Section 2.22, 2.23 or 9.02(c) at the time owing to it) with the prior written consent (not to be unreasonably withheld or delayed) of:

(A) the Parent Borrower; provided that (1) the Parent Borrower shall be deemed to have consented to any such assignment of any Term Loans unless it has objected thereto by written notice to the Administrative Agent within fifteen (15) Business Days after receiving written notice thereof; (2) the consent of the Parent Borrower shall be required for any assignment of Additional Revolving Loans or Additional Revolving Commitments, (3) no consent of the Parent Borrower shall be required for the assignment of Term Loans to another Lender, an Affiliate of any Lender or an Approved Fund, (4) no consent of the Parent Borrower shall be required during the continuation of an Event of Default under Section 7.01(a) or Section 7.01(f) or (g) (solely with respect to the Parent Borrower); (5) the Parent Borrower may withhold its consent to any assignment to any Person that is not a Disqualified Institution but is known by the Parent Borrower to be an Affiliate of a Disqualified Institution regardless of whether such Person is identifiable as an Affiliate of a Disqualified Institution on the basis of such Affiliate's name (other than in respect of a Company Competitor, a

Debt Fund Affiliate that is not itself a Disqualified Institution, unless the Parent Borrower has a reasonable basis for withholding consent) and, for the avoidance of doubt, the deemed consent provisions of clause (1) above shall not apply with respect to any attempted assignment of a Disqualified Institution or any Affiliate of a Disqualified Institution regardless of whether such Person is identifiable as an Affiliate of a Disqualified Institution on the basis of such Affiliate's name, and (6) the investment objective or history of any prospective Lender or its Affiliates shall be a reasonable basis to withhold the Parent Borrower's consent; and

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for any assignment to another Lender, any Affiliate of a Lender or any Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment to another Lender, any Affiliate of any Lender or any Approved Fund or any assignment of the entire remaining amount of the relevant assigning Lender's Loans or commitments of any Class, the principal amount of Loans or commitments of the assigning Lender subject to the relevant assignment (determined as of the date on which the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent and determined on an aggregate basis in the event of concurrent assignments to Related Funds or by Related Funds) shall not be less than \$1,000,000, in the case of Initial Term Loans, Additional Term Loans, Initial Term Loan Commitments and Additional Term Commitments unless the Parent Borrower and the Administrative Agent otherwise consent;

(B) any partial assignment shall be made as an assignment of a proportionate part of all the relevant assigning Lender's rights and obligations in respect of any Facility under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and, except in the case of an assignment by an Initial Term Lender or its Affiliate in connection with the syndication of the Initial Term Loans, shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); and

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent (1) an Administrative Questionnaire and (2) any IRS form required under Section 2.17.

(iii) Subject to the acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section 9.05, from and after the effective date specified in any Assignment and Assumption, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment and Assumption, have the rights and

obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the relevant Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount of and interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrowers' obligation to repay such Loans in accordance with the terms of this Agreement. The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender and the owner of the amounts owing to it under the Loan Documents as reflected in the Register for all purposes of the Loan Documents, notwithstanding notice to the contrary. The Register shall be available for inspection by each Borrower and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice; provided that each Lender shall be able to inspect the Register only with respect to its own Commitments and Loans. The parties intend that any interest in or with respect to the Loans under this Agreement be treated as being issued and maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2), and 881(c)(2) of the Code and any regulations thereunder (and any successor provisions), including without limitation under United States Treasury Regulations Section 5f.103-1(c) and Proposed Regulations Section 1.163-5 (and any successor provisions), and the provisions of this Agreement shall be construed in a manner that gives effect to such intent.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee's completed Administrative Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section 9.05, if applicable, and any written consent to the relevant assignment required by paragraph (b) of this Section 9.05, the Administrative Agent shall promptly accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) By executing and delivering an Assignment and Assumption, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Loans, in each case without giving effect to any assignment thereof which has not become effective, are as set forth in such Assignment and Assumption, (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of any Borrower or any Restricted Subsidiary or the performance or observance by any Borrower or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is an Eligible Assignee, legally authorized to enter into such Assignment and Assumption; (D) such assignee confirms that it has received a copy of this Agreement and the Intercreditor Agreements (and any other applicable Acceptable Intercreditor Agreement), together with copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Assumption; (E) such assignee will independently and without reliance upon the Administrative Agent, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) (i) Any Lender may, without the consent of the Parent Borrower, the Administrative Agent or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution, any natural Person or, other than with respect to any participation to any Debt Fund Affiliate (any such participations to a Debt Fund Affiliate being subject to the limitation set forth in the first proviso of the penultimate paragraph set forth in Section 9.05(h), as if the limitation applied to such participations), any Borrower or any of its Affiliates) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrowers, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) the Lenders shall not be permitted to sell participations to any Company Competitor regardless of whether any Event of Default (or a type thereof) is continuing. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment, modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Loans or commitments in which such Participant has an interest and (y) clause (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section 9.05, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of such Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this

Section 9.05 (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(c), to the Borrowers and the Administrative Agent upon reasonable written request by the Parent Borrower). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(ii) No Participant shall be entitled to receive any greater payment under Section 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Parent Borrower's prior written consent expressly acknowledging that such Participant's entitlement to benefits under Sections 2.15, 2.16 and 2.17 is not limited to what the participating Lender would have been entitled to receive absent the participation.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and their respective successors and assigns, and the principal amounts and stated interest of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under the Code or Treasury Regulations, including, without limitation, under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the Treasury Regulation (or, in each case, any amended, successor or final version). The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPC**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of any Loan by an SPC hereunder shall utilize the Commitment or Additional Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement

(including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount under Section 2.13, 2.14 or 2.15 or any other provision of this Agreement or any other Loan Document that the Granting Lender would have been entitled to receive, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (iii) the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one (1) year and one (1) day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the U.S. or any State thereof; provided that (i) such SPC's Granting Lender is in compliance in all material respects with its obligations to the Borrowers hereunder and (ii) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (i) with notice to, but without the prior written consent of, the Parent Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC. If a Granting Lender grants an option to an SPC as described herein and such grant is not reflected in the Register, the Granting Lender shall maintain a separate register on which it records the name and address of each SPC and the principal amounts (and related interest) of each SPC's interest with respect to the Loans, Commitments or other interests hereunder, which entries shall be conclusive absent manifest error and each Lender shall treat such SPC that is recorded in the register as the owner of such interests for all purposes of the Loan Documents notwithstanding any notice to the contrary; provided, further, that no Lender shall have any obligation to disclose any portion of such register to any Person except to the extent disclosure is necessary to establish that the Loans, Commitments or other interests hereunder are in registered form for U.S. federal income tax purposes (or as is otherwise required thereunder).

(f) (i) Any assignment or participation by a Lender without the Parent Borrower's consent, to the extent the Borrowers' consent is required under this Section 9.05, to any other Person shall, at the Parent Borrower's election, be treated in accordance with Section 9.05(g) below or the Borrowers shall be entitled to seek specific performance to unwind any such assignment or participation in addition to injunctive relief or any other remedies available to the Borrowers at law or in equity. Upon the request of any Lender, who agrees in writing for the benefit of the Borrowers to maintain confidentiality, the Parent Borrower shall make available to such Lender the names of Disqualified Institutions at the relevant time (other than any Affiliate thereof that is reasonably identifiable on the basis of such Affiliate's name) on a confidential basis and such Lender may provide such names to any potential assignee or participant on a confidential basis in accordance with Section 9.13 for the purpose of verifying whether such Person is a Disqualified Institution.

(ii) Without limiting the foregoing, the Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions (other than with respect to updating the list with names of Disqualified Institutions provided in writing to the Administrative Agent in accordance with the definition of "Disqualified Institution" or providing the list (with such updates) upon request in accordance with this Section 9.05). Without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (i) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (ii) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

(g) If any assignment or participation under this Section 9.05 is made to any Person that is a Disqualified Institution, to any Person that cannot be reasonably identified as a Disqualified Institution pursuant to clause (a)(ii) or (c)(ii) of the definition thereof as of the date of such assignment or participation and subsequently becomes reasonably identifiable as a Disqualified Institution or to any Affiliate of a Disqualified Institution as to which the Parent Borrower did not expressly consent in writing, then, notwithstanding any other provision of this Agreement (i) the Parent Borrower may, at the Borrowers' sole expense and effort, upon notice to such Person and the Administrative Agent, (A) terminate any Commitment of such Person and repay all obligations of the Borrowers owing to such Person, (B) in the case of any outstanding Term Loans, held by such Person, purchase such Term Loans by paying the lesser of (I) par and (II) the amount that such Person paid to acquire such Term Loans, plus accrued interest thereon, but without any premium, penalty, prepayment fee or breakage, and/or (C) require such Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees at the price indicated in clause (i) above; provided that in the case of clause (C) above, the relevant assignment shall otherwise comply with this Section 9.05 (except that no registration and processing fee required under this Section 9.05 shall be required with respect to any assignment pursuant to this paragraph), (ii) for purposes of voting, any Loans and Commitments held by such Person shall be deemed not to be outstanding, and such Person shall have no voting or consent rights with respect to "Required Lender" or class or facility vote or consents, (iii) for purposes of any matter requiring the vote or consent of each Lender (or each Lender affected by any amendment or waiver), such Person shall be deemed to have voted or consented to approve such amendment or waiver if a majority of the affected Class or Facility (after giving effect to clause (ii)) so approves, (iv) such Person shall not be permitted to attend meetings of the Lenders or receive information prepared by the Administrative Agent, any Lender, Holdings, the Parent Borrower or any of its subsidiaries in connection with this Agreement and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, (v) such Person shall not be entitled to any expense reimbursement or indemnification rights hereunder (including Section 9.03) or under any other Loan Document, (vi) such Person shall be otherwise deemed to be a Defaulting Lender, and (vii) in no event shall such Person be entitled to receive amounts set forth in Section 2.13(d). Nothing in this Section 9.05(g) shall be deemed to prejudice any right or remedy that Holdings or the Borrowers may otherwise have at law or equity. Each Lender acknowledges and agrees that Holdings and its subsidiaries will suffer irreparable harm if such Lender breaches any obligation under this Section 9.05 insofar as such obligation relates to any assignment, participation or pledge to any Disqualified Institution without the Parent Borrower's prior written consent and, therefore, each Lender agrees that Holdings and/or any Borrower may seek to obtain specific performance or other equitable or injunctive relief to enforce this Section 9.05(g) against such Lender with respect to such breach without posting a bond or presenting evidence of irreparable harm.

(h) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Initial Term Loans or Additional Term Loans to an Affiliated Lender on a non-*pro rata* basis (A) through Dutch Auctions open to all Lenders holding the relevant Initial Term Loans or such Additional Term Loans, as applicable, on a *pro rata* basis or (B) through open market purchases, in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Initial Term Loans or Additional Term Loans acquired by Holdings, the Borrowers or any of their subsidiaries shall be retired and cancelled to the extent permitted by applicable law; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Initial Term Loans or Additional Term Loans, as applicable, shall be deemed reduced by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so retired and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.10(a) shall be reduced on a *pro rata* basis by the full par value of the aggregate principal amount of Term Loans so cancelled;

(x) any Initial Term Loans or Additional Term Loans acquired by any Non-Debt Fund Affiliate may (but shall not be required to) be contributed to any Borrower or any of its subsidiaries for purposes of cancelling such Indebtedness (it being understood that any such Initial Term Loans or Additional Term Loans shall be retired and cancelled immediately upon such contribution to the extent permitted by applicable law); provided that upon any such cancellation, the aggregate outstanding principal amount of the Initial Term Loans or Additional Term Loans, as applicable, shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Initial Term Loans pursuant to Section 2.10(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Initial Term Loans so contributed and cancelled;

(y) the relevant Affiliated Lender and assigning Lender shall have executed an Affiliated Lender Assignment and Assumption and the Assignment shall have been recorded in the Register;

(z) after giving effect to such assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Initial Term Loans and Additional Term Loans then held by all Affiliated Lenders shall not exceed 25% of the aggregate principal amount of the Initial Term Loans and Additional Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the “**Affiliated Lender Cap**”); provided that (x) each party hereto acknowledges and agrees that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this clause (g)(iv) or any purported assignment exceeding the Affiliated Lender Cap (it being understood and agreed that the Affiliated Lender Cap is intended to apply to any Loans made available to Affiliated Lenders by means other than formal assignment (*e.g.*, as a result of an acquisition of another Lender (other than any Debt Fund Affiliate)) by any Affiliated Lender or the provision of Additional Term Loans by any Affiliated Lender); and (y) that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of all Initial Term Loans and Additional Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellations thereof), the assignment of the relevant excess amount shall be deemed to have been contributed directly or indirectly to the relevant Borrower and cancelled;

(aa) in connection with any assignment effected pursuant to a Dutch Auction and/or open market purchase conducted by Holdings, the Borrowers or any of their subsidiaries, (A) the relevant Person may not use the proceeds of the ABL Facility or any Additional Revolving Loans to fund such assignment and (B) no Event of Default exists at the time of acceptance of bids for the Dutch Auction or the confirmation of such open market purchase, as applicable; and

(bb) by its acquisition of Term Loans, each relevant Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) subject to clause (iv) above, the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Term Loans held by such Affiliated Lender shall be deemed to be voted *pro rata* along with the other Lenders that are not Affiliated Lenders); provided that (x) such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be, and (cc) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a *pro rata* basis hereunder, in each case without the consent of such Affiliated Lender; and

(B) such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Initial Term Loans or Additional Term Loans required to be delivered to Lenders pursuant to Article II); and

(vii) no Affiliated Lender shall be required to represent or warrant that it is not in possession of material non-public information with respect to Holdings, the Borrowers and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.05(h).

Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Initial Term Loans or Additional Term Loans to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Initial Term Loans or Additional Term Loans (x) on a non-*pro rata* basis through Dutch Auctions open to all applicable Lenders or (y) on a non-*pro rata* basis through open market purchases without the consent of the Administrative Agent, in each case, notwithstanding the requirements set forth in subclauses (i) through (vii) of this clause (g); provided that the Initial Term Loans, Additional Term Loans of all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any

Loan Party therefrom, or subject to the immediately succeeding paragraph, any plan of reorganization pursuant to the Bankruptcy Code, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document. Any Initial Term Loans or Additional Term Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to any Borrower or any of its subsidiaries for purposes of cancelling such Indebtedness (it being understood that any Initial Term Loans or Additional Term Loans so contributed shall be retired and cancelled immediately to the extent permitted by applicable law); provided that upon any such cancellation, the aggregate outstanding principal amount of the Initial Term Loans or other Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Initial Term Loans or Additional Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Initial Term Loans pursuant to Section 2.10(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Loans so contributed and cancelled.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law is commenced by or against any Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Initial Term Loans or Additional Term Loans held by such Affiliated Lender in the same proportion as the vote of Lenders that are not Affiliated Lenders on the relevant matter; provided that in connection with any matter that proposes to treat any Obligations held by such Affiliated Lender in a manner that is different than the proposed treatment of similar Obligations held by Lenders that are not Affiliates, (a) such Affiliated Lender shall be entitled to vote in accordance with its sole discretion and (b) the Administrative Agent shall not be entitled to vote on behalf of such Affiliated Lender. Each Affiliated Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Initial Term Loans or Additional Term Loans and participations therein and not in respect of any other claim or status that such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of (but subject to the limitations set forth in) this paragraph.

Section 9.06. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any existing Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 8.01, 9.03 and 9.13 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of any Additional Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents, the Intercreditor Agreements (and any other Acceptable Intercreditor Agreement) and the Engagement Letter and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by Holdings, each Borrower and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or by email as a “.pdf” or “.tiff” attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each a “**Communication**”), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each of the Administrative Agent, and each Credit Party agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Credit Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“**Electronic Copy**”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is not under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Credit Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party and/or any Credit Party without further verification and (b) upon the request of the Administrative Agent or any Credit Party, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “**Electronic Record**” and “**Electronic Signature**” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Administrative Agent shall be entitled to rely on, and shall incur no liability

under or in respect of this Agreement or any other Loan Document by acting upon, any Communication (which writing may be any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and reasonably believed by it to be genuine and signed or sent or otherwise authenticated, in each case.

Each of the Loan Parties and each Credit Party hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) waives any claim against the Administrative Agent, each Credit Party for any liabilities arising solely from the Administrative Agent's and/or any Credit Party's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature, except, in each case, to the extent resulting from the Administrative Agent's gross negligence or willful misconduct.

Section 9.08. Severability. To the extent permitted by law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09. Right of Setoff. At any time when an Event of Default exists, upon the written consent of the Administrative Agent, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent or such Lender or Affiliate (including by branches and agencies of the Administrative Agent or such Lender, wherever located) to or for the credit or the account of any Borrower or any Loan Party against any of and all the Secured Obligations held by the Administrative Agent or such Lender or Affiliate, in each case, except to the extent such amounts, deposits, obligations, credit or account constitute Excluded Assets, irrespective of whether or not the Administrative Agent or such Lender or Affiliate shall have made any demand under the Loan Documents and although such obligations may be contingent or unmatured or are owed to a branch or office of such Lender different than the branch or office holding such deposit or obligation on such Indebtedness. Any applicable Lender or Affiliate shall promptly notify the Parent Borrower and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section 9.09 except to the extent such amounts, deposits, obligations, credit or account constitute Excluded Assets. The rights of each Lender, the Administrative Agent and each Affiliate under this Section 9.09 are in addition to other rights and remedies (including other rights of setoff) which such Lender, the Administrative Agent or such Affiliate may have.

Section 9.10. Governing Law; Jurisdiction; Consent to Service of Process.

(a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN THE OTHER LOAN DOCUMENTS), WHETHER IN TORT, CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE, SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction (subject to the last sentence of this clause (b)) of any U.S. Federal or New York State court sitting in the Borough of Manhattan, in the City of New York (or any appellate court therefrom) over any suit, action or proceeding arising out of or relating to any Loan Documents and agrees that all claims in respect of any such action or proceeding shall (except as permitted below) be heard and determined in such New York State or, to the extent permitted by law, federal court. Each party hereto agrees that service of any process, summons, notice or document by registered mail addressed to such person shall be effective service of process against such Person for any suit, action or proceeding brought in any such court. Each party hereto agrees that a final judgment in any such action or proceeding may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each party hereto agrees that the Administrative Agent and the Secured Parties retain the right to bring proceedings against any loan party in the courts of any other jurisdiction solely in connection with the exercise of any rights under any Collateral Document.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 9.10. Each party hereto hereby irrevocably waives, to the fullest extent permitted by law, any claim or defense of an inconvenient forum to the maintenance of such action, suit or proceeding in any such court.

(d) To the extent permitted by law, each party hereto hereby irrevocably waives personal service of any and all process upon it and agrees that all such service of process may be made by registered mail (or any substantially similar form of mail) directed to it at its address for notices as provided for in Section 9.01.

(e) Each party hereto hereby waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any loan document that service of process was invalid and ineffective. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.11. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.13. **Confidentiality.** Each of the Administrative Agent, each Lender and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its and its Affiliates' directors, officers, managers, employees, independent auditors, or other experts and advisors, including accountants, legal counsel and other advisors (collectively, the "**Representatives**") on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that (x) such Person shall be responsible for its Affiliates' and their Representatives' compliance with this paragraph and (y) unless the Parent Borrower otherwise consents, no such disclosure shall be made by the Administrative Agent, any Arranger, any Lender or any Affiliate or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Arranger, or any Lender that is a Disqualified Institution, (b) upon the demand or request of any regulatory or Governmental Authority (including any self-regulatory body or any Federal Reserve Bank or other central bank acting as pledgee pursuant to Section 9.05) purporting to have jurisdiction over such Person or its Affiliates (in which case such Person shall, except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory or self-regulatory authority exercising examination or regulatory authority, to the extent practicable and permitted by law, (i) inform the Parent Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment), (c) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall (i) to the extent practicable and permitted by law, inform the Parent Borrower promptly in advance thereof and (ii) use commercially reasonable efforts to ensure that any such information so disclosed is accorded confidential treatment), (d) to any other party to this Agreement, (e) to any Lender, Participant, counterparty or prospective Lender, Participant or counterparty, subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Parent Borrower and the Administrative Agent) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require "click through" or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof, to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution), (ii) any pledgee referred to in Section 9.05 and (iii) any actual or prospective, direct or indirect contractual counterparty (or its advisors) to any Derivative Transaction (including any credit default swap) or similar derivative product to which any Loan Party is a party, (f) with the prior written consent of the Parent Borrower and subject to the Parent Borrower's prior approval of the information to be disclosed (not to be unreasonably withheld or delayed) to one or more ratings agencies in connection with obtaining ratings (including "shadow ratings") of any Borrower or the Loans, (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section 9.13 by such Person, its Affiliates or their respective Representatives, (h) to insurers, any numbering administration or settlement services providers on a "need to know" basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that any disclosure made in reliance on this clause (h) is limited to the general terms of this Agreement and does not include financial or other information relating to Holdings, the Borrowers and/or any of their respective subsidiaries and (i) to the extent required to be so disclosed in any public filings by a Lender with the SEC. For purposes of this Section 9.13, "**Confidential Information**" means all information relating to the Borrowers and/or any of their

subsidiaries and their respective businesses, the Sponsor or the Transactions (including any information obtained by the Administrative Agent, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of the books and records relating to the Borrowers and/or any of their subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger or Lender on a non-confidential basis prior to disclosure by any Borrower or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

Section 9.14. No Fiduciary Duty. Each of the Administrative Agent, the Arrangers, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the “**Lenders**”), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15. Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16. USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.17. Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

Section 9.18. Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent and the Lenders, in Collateral which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession and such possession is required by the Perfection Requirements. If any Lender (other than the Administrative Agent) obtains possession of any Collateral, such Lender shall notify the Administrative Agent thereof; and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent's instructions.

Section 9.19. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "**Charged Amounts**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charged Amounts payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charged Amounts that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.19 shall be cumulated and the interest and Charged Amounts payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.20. Intercreditor Agreement.

REFERENCE IS MADE TO THE INTERCREDITOR AGREEMENTS AND EACH OTHER APPLICABLE ACCEPTABLE INTERCREDITOR AGREEMENT. EACH LENDER HEREUNDER AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENTS OR SUCH OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AND AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO THE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT AS "AGENT" AND ON BEHALF OF SUCH LENDER. THE PROVISIONS OF THIS SECTION 9.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF THE INTERCREDITOR AGREEMENT AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT OR ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT (AND ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT) AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENTS OR ANY OTHER ACCEPTABLE INTERCREDITOR AGREEMENT.

Section 9.21. Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document (but excluding any applicable Acceptable Intercreditor Agreement), in the event of any conflict or inconsistency between this Agreement and any other Loan Document (excluding any applicable Acceptable Intercreditor Agreement), the terms of this Agreement shall govern and control; provided that in the case of any conflict or inconsistency between any applicable Acceptable Intercreditor Agreement and any other Loan Document, the terms of such Acceptable Intercreditor Agreement shall govern and control.

Section 9.22. Release of Guarantors. Notwithstanding anything in Section 9.02(b) to the contrary, any Subsidiary Guarantor shall automatically be released from its obligations hereunder (and its Loan Guaranty shall be automatically released) (x) upon the consummation of any permitted transaction or series of related transactions if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder) as certified by a Responsible Officer of the Parent Borrower, (y) in the case of any Discretionary Guarantor, the Parent Borrower elects, in its sole discretion, any Discretionary Guarantor to be released from its obligations hereunder, so long as in the case of any such Discretionary Guarantor that is a Restricted Subsidiary of the Parent Borrower, (i) such Discretionary Guarantor is or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions permitted hereunder; and (ii) after giving effect to such election and release, the Indebtedness of such Discretionary Guarantor outstanding upon such election and release will be deemed to constitute Indebtedness of a Restricted Subsidiary that is not a Loan Party for purposes of this Agreement, in each case as certified by a Responsible Officer of the Parent Borrower, and/or (z) upon the occurrence of the Termination Date. In connection with any such release, the Administrative Agent shall promptly execute and deliver to the relevant Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to evidence termination or release. Any execution and delivery of documents pursuant to the preceding sentence of this Section 9.22 shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent's authority to execute and deliver such documents).

Section 9.23. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.24. Lender Representation. Each Lender as of the Closing Date represents and warrants as of the Closing Date to the Administrative Agent and each other Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, for the benefit of any Borrower or any other Loan Party, that such Lender is not and will not be (1) an employee benefit plan subject to Title I of ERISA, (2) a plan or account subject to Section 4975 of the Code; (3) an entity deemed to hold "plan assets" of any such plans or accounts for purposes of ERISA or the Code; or (4) a "governmental plan" within the meaning of ERISA.

Section 9.25. Undesignation of a Borrower.
